Dear Gregory,

We are pleased to inform you that your request for a Targeted Grant has been approved by the Trustees of the Eastern Bank Charitable Foundation in the amount of $10,000.00.

The category of K-12 Student Success is an area that impacts all of the communities we serve. In 2014, the Eastern Bank Charitable Foundation will donate over $1.0 million to organizations working to ensure that more students graduate from high school prepared for a sustainable career and/or the rigors of higher education.

Every year the Targeted Grant category is extremely competitive, but this year we had a record breaking number of requests. This grant directly reflects our confidence in your organization and acknowledges your impact on the community.

In order for us to process the payment, please log-in to the our online application site to complete the required Follow-Up form(s). The link for access to this site is https://www.grantinterface.com/Eastern/Common/LogOn.aspx

After logging-in, under the Form Name section, you will find the blue EDIT link on the right side of the screen. Clicking this link will take you to the necessary form for completion.

You will be asked to complete 2 forms. Here are some helpful hints when completing the forms.

1. The Community Reinvestment Act Survey asks whether or not your donation meets CRA criteria as defined by the F.D.I.C. If the donation does not meet these criteria, please select NONE.

2. The Verification Form is used to confirm your mailing address for this grant and to provide any updates on your Organizational Information.

When you have finished your form(s) you MUST click SUBMIT to complete the submission. Each form must be submitted separately.

Please remember, we cannot process payment of this donation until all appropriate forms have been completed.

Should you have any questions, please do not hesitate to contact Hoeun Chum at h.chum@easternbank.com.

Best wishes,

Laura
