Yet, your city council has abandoned the facts and placed several outright lies in a ballot question that not only misleads voters but also opens a door to those who want nothing but to destroy our democracy and our way of life.

Why would you actively allow this to happen?

THE TRUTH ABOUT “PRO-PALESTINIAN” PROTESTERS

We have watched in horror as protestors have overtaken city councils, state government, and American university campuses with misinformation, extremist ideology, and violent conduct that undermine our democratic way of life and our peaceful communities.

The protesters claim to be an anti-war movement to stop the “genocide, apartheid, and occupation” [3] of the

Palestinian people, but nothing can be further from the truth.

Students for Justice in Palestine (SJP) and other groups (AMP, CAIR, JVP, WOL, etc.) are funded by the Hamas terrorist organization [4-9]. As a propaganda arm of Hamas, their sole purpose is to radicalize and misinform government officials and campuses and create a massive disinformation campaign to delegitimize Israel and promote the annihilation of the Jewish State.

Their chant, "From the River to the Sea," clearly states their intention [10]. If you listen carefully, however, their violent intentions do not stop with Israel. They promote antisemitism the world over with the ultimate goal of overturning democratic values as they chant "Death to America" [11-12]. Their philosophy is anchored in the Hamas Charter, which states in its introduction, "Israel will exist until Islam will obliterate it" and "Our struggle against the Jews is very great and very serious" [13]; and the radical Islamist Duaat entitled "How Islam will dominate the world" [14].

Pure logic and history upend the protesters' statements.

Only a day after the heinous October 7 attacks on Israel, these protesters started their false accusations of "genocide" [15]. Here is the truth:

FALSE CLAIMS OF APARTHEID

Hamas' accusations of apartheid are false. Apartheid is defined as a system of legalized racial discrimination and segregation that deprives a racial group of their political and civil rights. In South Africa, for example, the white minority segregated Black Africans in housing, transportation, education, and stripped them of citizenship, and positions in government.

In Israel, all citizens whether Jewish, Arab, Armenian, Baha'i, Christian, Druze, Muslim, etc. have equal rights. They can live, work, and travel wherever they want, and they are provided the same government services (e.g., health insurance, free public school, subsidized university education) equally. They attend the same universities and have the same voting power and opportunities. In fact, they hold positions in all industries (e.g., law, medicine, politics) – including positions as judges and members of the Knesset. Israel is a multi-racial society where the Arab citizens have full rights. Inciting racism or discrimination in Israel is a criminal offense [16].

FALSE CLAIMS OF COLONIALISM AND OCCUPATION

Predating Islam, the Jewish people arrived and established the independent Land of Israel in the second millennium B.C.E. and lived there for more than 1,600 years. In succession, the Babylonians, Persians, Greeks, and Romans conquered the land. Despite the efforts of Roman crusaders and some Muslims to make the country empty of Jews, thousands of Jews have lived for centuries in each of the holy cities of Jerusalem, Safad, Tiberius, and Hebron; and in Gaza, Rafah, Ashkelon, Caesarea, Jaffa, Acre, and Jericho. [17]. Moreover, archaeological evidence proves Jewish indigenousity, with cities populated by a Jewish majority prior to the establishment of the modern state of Israel [18].

It is absurd to claim that the Jews who returned to Israel starting in the last decades of the 19th century were colonialists and imperialists. For whom were these idealists working? They were not planting the flag of the antisemitic regimes of Russia, Poland, and Lithuania; and they were kicked out of Yemen, Iraq, Turkey, and North Africa. In fact, these Jewish refugees had to overcome Turkish, British, and Pan-Arab imperialism to achieve self-determination. They were fleeing pogroms and persecution and wanted nothing to do with the countries from which they fled. They did not come to the land with weapons to conquer, but with rakes and hoes to cultivate often swamp-infested land they legally purchased from absentee landlords. Years later, after the Holocaust, the state of Israel was defined and established by international law (1948). The Israelis were ecstatic to live peacefully among their neighbors within the meager boundaries they were allotted in 1948, when five Arab countries attacked Israel in the War of Independence. This war was one of many that Muslim extremists committed against the Jewish state to deny Israel's right to exist [19].

In 1967 Egypt, Syria, and Jordan started a war with Israel. Hafiz al-Assad ordered his Syrian soldiers to "strike the enemy's [civilian] settlements, turn them into dust, pave the Arab roads with the skulls of the Jews, and strike them

without mercy" [20]. Miraculously, Israel won the war and gained territory in the Sinai, Golan Heights, West Bank, Gaza, and East Jerusalem. In 1982, Israel gave the Sinai to Egypt, which has created peace between the countries [21].
With similar hope, Israel left Gaza in 2005 as one of many gestures of peace with its Arab neighbors that have been met with violence [22]. This is worth repeating. Since 2005, Israel has NOT occupied Gaza. In response, Hamas overtook Gaza, slaughtered Palestinian leaders, created 450 miles of terror tunnels, launched over 30,000 rockets at Israel, and on October 7 perpetrated the most heinous attacks on the Jewish people since the Holocaust including the kidnapping of Israelis, Americans, and Foreign Nationals still missing today [23-24].

## FALSE CLAIMS OF GENOCIDE: HAMAS IS RESPONSIBLE FOR DEATHS OF PALESTINIANS

Both Hamas and the protesters' accusations of the Israel Defense Forces (IDF) are blatantly false. Numerous military leaders, including John Spencer (Former Chair of Urban Warfare Studies, WestPoint), testify that "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" including its use of precision weapons and the sending of leaflets, texts, and calls to Gazans ahead of airstrikes to provide time for them to evacuate targeted areas [25-27]. Sadly, terrorists boast of hiding among their own civilians to increase casualties [28].

Armies that fight defensive wars against terrorists in urban warfare generally have a civilian to casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist eliminated. This was true for U.S. and coalition troops in Mosul (2016-2017) [29]. However, Israel's ratio is less than 1:1, meaning they have reduced civilian casualties more than four to sixtyfold by comparison [30]. While the loss of innocent life is tragic, according to International Humanitarian Law (Article 51) these deaths fall squarely on Hamas [31].

Statistical analysis proves what Israel has been saying along - that the Ministry of Health numbers are false [32].

## HAMAS ADMITS: NO GENOCIDE HERE

As in previous wars that Hamas has started, Hamas leaders have finally admitted that they lied about numbers of civilian casualties [33], and that 72% of casualty numbers are male terrorists [34].

Moreover, Palestinian civilians attest to the fact that Hamas steals food from aid trucks and murders Palestinians trying to reach the aid [35-38].

## HAMAS' GLOBAL SUBTERFUGE

Hamas covers its atrocities against the Palestinian people (e.g., blocking safe passage corridors, hiding and firing weapons among civilians) [39-41] by sponsoring and supporting city, state, and worldwide protests on the Palestinians' behalf with the sole intent of delegitimizing Israel [42-45].

Donning the cloak of victimhood and resistance, Hamas's behavior is barbaric – igniting hatred and discrimination against Israel, worldwide Jewry, and democracy itself.

## SUMMARY

This document proves that the claims aimed at Israel of apartheid, genocide, colonialism, and occupation - are patently FALSE.

After the barbaric attack on October 7th, Hamas is still holding hostages and rebuilding its terror structure.

Allowing protesters like SJP, and groups like it (e.g., AMP, CAIR, JVP, WOL, etc.), to hijack governing bodies only rewards and emboldens Hamas, endangers Israel and worldwide democracies, and prevents the Gazans from taking responsibility to unlearn hate and choose healthy governance so that they become viable peace partners.

The world is at an uncomfortable brink: Barbarism vs. Democracy. Rewarding barbarity and those who support it is a losing proposition.

Bold leadership, not capitulation, is the only strategy to keep communities safe.
We ask you to vote NO on this anti-Israel ballot measure – which is a strategy designed by Hamas supporters to keep Hamas in power and continue to inflict carnage on the Palestinians and Israelis.

Please protect our community, democracy, and national security from misinformation and terrorist propaganda.

Sincerely,

"This is your democracy. Make it. Protect it. Pass it on."

Honorable Elected Officials,

We are your constituents, Americans across this great nation, and worldwide citizens who ask you to vote NO on the proposed anti-Israel ballot measure which falsely accuses Israel of apartheid, genocide, and illegal occupation and then asks voters to prohibit future city business and city investments with Israeli companies.

UNCONSTITUTIONAL: VIOLATION OF U.S. COMMERCE CLAUSE

The power to regulate foreign commerce lies exclusively with Congress. By trying to pass this ballot question endorsing a foreign-directed commercial boycott of Israel, your city council oversteps its constitutional authority. This would directly conflict with federal law and obstruct lawful commercial relationships with a U.S. ally. This represents a violation of Article I, Section 8 of the Constitution.

VIOLATES FEDERAL LAW

In addition, under the Export Administration Act and related federal statutes, U.S. persons and entities are prohibited from participating in or supporting unsanctioned foreign boycotts, such as this campaign targeting Israel. City Council members are duty bound to federal legal frameworks.

STANDARDS FOR U.S. BALLOT QUESTIONS

As elected officials you know that “informed citizens are democracy’s best defense” [1] and “to abandon facts is to abandon freedom” [2].

Yet, your city council has abandoned the facts and placed several outright lies in a ballot question that not only misleads voters but also opens a door to those who want nothing but to destroy our democracy and our way of life.

Their chant, "From the River to the Sea," clearly states their intention [10]. If you listen carefully, however, their violent intentions do not stop with Israel. They promote antisemitism the world over with the ultimate goal of overturning democratic values as they chant "Death to America" [11-12]. Their philosophy is anchored in the Hamas Charter, which states in its introduction, "Israel will exist until Islam will obliterate it" and "Our struggle against the Jews is very great and very serious" [13]; and the radical Islamist Duaat entitled "How Islam will dominate the world" [14].

Pure logic and history upend the protesters' statements.

Only a day after the heinous October 7 attacks on Israel, these protesters started their false accusations of "genocide" [15]. Here is the truth:

FALSE CLAIMS OF APARTHEID

Hamas' accusations of apartheid are false. Apartheid is defined as a system of legalized racial discrimination and segregation that deprives a racial group of their political and civil rights. In South Africa, for example, the white minority segregated Black Africans in housing, transportation, education, and stripped them of citizenship, and positions in government.

In Israel, all citizens whether Jewish, Arab, Armenian, Baha'i, Christian, Druze, Muslim, etc. have equal rights. They can live, work, and travel wherever they want, and they are provided the same government services (e.g., health insurance, free public school, subsidized university education) equally. They attend the same universities and have the same voting power and opportunities. In fact, they hold positions in all industries (e.g., law, medicine, politics) – including positions as judges and members of the Knesset. Israel is a multi-racial society where the Arab citizens have full rights. Inciting racism or discrimination in Israel is a criminal offense [16].

FALSE CLAIMS OF COLONIALISM AND OCCUPATION

Predating Islam, the Jewish people arrived and established the independent Land of Israel in the second millennium B.C.E. and lived there for more than 1,600 years. In succession, the Babylonians, Persians, Greeks, and Romans conquered the land. Despite the efforts of Roman crusaders and some Muslims to make the country empty of Jews, thousands of Jews have lived for centuries in each of the holy cities of Jerusalem, Safad, Tiberius, and Hebron; and in Gaza, Rafah, Ashkelon, Caesarea, Jaffa, Acre, and Jericho. [17]. Moreover, archaeological evidence proves Jewish indigenousity, with cities populated by a Jewish majority prior to the establishment of the modern state of Israel [18].

It is absurd to claim that the Jews who returned to Israel starting in the last decades of the 19th century were colonialists and imperialists. For whom were these idealists working? They were not planting the flag of the antisemitic regimes of Russia, Poland, and Lithuania; and they were kicked out of Yemen, Iraq, Turkey, and North Africa. In fact, these Jewish refugees had to overcome Turkish, British, and Pan-Arab imperialism to achieve self-determination. They were fleeing pogroms and persecution and wanted nothing to do with the countries from which they fled. They did not come to the land with weapons to conquer, but with rakes and hoes to cultivate often swamp-infested land they legally purchased from absentee landlords. Years later, after the Holocaust, the state of Israel was defined and established by international law (1948). The Israelis were ecstatic to live peacefully among their neighbors within the meager boundaries they were allotted in 1948, when five Arab countries attacked Israel in the War of Independence. This war was one of many that Muslim extremists committed against the Jewish state to deny Israel's right to exist [19].

In 1967 Egypt, Syria, and Jordan started a war with Israel. Hafiz al-Assad ordered his Syrian soldiers to "strike the enemy's [civilian] settlements, turn them into dust, pave the Arab roads with the skulls of the Jews, and strike them

without mercy" [20]. Miraculously, Israel won the war and gained territory in the Sinai, Golan Heights, West Bank, Gaza, and East Jerusalem. In 1982, Israel gave the Sinai to Egypt, which has created peace between the countries [21].
With similar hope, Israel left Gaza in 2005 as one of many gestures of peace with its Arab neighbors that have been met with violence [22]. This is worth repeating. Since 2005, Israel has NOT occupied Gaza. In response, Hamas overtook Gaza, slaughtered Palestinian leaders, created 450 miles of terror tunnels, launched over 30,000 rockets at Israel, and on October 7 perpetrated the most heinous attacks on the Jewish people since the Holocaust including the kidnapping of Israelis, Americans, and Foreign Nationals still missing today [23-24].

## FALSE CLAIMS OF GENOCIDE: HAMAS IS RESPONSIBLE FOR DEATHS OF PALESTINIANS

Both Hamas and the protesters' accusations of the Israel Defense Forces (IDF) are blatantly false. Numerous military leaders, including John Spencer (Former Chair of Urban Warfare Studies, WestPoint), testify that "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" including its use of precision weapons and the sending of leaflets, texts, and calls to Gazans ahead of airstrikes to provide time for them to evacuate targeted areas [25-27]. Sadly, terrorists boast of hiding among their own civilians to increase casualties [28].

Armies that fight defensive wars against terrorists in urban warfare generally have a civilian to casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist eliminated. This was true for U.S. and coalition troops in Mosul (2016-2017) [29]. However, Israel's ratio is less than 1:1, meaning they have reduced civilian casualties more than four to sixtyfold by comparison [30]. While the loss of innocent life is tragic, according to International Humanitarian Law (Article 51) these deaths fall squarely on Hamas [31].

Statistical analysis proves what Israel has been saying along - that the Ministry of Health numbers are false [32].

## HAMAS ADMITS: NO GENOCIDE HERE

As in previous wars that Hamas has started, Hamas leaders have finally admitted that they lied about numbers of civilian casualties [33], and that 72% of casualty numbers are male terrorists [34].

Moreover, Palestinian civilians attest to the fact that Hamas steals food from aid trucks and murders Palestinians trying to reach the aid [35-38].

## HAMAS' GLOBAL SUBTERFUGE

Hamas covers its atrocities against the Palestinian people (e.g., blocking safe passage corridors, hiding and firing weapons among civilians) [39-41] by sponsoring and supporting city, state, and worldwide protests on the Palestinians' behalf with the sole intent of delegitimizing Israel [42-45].

Donning the cloak of victimhood and resistance, Hamas's behavior is barbaric – igniting hatred and discrimination against Israel, worldwide Jewry, and democracy itself.

## SUMMARY

This document proves that the claims aimed at Israel of apartheid, genocide, colonialism, and occupation - are patently FALSE.

After the barbaric attack on October 7th, Hamas is still holding hostages and rebuilding its terror structure.

Allowing protesters like SJP, and groups like it (e.g., AMP, CAIR, JVP, WOL, etc.), to hijack governing bodies only rewards and emboldens Hamas, endangers Israel and worldwide democracies, and prevents the Gazans from taking responsibility to unlearn hate and choose healthy governance so that they become viable peace partners.

The world is at an uncomfortable brink: Barbarism vs. Democracy. Rewarding barbarity and those who support it is a losing proposition.

Bold leadership, not capitulation, is the only strategy to keep communities safe.
We ask you to vote NO on this anti-Israel ballot measure – which is a strategy designed by Hamas supporters to keep Hamas in power and continue to inflict carnage on the Palestinians and Israelis.

Please protect our community, democracy, and national security from misinformation and terrorist propaganda.

Sincerely,

"This is your democracy. Make it. Protect it. Pass it on."

Honorable Elected Officials,

We are your constituents, Americans across this great nation, and worldwide citizens who ask you to vote NO on the proposed anti-Israel ballot measure which falsely accuses Israel of apartheid, genocide, and illegal occupation and then asks voters to prohibit future city business and city investments with Israeli companies.

UNCONSTITUTIONAL: VIOLATION OF U.S. COMMERCE CLAUSE

The power to regulate foreign commerce lies exclusively with Congress. By trying to pass this ballot question endorsing a foreign-directed commercial boycott of Israel, your city council oversteps its constitutional authority. This would directly conflict with federal law and obstruct lawful commercial relationships with a U.S. ally. This represents a violation of Article I, Section 8 of the Constitution.

VIOLATES FEDERAL LAW

In addition, under the Export Administration Act and related federal statutes, U.S. persons and entities are prohibited from participating in or supporting unsanctioned foreign boycotts, such as this campaign targeting Israel. City Council members are duty bound to federal legal frameworks.

STANDARDS FOR U.S. BALLOT QUESTIONS

As elected officials you know that “informed citizens are democracy’s best defense” [1] and “to abandon facts is to abandon freedom” [2].

Yet, your city council has abandoned the facts and placed several outright lies in a ballot question that not only misleads voters but also opens a door to those who want nothing but to destroy our democracy and our way of life.

Why would you actively allow this to happen?

THE TRUTH ABOUT "PRO-PALESTINIAN" PROTESTERS

We have watched in horror as protestors have overtaken city councils, state government, and American university campuses with misinformation, extremist ideology, and violent conduct that undermine our democratic way of life and our peaceful communities.

The protesters claim to be an anti-war movement to stop the "genocide, apartheid, and occupation" [3] of the Palestinian people, but nothing can be further from the truth.

Students for Justice in Palestine (SJP) and other groups (AMP, CAIR, JVP, WOL, etc.) are funded by the Hamas terrorist organization [4-9]. As a propaganda arm of Hamas, their sole purpose is to radicalize and misinform government officials and campuses and create a massive disinformation campaign to delegitimize Israel and promote the annihilation of the Jewish State.

Their chant, "From the River to the Sea," clearly states their intention [10]. If you listen carefully, however, their violent intentions do not stop with Israel. They promote antisemitism the world over with the ultimate goal of overturning democratic values as they chant "Death to America" [11-12]. In Israel, all citizens whether Jewish, Arab, Armenian, Baha'i, Christian, Druze, Muslim, etc. have equal rights. They can live, work, and travel wherever they want, and they are provided the same government services (e.g., health insurance, free public school, subsidized university education) equally. They attend the same universities and have the same voting power and opportunities. In fact, they hold positions in all industries (e.g., law, medicine, politics) – including positions as judges and members of the Knesset. Israel is a multi-racial society where the Arab citizens have full rights. Inciting racism or discrimination in Israel is a criminal offense [16].

FALSE CLAIMS OF COLONIALISM AND OCCUPATION

Predating Islam, the Jewish people arrived and established the independent Land of Israel in the second millennium B.C.E. and lived there for more than 1,600 years. In succession, the

Babylonians, Persians, Greeks, and Romans conquered the land. Despite the efforts of Roman crusaders and some Muslims to make the country empty of Jews, thousands of Jews have lived for centuries in each of the holy cities of Jerusalem, Safad, Tiberius, and Hebron; and in Gaza, Rafah, Ashkelon, Caesarea, Jaffa, Acre, and Jericho. [17]. Moreover, archaeological evidence proves Jewish indigenousity, with cities populated by a Jewish majority prior to the establishment of the modern state of Israel [18].

It is absurd to claim that the Jews who returned to Israel starting in the last decades of the 19th century were colonialists and imperialists. For whom were these idealists working? They were not planting the flag of the antisemitic regimes of Russia, Poland, and Lithuania; and they were kicked out of Yemen, Iraq, Turkey, and North Africa. In fact, these Jewish refugees had to overcome Turkish, British, and Pan-Arab imperialism to achieve self-determination. They were fleeing pogroms and persecution and wanted nothing to do with the countries from which they fled. They did not come to the land with weapons to conquer, but with rakes and hoes to cultivate often swamp-infested land they legally purchased from absentee landlords. Years later, after the Holocaust, the state of Israel was defined and established by international law (1948). The Israelis were ecstatic to live peacefully among their neighbors within the meager boundaries they were allotted in 1948, when five Arab countries attacked Israel in the War of Independence. This war was one of many that Muslim extremists committed against the Jewish state to deny Israel's right to exist [19].

In 1967 Egypt, Syria, and Jordan started a war with Israel. Hafiz al-Assad ordered his Syrian soldiers to "strike the enemy's [civilian] settlements, turn them into dust, pave the Arab roads with the skulls of the Jews, and strike them without mercy" [20]. Miraculously, Israel won the war and gained territory in the Sinai, Golan Heights, West Bank, Gaza, and East Jerusalem. In 1982, Israel gave the Sinai to Egypt, which has created peace between the countries [21]. With similar hope, Israel left Gaza in 2005 as one of many gestures of peace with its Arab neighbors that have been met with violence [22]. This is worth repeating. Since 2005, Israel has NOT occupied Gaza. In response, Hamas overtook Gaza, slaughtered Palestinian leaders, created 450 miles of terror tunnels, launched over 30,000 rockets at Israel, and on October 7 perpetrated the most heinous attacks on the Jewish people since the Holocaust including the kidnapping of Israelis, Americans, and Foreign Nationals still missing today [23-24].

## FALSE CLAIMS OF GENOCIDE: HAMAS IS RESPONSIBLE FOR DEATHS OF PALESTINIANS

Both Hamas and the protesters' accusations of the Israel Defense Forces (IDF) are blatantly false. Numerous military leaders, including John Spencer (Former Chair of Urban Warfare Studies, WestPoint), testify that "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" including its use of precision weapons and the sending of leaflets, texts, and calls to Gazans ahead of airstrikes to provide time for them to evacuate targeted areas [25-27]. Sadly, terrorists boast of hiding among their own civilians to increase casualties [28].

Armies that fight defensive wars against terrorists in urban warfare generally have a civilian to casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist eliminated. This was true for U.S. and coalition troops in Mosul (2016-2017) [29]. However, Israel's ratio is less than 1:1, meaning they have reduced civilian casualties more than four to sixtyfold by comparison [30]. While the loss of innocent life is tragic, according to International Humanitarian Law (Article 51) these deaths fall squarely on Hamas [31].

Statistical analysis proves what Israel has been saying along - that the Ministry of Health numbers are false [32].

HAMAS ADMITS: NO GENOCIDE HERE

As in previous wars that Hamas has started, Hamas leaders have finally admitted that they lied about numbers of civilian casualties [33], and that 72% of casualty numbers are male terrorists [34].

Moreover, Palestinian civilians attest to the fact that Hamas steals food from aid trucks and murders Palestinians trying to reach the aid [35-38].

HAMAS' GLOBAL SUBTERFUGE

Hamas covers its atrocities against the Palestinian people (e.g., blocking safe passage corridors, hiding and firing weapons among civilians) [39-41] by sponsoring and supporting city, state, and worldwide protests on the Palestinians' behalf with the sole intent of delegitimizing Israel [42-45].

Donning the cloak of victimhood and resistance, Hamas's behavior is barbaric – igniting hatred and discrimination against Israel, worldwide Jewry, and democracy itself.

SUMMARY

This document proves that the claims aimed at Israel of apartheid, genocide, colonialism, and occupation - are patently FALSE.

After the barbaric attack on October 7th, Hamas is still holding hostages and rebuilding its terror structure.

Allowing protesters like SJP, and groups like it (e.g., AMP, CAIR, JVP, WOL, etc.), to hijack governing bodies only rewards and emboldens Hamas, endangers Israel and worldwide democracies, and prevents the Gazans from taking responsibility to unlearn hate and choose healthy governance so that they become viable peace partners.

The world is at an uncomfortable brink: Barbarism vs. Democracy. Rewarding barbarity and those who support it is a losing proposition.

Bold leadership, not capitulation, is the only strategy to keep communities safe.
We ask you to vote NO on this anti-Israel ballot measure – which is a strategy designed by Hamas supporters to keep Hamas in power and continue to inflict carnage on the Palestinians and Israelis.

Please protect our community, democracy, and national security from misinformation and terrorist propaganda.

Sincerely,

Leah Fischler

Honorable Elected Officials,

We are your constituents, Americans across this great nation, and worldwide citizens who ask you to vote NO on the proposed anti-Israel ballot measure which falsely accuses Israel of apartheid, genocide, and illegal occupation and then asks voters to prohibit future city business and city investments with Israeli companies.

UNCONSTITUTIONAL: VIOLATION OF U.S. COMMERCE CLAUSE

The power to regulate foreign commerce lies exclusively with Congress. By trying to pass this ballot question endorsing a foreign-directed commercial boycott of Israel, your city council oversteps its constitutional authority. This would directly conflict with federal law and obstruct lawful commercial relationships with a U.S. ally. This represents a violation of Article I, Section 8 of the Constitution.

VIOLATES FEDERAL LAW

In addition, under the Export Administration Act and related federal statutes, U.S. persons and entities are prohibited from participating in or supporting unsanctioned foreign boycotts, such as this campaign targeting Israel. City Council members are duty bound to federal legal frameworks.

STANDARDS FOR U.S. BALLOT QUESTIONS

As elected officials you know that “informed citizens are democracy’s best defense” [1] and “to abandon facts is to abandon freedom” [2].

Yet, your city council has abandoned the facts and placed several outright lies in a ballot question that not only misleads voters but also opens a door to those who want nothing but to destroy our democracy and our way of life.

Why would you actively allow this to happen?

THE TRUTH ABOUT "PRO-PALESTINIAN" PROTESTERS

We have watched in horror as protestors have overtaken city councils, state government, and American university campuses with misinformation, extremist ideology, and violent conduct that undermine our democratic way of life and our peaceful communities.

The protesters claim to be an anti-war movement to stop the "genocide, apartheid, and occupation" [3] of the Palestinian people, but nothing can be further from the truth.

Students for Justice in Palestine (SJP) and other groups (AMP, CAIR, JVP, WOL, etc.) are funded by the Hamas terrorist organization [4-9]. As a propaganda arm of Hamas, their sole purpose is to radicalize and misinform government officials and campuses and create a massive disinformation campaign to delegitimize Israel and promote the annihilation of the Jewish State.

Their chant, "From the River to the Sea," clearly states their intention [10]. If you listen carefully, however, their violent intentions do not stop with Israel. They promote antisemitism the world over with the ultimate goal of overturning democratic values as they chant "Death to America" [11-12]. Their philosophy is anchored in the Hamas Charter, which states in its introduction, "Israel will exist until Islam will obliterate it" and "Our struggle against the Jews is very great and very serious" [13]; and the radical Islamist Duaat entitled "How Islam will dominate the world" [14].

Pure logic and history upend the protesters' statements.

Only a day after the heinous October 7 attacks on Israel, these protesters started their false accusations of "genocide" [15]. Here is the truth:

FALSE CLAIMS OF APARTHEID

Hamas' accusations of apartheid are false. Apartheid is defined as a system of legalized racial discrimination and segregation that deprives a racial group of their political and civil rights. In South Africa, for example, the white minority segregated Black Africans in housing, transportation, education, and stripped them of citizenship, and positions in government.

In Israel, all citizens whether Jewish, Arab, Armenian, Baha'i, Christian, Druze, Muslim, etc. have equal rights. They can live, work, and travel wherever they want, and they are provided the same government services (e.g., health insurance, free public school, subsidized university education) equally. Despite the efforts of Roman crusaders and some Muslims to make the country empty of Jews, thousands of Jews have lived for centuries in each of the holy cities of Jerusalem, Safad, Tiberius, and Hebron; and in Gaza, Rafah, Ashkelon, Caesarea, Jaffa, Acre, and Jericho. [17]. Moreover, archaeological evidence proves Jewish indigenousity, with cities populated by a Jewish majority prior to the establishment of the modern state of Israel [18].

It is absurd to claim that the Jews who returned to Israel starting in the last decades of the 19th century were colonialists and imperialists. For whom were these idealists working? They were not planting the flag of the antisemitic regimes of Russia, Poland, and Lithuania; and they were kicked out of Yemen, Iraq, Turkey, and North Africa. In fact, these Jewish refugees had to overcome Turkish, British, and Pan-Arab imperialism to achieve self-determination. They were fleeing pogroms and persecution and wanted nothing to do with the countries from which they fled. They did not come to the land with weapons to conquer, but with rakes and hoes to cultivate often swamp-infested land they legally purchased from absentee landlords. Years later, after the Holocaust, the state of Israel was defined and established by international law (1948). The Israelis were ecstatic to live peacefully among their neighbors within the meager boundaries they were allotted in 1948, when five Arab countries attacked Israel in the War of Independence. This war was one of many that Muslim extremists committed against the Jewish state to deny Israel's right to exist [19].

In 1967 Egypt, Syria, and Jordan started a war with Israel. Hafiz al-Assad ordered his Syrian soldiers to "strike the enemy's [civilian] settlements, turn them into dust, pave the Arab roads with the skulls of the Jews, and strike them

without mercy" [20]. Miraculously, Israel won the war and gained territory in the Sinai, Golan Heights, West Bank, Gaza, and East Jerusalem. In 1982, Israel gave the Sinai to Egypt, which has created peace between the countries [21].
With similar hope, Israel left Gaza in 2005 as one of many gestures of peace with its Arab neighbors that have been met with violence [22]. This is worth repeating. Since 2005, Israel has NOT occupied Gaza. In response, Hamas overtook Gaza, slaughtered Palestinian leaders, created 450 miles of terror tunnels, launched over 30,000 rockets at Israel, and on October 7 perpetrated the most heinous attacks on the Jewish people since the Holocaust including the kidnapping of Israelis, Americans, and Foreign Nationals still missing today [23-24].

## FALSE CLAIMS OF GENOCIDE: HAMAS IS RESPONSIBLE FOR DEATHS OF PALESTINIANS

Both Hamas and the protesters' accusations of the Israel Defense Forces (IDF) are blatantly false. Numerous military leaders, including John Spencer (Former Chair of Urban Warfare Studies, WestPoint), testify that "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" including its use of precision weapons and the sending of leaflets, texts, and calls to Gazans ahead of airstrikes to provide time for them to evacuate targeted areas [25-27]. Sadly, terrorists boast of hiding among their own civilians to increase casualties [28].

Armies that fight defensive wars against terrorists in urban warfare generally have a civilian to casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist eliminated. This was true for U.S. and coalition troops in Mosul (2016-2017) [29]. However, Israel's ratio is less than 1:1, meaning they have reduced civilian casualties more than four to sixtyfold by comparison [30]. While the loss of innocent life is tragic, according to International Humanitarian Law (Article 51) these deaths fall squarely on Hamas [31].

Statistical analysis proves what Israel has been saying along - that the Ministry of Health numbers are false [32].

## HAMAS ADMITS: NO GENOCIDE HERE

As in previous wars that Hamas has started, Hamas leaders have finally admitted that they lied about numbers of civilian casualties [33], and that 72% of casualty numbers are male terrorists [34].

Moreover, Palestinian civilians attest to the fact that Hamas steals food from aid trucks and murders Palestinians trying to reach the aid [35-38].

## HAMAS' GLOBAL SUBTERFUGE

Hamas covers its atrocities against the Palestinian people (e.g., blocking safe passage corridors, hiding and firing weapons among civilians) [39-41] by sponsoring and supporting city, state, and worldwide protests on the Palestinians' behalf with the sole intent of delegitimizing Israel [42-45].

Donning the cloak of victimhood and resistance, Hamas's behavior is barbaric – igniting hatred and discrimination against Israel, worldwide Jewry, and democracy itself.

## SUMMARY

This document proves that the claims aimed at Israel of apartheid, genocide, colonialism, and occupation - are patently FALSE.

After the barbaric attack on October 7th, Hamas is still holding hostages and rebuilding its terror structure.

Allowing protesters like SJP, and groups like it (e.g., AMP, CAIR, JVP, WOL, etc.), to hijack governing bodies only rewards and emboldens Hamas, endangers Israel and worldwide democracies, and prevents the Gazans from taking responsibility to unlearn hate and choose healthy governance so that they become viable peace partners.

The world is at an uncomfortable brink: Barbarism vs. Democracy. Rewarding barbarity and those who support it is a losing proposition.

Bold leadership, not capitulation, is the only strategy to keep communities safe.
We ask you to vote NO on this anti-Israel ballot measure – which is a strategy designed by Hamas supporters to keep Hamas in power and continue to inflict carnage on the Palestinians and Israelis.

Please protect our community, democracy, and national security from misinformation and terrorist propaganda.

Sincerely,

"This is your democracy. Make it. Protect it. Pass it on."

Honorable Elected Officials,

We are your constituents, Americans across this great nation, and worldwide citizens who ask you to vote NO on the proposed anti-Israel ballot measure which falsely accuses Israel of apartheid, genocide, and illegal occupation and then asks voters to prohibit future city business and city investments with Israeli companies.

UNCONSTITUTIONAL: VIOLATION OF U.S. COMMERCE CLAUSE

The power to regulate foreign commerce lies exclusively with Congress. By trying to pass this ballot question endorsing a foreign-directed commercial boycott of Israel, your city council oversteps its constitutional authority. This would directly conflict with federal law and obstruct lawful commercial relationships with a U.S. ally. This represents a violation of Article I, Section 8 of the Constitution.

VIOLATES FEDERAL LAW

In addition, under the Export Administration Act and related federal statutes, U.S. persons and entities are prohibited from participating in or supporting unsanctioned foreign boycotts, such as this campaign targeting Israel. City Council members are duty bound to federal legal frameworks.

STANDARDS FOR U.S. BALLOT QUESTIONS

As elected officials you know that “informed citizens are democracy’s best defense” [1] and “to abandon facts is to abandon freedom” [2].

Yet, your city council has abandoned the facts and placed several outright lies in a ballot question that not only misleads voters but also opens a door to those who want nothing but to destroy our democracy and our way of life.

Why would you actively allow this to happen?

THE TRUTH ABOUT “PRO-PALESTINIAN” PROTESTERS

We have watched in horror as protestors have overtaken city councils, state government, and American university campuses with misinformation, extremist ideology, and violent conduct that undermine our democratic way of life and our peaceful communities.

The protesters claim to be an anti-war movement to stop the “genocide, apartheid, and occupation” [3] of the

Palestinian people, but nothing can be further from the truth.

Students for Justice in Palestine (SJP) and other groups (AMP, CAIR, JVP, WOL, etc.) are funded by the Hamas terrorist organization [4-9]. As a propaganda arm of Hamas, their sole purpose is to radicalize and misinform government officials and campuses and create a massive disinformation campaign to delegitimize Israel and promote the annihilation of the Jewish State.

Their chant, "From the River to the Sea," clearly states their intention [10]. If you listen carefully, however, their violent intentions do not stop with Israel. They promote antisemitism the world over with the ultimate goal of overturning democratic values as they chant "Death to America" [11-12]. Their philosophy is anchored in the Hamas Charter, which states in its introduction, "Israel will exist until Islam will obliterate it" and "Our struggle against the Jews is very great and very serious" [13]; and the radical Islamist Duaat entitled "How Islam will dominate the world" [14].

Pure logic and history upend the protesters' statements.

Only a day after the heinous October 7 attacks on Israel, these protesters started their false accusations of "genocide" [15]. Here is the truth:

FALSE CLAIMS OF APARTHEID

Hamas' accusations of apartheid are false. Apartheid is defined as a system of legalized racial discrimination and segregation that deprives a racial group of their political and civil rights. In South Africa, for example, the white minority segregated Black Africans in housing, transportation, education, and stripped them of citizenship, and positions in government.

In Israel, all citizens whether Jewish, Arab, Armenian, Baha'i, Christian, Druze, Muslim, etc. have equal rights. They can live, work, and travel wherever they want, and they are provided the same government services (e.g., health insurance, free public school, subsidized university education) equally. They attend the same universities and have the same voting power and opportunities. In fact, they hold positions in all industries (e.g., law, medicine, politics) – including positions as judges and members of the Knesset. Israel is a multi-racial society where the Arab citizens have full rights. Inciting racism or discrimination in Israel is a criminal offense [16].

FALSE CLAIMS OF COLONIALISM AND OCCUPATION

Predating Islam, the Jewish people arrived and established the independent Land of Israel in the second millennium B.C.E. and lived there for more than 1,600 years. In succession, the Babylonians, Persians, Greeks, and Romans conquered the land. Despite the efforts of Roman crusaders and some Muslims to make the country empty of Jews, thousands of Jews have lived for centuries in each of the holy cities of Jerusalem, Safad, Tiberius, and Hebron; and in Gaza, Rafah, Ashkelon, Caesarea, Jaffa, Acre, and Jericho. They did not come to the land with weapons to conquer, but with rakes and hoes to cultivate often swamp-infested land they legally purchased from absentee landlords. Years later, after the Holocaust, the state of Israel was defined and established by international law (1948). The Israelis were ecstatic to live peacefully among their neighbors within the meager boundaries they were allotted in 1948, when five Arab countries attacked Israel in the War of Independence. This war was one of many that Muslim extremists committed against the Jewish state to deny Israel's right to exist [19].

In 1967 Egypt, Syria, and Jordan started a war with Israel. Hafiz al-Assad ordered his Syrian soldiers to "strike the enemy's [civilian] settlements, turn them into dust, pave the Arab roads with the skulls of the Jews, and strike them

without mercy" [20]. Miraculously, Israel won the war and gained territory in the Sinai, Golan Heights, West Bank, Gaza, and East Jerusalem. In 1982, Israel gave the Sinai to Egypt, which has created peace between the countries [21].
With similar hope, Israel left Gaza in 2005 as one of many gestures of peace with its Arab neighbors that have been met with violence [22]. This is worth repeating. Since 2005, Israel has NOT occupied Gaza. In response, Hamas overtook Gaza, slaughtered Palestinian leaders, created 450 miles of terror tunnels, launched over 30,000 rockets at Israel, and on October 7 perpetrated the most heinous attacks on the Jewish people since the Holocaust including the kidnapping of Israelis, Americans, and Foreign Nationals still missing today [23-24].

## FALSE CLAIMS OF GENOCIDE: HAMAS IS RESPONSIBLE FOR DEATHS OF PALESTINIANS

Both Hamas and the protesters' accusations of the Israel Defense Forces (IDF) are blatantly false. Numerous military leaders, including John Spencer (Former Chair of Urban Warfare Studies, WestPoint), testify that "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" including its use of precision weapons and the sending of leaflets, texts, and calls to Gazans ahead of airstrikes to provide time for them to evacuate targeted areas [25-27]. Sadly, terrorists boast of hiding among their own civilians to increase casualties [28].

Armies that fight defensive wars against terrorists in urban warfare generally have a civilian to casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist eliminated. This was true for U.S. and coalition troops in Mosul (2016-2017) [29]. However, Israel's ratio is less than 1:1, meaning they have reduced civilian casualties more than four to sixtyfold by comparison [30]. While the loss of innocent life is tragic, according to International Humanitarian Law (Article 51) these deaths fall squarely on Hamas [31].

Statistical analysis proves what Israel has been saying along - that the Ministry of Health numbers are false [32].

## HAMAS ADMITS: NO GENOCIDE HERE

As in previous wars that Hamas has started, Hamas leaders have finally admitted that they lied about numbers of civilian casualties [33], and that 72% of casualty numbers are male terrorists [34].

Moreover, Palestinian civilians attest to the fact that Hamas steals food from aid trucks and murders Palestinians trying to reach the aid [35-38].

## HAMAS' GLOBAL SUBTERFUGE

Hamas covers its atrocities against the Palestinian people (e.g., blocking safe passage corridors, hiding and firing weapons among civilians) [39-41] by sponsoring and supporting city, state, and worldwide protests on the Palestinians' behalf with the sole intent of delegitimizing Israel [42-45].

Donning the cloak of victimhood and resistance, Hamas's behavior is barbaric – igniting hatred and discrimination against Israel, worldwide Jewry, and democracy itself.

## SUMMARY

This document proves that the claims aimed at Israel of apartheid, genocide, colonialism, and occupation - are patently FALSE.

After the barbaric attack on October 7th, Hamas is still holding hostages and rebuilding its terror structure.

Allowing protesters like SJP, and groups like it (e.g., AMP, CAIR, JVP, WOL, etc.), to hijack governing bodies only rewards and emboldens Hamas, endangers Israel and worldwide democracies, and prevents the Gazans from taking responsibility to unlearn hate and choose healthy governance so that they become viable peace partners.

The world is at an uncomfortable brink: Barbarism vs. Democracy. Rewarding barbarity and those who support it is a losing proposition.

Bold leadership, not capitulation, is the only strategy to keep communities safe.
We ask you to vote NO on this anti-Israel ballot measure – which is a strategy designed by Hamas supporters to keep Hamas in power and continue to inflict carnage on the Palestinians and Israelis.

Please protect our community, democracy, and national security from misinformation and terrorist propaganda.

Sincerely,
Farah safae

Honorable Elected Officials,

We are your constituents, Americans across this great nation, and worldwide citizens who ask you to vote NO on the proposed anti-Israel ballot measure which falsely accuses Israel of apartheid, genocide, and illegal occupation and then asks voters to prohibit future city business and city investments with Israeli companies.

UNCONSTITUTIONAL: VIOLATION OF U.S. COMMERCE CLAUSE

The power to regulate foreign commerce lies exclusively with Congress. By trying to pass this ballot question endorsing a foreign-directed commercial boycott of Israel, your city council oversteps its constitutional authority. This would directly conflict with federal law and obstruct lawful commercial relationships with a U.S. ally. This represents a violation of Article I, Section 8 of the Constitution.

VIOLATES FEDERAL LAW

In addition, under the Export Administration Act and related federal statutes, U.S. persons and entities are prohibited from participating in or supporting unsanctioned foreign boycotts, such as this campaign targeting Israel. City Council members are duty bound to federal legal frameworks.

STANDARDS FOR U.S. BALLOT QUESTIONS

As elected officials you know that “informed citizens are democracy’s best defense” [1] and “to abandon facts is to abandon freedom” [2].

Yet, your city council has abandoned the facts and placed several outright lies in a ballot question that not only misleads voters but also opens a door to those who want nothing but to destroy our democracy and our way of life.

Why would you actively allow this to happen?

THE TRUTH ABOUT “PRO-PALESTINIAN” PROTESTERS

We have watched in horror as protestors have overtaken city councils, state government, and American university campuses with misinformation, extremist ideology, and violent conduct that undermine our democratic way of life and our peaceful communities.

The protesters claim to be an anti-war movement to stop the “genocide, apartheid, and occupation” [3] of the

Palestinian people, but nothing can be further from the truth.

Students for Justice in Palestine (SJP) and other groups (AMP, CAIR, JVP, WOL, etc.) are funded by the Hamas terrorist organization [4-9]. As a propaganda arm of Hamas, their sole purpose is to radicalize and misinform government officials and campuses and create a massive disinformation campaign to delegitimize Israel and promote the annihilation of the Jewish State.

Their chant, "From the River to the Sea," clearly states their intention [10]. If you listen carefully, however, their violent intentions do not stop with Israel. They promote antisemitism the world over with the ultimate goal of overturning democratic values as they chant "Death to America" [11-12]. Their philosophy is anchored in the Hamas Charter, which states in its introduction, "Israel will exist until Islam will obliterate it" and "Our struggle against the Jews is very great and very serious" [13]; and the radical Islamist Duaat entitled "How Islam will dominate the world" [14].

Pure logic and history upend the protesters' statements.

Only a day after the heinous October 7 attacks on Israel, these protesters started their false accusations of "genocide" [15]. Here is the truth:

FALSE CLAIMS OF APARTHEID

Hamas' accusations of apartheid are false. Apartheid is defined as a system of legalized racial discrimination and segregation that deprives a racial group of their political and civil rights. In South Africa, for example, the white minority segregated Black Africans in housing, transportation, education, and stripped them of citizenship, and positions in government.

In Israel, all citizens whether Jewish, Arab, Armenian, Baha'i, Christian, Druze, Muslim, etc. have equal rights. They can live, work, and travel wherever they want, and they are provided the same government services (e.g., health insurance, free public school, subsidized university education) equally. They attend the same universities and have the same voting power and opportunities. In fact, they hold positions in all industries (e.g., law, medicine, politics) – including positions as judges and members of the Knesset. Israel is a multi-racial society where the Arab citizens have full rights. Inciting racism or discrimination in Israel is a criminal offense [16].

FALSE CLAIMS OF COLONIALISM AND OCCUPATION

Predating Islam, the Jewish people arrived and established the independent Land of Israel in the second millennium B.C.E. and lived there for more than 1,600 years. In succession, the Babylonians, Persians, Greeks, and Romans conquered the land. Despite the efforts of Roman crusaders and some Muslims to make the country empty of Jews, thousands of Jews have lived for centuries in each of the holy cities of Jerusalem, Safad, Tiberius, and Hebron; and in Gaza, Rafah, Ashkelon, Caesarea, Jaffa, Acre, and Jericho. [17]. Moreover, archaeological evidence proves Jewish indigenousity, with cities populated by a Jewish majority prior to the establishment of the modern state of Israel [18].

It is absurd to claim that the Jews who returned to Israel starting in the last decades of the 19th century were colonialists and imperialists. For whom were these idealists working? They were not planting the flag of the antisemitic regimes of Russia, Poland, and Lithuania; and they were kicked out of Yemen, Iraq, Turkey, and North Africa. In fact, these Jewish refugees had to overcome Turkish, British, and Pan-Arab imperialism to achieve self-determination. They were fleeing pogroms and persecution and wanted nothing to do with the countries from which they fled. They did not come to the land with weapons to conquer, but with rakes and hoes to cultivate often swamp-infested land they legally purchased from absentee landlords. Years later, after the Holocaust, the state of Israel was defined and established by international law (1948). The Israelis were ecstatic to live peacefully among their neighbors within the meager boundaries they were allotted in 1948, when five Arab countries attacked Israel in the War of Independence. With similar hope, Israel left Gaza in 2005 as one of many gestures of peace with its Arab neighbors that have been met with violence [22]. This is worth repeating. Since 2005, Israel has NOT occupied Gaza. In response, Hamas overtook Gaza, slaughtered Palestinian leaders, created 450 miles of terror tunnels, launched over 30,000 rockets at Israel, and on October 7 perpetrated the most heinous attacks on the Jewish people since the Holocaust including the kidnapping of Israelis, Americans, and Foreign Nationals still missing today [23-24].

## FALSE CLAIMS OF GENOCIDE: HAMAS IS RESPONSIBLE FOR DEATHS OF PALESTINIANS

Both Hamas and the protesters' accusations of the Israel Defense Forces (IDF) are blatantly false. Numerous military leaders, including John Spencer (Former Chair of Urban Warfare Studies, WestPoint), testify that "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" including its use of precision weapons and the sending of leaflets, texts, and calls to Gazans ahead of airstrikes to provide time for them to evacuate targeted areas [25-27]. Sadly, terrorists boast of hiding among their own civilians to increase casualties [28].

Armies that fight defensive wars against terrorists in urban warfare generally have a civilian to casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist eliminated. This was true for U.S. and coalition troops in Mosul (2016-2017) [29]. However, Israel's ratio is less than 1:1, meaning they have reduced civilian casualties more than four to sixtyfold by comparison [30]. While the loss of innocent life is tragic, according to International Humanitarian Law (Article 51) these deaths fall squarely on Hamas [31].

Statistical analysis proves what Israel has been saying along - that the Ministry of Health numbers are false [32].

HAMAS ADMITS: NO GENOCIDE HERE

As in previous wars that Hamas has started, Hamas leaders have finally admitted that they lied about numbers of civilian casualties [33], and that 72% of casualty numbers are male terrorists [34].

Moreover, Palestinian civilians attest to the fact that Hamas steals food from aid trucks and murders Palestinians trying to reach the aid [35-38].

HAMAS' GLOBAL SUBTERFUGE

Hamas covers its atrocities against the Palestinian people (e.g., blocking safe passage corridors, hiding and firing weapons among civilians) [39-41] by sponsoring and supporting city, state, and worldwide protests on the Palestinians' behalf with the sole intent of delegitimizing Israel [42-45].

Donning the cloak of victimhood and resistance, Hamas's behavior is barbaric – igniting hatred and discrimination against Israel, worldwide Jewry, and democracy itself.

SUMMARY

This document proves that the claims aimed at Israel of apartheid, genocide, colonialism, and occupation - are patently FALSE.

After the barbaric attack on October 7th, Hamas is still holding hostages and rebuilding its terror structure.

Allowing protesters like SJP, and groups like it (e.g., AMP, CAIR, JVP, WOL, etc.), to hijack governing bodies only rewards and emboldens Hamas, endangers Israel and worldwide democracies, and prevents the Gazans from taking responsibility to unlearn hate and choose healthy governance so that they become viable peace partners.

The world is at an uncomfortable brink: Barbarism vs. Democracy. Rewarding barbarity and those who support it is a losing proposition.

Bold leadership, not capitulation, is the only strategy to keep communities safe.
We ask you to vote NO on this anti-Israel ballot measure – which is a strategy designed by Hamas supporters to keep Hamas in power and continue to inflict carnage on the Palestinians and Israelis.

Please protect our community, democracy, and national security from misinformation and terrorist propaganda.

Sincerely,
Marsha Liebert

Honorable Elected Officials,

We are your constituents, Americans across this great nation, and worldwide citizens who ask you to vote NO on the proposed anti-Israel ballot measure which falsely accuses Israel of apartheid, genocide, and illegal occupation and then asks voters to prohibit future city business and city investments with Israeli companies.

UNCONSTITUTIONAL: VIOLATION OF U.S. COMMERCE CLAUSE

The power to regulate foreign commerce lies exclusively with Congress. By trying to pass this ballot question endorsing a foreign-directed commercial boycott of Israel, your city council oversteps its constitutional authority. This would directly conflict with federal law and obstruct lawful commercial relationships with a U.S. ally. This represents a violation of Article I, Section 8 of the Constitution.

VIOLATES FEDERAL LAW

In addition, under the Export Administration Act and related federal statutes, U.S. persons and entities are prohibited from participating in or supporting unsanctioned foreign boycotts, such as this campaign targeting Israel. City Council members are duty bound to federal legal frameworks.

STANDARDS FOR U.S. BALLOT QUESTIONS

As elected officials you know that “informed citizens are democracy’s best defense” [1] and “to abandon facts is to abandon freedom” [2].

Yet, your city council has abandoned the facts and placed several outright lies in a ballot question that not only misleads voters but also opens a door to those who want nothing but to destroy our democracy and our way of life.

Why would you actively allow this to happen?

THE TRUTH ABOUT “PRO-PALESTINIAN” PROTESTERS

We have watched in horror as protestors have overtaken city councils, state government, and American university campuses with misinformation, extremist ideology, and violent conduct that undermine our democratic way of life and our peaceful communities.

The protesters claim to be an anti-war movement to stop the “genocide, apartheid, and occupation” [3] of the Palestinian people, but nothing can be further from the truth.

Students for Justice in Palestine (SJP) and other groups (AMP, CAIR, JVP, WOL, etc.) are funded by the Hamas terrorist organization [4-9]. As a propaganda arm of Hamas, their sole purpose is to radicalize and misinform government officials and campuses and create a massive disinformation campaign to delegitimize Israel and promote the annihilation of the Jewish State.

Their chant, “From the River to the Sea,” clearly states their intention [10]. If you listen carefully, however, their violent intentions do not stop with Israel. They promote antisemitism the world over with the ultimate goal of overturning democratic values as they chant “Death to America” [11-12]. Their philosophy is anchored in the

Hamas Charter, which states in its introduction, “Israel will exist until Islam will obliterate it” and “Our struggle against the Jews is very great and very serious” [13]; and the radical Islamist Duaat entitled “How Islam will dominate the world” [14].

Pure logic and history upend the protesters’ statements.

Only a day after the heinous October 7 attacks on Israel, these protesters started their false accusations of “genocide” [15]. Here is the truth:

FALSE CLAIMS OF APARTHEID

Hamas’ accusations of apartheid are false. Apartheid is defined as a system of legalized racial discrimination and segregation that deprives a racial group of their political and civil rights. In South Africa, for example, the white minority segregated Black Africans in housing, transportation, education, and stripped them of citizenship, and positions in government.

In Israel, all citizens whether Jewish, Arab, Armenian, Baha’i, Christian, Druze, Muslim, etc. have equal rights. They can live, work, and travel wherever they want, and they are provided the same government services (e.g., health insurance, free public school, subsidized university education) equally. They attend the same universities and have the same voting power and opportunities. In fact, they hold positions in all industries (e.g., law, medicine, politics) – including positions as judges and members of the Knesset. Israel is a multi-racial society where the Arab citizens have full rights. Inciting racism or discrimination in Israel is a criminal offense [16].

FALSE CLAIMS OF COLONIALISM AND OCCUPATION

Predating Islam, the Jewish people arrived and established the independent Land of Israel in the second millennium B.C.E. and lived there for more than 1,600 years. In succession, the Babylonians, Persians, Greeks, and Romans conquered the land. Despite the efforts of Roman crusaders and some Muslims to make the country empty of Jews, thousands of Jews have lived for centuries in each of the holy cities of Jerusalem, Safad, Tiberius, and Hebron; and in Gaza, Rafah, Ashkelon, Caesarea, Jaffa, Acre, and Jericho. [17]. Moreover, archaeological evidence proves Jewish indigenousity, with cities populated by a Jewish majority prior to the establishment of the modern state of Israel [18].

It is absurd to claim that the Jews who returned to Israel starting in the last decades of the 19th century were colonialists and imperialists. For whom were these idealists working? They were not planting the flag of the antisemitic regimes of Russia, Poland, and Lithuania; and they were kicked out of Yemen, Iraq, Turkey, and North Africa. In fact, these Jewish refugees had to overcome Turkish, British, and Pan-Arab imperialism to achieve self-determination. They were fleeing pogroms and persecution and wanted nothing to do with the countries from which they fled. They did not come to the land with weapons to conquer, but with rakes and hoes to cultivate often swamp-infested land they legally purchased from absentee landlords. Years later, after the Holocaust, the state of Israel was defined and established by international law (1948). The Israelis were ecstatic to live peacefully among their neighbors within the meager boundaries they were allotted in 1948, when five Arab countries attacked Israel in the War of Independence. This war was one of many that Muslim extremists committed against the Jewish state to deny Israel’s right to exist [19].

In 1967 Egypt, Syria, and Jordan started a war with Israel. Hafiz al-Assad ordered his Syrian soldiers to “strike the enemy’s [civilian] settlements, turn them into dust, pave the Arab roads with the skulls of the Jews, and strike them without mercy” [20]. Miraculously, Israel won the war and gained territory in the Sinai, Golan Heights, West Bank, Gaza, and East Jerusalem. In 1982, Israel gave the Sinai to Egypt, which has created peace between the countries [21].
With similar hope, Israel left Gaza in 2005 as one of many gestures of peace with its Arab neighbors that have been met with violence [22]. This is worth repeating. Since 2005, Israel has NOT occupied Gaza. In response, Hamas overtook Gaza, slaughtered Palestinian leaders, created 450 miles of terror tunnels, launched over 30,000 rockets at Israel, and on October 7 perpetrated the most heinous attacks on the Jewish people since the Holocaust including the kidnapping of Israelis, Americans, and Foreign Nationals still missing today [23-24].

This was true for U.S. and coalition troops in Mosul (2016-2017) [29]. However, Israel's ratio is less than 1:1, meaning they have reduced civilian casualties more than four to sixtyfold by comparison [30]. While the loss of innocent life is tragic, according to International Humanitarian Law (Article 51) these deaths fall squarely on Hamas [31].

Statistical analysis proves what Israel has been saying along - that the Ministry of Health numbers are false [32].

HAMAS ADMITS: NO GENOCIDE HERE

As in previous wars that Hamas has started, Hamas leaders have finally admitted that they lied about numbers of civilian casualties [33], and that 72% of casualty numbers are male terrorists [34].

Moreover, Palestinian civilians attest to the fact that Hamas steals food from aid trucks and murders Palestinians trying to reach the aid [35-38].

HAMAS' GLOBAL SUBTERFUGE

Hamas covers its atrocities against the Palestinian people (e.g., blocking safe passage corridors, hiding and firing weapons among civilians) [39-41] by sponsoring and supporting city, state, and worldwide protests on the Palestinians' behalf with the sole intent of delegitimizing Israel [42-45].

Donning the cloak of victimhood and resistance, Hamas's behavior is barbaric – igniting hatred and discrimination against Israel, worldwide Jewry, and democracy itself.

SUMMARY

This document proves that the claims aimed at Israel of apartheid, genocide, colonialism, and occupation - are patently FALSE.

After the barbaric attack on October 7th, Hamas is still holding hostages and rebuilding its terror structure.

Allowing protesters like SJP, and groups like it (e.g., AMP, CAIR, JVP, WOL, etc.), to hijack governing bodies only rewards and emboldens Hamas, endangers Israel and worldwide democracies, and prevents the Gazans from taking responsibility to unlearn hate and choose healthy governance so that they become viable peace partners.

The world is at an uncomfortable brink: Barbarism vs. Democracy. Rewarding barbarity and those who support it is a losing proposition.

Bold leadership, not capitulation, is the only strategy to keep communities safe.
We ask you to vote NO on this anti-Israel ballot measure – which is a strategy designed by Hamas supporters to keep Hamas in power and continue to inflict carnage on the Palestinians and Israelis.

Please protect our community, democracy, and national security from misinformation and terrorist propaganda.

Sincerely,

Lee

Honorable Elected Officials,

We are your constituents, Americans across this great nation, and worldwide citizens who ask you to vote NO on the proposed anti-Israel ballot measure which falsely accuses Israel of apartheid, genocide, and illegal occupation and then asks voters to prohibit future city business and city investments with Israeli companies.

UNCONSTITUTIONAL: VIOLATION OF U.S. COMMERCE CLAUSE

The power to regulate foreign commerce lies exclusively with Congress. By trying to pass this ballot question endorsing a foreign-directed commercial boycott of Israel, your city council oversteps its constitutional authority. This would directly conflict with federal law and obstruct lawful commercial relationships with a U.S. ally. This represents a violation of Article I, Section 8 of the Constitution.

VIOLATES FEDERAL LAW

In addition, under the Export Administration Act and related federal statutes, U.S. persons and entities are prohibited from participating in or supporting unsanctioned foreign boycotts, such as this campaign targeting Israel. City Council members are duty bound to federal legal frameworks.

STANDARDS FOR U.S. BALLOT QUESTIONS

As elected officials you know that “informed citizens are democracy’s best defense” [1] and “to abandon facts is to abandon freedom” [2].

Yet, your city council has abandoned the facts and placed several outright lies in a ballot question that not only misleads voters but also opens a door to those who want nothing but to destroy our democracy and our way of life.

Why would you actively allow this to happen?

THE TRUTH ABOUT “PRO-PALESTINIAN” PROTESTERS

We have watched in horror as protestors have overtaken city councils, state government, and American university campuses with misinformation, extremist ideology, and violent conduct that undermine our democratic way of life and our peaceful communities.

The protesters claim to be an anti-war movement to stop the “genocide, apartheid, and occupation” [3] of the

Palestinian people, but nothing can be further from the truth.

Students for Justice in Palestine (SJP) and other groups (AMP, CAIR, JVP, WOL, etc.) are funded by the Hamas terrorist organization [4-9]. As a propaganda arm of Hamas, their sole purpose is to radicalize and misinform government officials and campuses and create a massive disinformation campaign to delegitimize Israel and promote the annihilation of the Jewish State.

Their chant, "From the River to the Sea," clearly states their intention [10]. If you listen carefully, however, their violent intentions do not stop with Israel. They promote antisemitism the world over with the ultimate goal of overturning democratic values as they chant "Death to America" [11-12]. Their philosophy is anchored in the Hamas Charter, which states in its introduction, "Israel will exist until Islam will obliterate it" and "Our struggle against the Jews is very great and very serious" [13]; and the radical Islamist Duaat entitled "How Islam will dominate the world" [14].

Pure logic and history upend the protesters' statements.

Only a day after the heinous October 7 attacks on Israel, these protesters started their false accusations of "genocide" [15]. Here is the truth:

FALSE CLAIMS OF APARTHEID

Hamas' accusations of apartheid are false. Apartheid is defined as a system of legalized racial discrimination and segregation that deprives a racial group of their political and civil rights. In South Africa, for example, the white minority segregated Black Africans in housing, transportation, education, and stripped them of citizenship, and positions in government.

In Israel, all citizens whether Jewish, Arab, Armenian, Baha'i, Christian, Druze, Muslim, etc. have equal rights. They can live, work, and travel wherever they want, and they are provided the same government services (e.g., health insurance, free public school, subsidized university education) equally. They attend the same universities and have the same voting power and opportunities. In fact, they hold positions in all industries (e.g., law, medicine, politics) – including positions as judges and members of the Knesset. Israel is a multi-racial society where the Arab citizens have full rights. Inciting racism or discrimination in Israel is a criminal offense [16].

FALSE CLAIMS OF COLONIALISM AND OCCUPATION

Predating Islam, the Jewish people arrived and established the independent Land of Israel in the second millennium B.C.E. and lived there for more than 1,600 years. In succession, the Babylonians, Persians, Greeks, and Romans conquered the land. Despite the efforts of Roman crusaders and some Muslims to make the country empty of Jews, thousands of Jews have lived for centuries in each of the holy cities of Jerusalem, Safad, Tiberius, and Hebron; and in Gaza, Rafah, Ashkelon, Caesarea, Jaffa, Acre, and Jericho. [17]. Moreover, archaeological evidence proves Jewish indigenousity, with cities populated by a Jewish majority prior to the establishment of the modern state of Israel [18].

It is absurd to claim that the Jews who returned to Israel starting in the last decades of the 19th century were colonialists and imperialists. For whom were these idealists working? They were not planting the flag of the antisemitic regimes of Russia, Poland, and Lithuania; and they were kicked out of Yemen, Iraq, Turkey, and North Africa. In fact, these Jewish refugees had to overcome Turkish, British, and Pan-Arab imperialism to achieve self-determination. They were fleeing pogroms and persecution and wanted nothing to do with the countries from which they fled. They did not come to the land with weapons to conquer, but with rakes and hoes to cultivate often swamp-infested land they legally purchased from absentee landlords. Years later, after the Holocaust, the state of Israel was defined and established by international law (1948). The Israelis were ecstatic to live peacefully among their neighbors within the meager boundaries they were allotted in 1948, when five Arab countries attacked Israel in the War of Independence. This war was one of many that Muslim extremists committed against the Jewish state to deny Israel's right to exist [19].

In 1967 Egypt, Syria, and Jordan started a war with Israel. Hafiz al-Assad ordered his Syrian soldiers to "strike the enemy's [civilian] settlements, turn them into dust, pave the Arab roads with the skulls of the Jews, and strike them

without mercy" [20]. Miraculously, Israel won the war and gained territory in the Sinai, Golan Heights, West Bank, Gaza, and East Jerusalem. In 1982, Israel gave the Sinai to Egypt, which has created peace between the countries [21].
With similar hope, Israel left Gaza in 2005 as one of many gestures of peace with its Arab neighbors that have been met with violence [22]. This is worth repeating. Since 2005, Israel has NOT occupied Gaza. In response, Hamas overtook Gaza, slaughtered Palestinian leaders, created 450 miles of terror tunnels, launched over 30,000 rockets at Israel, and on October 7 perpetrated the most heinous attacks on the Jewish people since the Holocaust including the kidnapping of Israelis, Americans, and Foreign Nationals still missing today [23-24].

## FALSE CLAIMS OF GENOCIDE: HAMAS IS RESPONSIBLE FOR DEATHS OF PALESTINIANS

Both Hamas and the protesters' accusations of the Israel Defense Forces (IDF) are blatantly false. Numerous military leaders, including John Spencer (Former Chair of Urban Warfare Studies, WestPoint), testify that "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" including its use of precision weapons and the sending of leaflets, texts, and calls to Gazans ahead of airstrikes to provide time for them to evacuate targeted areas [25-27]. Sadly, terrorists boast of hiding among their own civilians to increase casualties [28].

Armies that fight defensive wars against terrorists in urban warfare generally have a civilian to casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist eliminated. This was true for U.S. and coalition troops in Mosul (2016-2017) [29]. However, Israel's ratio is less than 1:1, meaning they have reduced civilian casualties more than four to sixtyfold by comparison [30]. While the loss of innocent life is tragic, according to International Humanitarian Law (Article 51) these deaths fall squarely on Hamas [31].

Donning the cloak of victimhood and resistance, Hamas's behavior is barbaric – igniting hatred and discrimination against Israel, worldwide Jewry, and democracy itself.

SUMMARY

This document proves that the claims aimed at Israel of apartheid, genocide, colonialism, and occupation - are patently FALSE.

After the barbaric attack on October 7th, Hamas is still holding hostages and rebuilding its terror structure.

Allowing protesters like SJP, and groups like it (e.g., AMP, CAIR, JVP, WOL, etc.), to hijack governing bodies only rewards and emboldens Hamas, endangers Israel and worldwide democracies, and prevents the Gazans from taking responsibility to unlearn hate and choose healthy governance so that they become viable peace partners.

The world is at an uncomfortable brink: Barbarism vs. Democracy. Rewarding barbarity and those who support it is a losing proposition.

Bold leadership, not capitulation, is the only strategy to keep communities safe.
We ask you to vote NO on this anti-Israel ballot measure – which is a strategy designed by Hamas supporters to keep Hamas in power and continue to inflict carnage on the Palestinians and Israelis.

Please protect our community, democracy, and national security from misinformation and terrorist propaganda.

Sincerely,
Sandra Grodko

Honorable Elected Officials,

We are your constituents, Americans across this great nation, and worldwide citizens who ask you to vote NO on the proposed anti-Israel ballot measure which falsely accuses Israel of apartheid, genocide, and illegal occupation and then asks voters to prohibit future city business and city investments with Israeli companies.

UNCONSTITUTIONAL: VIOLATION OF U.S. COMMERCE CLAUSE

The power to regulate foreign commerce lies exclusively with Congress. By trying to pass this ballot question endorsing a foreign-directed commercial boycott of Israel, your city council oversteps its constitutional authority. This would directly conflict with federal law and obstruct lawful commercial relationships with a U.S. ally. This represents a violation of Article I, Section 8 of the Constitution.

VIOLATES FEDERAL LAW

In addition, under the Export Administration Act and related federal statutes, U.S. persons and entities are prohibited from participating in or supporting unsanctioned foreign boycotts, such as this campaign targeting Israel. City Council members are duty bound to federal legal frameworks.

STANDARDS FOR U.S. BALLOT QUESTIONS

As elected officials you know that “informed citizens are democracy’s best defense” [1] and “to abandon facts is to abandon freedom” [2].

Yet, your city council has abandoned the facts and placed several outright lies in a ballot question that not only misleads voters but also opens a door to those who want nothing but to destroy our democracy and our way of life.

Why would you actively allow this to happen?

THE TRUTH ABOUT "PRO-PALESTINIAN" PROTESTERS

We have watched in horror as protestors have overtaken city councils, state government, and American university campuses with misinformation, extremist ideology, and violent conduct that undermine our democratic way of life and our peaceful communities.

The protesters claim to be an anti-war movement to stop the "genocide, apartheid, and occupation" [3] of the Palestinian people, but nothing can be further from the truth.

Students for Justice in Palestine (SJP) and other groups (AMP, CAIR, JVP, WOL, etc.) are funded by the Hamas terrorist organization [4-9]. As a propaganda arm of Hamas, their sole purpose is to radicalize and misinform government officials and campuses and create a massive disinformation campaign to delegitimize Israel and promote the annihilation of the Jewish State.

Their chant, "From the River to the Sea," clearly states their intention [10]. If you listen carefully, however, their violent intentions do not stop with Israel. They promote antisemitism the world over with the ultimate goal of overturning democratic values as they chant "Death to America" [11-12]. Their philosophy is anchored in the Hamas Charter, which states in its introduction, "Israel will exist until Islam will obliterate it" and "Our struggle against the Jews is very great and very serious" [13]; and the radical Islamist Duaat entitled "How Islam will dominate the world" [14].

Pure logic and history upend the protesters' statements.

Only a day after the heinous October 7 attacks on Israel, these protesters started their false accusations of "genocide" [15]. Here is the truth:

FALSE CLAIMS OF APARTHEID

Hamas' accusations of apartheid are false. Apartheid is defined as a system of legalized racial discrimination and segregation that deprives a racial group of their political and civil rights. In South Africa, for example, the white minority segregated Black Africans in housing, transportation, education, and stripped them of citizenship, and positions in government.

In Israel, all citizens whether Jewish, Arab, Armenian, Baha'i, Christian, Druze, Muslim, etc. have equal rights. They can live, work, and travel wherever they want, and they are provided the same government services (e.g., health insurance, free public school, subsidized university education) equally. They attend the same universities and have the same voting power and opportunities. In fact, they hold positions in all industries (e.g., law, medicine, politics) – including positions as judges and members of the Knesset. Israel is a multi-racial society where the Arab citizens have full rights. Inciting racism or discrimination in Israel is a criminal offense [16].

FALSE CLAIMS OF COLONIALISM AND OCCUPATION

Predating Islam, the Jewish people arrived and established the independent Land of Israel in the second millennium B.C.E. and lived there for more than 1,600 years. In succession, the

Babylonians, Persians, Greeks, and Romans conquered the land. Despite the efforts of Roman crusaders and some Muslims to make the country empty of Jews, thousands of Jews have lived for centuries in each of the holy cities of Jerusalem, Safad, Tiberius, and Hebron; and in Gaza, Rafah, Ashkelon, Caesarea, Jaffa, Acre, and Jericho. [17]. Moreover, archaeological evidence proves Jewish indigenousity, with cities populated by a Jewish majority prior to the establishment of the modern state of Israel [18].

It is absurd to claim that the Jews who returned to Israel starting in the last decades of the 19th century were colonialists and imperialists. For whom were these idealists working? They were not planting the flag of the antisemitic regimes of Russia, Poland, and Lithuania; and they were kicked out of Yemen, Iraq, Turkey, and North Africa. In fact, these Jewish refugees had to overcome Turkish, British, and Pan-Arab imperialism to achieve self-determination. They were fleeing pogroms and persecution and wanted nothing to do with the countries from which they fled. They did not come to the land with weapons to conquer, but with rakes and hoes to cultivate often swamp-infested land they legally purchased from absentee landlords. Years later, after the Holocaust, the state of Israel was defined and established by international law (1948). The Israelis were ecstatic to live peacefully among their neighbors within the meager boundaries they were allotted in 1948, when five Arab countries attacked Israel in the War of Independence. This war was one of many that Muslim extremists committed against the Jewish state to deny Israel's right to exist [19].

In 1967 Egypt, Syria, and Jordan started a war with Israel. Hafiz al-Assad ordered his Syrian soldiers to "strike the enemy's [civilian] settlements, turn them into dust, pave the Arab roads with the skulls of the Jews, and strike them without mercy" [20]. Miraculously, Israel won the war and gained territory in the Sinai, Golan Heights, West Bank, Gaza, and East Jerusalem. In 1982, Israel gave the Sinai to Egypt, which has created peace between the countries [21]. With similar hope, Israel left Gaza in 2005 as one of many gestures of peace with its Arab neighbors that have been met with violence [22]. This is worth repeating. Since 2005, Israel has NOT occupied Gaza. In response, Hamas overtook Gaza, slaughtered Palestinian leaders, created 450 miles of terror tunnels, launched over 30,000 rockets at Israel, and on October 7 perpetrated the most heinous attacks on the Jewish people since the Holocaust including the kidnapping of Israelis, Americans, and Foreign Nationals still missing today [23-24].

## FALSE CLAIMS OF GENOCIDE: HAMAS IS RESPONSIBLE FOR DEATHS OF PALESTINIANS

Both Hamas and the protesters' accusations of the Israel Defense Forces (IDF) are blatantly false. Numerous military leaders, including John Spencer (Former Chair of Urban Warfare Studies, WestPoint), testify that "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" including its use of precision weapons and the sending of leaflets, texts, and calls to Gazans ahead of airstrikes to provide time for them to evacuate targeted areas [25-27]. Sadly, terrorists boast of hiding among their own civilians to increase casualties [28].

Armies that fight defensive wars against terrorists in urban warfare generally have a civilian to casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist eliminated. This was true for U.S. and coalition troops in Mosul (2016-2017) [29]. However, Israel's ratio is less than 1:1, meaning they have reduced civilian casualties more than four to sixtyfold by comparison [30]. While the loss of innocent life is tragic, according to International Humanitarian Law (Article 51) these deaths fall squarely on Hamas [31].

Statistical analysis proves what Israel has been saying along - that the Ministry of Health numbers are false [32].

HAMAS ADMITS: NO GENOCIDE HERE

As in previous wars that Hamas has started, Hamas leaders have finally admitted that they lied about numbers of civilian casualties [33], and that 72% of casualty numbers are male terrorists [34].

Moreover, Palestinian civilians attest to the fact that Hamas steals food from aid trucks and murders Palestinians trying to reach the aid [35-38].

HAMAS' GLOBAL SUBTERFUGE

Hamas covers its atrocities against the Palestinian people (e.g., blocking safe passage corridors, hiding and firing weapons among civilians) [39-41] by sponsoring and supporting city, state, and worldwide protests on the Palestinians' behalf with the sole intent of delegitimizing Israel [42-45].

Donning the cloak of victimhood and resistance, Hamas's behavior is barbaric – igniting hatred and discrimination against Israel, worldwide Jewry, and democracy itself.

Honorable Elected Officials,

We are your constituents, Americans across this great nation, and worldwide citizens who ask you to vote NO on the proposed anti-Israel ballot measure which falsely accuses Israel of apartheid, genocide, and illegal occupation and then asks voters to prohibit future city business and city investments with Israeli companies.

UNCONSTITUTIONAL: VIOLATION OF U.S. COMMERCE CLAUSE

The power to regulate foreign commerce lies exclusively with Congress. By trying to pass this ballot question endorsing a foreign-directed commercial boycott of Israel, your city council oversteps its constitutional authority. This would directly conflict with federal law and obstruct lawful commercial relationships with a U.S. ally. This represents a violation of Article I, Section 8 of the Constitution.

VIOLATES FEDERAL LAW

In addition, under the Export Administration Act and related federal statutes, U.S. persons and entities are prohibited from participating in or supporting unsanctioned foreign boycotts, such as this campaign targeting Israel. City Council members are duty bound to federal legal frameworks.

STANDARDS FOR U.S. BALLOT QUESTIONS

As elected officials you know that “informed citizens are democracy’s best defense” [1] and “to abandon facts is to abandon freedom” [2].

Yet, your city council has abandoned the facts and placed several outright lies in a ballot question that not only misleads voters but also opens a door to those who want nothing but to destroy our democracy and our way of life.

Why would you actively allow this to happen?

THE TRUTH ABOUT “PRO-PALESTINIAN” PROTESTERS

We have watched in horror as protestors have overtaken city councils, state government, and American university campuses with misinformation, extremist ideology, and violent conduct that undermine our democratic way of life and our peaceful communities.

The protesters claim to be an anti-war movement to stop the “genocide, apartheid, and occupation” [3] of the

Palestinian people, but nothing can be further from the truth.

Students for Justice in Palestine (SJP) and other groups (AMP, CAIR, JVP, WOL, etc.) are funded by the Hamas terrorist organization [4-9]. As a propaganda arm of Hamas, their sole purpose is to radicalize and misinform government officials and campuses and create a massive disinformation campaign to delegitimize Israel and promote the annihilation of the Jewish State.

Their chant, "From the River to the Sea," clearly states their intention [10]. If you listen carefully, however, their violent intentions do not stop with Israel. They promote antisemitism the world over with the ultimate goal of overturning democratic values as they chant "Death to America" [11-12]. Their philosophy is anchored in the Hamas Charter, which states in its introduction, "Israel will exist until Islam will obliterate it" and "Our struggle against the Jews is very great and very serious" [13]; and the radical Islamist Duaat entitled "How Islam will dominate the world" [14].

Pure logic and history upend the protesters' statements.

Only a day after the heinous October 7 attacks on Israel, these protesters started their false accusations of "genocide" [15]. Here is the truth:

FALSE CLAIMS OF APARTHEID

Hamas' accusations of apartheid are false. Apartheid is defined as a system of legalized racial discrimination and segregation that deprives a racial group of their political and civil rights. In South Africa, for example, the white minority segregated Black Africans in housing, transportation, education, and stripped them of citizenship, and positions in government.

In Israel, all citizens whether Jewish, Arab, Armenian, Baha'i, Christian, Druze, Muslim, etc. have equal rights. They can live, work, and travel wherever they want, and they are provided the same government services (e.g., health insurance, free public school, subsidized university education) equally. They attend the same universities and have the same voting power and opportunities. In fact, they hold positions in all industries (e.g., law, medicine, politics) – including positions as judges and members of the Knesset. Israel is a multi-racial society where the Arab citizens have full rights. Inciting racism or discrimination in Israel is a criminal offense [16].

FALSE CLAIMS OF COLONIALISM AND OCCUPATION

Predating Islam, the Jewish people arrived and established the independent Land of Israel in the second millennium B.C.E. and lived there for more than 1,600 years. In succession, the Babylonians, Persians, Greeks, and Romans conquered the land. Despite the efforts of Roman crusaders and some Muslims to make the country empty of Jews, thousands of Jews have lived for centuries in each of the holy cities of Jerusalem, Safad, Tiberius, and Hebron; and in Gaza, Rafah, Ashkelon, Caesarea, Jaffa, Acre, and Jericho. [17]. Moreover, archaeological evidence proves Jewish indigenousity, with cities populated by a Jewish majority prior to the establishment of the modern state of Israel [18].

It is absurd to claim that the Jews who returned to Israel starting in the last decades of the 19th century were colonialists and imperialists. For whom were these idealists working? They were not planting the flag of the antisemitic regimes of Russia, Poland, and Lithuania; and they were kicked out of Yemen, Iraq, Turkey, and North Africa. In fact, these Jewish refugees had to overcome Turkish, British, and Pan-Arab imperialism to achieve self-determination. They were fleeing pogroms and persecution and wanted nothing to do with the countries from which they fled. They did not come to the land with weapons to conquer, but with rakes and hoes to cultivate often swamp-infested land they legally purchased from absentee landlords. Years later, after the Holocaust, the state of Israel was defined and established by international law (1948). The Israelis were ecstatic to live peacefully among their neighbors within the meager boundaries they were allotted in 1948, when five Arab countries attacked Israel in the War of Independence. This war was one of many that Muslim extremists committed against the Jewish state to deny Israel's right to exist [19].

In 1967 Egypt, Syria, and Jordan started a war with Israel. Hafiz al-Assad ordered his Syrian soldiers to "strike the enemy's [civilian] settlements, turn them into dust, pave the Arab roads with the skulls of the Jews, and strike them

without mercy" [20]. Miraculously, Israel won the war and gained territory in the Sinai, Golan Heights, West Bank, Gaza, and East Jerusalem. In 1982, Israel gave the Sinai to Egypt, which has created peace between the countries [21].
With similar hope, Israel left Gaza in 2005 as one of many gestures of peace with its Arab neighbors that have been met with violence [22]. This is worth repeating. Since 2005, Israel has NOT occupied Gaza. In response, Hamas overtook Gaza, slaughtered Palestinian leaders, created 450 miles of terror tunnels, launched over 30,000 rockets at Israel, and on October 7 perpetrated the most heinous attacks on the Jewish people since the Holocaust including the kidnapping of Israelis, Americans, and Foreign Nationals still missing today [23-24].

## FALSE CLAIMS OF GENOCIDE: HAMAS IS RESPONSIBLE FOR DEATHS OF PALESTINIANS

Both Hamas and the protesters' accusations of the Israel Defense Forces (IDF) are blatantly false. Numerous military leaders, including John Spencer (Former Chair of Urban Warfare Studies, WestPoint), testify that "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" including its use of precision weapons and the sending of leaflets, texts, and calls to Gazans ahead of airstrikes to provide time for them to evacuate targeted areas [25-27]. Sadly, terrorists boast of hiding among their own civilians to increase casualties [28].

Armies that fight defensive wars against terrorists in urban warfare generally have a civilian to casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist eliminated. This was true for U.S. and coalition troops in Mosul (2016-2017) [29]. However, Israel's ratio is less than 1:1, meaning they have reduced civilian casualties more than four to sixtyfold by comparison [30]. While the loss of innocent life is tragic, according to International Humanitarian Law (Article 51) these deaths fall squarely on Hamas [31].

Statistical analysis proves what Israel has been saying along - that the Ministry of Health numbers are false [32].

## HAMAS ADMITS: NO GENOCIDE HERE

As in previous wars that Hamas has started, Hamas leaders have finally admitted that they lied about numbers of civilian casualties [33], and that 72% of casualty numbers are male terrorists [34].

Moreover, Palestinian civilians attest to the fact that Hamas steals food from aid trucks and murders Palestinians trying to reach the aid [35-38].

## HAMAS' GLOBAL SUBTERFUGE

Hamas covers its atrocities against the Palestinian people (e.g., blocking safe passage corridors, hiding and firing weapons among civilians) [39-41] by sponsoring and supporting city, state, and worldwide protests on the Palestinians' behalf with the sole intent of delegitimizing Israel [42-45].

Donning the cloak of victimhood and resistance, Hamas's behavior is barbaric – igniting hatred and discrimination against Israel, worldwide Jewry, and democracy itself.

## SUMMARY

This document proves that the claims aimed at Israel of apartheid, genocide, colonialism, and occupation - are patently FALSE.

After the barbaric attack on October 7th, Hamas is still holding hostages and rebuilding its terror structure.

Allowing protesters like SJP, and groups like it (e.g., AMP, CAIR, JVP, WOL, etc.), to hijack governing bodies only rewards and emboldens Hamas, endangers Israel and worldwide democracies, and prevents the Gazans from taking responsibility to unlearn hate and choose healthy governance so that they become viable peace partners.

The world is at an uncomfortable brink: Barbarism vs. Democracy. Rewarding barbarity and those who support it is a losing proposition.

Bold leadership, not capitulation, is the only strategy to keep communities safe.
We ask you to vote NO on this anti-Israel ballot measure – which is a strategy designed by Hamas supporters to keep Hamas in power and continue to inflict carnage on the Palestinians and Israelis.

Please protect our community, democracy, and national security from misinformation and terrorist propaganda.

Sincerely,
Lisa Sappin

Honorable Elected Officials,

We are your constituents, Americans across this great nation, and worldwide citizens who ask you to vote NO on the proposed anti-Israel ballot measure which falsely accuses Israel of apartheid, genocide, and illegal occupation and then asks voters to prohibit future city business and city investments with Israeli companies.

UNCONSTITUTIONAL: VIOLATION OF U.S. COMMERCE CLAUSE

The power to regulate foreign commerce lies exclusively with Congress. By trying to pass this ballot question endorsing a foreign-directed commercial boycott of Israel, your city council oversteps its constitutional authority. This would directly conflict with federal law and obstruct lawful commercial relationships with a U.S. ally. This represents a violation of Article I, Section 8 of the Constitution.

VIOLATES FEDERAL LAW

In addition, under the Export Administration Act and related federal statutes, U.S. persons and entities are prohibited from participating in or supporting unsanctioned foreign boycotts, such as this campaign targeting Israel. City Council members are duty bound to federal legal frameworks.

STANDARDS FOR U.S. BALLOT QUESTIONS

As elected officials you know that “informed citizens are democracy’s best defense” [1] and “to abandon facts is to abandon freedom” [2].

Yet, your city council has abandoned the facts and placed several outright lies in a ballot question that not only misleads voters but also opens a door to those who want nothing but to destroy our democracy and our way of life.

Why would you actively allow this to happen?

THE TRUTH ABOUT “PRO-PALESTINIAN” PROTESTERS

We have watched in horror as protestors have overtaken city councils, state government, and American university campuses with misinformation, extremist ideology, and violent conduct that undermine our democratic way of life and our peaceful communities.

The protesters claim to be an anti-war movement to stop the “genocide, apartheid, and occupation” [3] of the

Palestinian people, but nothing can be further from the truth.

Students for Justice in Palestine (SJP) and other groups (AMP, CAIR, JVP, WOL, etc.) are funded by the Hamas terrorist organization [4-9]. As a propaganda arm of Hamas, their sole purpose is to radicalize and misinform government officials and campuses and create a massive disinformation campaign to delegitimize Israel and promote the annihilation of the Jewish State.

Their chant, "From the River to the Sea," clearly states their intention [10]. If you listen carefully, however, their violent intentions do not stop with Israel. They promote antisemitism the world over with the ultimate goal of overturning democratic values as they chant "Death to America" [11-12]. Their philosophy is anchored in the Hamas Charter, which states in its introduction, "Israel will exist until Islam will obliterate it" and "Our struggle against the Jews is very great and very serious" [13]; and the radical Islamist Duaat entitled "How Islam will dominate the world" [14].

Pure logic and history upend the protesters' statements.

Only a day after the heinous October 7 attacks on Israel, these protesters started their false accusations of "genocide" [15]. Here is the truth:

FALSE CLAIMS OF APARTHEID

Hamas' accusations of apartheid are false. Apartheid is defined as a system of legalized racial discrimination and segregation that deprives a racial group of their political and civil rights. In South Africa, for example, the white minority segregated Black Africans in housing, transportation, education, and stripped them of citizenship, and positions in government.

In Israel, all citizens whether Jewish, Arab, Armenian, Baha'i, Christian, Druze, Muslim, etc. have equal rights. They can live, work, and travel wherever they want, and they are provided the same government services (e.g., health insurance, free public school, subsidized university education) equally. They attend the same universities and have the same voting power and opportunities. In fact, they hold positions in all industries (e.g., law, medicine, politics) – including positions as judges and members of the Knesset. Israel is a multi-racial society where the Arab citizens have full rights. Inciting racism or discrimination in Israel is a criminal offense [16].

FALSE CLAIMS OF COLONIALISM AND OCCUPATION

Predating Islam, the Jewish people arrived and established the independent Land of Israel in the second millennium B.C.E. and lived there for more than 1,600 years. In succession, the Babylonians, Persians, Greeks, and Romans conquered the land. Despite the efforts of Roman crusaders and some Muslims to make the country empty of Jews, thousands of Jews have lived for centuries in each of the holy cities of Jerusalem, Safad, Tiberius, and Hebron; and in Gaza, Rafah, Ashkelon, Caesarea, Jaffa, Acre, and Jericho. [17]. Moreover, archaeological evidence proves Jewish indigenousity, with cities populated by a Jewish majority prior to the establishment of the modern state of Israel [18].

It is absurd to claim that the Jews who returned to Israel starting in the last decades of the 19th century were colonialists and imperialists. For whom were these idealists working? They were not planting the flag of the antisemitic regimes of Russia, Poland, and Lithuania; and they were kicked out of Yemen, Iraq, Turkey, and North Africa. In fact, these Jewish refugees had to overcome Turkish, British, and Pan-Arab imperialism to achieve self-determination. They were fleeing pogroms and persecution and wanted nothing to do with the countries from which they fled. They did not come to the land with weapons to conquer, but with rakes and hoes to cultivate often swamp-infested land they legally purchased from absentee landlords. Years later, after the Holocaust, the state of Israel was defined and established by international law (1948). The Israelis were ecstatic to live peacefully among their neighbors within the meager boundaries they were allotted in 1948, when five Arab countries attacked Israel in the War of Independence. This war was one of many that Muslim extremists committed against the Jewish state to deny Israel's right to exist [19].

In 1967 Egypt, Syria, and Jordan started a war with Israel. Hafiz al-Assad ordered his Syrian soldiers to "strike the enemy's [civilian] settlements, turn them into dust, pave the Arab roads with the skulls of the Jews, and strike them

without mercy" [20]. Miraculously, Israel won the war and gained territory in the Sinai, Golan Heights, West Bank, Gaza, and East Jerusalem. In 1982, Israel gave the Sinai to Egypt, which has created peace between the countries [21].
With similar hope, Israel left Gaza in 2005 as one of many gestures of peace with its Arab neighbors that have been met with violence [22]. This is worth repeating. Since 2005, Israel has NOT occupied Gaza. In response, Hamas overtook Gaza, slaughtered Palestinian leaders, created 450 miles of terror tunnels, launched over 30,000 rockets at Israel, and on October 7 perpetrated the most heinous attacks on the Jewish people since the Holocaust including the kidnapping of Israelis, Americans, and Foreign Nationals still missing today [23-24].

## FALSE CLAIMS OF GENOCIDE: HAMAS IS RESPONSIBLE FOR DEATHS OF PALESTINIANS

Both Hamas and the protesters' accusations of the Israel Defense Forces (IDF) are blatantly false. Numerous military leaders, including John Spencer (Former Chair of Urban Warfare Studies, WestPoint), testify that "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" including its use of precision weapons and the sending of leaflets, texts, and calls to Gazans ahead of airstrikes to provide time for them to evacuate targeted areas [25-27]. Sadly, terrorists boast of hiding among their own civilians to increase casualties [28].

Armies that fight defensive wars against terrorists in urban warfare generally have a civilian to casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist eliminated. This was true for U.S. and coalition troops in Mosul (2016-2017) [29]. However, Israel's ratio is less than 1:1, meaning they have reduced civilian casualties more than four to sixtyfold by comparison [30]. While the loss of innocent life is tragic, according to International Humanitarian Law (Article 51) these deaths fall squarely on Hamas [31].

Statistical analysis proves what Israel has been saying along - that the Ministry of Health numbers are false [32].

## HAMAS ADMITS: NO GENOCIDE HERE

As in previous wars that Hamas has started, Hamas leaders have finally admitted that they lied about numbers of civilian casualties [33], and that 72% of casualty numbers are male terrorists [34].

Moreover, Palestinian civilians attest to the fact that Hamas steals food from aid trucks and murders Palestinians trying to reach the aid [35-38].

## HAMAS' GLOBAL SUBTERFUGE

Hamas covers its atrocities against the Palestinian people (e.g., blocking safe passage corridors, hiding and firing weapons among civilians) [39-41] by sponsoring and supporting city, state, and worldwide protests on the Palestinians' behalf with the sole intent of delegitimizing Israel [42-45].

Donning the cloak of victimhood and resistance, Hamas's behavior is barbaric – igniting hatred and discrimination against Israel, worldwide Jewry, and democracy itself.

## SUMMARY

This document proves that the claims aimed at Israel of apartheid, genocide, colonialism, and occupation - are patently FALSE.

After the barbaric attack on October 7th, Hamas is still holding hostages and rebuilding its terror structure.

Allowing protesters like SJP, and groups like it (e.g., AMP, CAIR, JVP, WOL, etc.), to hijack governing bodies only rewards and emboldens Hamas, endangers Israel and worldwide democracies, and prevents the Gazans from taking responsibility to unlearn hate and choose healthy governance so that they become viable peace partners.

The world is at an uncomfortable brink: Barbarism vs. Democracy. Rewarding barbarity and those who support it is a losing proposition.

Bold leadership, not capitulation, is the only strategy to keep communities safe.
We ask you to vote NO on this anti-Israel ballot measure – which is a strategy designed by Hamas supporters to keep Hamas in power and continue to inflict carnage on the Palestinians and Israelis.

Please protect our community, democracy, and national security from misinformation and terrorist propaganda.

Sincerely,

Honorable Elected Officials,

We are your constituents, Americans across this great nation, and worldwide citizens who ask you to vote NO on the proposed anti-Israel ballot measure which falsely accuses Israel of apartheid, genocide, and illegal occupation and then asks voters to prohibit future city business and city investments with Israeli companies.

UNCONSTITUTIONAL: VIOLATION OF U.S. COMMERCE CLAUSE

The power to regulate foreign commerce lies exclusively with Congress. By trying to pass this ballot question endorsing a foreign-directed commercial boycott of Israel, your city council oversteps its constitutional authority. This would directly conflict with federal law and obstruct lawful commercial relationships with a U.S. ally. This represents a violation of Article I, Section 8 of the Constitution.

VIOLATES FEDERAL LAW

In addition, under the Export Administration Act and related federal statutes, U.S. persons and entities are prohibited from participating in or supporting unsanctioned foreign boycotts, such as this campaign targeting Israel. City Council members are duty bound to federal legal frameworks.

STANDARDS FOR U.S. BALLOT QUESTIONS

As elected officials you know that “informed citizens are democracy’s best defense” [1] and “to abandon facts is to abandon freedom” [2].

Yet, your city council has abandoned the facts and placed several outright lies in a ballot question that not only misleads voters but also opens a door to those who want nothing but to destroy our democracy and our way of life.

Why would you actively allow this to happen?

THE TRUTH ABOUT "PRO-PALESTINIAN" PROTESTERS

We have watched in horror as protestors have overtaken city councils, state government, and American university campuses with misinformation, extremist ideology, and violent conduct that undermine our democratic way of life and our peaceful communities.

The protesters claim to be an anti-war movement to stop the "genocide, apartheid, and occupation" [3] of the Palestinian people, but nothing can be further from the truth.

Students for Justice in Palestine (SJP) and other groups (AMP, CAIR, JVP, WOL, etc.) are funded by the Hamas terrorist organization [4-9]. As a propaganda arm of Hamas, their sole purpose is to radicalize and misinform government officials and campuses and create a massive disinformation campaign to delegitimize Israel and promote the annihilation of the Jewish State.

Their chant, "From the River to the Sea," clearly states their intention [10]. If you listen carefully, however, their violent intentions do not stop with Israel. They promote antisemitism the world over with the ultimate goal of overturning democratic values as they chant "Death to America" [11-12]. Their philosophy is anchored in the Hamas Charter, which states in its introduction, "Israel will exist until Islam will obliterate it" and "Our struggle against the Jews is very great and very serious" [13]; and the radical Islamist Duaat entitled "How Islam will dominate the world" [14].

Pure logic and history upend the protesters' statements.

Only a day after the heinous October 7 attacks on Israel, these protesters started their false accusations of "genocide" [15]. Here is the truth:

FALSE CLAIMS OF APARTHEID

Hamas' accusations of apartheid are false. Apartheid is defined as a system of legalized racial discrimination and segregation that deprives a racial group of their political and civil rights. In South Africa, for example, the white minority segregated Black Africans in housing, transportation, education, and stripped them of citizenship, and positions in government.

In Israel, all citizens whether Jewish, Arab, Armenian, Baha'i, Christian, Druze, Muslim, etc. have equal rights. They can live, work, and travel wherever they want, and they are provided the same government services (e.g., health insurance, free public school, subsidized university education) equally. They attend the same universities and have the same voting power and opportunities. In fact, they hold positions in all industries (e.g., law, medicine, politics) – including positions as judges and members of the Knesset. Israel is a multi-racial society where the Arab citizens have full rights. Inciting racism or discrimination in Israel is a criminal offense [16].

FALSE CLAIMS OF COLONIALISM AND OCCUPATION

Predating Islam, the Jewish people arrived and established the independent Land of Israel in the second millennium B.C.E. and lived there for more than 1,600 years. In succession, the

Babylonians, Persians, Greeks, and Romans conquered the land. Despite the efforts of Roman crusaders and some Muslims to make the country empty of Jews, thousands of Jews have lived for centuries in each of the holy cities of Jerusalem, Safad, Tiberius, and Hebron; and in Gaza, Rafah, Ashkelon, Caesarea, Jaffa, Acre, and Jericho. [17]. Moreover, archaeological evidence proves Jewish indigenousity, with cities populated by a Jewish majority prior to the establishment of the modern state of Israel [18].

It is absurd to claim that the Jews who returned to Israel starting in the last decades of the 19th century were colonialists and imperialists. For whom were these idealists working? They were not planting the flag of the antisemitic regimes of Russia, Poland, and Lithuania; and they were kicked out of Yemen, Iraq, Turkey, and North Africa. In fact, these Jewish refugees had to overcome Turkish, British, and Pan-Arab imperialism to achieve self-determination. They were fleeing pogroms and persecution and wanted nothing to do with the countries from which they fled. They did not come to the land with weapons to conquer, but with rakes and hoes to cultivate often swamp-infested land they legally purchased from absentee landlords. Years later, after the Holocaust, the state of Israel was defined and established by international law (1948). The Israelis were ecstatic to live peacefully among their neighbors within the meager boundaries they were allotted in 1948, when five Arab countries attacked Israel in the War of Independence. This war was one of many that Muslim extremists committed against the Jewish state to deny Israel's right to exist [19].

In 1967 Egypt, Syria, and Jordan started a war with Israel. Hafiz al-Assad ordered his Syrian soldiers to "strike the enemy's [civilian] settlements, turn them into dust, pave the Arab roads with the skulls of the Jews, and strike them without mercy" [20]. Miraculously, Israel won the war and gained territory in the Sinai, Golan Heights, West Bank, Gaza, and East Jerusalem. In 1982, Israel gave the Sinai to Egypt, which has created peace between the countries [21]. With similar hope, Israel left Gaza in 2005 as one of many gestures of peace with its Arab neighbors that have been met with violence [22]. This is worth repeating. Since 2005, Israel has NOT occupied Gaza. In response, Hamas overtook Gaza, slaughtered Palestinian leaders, created 450 miles of terror tunnels, launched over 30,000 rockets at Israel, and on October 7 perpetrated the most heinous attacks on the Jewish people since the Holocaust including the kidnapping of Israelis, Americans, and Foreign Nationals still missing today [23-24].

## FALSE CLAIMS OF GENOCIDE: HAMAS IS RESPONSIBLE FOR DEATHS OF PALESTINIANS

Both Hamas and the protesters' accusations of the Israel Defense Forces (IDF) are blatantly false. Numerous military leaders, including John Spencer (Former Chair of Urban Warfare Studies, WestPoint), testify that "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" including its use of precision weapons and the sending of leaflets, texts, and calls to Gazans ahead of airstrikes to provide time for them to evacuate targeted areas [25-27]. Sadly, terrorists boast of hiding among their own civilians to increase casualties [28].

Armies that fight defensive wars against terrorists in urban warfare generally have a civilian to casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist eliminated. This was true for U.S. and coalition troops in Mosul (2016-2017) [29]. However, Israel's ratio is less than 1:1, meaning they have reduced civilian casualties more than four to sixtyfold by comparison [30]. While the loss of innocent life is tragic, according to International Humanitarian Law (Article 51) these deaths fall squarely on Hamas [31].

Statistical analysis proves what Israel has been saying along - that the Ministry of Health numbers are false [32].

HAMAS ADMITS: NO GENOCIDE HERE

As in previous wars that Hamas has started, Hamas leaders have finally admitted that they lied about numbers of civilian casualties [33], and that 72% of casualty numbers are male terrorists [34].

Moreover, Palestinian civilians attest to the fact that Hamas steals food from aid trucks and murders Palestinians trying to reach the aid [35-38].

HAMAS' GLOBAL SUBTERFUGE

Hamas covers its atrocities against the Palestinian people (e.g., blocking safe passage corridors, hiding and firing weapons among civilians) [39-41] by sponsoring and supporting city, state, and worldwide protests on the Palestinians' behalf with the sole intent of delegitimizing Israel [42-45].

Donning the cloak of victimhood and resistance, Hamas's behavior is barbaric – igniting hatred and discrimination against Israel, worldwide Jewry, and democracy itself.

SUMMARY

This document proves that the claims aimed at Israel of apartheid, genocide, colonialism, and occupation - are patently FALSE.

After the barbaric attack on October 7th, Hamas is still holding hostages and rebuilding its terror structure.

Allowing protesters like SJP, and groups like it (e.g., AMP, CAIR, JVP, WOL, etc.), to hijack governing bodies only rewards and emboldens Hamas, endangers Israel and worldwide democracies, and prevents the Gazans from taking responsibility to unlearn hate and choose healthy governance so that they become viable peace partners.

The world is at an uncomfortable brink: Barbarism vs. Democracy. Rewarding barbarity and those who support it is a losing proposition.

Bold leadership, not capitulation, is the only strategy to keep communities safe.
We ask you to vote NO on this anti-Israel ballot measure – which is a strategy designed by Hamas supporters to keep Hamas in power and continue to inflict carnage on the Palestinians and Israelis.

Please protect our community, democracy, and national security from misinformation and terrorist propaganda.

Sincerely,
Lauren Ziskind

Honorable Elected Officials,

We are your constituents, Americans across this great nation, and worldwide citizens who ask you to vote NO on the proposed anti-Israel ballot measure which falsely accuses Israel of apartheid, genocide, and illegal occupation and then asks voters to prohibit future city business and city investments with Israeli companies.

UNCONSTITUTIONAL: VIOLATION OF U.S. COMMERCE CLAUSE

The power to regulate foreign commerce lies exclusively with Congress. In trying to pass this ballot endorsing a foreign-directed commercial boycott of Israel, your city council oversteps its constitutional authority. This action would directly conflict with federal law and obstruct lawful commercial relationships with a U.S. ally. This represents a violation of Article I, Section 8 of the Constitution.

VIOLATION OF FEDERAL LAW

In addition, under the Export Administration Act and related federal statutes, U.S. persons and entities are prohibited from participating in or supporting unsanctioned foreign boycotts, such as this campaign targeting Israel. City Council members are duty bound to uphold federal legal frameworks.

STANDARDS FOR U.S. BALLOT QUESTIONS

As elected officials you know that “informed citizens are democracy’s best defense” [1] and “to abandon facts is to abandon freedom” [2].

Yet your city council has abandoned the facts and has placed several outright lies in a ballot question that not only misleads voters, but also opens a door to those who want nothing but to destroy our democracy and our way of life.

Why would you actively allow this to happen?

THE TRUTH ABOUT "PRO-PALESTINIAN" PROTESTERS

We have watched in horror as protestors have overtaken city councils, state governments, and American university campuses with misinformation, extremist ideology, and violent conduct that undermine our democratic way of life and our peaceful communities.

These protesters claim to be an anti-war movement to stop the "genocide, apartheid, and occupation" [3] of the Palestinian people — but nothing could be further from the truth.

Students for Justice in Palestine (SJP) and other groups (AMP, CAIR, JVP, WOL, etc.) are funded by the Hamas terrorist organization [4-9]. As a propaganda arm of Hamas, their sole purpose is to radicalize and misinform government officials and campuses and create a massive disinformation campaign to delegitimize Israel and promote the annihilation of the Jewish State.

Their chant, "From the River to the Sea," clearly states their intention [10]. If you listen carefully, however, *their violent intentions do not stop with Israel*. They promote antisemitism the world over with the ultimate goal of overturning democratic values as they chant "Death to America" [11-12]. Their philosophy is anchored in the Hamas Charter, which states in its introduction, "Israel will exist until Islam will obliterate it" and "Our struggle against the Jews is very great and very serious" [13]; and the radical Islamist Duaat entitled "How Islam will dominate the world" [14].

Pure logic and history upend the protesters' statements.

Only a day after the heinous October 7 attacks on Israel, these protesters started their false accusations of "genocide" [15]. I outline here for you the truth:

FALSE CLAIMS OF APARTHEID

Hamas' accusations of apartheid are false. Apartheid is defined as a system of legalized racial discrimination and segregation that deprives a racial group of their political and civil rights. In South Africa, for example, the white minority segregated Black Africans in housing, transportation, education, and stripped them of citizenship, and positions in government.

In Israel, all citizens whether Jewish, Arab, Armenian, Baha'i, Christian, Druze, Muslim, etc. have equal rights. They can live, work, and travel wherever they want, and they are provided the same government services (e.g., health insurance, free public school, subsidized university education) equally. They attend the same universities and have the same voting power and opportunities. In fact, they hold positions in all industries (e.g., law, medicine, politics) – including positions as judges and members of the Knesset. Israel is a multi-racial society where the Arab citizens have full rights. Inciting racism or discrimination in Israel is a criminal offense [16].

FALSE CLAIMS OF COLONIALISM AND OCCUPATION

Predating Islam, the Jewish people arrived and established the independent Land of Israel in the second millennium B.C.E. and lived there for more than 1,600 years. In succession, the

Babylonians, Persians, Greeks, and Romans conquered the land. Despite the efforts of Roman crusaders and some Muslims to make the country empty of Jews, thousands of Jews have lived for centuries in each of the holy cities of Jerusalem, Safad, Tiberius, and Hebron; and in Gaza, Rafah, Ashkelon, Caesarea, Jaffa, Acre, and Jericho. [17]. Moreover, archaeological evidence proves Jewish indigenousity, with cities populated by a Jewish majority prior to the establishment of the modern state of Israel [18].

It is absurd to claim that the Jews who returned to Israel starting in the last decades of the 19th century were colonialists and imperialists. For whom were these idealists working? They were not planting the flag of the antisemitic regimes of Russia, Poland, and Lithuania; and they were kicked out of Yemen, Iraq, Turkey, and North Africa. In fact, these Jewish refugees had to overcome Turkish, British, and Pan-Arab imperialism to achieve self-determination. They were fleeing pogroms and persecution and wanted nothing to do with the countries from which they fled. They did not come to the land with weapons to conquer, but with rakes and hoes to cultivate often swamp-infested land they legally purchased from absentee landlords. Years later, after the Holocaust, the state of Israel was defined and established by international law (1948). The Israelis were ecstatic to live peacefully among their neighbors within the meager boundaries they were allotted in 1948, when five Arab countries attacked Israel in the War of Independence. This war was one of many that Muslim extremists committed against the Jewish state to deny Israel's right to exist [19].

In 1967 Egypt, Syria, and Jordan started a war with Israel. Hafiz al-Assad ordered his Syrian soldiers to "strike the enemy's [civilian] settlements, turn them into dust, pave the Arab roads with the skulls of the Jews, and strike them without mercy" [20]. Miraculously, Israel won the war and gained territory in the Sinai, Golan Heights, West Bank, Gaza, and East Jerusalem. In 1982, Israel gave the Sinai to Egypt, which has created peace between the countries [21].

With similar hope, Israel left Gaza in 2005 as one of many gestures of peace with its Arab neighbors that have been met with violence [22]. This is worth repeating. Since 2005, Israel has NOT occupied Gaza. In response, Hamas overtook Gaza, slaughtered Palestinian leaders, created 450 miles of terror tunnels, launched over 30,000 rockets at Israel, and on October 7 perpetrated the most heinous attacks on the Jewish people since the Holocaust including the kidnapping of Israelis, Americans, and Foreign Nationals still missing today [23-24].

## FALSE CLAIMS OF GENOCIDE: HAMAS IS RESPONSIBLE FOR DEATHS OF PALESTINIANS

Both Hamas and the protesters' accusations of the Israel Defense Forces (IDF) are blatantly false. Numerous military leaders, including John Spencer (Former Chair of Urban Warfare Studies, WestPoint), testify that "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" including its use of precision weapons and the sending of leaflets, texts, and calls to Gazans ahead of airstrikes to provide time for them to evacuate targeted areas [25-27]. Sadly, terrorists boast of hiding among their own civilians to increase casualties [28].

Armies that fight defensive wars against terrorists in urban warfare generally have a civilian to casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist eliminated. This was true for U.S. and coalition troops in Mosul (2016-2017) [29]. However, Israel's ratio is less than 1:1, meaning they have reduced civilian casualties more than four to sixtyfold by comparison [30]. While the loss of innocent life is tragic, according to

International Humanitarian Law (Article 51) these deaths fall squarely on Hamas [31].

Statistical analysis proves what Israel has been saying along - that the Ministry of Health numbers are false [32].

HAMAS ADMITS: NO GENOCIDE HERE

As in previous wars that Hamas has started, Hamas leaders have finally *admitted* that they lied about numbers of civilian casualties [33], and that 72% of casualty numbers are male terrorists [34].

Moreover, Palestinian civilians attest to the fact that Hamas steals food from aid trucks and murders Palestinians trying to reach the aid [35-38]. It is Hamas who we must stop.

HAMAS' GLOBAL SUBTERFUGE

Hamas covers its atrocities against the Palestinian people (e.g., blocking safe passage corridors, hiding and firing weapons among civilians) [39-41] by sponsoring and supporting city, state, and worldwide protests on the Palestinians' behalf with the sole intent of delegitimizing Israel [42-45].

Donning the cloak of victimhood and resistance, Hamas's behavior is barbaric – igniting hatred and discrimination against Israel, worldwide Jewry, and democracy itself.

SUMMARY

This document proves that the claims aimed at Israel of apartheid, genocide, colonialism, and occupation - are patently FALSE.

After the barbaric attack on October 7th, Hamas is still holding hostages and rebuilding its terror structure.

Allowing protesters like SJP, and groups like it (e.g., AMP, CAIR, JVP, WOL, etc.), to hijack governing bodies only rewards and emboldens Hamas, endangers Israel and worldwide democracies, and prevents the Gazans from taking responsibility to unlearn hate and choose healthy governance so that they become viable peace partners.

The world is at an uncomfortable brink: Barbarism vs. Democracy. Rewarding barbarity and those who support it is a losing proposition.

Bold leadership, not capitulation, is the only strategy to keep communities safe.
We ask you to vote NO on this anti-Israel ballot measure – which is a strategy designed by Hamas supporters to keep Hamas in power and continue to inflict carnage on the Palestinians and Israelis.

Please protect our community, democracy, and national security from misinformation and terrorist propaganda.

Sincerely, and with an abundance of hope for a brighter tomorrow,
Lauren S. Ruchelsman

Honorable Elected Officials,

We are your constituents, Americans across this great nation, and worldwide citizens who ask you to vote NO on the proposed anti-Israel ballot measure which falsely accuses Israel of apartheid, genocide, and illegal occupation and then asks voters to prohibit future city business and city investments with Israeli companies.

UNCONSTITUTIONAL: VIOLATION OF U.S. COMMERCE CLAUSE

The power to regulate foreign commerce lies exclusively with Congress. By trying to pass this ballot question endorsing a foreign-directed commercial boycott of Israel, your city council oversteps its constitutional authority. This would directly conflict with federal law and obstruct lawful commercial relationships with a U.S. ally. This represents a violation of Article I, Section 8 of the Constitution.

VIOLATES FEDERAL LAW

In addition, under the Export Administration Act and related federal statutes, U.S. persons and entities are prohibited from participating in or supporting unsanctioned foreign boycotts, such as this campaign targeting Israel. City Council members are duty bound to federal legal frameworks.

STANDARDS FOR U.S. BALLOT QUESTIONS

As elected officials you know that “informed citizens are democracy’s best defense” [1] and “to abandon facts is to abandon freedom” [2].

Yet, your city council has abandoned the facts and placed several outright lies in a ballot question that not only misleads voters but also opens a door to those who want nothing but to destroy our democracy and our way of life.

Why would you actively allow this to happen?

THE TRUTH ABOUT "PRO-PALESTINIAN" PROTESTERS

We have watched in horror as protestors have overtaken city councils, state government, and American university campuses with misinformation, extremist ideology, and violent conduct that undermine our democratic way of life and our peaceful communities.

The protesters claim to be an anti-war movement to stop the "genocide, apartheid, and occupation" [3] of the Palestinian people, but nothing can be further from the truth.

Students for Justice in Palestine (SJP) and other groups (AMP, CAIR, JVP, WOL, etc.) are funded by the Hamas terrorist organization [4-9]. As a propaganda arm of Hamas, their sole purpose is to radicalize and misinform government officials and campuses and create a massive disinformation campaign to delegitimize Israel and promote the annihilation of the Jewish State.

Their chant, "From the River to the Sea," clearly states their intention [10]. If you listen carefully, however, their violent intentions do not stop with Israel. They promote antisemitism the world over with the ultimate goal of overturning democratic values as they chant "Death to America" [11-12]. Their philosophy is anchored in the Hamas Charter, which states in its introduction, "Israel will exist until Islam will obliterate it" and "Our struggle against the Jews is very great and very serious" [13]; and the radical Islamist Duaat entitled "How Islam will dominate the world" [14].

Pure logic and history upend the protesters' statements.

Only a day after the heinous October 7 attacks on Israel, these protesters started their false accusations of "genocide" [15]. Here is the truth:

FALSE CLAIMS OF APARTHEID

Hamas' accusations of apartheid are false. Apartheid is defined as a system of legalized racial discrimination and segregation that deprives a racial group of their political and civil rights. In South Africa, for example, the white minority segregated Black Africans in housing, transportation, education, and stripped them of citizenship, and positions in government.

In Israel, all citizens whether Jewish, Arab, Armenian, Baha'i, Christian, Druze, Muslim, etc. have equal rights. They can live, work, and travel wherever they want, and they are provided the same government services (e.g., health insurance, free public school, subsidized university education) equally. They attend the same universities and have the same voting power and opportunities. In fact, they hold positions in all industries (e.g., law, medicine, politics) – including positions as judges and members of the Knesset. Israel is a multi-racial society where the Arab citizens have full rights. Inciting racism or discrimination in Israel is a criminal offense [16].

FALSE CLAIMS OF COLONIALISM AND OCCUPATION

Predating Islam, the Jewish people arrived and established the independent Land of Israel in the second millennium B.C.E. and lived there for more than 1,600 years. In succession, the

Babylonians, Persians, Greeks, and Romans conquered the land. Despite the efforts of Roman crusaders and some Muslims to make the country empty of Jews, thousands of Jews have lived for centuries in each of the holy cities of Jerusalem, Safad, Tiberius, and Hebron; and in Gaza, Rafah, Ashkelon, Caesarea, Jaffa, Acre, and Jericho. [17]. Moreover, archaeological evidence proves Jewish indigenousity, with cities populated by a Jewish majority prior to the establishment of the modern state of Israel [18].

It is absurd to claim that the Jews who returned to Israel starting in the last decades of the 19th century were colonialists and imperialists. For whom were these idealists working? They were not planting the flag of the antisemitic regimes of Russia, Poland, and Lithuania; and they were kicked out of Yemen, Iraq, Turkey, and North Africa. In fact, these Jewish refugees had to overcome Turkish, British, and Pan-Arab imperialism to achieve self-determination. They were fleeing pogroms and persecution and wanted nothing to do with the countries from which they fled. They did not come to the land with weapons to conquer, but with rakes and hoes to cultivate often swamp-infested land they legally purchased from absentee landlords. Years later, after the Holocaust, the state of Israel was defined and established by international law (1948). The Israelis were ecstatic to live peacefully among their neighbors within the meager boundaries they were allotted in 1948, when five Arab countries attacked Israel in the War of Independence. This war was one of many that Muslim extremists committed against the Jewish state to deny Israel's right to exist [19].

In 1967 Egypt, Syria, and Jordan started a war with Israel. Hafiz al-Assad ordered his Syrian soldiers to "strike the enemy's [civilian] settlements, turn them into dust, pave the Arab roads with the skulls of the Jews, and strike them without mercy" [20]. Miraculously, Israel won the war and gained territory in the Sinai, Golan Heights, West Bank, Gaza, and East Jerusalem. In 1982, Israel gave the Sinai to Egypt, which has created peace between the countries [21]. With similar hope, Israel left Gaza in 2005 as one of many gestures of peace with its Arab neighbors that have been met with violence [22]. This is worth repeating. Since 2005, Israel has NOT occupied Gaza. In response, Hamas overtook Gaza, slaughtered Palestinian leaders, created 450 miles of terror tunnels, launched over 30,000 rockets at Israel, and on October 7 perpetrated the most heinous attacks on the Jewish people since the Holocaust including the kidnapping of Israelis, Americans, and Foreign Nationals still missing today [23-24].

## FALSE CLAIMS OF GENOCIDE: HAMAS IS RESPONSIBLE FOR DEATHS OF PALESTINIANS

Both Hamas and the protesters' accusations of the Israel Defense Forces (IDF) are blatantly false. Numerous military leaders, including John Spencer (Former Chair of Urban Warfare Studies, WestPoint), testify that "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" including its use of precision weapons and the sending of leaflets, texts, and calls to Gazans ahead of airstrikes to provide time for them to evacuate targeted areas [25-27]. Sadly, terrorists boast of hiding among their own civilians to increase casualties [28].

Armies that fight defensive wars against terrorists in urban warfare generally have a civilian to casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist eliminated. This was true for U.S. and coalition troops in Mosul (2016-2017) [29]. However, Israel's ratio is less than 1:1, meaning they have reduced civilian casualties more than four to sixtyfold by comparison [30]. While the loss of innocent life is tragic, according to International Humanitarian Law (Article 51) these deaths fall squarely on Hamas [31].

Statistical analysis proves what Israel has been saying along - that the Ministry of Health numbers are false [32].

HAMAS ADMITS: NO GENOCIDE HERE

As in previous wars that Hamas has started, Hamas leaders have finally admitted that they lied about numbers of civilian casualties [33], and that 72% of casualty numbers are male terrorists [34].

Moreover, Palestinian civilians attest to the fact that Hamas steals food from aid trucks and murders Palestinians trying to reach the aid [35-38].

HAMAS' GLOBAL SUBTERFUGE

Hamas covers its atrocities against the Palestinian people (e.g., blocking safe passage corridors, hiding and firing weapons among civilians) [39-41] by sponsoring and supporting city, state, and worldwide protests on the Palestinians' behalf with the sole intent of delegitimizing Israel [42-45].

Donning the cloak of victimhood and resistance, Hamas's behavior is barbaric – igniting hatred and discrimination against Israel, worldwide Jewry, and democracy itself.

SUMMARY

This document proves that the claims aimed at Israel of apartheid, genocide, colonialism, and occupation - are patently FALSE.

After the barbaric attack on October 7th, Hamas is still holding hostages and rebuilding its terror structure.

Allowing protesters like SJP, and groups like it (e.g., AMP, CAIR, JVP, WOL, etc.), to hijack governing bodies only rewards and emboldens Hamas, endangers Israel and worldwide democracies, and prevents the Gazans from taking responsibility to unlearn hate and choose healthy governance so that they become viable peace partners.

The world is at an uncomfortable brink: Barbarism vs. Democracy. Rewarding barbarity and those who support it is a losing proposition.

Bold leadership, not capitulation, is the only strategy to keep communities safe.
We ask you to vote NO on this anti-Israel ballot measure – which is a strategy designed by Hamas supporters to keep Hamas in power and continue to inflict carnage on the Palestinians and Israelis.

Please protect our community, democracy, and national security from misinformation and terrorist propaganda.

Sincerely,

Fran Rabinowitz, RN

Honorable Elected Officials,

With hate-motivated attacks and horrific displays of bigoted intolerance reaching new levels of destruction across our nation, the need to confront the sources of such violence is visibly necessary. Concerning this, we are your constituents, Americans across this great nation, and worldwide citizens who ask you to vote NO on the proposed anti-Israel ballot measure which falsely accuses Israel of apartheid, genocide, and illegal occupation and then asks voters to prohibit future city business and city investments with Israeli companies.

UNCONSTITUTIONAL: VIOLATION OF U.S. COMMERCE CLAUSE

The power to regulate foreign commerce lies exclusively with Congress. By trying to pass this ballot question endorsing a foreign-directed commercial boycott of Israel, your city council oversteps its constitutional authority. This would directly conflict with federal law and obstruct lawful commercial relationships with a U.S. ally. This represents a violation of Article I, Section 8 of the Constitution.

VIOLATES FEDERAL LAW

In addition, under the Export Administration Act and related federal statutes, U.S. persons and entities are prohibited from participating in or supporting unsanctioned foreign boycotts, such as this campaign targeting Israel. City Council members are duty bound to federal legal frameworks.

STANDARDS FOR U.S. BALLOT QUESTIONS

As elected officials you know that “informed citizens are democracy’s best defense” [1] and “to abandon facts is to abandon freedom” [2].

Yet, your city council has abandoned the facts and placed several outright lies in a ballot question that not only misleads voters but also opens a door to those who want nothing but to destroy our democracy and our way of life.

Why would you actively allow this to happen?

THE TRUTH ABOUT “PRO-PALESTINIAN” PROTESTERS

We have watched in horror as protestors have overtaken city councils, state government, and American university campuses with misinformation, extremist ideology, and violent conduct that undermine our democratic way of life and our peaceful communities.

The protesters claim to be an anti-war movement to stop the “genocide, apartheid, and occupation” [3] of the Palestinian people, but nothing can be further from the truth.

Students for Justice in Palestine (SJP) and other groups (AMP, CAIR, JVP, WOL, etc.) are funded by the Hamas terrorist organization [4-9]. As a propaganda arm of Hamas, their sole purpose is to radicalize and misinform government officials and campuses and create a massive disinformation campaign to delegitimize Israel and promote the annihilation of the Jewish State.

Their chant, “From the River to the Sea,” clearly states their intention [10]. If you listen carefully, however, their

violent intentions do not stop with Israel. They promote antisemitism the world over with the ultimate goal of overturning democratic values as they chant “Death to America” [11-12]. Their philosophy is anchored in the Hamas Charter, which states in its introduction, “Israel will exist until Islam will obliterate it” and “Our struggle against the Jews is very great and very serious” [13]; and the radical Islamist Duaat entitled “How Islam will dominate the world” [14].

Pure logic and history upend the protesters’ statements.

Only a day after the heinous October 7 attacks on Israel, these protesters started their false accusations of “genocide” [15]. Here is the truth:

FALSE CLAIMS OF APARTHEID

Hamas’ accusations of apartheid are false. Apartheid is defined as a system of legalized racial discrimination and segregation that deprives a racial group of their political and civil rights. In South Africa, for example, the white minority segregated Black Africans in housing, transportation, education, and stripped them of citizenship, and positions in government.

In Israel, all citizens whether Jewish, Arab, Armenian, Baha’i, Christian, Druze, Muslim, etc. have equal rights. They can live, work, and travel wherever they want, and they are provided the same government services (e.g., health insurance, free public school, subsidized university education) equally. They attend the same universities and have the same voting power and opportunities. In fact, they hold positions in all industries (e.g., law, medicine, politics) – including positions as judges and members of the Knesset. Israel is a multi-racial society where the Arab citizens have full rights. Inciting racism or discrimination in Israel is a criminal offense [16].

FALSE CLAIMS OF COLONIALISM AND OCCUPATION

Predating Islam, the Jewish people arrived and established the independent Land of Israel in the second millennium B.C.E. and lived there for more than 1,600 years. In succession, the Babylonians, Persians, Greeks, and Romans conquered the land. Despite the efforts of Roman crusaders and some Muslims to make the country empty of Jews, thousands of Jews have lived for centuries in each of the holy cities of Jerusalem, Safad, Tiberius, and Hebron; and in Gaza, Rafah, Ashkelon, Caesarea, Jaffa, Acre, and Jericho. [17]. Moreover, archaeological evidence proves Jewish indigenousity, with cities populated by a Jewish majority prior to the establishment of the modern state of Israel [18].

It is absurd to claim that the Jews who returned to Israel starting in the last decades of the 19th century were colonialists and imperialists. For whom were these idealists working? They were not planting the flag of the antisemitic regimes of Russia, Poland, and Lithuania; and they were kicked out of Yemen, Iraq, Turkey, and North Africa. In fact, these Jewish refugees had to overcome Turkish, British, and Pan-Arab imperialism to achieve self-determination. They were fleeing pogroms and persecution and wanted nothing to do with the countries from which they fled. They did not come to the land with weapons to conquer, but with rakes and hoes to cultivate often swamp-infested land they legally purchased from absentee landlords. Years later, after the Holocaust, the state of Israel was defined and established by international law (1948). The Israelis were ecstatic to live peacefully among their neighbors within the meager boundaries they were allotted in 1948, when five Arab countries attacked Israel in the War of Independence. This war was one of many that Muslim extremists committed against the Jewish state to deny Israel’s right to exist [19].

In 1967 Egypt, Syria, and Jordan started a war with Israel. Hafiz al-Assad ordered his Syrian soldiers to “strike the enemy’s [civilian] settlements, turn them into dust, pave the Arab roads with the skulls of the Jews, and strike them without mercy” [20]. Miraculously, Israel won the war and gained territory in the Sinai, Golan Heights, West Bank, Gaza, and East Jerusalem. In 1982, Israel gave the Sinai to Egypt, which has created peace between the countries [21].
With similar hope, Israel left Gaza in 2005 as one of many gestures of peace with its Arab neighbors that have been met with violence [22]. This is worth repeating. Since 2005, Israel has NOT occupied Gaza. In response, Hamas overtook Gaza, slaughtered Palestinian leaders, created 450 miles of terror tunnels, launched over 30,000 rockets at Israel, and on October 7 perpetrated the most heinous attacks on the Jewish people since the Holocaust including the kidnapping of Israelis, Americans, and Foreign Nationals still missing today [23-24].

## FALSE CLAIMS OF GENOCIDE: HAMAS IS RESPONSIBLE FOR DEATHS OF PALESTINIANS

Both Hamas and the protesters' accusations of the Israel Defense Forces (IDF) are blatantly false. Numerous military leaders, including John Spencer (Former Chair of Urban Warfare Studies, WestPoint), testify that "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" including its use of precision weapons and the sending of leaflets, texts, and calls to Gazans ahead of airstrikes to provide time for them to evacuate targeted areas [25-27]. Sadly, terrorists boast of hiding among their own civilians to increase casualties [28].

Armies that fight defensive wars against terrorists in urban warfare generally have a civilian to casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist eliminated. This was true for U.S. and coalition troops in Mosul (2016-2017) [29]. However, Israel's ratio is less than 1:1, meaning they have reduced civilian casualties more than four to sixtyfold by comparison [30]. While the loss of innocent life is tragic, according to International Humanitarian Law (Article 51) these deaths fall squarely on Hamas [31].

Statistical analysis proves what Israel has been saying along - that the Ministry of Health numbers are false [32].

## HAMAS ADMITS: NO GENOCIDE HERE

As in previous wars that Hamas has started, Hamas leaders have finally admitted that they lied about numbers of civilian casualties [33], and that 72% of casualty numbers are male terrorists [34].

Moreover, Palestinian civilians attest to the fact that Hamas steals food from aid trucks and murders Palestinians trying to reach the aid [35-38].

## HAMAS' GLOBAL SUBTERFUGE

Hamas covers its atrocities against the Palestinian people (e.g., blocking safe passage corridors, hiding and firing weapons among civilians) [39-41] by sponsoring and supporting city, state, and worldwide protests on the Palestinians' behalf with the sole intent of delegitimizing Israel [42-45].

Donning the cloak of victimhood and resistance, Hamas's behavior is barbaric – igniting hatred and discrimination against Israel, worldwide Jewry, and democracy itself.

## SUMMARY

This document proves that the claims aimed at Israel of apartheid, genocide, colonialism, and occupation - are patently FALSE.

After the barbaric attack on October 7th, Hamas is still holding hostages and rebuilding its terror structure.

Allowing protesters like SJP, and groups like it (e.g., AMP, CAIR, JVP, WOL, etc.), to hijack governing bodies only rewards and emboldens Hamas, endangers Israel and worldwide democracies, and prevents the Gazans from taking responsibility to unlearn hate and choose healthy governance so that they become viable peace partners.

The world is at an uncomfortable brink: Barbarism vs. Democracy. Rewarding barbarity and those who support it is a losing proposition.

Bold leadership, not capitulation, is the only strategy to keep communities safe.
We ask you to vote NO on this anti-Israel ballot measure – which is a strategy designed by Hamas supporters to keep Hamas in power and continue to inflict carnage on the Palestinians and Israelis.

Please protect our community, democracy, and national security from misinformation and terrorist propaganda.

Sincerely,

Ben Schubert

State Assembly/House of Massachusetts
State Senate/Legislator of Massachusetts
U.S. Representative of District 7
U.S. Senator

Honorable Elected Officials,

We are your constituents, Americans across this great nation, and worldwide citizens who ask you to vote NO on the proposed anti-Israel ballot measure which falsely accuses Israel of apartheid, genocide, and illegal occupation and then asks voters to prohibit future city business and city investments with Israeli companies.

UNCONSTITUTIONAL: VIOLATION OF U.S. COMMERCE CLAUSE

The power to regulate foreign commerce lies exclusively with Congress. By trying to pass this ballot question endorsing a foreign-directed commercial boycott of Israel, your city council oversteps its constitutional authority. This would directly conflict with federal law and obstruct lawful commercial relationships with a U.S. ally. This represents a violation of Article I, Section 8 of the Constitution.

VIOLATES FEDERAL LAW

In addition, under the Export Administration Act and related federal statutes, U.S. persons and entities are prohibited from participating in or supporting unsanctioned foreign boycotts, such as this campaign targeting Israel. City Council members are duty bound to federal legal frameworks.

STANDARDS FOR U.S. BALLOT QUESTIONS

As elected officials you know that “informed citizens are democracy’s best defense” [1] and “to abandon facts is to abandon freedom” [2].

Yet, your city council has abandoned the facts and placed several outright lies in a ballot question that not only misleads voters but also opens a door to those who want nothing but to destroy our democracy and our way of life.

Why would you actively allow this to happen?

THE TRUTH ABOUT “PRO-PALESTINIAN” PROTESTERS

We have watched in horror as protestors have overtaken city councils, state government, and American university campuses with misinformation, extremist ideology, and violent conduct that undermine our democratic way of life and our peaceful communities.

The protesters claim to be an anti-war movement to stop the “genocide, apartheid, and occupation” [3] of the

Palestinian people, but nothing can be further from the truth.

Students for Justice in Palestine (SJP) and other groups (AMP, CAIR, JVP, WOL, etc.) are funded by the Hamas terrorist organization [4-9]. As a propaganda arm of Hamas, their sole purpose is to radicalize and misinform government officials and campuses and create a massive disinformation campaign to delegitimize Israel and promote the annihilation of the Jewish State.

Their chant, "From the River to the Sea," clearly states their intention [10]. If you listen carefully, however, their violent intentions do not stop with Israel. They promote antisemitism the world over with the ultimate goal of overturning democratic values as they chant "Death to America" [11-12]. Their philosophy is anchored in the Hamas Charter, which states in its introduction, "Israel will exist until Islam will obliterate it" and "Our struggle against the Jews is very great and very serious" [13]; and the radical Islamist Duaat entitled "How Islam will dominate the world" [14].

Pure logic and history upend the protesters' statements.

Only a day after the heinous October 7 attacks on Israel, these protesters started their false accusations of "genocide" [15]. Here is the truth:

FALSE CLAIMS OF APARTHEID

Hamas' accusations of apartheid are false. Apartheid is defined as a system of legalized racial discrimination and segregation that deprives a racial group of their political and civil rights. In South Africa, for example, the white minority segregated Black Africans in housing, transportation, education, and stripped them of citizenship, and positions in government.

In Israel, all citizens whether Jewish, Arab, Armenian, Baha'i, Christian, Druze, Muslim, etc. have equal rights. They can live, work, and travel wherever they want, and they are provided the same government services (e.g., health insurance, free public school, subsidized university education) equally. They attend the same universities and have the same voting power and opportunities. In fact, they hold positions in all industries (e.g., law, medicine, politics) – including positions as judges and members of the Knesset. Israel is a multi-racial society where the Arab citizens have full rights. Inciting racism or discrimination in Israel is a criminal offense [16].

FALSE CLAIMS OF COLONIALISM AND OCCUPATION

Predating Islam, the Jewish people arrived and established the independent Land of Israel in the second millennium B.C.E. and lived there for more than 1,600 years. In succession, the Babylonians, Persians, Greeks, and Romans conquered the land. Despite the efforts of Roman crusaders and some Muslims to make the country empty of Jews, thousands of Jews have lived for centuries in each of the holy cities of Jerusalem, Safad, Tiberius, and Hebron; and in Gaza, Rafah, Ashkelon, Caesarea, Jaffa, Acre, and Jericho. [17]. Moreover, archaeological evidence proves Jewish indigenousity, with cities populated by a Jewish majority prior to the establishment of the modern state of Israel [18].

It is absurd to claim that the Jews who returned to Israel starting in the last decades of the 19th century were colonialists and imperialists. For whom were these idealists working? They were not planting the flag of the antisemitic regimes of Russia, Poland, and Lithuania; and they were kicked out of Yemen, Iraq, Turkey, and North Africa. In fact, these Jewish refugees had to overcome Turkish, British, and Pan-Arab imperialism to achieve self-determination. They were fleeing pogroms and persecution and wanted nothing to do with the countries from which they fled. They did not come to the land with weapons to conquer, but with rakes and hoes to cultivate often swamp-infested land they legally purchased from absentee landlords. Years later, after the Holocaust, the state of Israel was defined and established by international law (1948). The Israelis were ecstatic to live peacefully among their neighbors within the meager boundaries they were allotted in 1948, when five Arab countries attacked Israel in the War of Independence. This war was one of many that Muslim extremists committed against the Jewish state to deny Israel's right to exist [19].

In 1967 Egypt, Syria, and Jordan started a war with Israel. Hafiz al-Assad ordered his Syrian soldiers to "strike the enemy's [civilian] settlements, turn them into dust, pave the Arab roads with the skulls of the Jews, and strike them

without mercy" [20]. Miraculously, Israel won the war and gained territory in the Sinai, Golan Heights, West Bank, Gaza, and East Jerusalem. In 1982, Israel gave the Sinai to Egypt, which has created peace between the countries [21].
With similar hope, Israel left Gaza in 2005 as one of many gestures of peace with its Arab neighbors that have been met with violence [22]. This is worth repeating. Since 2005, Israel has NOT occupied Gaza. In response, Hamas overtook Gaza, slaughtered Palestinian leaders, created 450 miles of terror tunnels, launched over 30,000 rockets at Israel, and on October 7 perpetrated the most heinous attacks on the Jewish people since the Holocaust including the kidnapping of Israelis, Americans, and Foreign Nationals still missing today [23-24].

## FALSE CLAIMS OF GENOCIDE: HAMAS IS RESPONSIBLE FOR DEATHS OF PALESTINIANS

Both Hamas and the protesters' accusations of the Israel Defense Forces (IDF) are blatantly false. Numerous military leaders, including John Spencer (Former Chair of Urban Warfare Studies, WestPoint), testify that "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" including its use of precision weapons and the sending of leaflets, texts, and calls to Gazans ahead of airstrikes to provide time for them to evacuate targeted areas [25-27]. Sadly, terrorists boast of hiding among their own civilians to increase casualties [28].

Armies that fight defensive wars against terrorists in urban warfare generally have a civilian to casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist eliminated. This was true for U.S. and coalition troops in Mosul (2016-2017) [29]. However, Israel's ratio is less than 1:1, meaning they have reduced civilian casualties more than four to sixtyfold by comparison [30]. While the loss of innocent life is tragic, according to International Humanitarian Law (Article 51) these deaths fall squarely on Hamas [31].

Statistical analysis proves what Israel has been saying along - that the Ministry of Health numbers are false [32].

## HAMAS ADMITS: NO GENOCIDE HERE

As in previous wars that Hamas has started, Hamas leaders have finally admitted that they lied about numbers of civilian casualties [33], and that 72% of casualty numbers are male terrorists [34].

Moreover, Palestinian civilians attest to the fact that Hamas steals food from aid trucks and murders Palestinians trying to reach the aid [35-38].

## HAMAS' GLOBAL SUBTERFUGE

Hamas covers its atrocities against the Palestinian people (e.g., blocking safe passage corridors, hiding and firing weapons among civilians) [39-41] by sponsoring and supporting city, state, and worldwide protests on the Palestinians' behalf with the sole intent of delegitimizing Israel [42-45].

Donning the cloak of victimhood and resistance, Hamas's behavior is barbaric – igniting hatred and discrimination against Israel, worldwide Jewry, and democracy itself.

## SUMMARY

This document proves that the claims aimed at Israel of apartheid, genocide, colonialism, and occupation - are patently FALSE.

After the barbaric attack on October 7th, Hamas is still holding hostages and rebuilding its terror structure.

Allowing protesters like SJP, and groups like it (e.g., AMP, CAIR, JVP, WOL, etc.), to hijack governing bodies only rewards and emboldens Hamas, endangers Israel and worldwide democracies, and prevents the Gazans from taking responsibility to unlearn hate and choose healthy governance so that they become viable peace partners.

The world is at an uncomfortable brink: Barbarism vs. Democracy. Rewarding barbarity and those who support it is a losing proposition.

Bold leadership, not capitulation, is the only strategy to keep communities safe.
We ask you to vote NO on this anti-Israel ballot measure – which is a strategy designed by Hamas supporters to keep Hamas in power and continue to inflict carnage on the Palestinians and Israelis.

Please protect our community, democracy, and national security from misinformation and terrorist propaganda.

Sincerely,

"This is your democracy. Make it. Protect it. Pass it on."

As elected officials you know that “informed citizens are democracy’s best defense” [1] and “to abandon facts is to abandon freedom” [2].

Yet, your city council has abandoned the facts and placed several outright lies in a ballot question that not only misleads voters but also opens a door to those who want nothing but to destroy our democracy and our way of life.

Why would you actively allow this to happen?

THE TRUTH ABOUT “PRO-PALESTINIAN” PROTESTERS

We have watched in horror as protestors have overtaken city councils, state government, and American university campuses with misinformation, extremist ideology, and violent conduct that undermine our democratic way of life and our peaceful communities.

The protesters claim to be an anti-war movement to stop the “genocide, apartheid, and occupation” [3] of the

Palestinian people, but nothing can be further from the truth.

Students for Justice in Palestine (SJP) and other groups (AMP, CAIR, JVP, WOL, etc.) are funded by the Hamas terrorist organization [4-9]. As a propaganda arm of Hamas, their sole purpose is to radicalize and misinform government officials and campuses and create a massive disinformation campaign to delegitimize Israel and promote the annihilation of the Jewish State.

Their chant, "From the River to the Sea," clearly states their intention [10]. If you listen carefully, however, their violent intentions do not stop with Israel. They promote antisemitism the world over with the ultimate goal of overturning democratic values as they chant "Death to America" [11-12]. Their philosophy is anchored in the Hamas Charter, which states in its introduction, "Israel will exist until Islam will obliterate it" and "Our struggle against the Jews is very great and very serious" [13]; and the radical Islamist Duaat entitled "How Islam will dominate the world" [14].

Pure logic and history upend the protesters' statements.

Only a day after the heinous October 7 attacks on Israel, these protesters started their false accusations of "genocide" [15]. Here is the truth:

FALSE CLAIMS OF APARTHEID

Hamas' accusations of apartheid are false. Apartheid is defined as a system of legalized racial discrimination and segregation that deprives a racial group of their political and civil rights. In South Africa, for example, the white minority segregated Black Africans in housing, transportation, education, and stripped them of citizenship, and positions in government.

In Israel, all citizens whether Jewish, Arab, Armenian, Baha'i, Christian, Druze, Muslim, etc. have equal rights. They can live, work, and travel wherever they want, and they are provided the same government services (e.g., health insurance, free public school, subsidized university education) equally. They attend the same universities and have the same voting power and opportunities. In fact, they hold positions in all industries (e.g., law, medicine, politics) – including positions as judges and members of the Knesset. Israel is a multi-racial society where the Arab citizens have full rights. Inciting racism or discrimination in Israel is a criminal offense [16].

FALSE CLAIMS OF COLONIALISM AND OCCUPATION

Predating Islam, the Jewish people arrived and established the independent Land of Israel in the second millennium B.C.E. and lived there for more than 1,600 years. In succession, the Babylonians, Persians, Greeks, and Romans conquered the land. Despite the efforts of Roman crusaders and some Muslims to make the country empty of Jews, thousands of Jews have lived for centuries in each of the holy cities of Jerusalem, Safad, Tiberius, and Hebron; and in Gaza, Rafah, Ashkelon, Caesarea, Jaffa, Acre, and Jericho. [17]. Moreover, archaeological evidence proves Jewish indigenousity, with cities populated by a Jewish majority prior to the establishment of the modern state of Israel [18].

It is absurd to claim that the Jews who returned to Israel starting in the last decades of the 19th century were colonialists and imperialists. For whom were these idealists working? They were not planting the flag of the antisemitic regimes of Russia, Poland, and Lithuania; and they were kicked out of Yemen, Iraq, Turkey, and North Africa. In fact, these Jewish refugees had to overcome Turkish, British, and Pan-Arab imperialism to achieve self-determination. They were fleeing pogroms and persecution and wanted nothing to do with the countries from which they fled. They did not come to the land with weapons to conquer, but with rakes and hoes to cultivate often swamp-infested land they legally purchased from absentee landlords. Years later, after the Holocaust, the state of Israel was defined and established by international law (1948). The Israelis were ecstatic to live peacefully among their neighbors within the meager boundaries they were allotted in 1948, when five Arab countries attacked Israel in the War of Independence. This war was one of many that Muslim extremists committed against the Jewish state to deny Israel's right to exist [19].

In 1967 Egypt, Syria, and Jordan started a war with Israel. Hafiz al-Assad ordered his Syrian soldiers to "strike the enemy's [civilian] settlements, turn them into dust, pave the Arab roads with the skulls of the Jews, and strike them

without mercy" [20]. Miraculously, Israel won the war and gained territory in the Sinai, Golan Heights, West Bank, Gaza, and East Jerusalem. In 1982, Israel gave the Sinai to Egypt, which has created peace between the countries [21].
With similar hope, Israel left Gaza in 2005 as one of many gestures of peace with its Arab neighbors that have been met with violence [22]. This is worth repeating. Since 2005, Israel has NOT occupied Gaza. In response, Hamas overtook Gaza, slaughtered Palestinian leaders, created 450 miles of terror tunnels, launched over 30,000 rockets at Israel, and on October 7 perpetrated the most heinous attacks on the Jewish people since the Holocaust including the kidnapping of Israelis, Americans, and Foreign Nationals still missing today [23-24].

## FALSE CLAIMS OF GENOCIDE: HAMAS IS RESPONSIBLE FOR DEATHS OF PALESTINIANS

Both Hamas and the protesters' accusations of the Israel Defense Forces (IDF) are blatantly false. Numerous military leaders, including John Spencer (Former Chair of Urban Warfare Studies, WestPoint), testify that "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" including its use of precision weapons and the sending of leaflets, texts, and calls to Gazans ahead of airstrikes to provide time for them to evacuate targeted areas [25-27]. Sadly, terrorists boast of hiding among their own civilians to increase casualties [28].

Armies that fight defensive wars against terrorists in urban warfare generally have a civilian to casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist eliminated. This was true for U.S. and coalition troops in Mosul (2016-2017) [29]. However, Israel's ratio is less than 1:1, meaning they have reduced civilian casualties more than four to sixtyfold by comparison [30]. While the loss of innocent life is tragic, according to International Humanitarian Law (Article 51) these deaths fall squarely on Hamas [31].

Statistical analysis proves what Israel has been saying along - that the Ministry of Health numbers are false [32].

## HAMAS ADMITS: NO GENOCIDE HERE

As in previous wars that Hamas has started, Hamas leaders have finally admitted that they lied about numbers of civilian casualties [33], and that 72% of casualty numbers are male terrorists [34].

Moreover, Palestinian civilians attest to the fact that Hamas steals food from aid trucks and murders Palestinians trying to reach the aid [35-38].

## HAMAS' GLOBAL SUBTERFUGE

Hamas covers its atrocities against the Palestinian people (e.g., blocking safe passage corridors, hiding and firing weapons among civilians) [39-41] by sponsoring and supporting city, state, and worldwide protests on the Palestinians' behalf with the sole intent of delegitimizing Israel [42-45].

Donning the cloak of victimhood and resistance, Hamas's behavior is barbaric – igniting hatred and discrimination against Israel, worldwide Jewry, and democracy itself.

## SUMMARY

This document proves that the claims aimed at Israel of apartheid, genocide, colonialism, and occupation - are patently FALSE.

After the barbaric attack on October 7th, Hamas is still holding hostages and rebuilding its terror structure.

Allowing protesters like SJP, and groups like it (e.g., AMP, CAIR, JVP, WOL, etc.), to hijack governing bodies only rewards and emboldens Hamas, endangers Israel and worldwide democracies, and prevents the Gazans from taking responsibility to unlearn hate and choose healthy governance so that they become viable peace partners.

The world is at an uncomfortable brink: Barbarism vs. Democracy. Rewarding barbarity and those who support it is a losing proposition.

Bold leadership, not capitulation, is the only strategy to keep communities safe.
We ask you to vote NO on this anti-Israel ballot measure – which is a strategy designed by Hamas supporters to keep Hamas in power and continue to inflict carnage on the Palestinians and Israelis.

Please protect our community, democracy, and national security from misinformation and terrorist propaganda.

Sincerely,

"This is your democracy. Make it. Protect it. Pass it on."

Honorable Elected Officials,

We are your constituents, Americans across this great nation, and worldwide citizens who ask you to vote NO on the proposed anti-Israel ballot measure which falsely accuses Israel of apartheid, genocide, and illegal occupation and then asks voters to prohibit future city business and city investments with Israeli companies.

UNCONSTITUTIONAL: VIOLATION OF U.S. COMMERCE CLAUSE

The power to regulate foreign commerce lies exclusively with Congress. By trying to pass this ballot question endorsing a foreign-directed commercial boycott of Israel, your city council oversteps its constitutional authority. This would directly conflict with federal law and obstruct lawful commercial relationships with a U.S. ally. This represents a violation of Article I, Section 8 of the Constitution.

VIOLATES FEDERAL LAW

In addition, under the Export Administration Act and related federal statutes, U.S. persons and entities are prohibited from participating in or supporting unsanctioned foreign boycotts, such as this campaign targeting Israel. City Council members are duty bound to federal legal frameworks.

STANDARDS FOR U.S. BALLOT QUESTIONS

As elected officials you know that “informed citizens are democracy’s best defense” [1] and “to abandon facts is to abandon freedom” [2].

Yet, your city council has abandoned the facts and placed several outright lies in a ballot question that not only misleads voters but also opens a door to those who want nothing but to destroy our democracy and our way of life.

Their chant, "From the River to the Sea," clearly states their intention [10]. If you listen carefully, however, their violent intentions do not stop with Israel. They promote antisemitism the world over with the ultimate goal of overturning democratic values as they chant "Death to America" [11-12]. Their philosophy is anchored in the Hamas Charter, which states in its introduction, "Israel will exist until Islam will obliterate it" and "Our struggle against the Jews is very great and very serious" [13]; and the radical Islamist Duaat entitled "How Islam will dominate the world" [14].

Pure logic and history upend the protesters' statements.

Only a day after the heinous October 7 attacks on Israel, these protesters started their false accusations of "genocide" [15]. Here is the truth:

FALSE CLAIMS OF APARTHEID

Hamas' accusations of apartheid are false. Apartheid is defined as a system of legalized racial discrimination and segregation that deprives a racial group of their political and civil rights. In South Africa, for example, the white minority segregated Black Africans in housing, transportation, education, and stripped them of citizenship, and positions in government.

In Israel, all citizens whether Jewish, Arab, Armenian, Baha'i, Christian, Druze, Muslim, etc. have equal rights. They can live, work, and travel wherever they want, and they are provided the same government services (e.g., health insurance, free public school, subsidized university education) equally. They attend the same universities and have the same voting power and opportunities. In fact, they hold positions in all industries (e.g., law, medicine, politics) – including positions as judges and members of the Knesset. Israel is a multi-racial society where the Arab citizens have full rights. Inciting racism or discrimination in Israel is a criminal offense [16].

FALSE CLAIMS OF COLONIALISM AND OCCUPATION

Predating Islam, the Jewish people arrived and established the independent Land of Israel in the second millennium B.C.E. and lived there for more than 1,600 years. In succession, the Babylonians, Persians, Greeks, and Romans conquered the land. Despite the efforts of Roman crusaders and some Muslims to make the country empty of Jews, thousands of Jews have lived for centuries in each of the holy cities of Jerusalem, Safad, Tiberius, and Hebron; and in Gaza, Rafah, Ashkelon, Caesarea, Jaffa, Acre, and Jericho. [17]. Moreover, archaeological evidence proves Jewish indigenousity, with cities populated by a Jewish majority prior to the establishment of the modern state of Israel [18].

It is absurd to claim that the Jews who returned to Israel starting in the last decades of the 19th century were colonialists and imperialists. For whom were these idealists working? They were not planting the flag of the antisemitic regimes of Russia, Poland, and Lithuania; and they were kicked out of Yemen, Iraq, Turkey, and North Africa. In fact, these Jewish refugees had

to overcome Turkish, British, and Pan-Arab imperialism to achieve self-determination. They were fleeing pogroms and persecution and wanted nothing to do with the countries from which they fled. They did not come to the land with weapons to conquer, but with rakes and hoes to cultivate often swamp-infested land they legally purchased from absentee landlords. Years later, after the Holocaust, the state of Israel was defined and established by international law (1948). The Israelis were ecstatic to live peacefully among their neighbors within the meager boundaries they were allotted in 1948, when five Arab countries attacked Israel in the War of Independence. This war was one of many that Muslim extremists committed against the Jewish state to deny Israel's right to exist [19].

In 1967 Egypt, Syria, and Jordan started a war with Israel. Hafiz al-Assad ordered his Syrian soldiers to "strike the enemy's [civilian] settlements, turn them into dust, pave the Arab roads with the skulls of the Jews, and strike them without mercy" [20]. Miraculously, Israel won the war and gained territory in the Sinai, Golan Heights, West Bank, Gaza, and East Jerusalem. In 1982, Israel gave the Sinai to Egypt, which has created peace between the countries [21]. With similar hope, Israel left Gaza in 2005 as one of many gestures of peace with its Arab neighbors that have been met with violence [22]. This is worth repeating. Since 2005, Israel has NOT occupied Gaza. In response, Hamas overtook Gaza, slaughtered Palestinian leaders, created 450 miles of terror tunnels, launched over 30,000 rockets at Israel, and on October 7 perpetrated the most heinous attacks on the Jewish people since the Holocaust including the kidnapping of Israelis, Americans, and Foreign Nationals still missing today [23-24].

## FALSE CLAIMS OF GENOCIDE: HAMAS IS RESPONSIBLE FOR DEATHS OF PALESTINIANS

Both Hamas and the protesters' accusations of the Israel Defense Forces (IDF) are blatantly false. Numerous military leaders, including John Spencer (Former Chair of Urban Warfare Studies, WestPoint), testify that "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" including its use of precision weapons and the sending of leaflets, texts, and calls to Gazans ahead of airstrikes to provide time for them to evacuate targeted areas [25-27]. Sadly, terrorists boast of hiding among their own civilians to increase casualties [28].

Armies that fight defensive wars against terrorists in urban warfare generally have a civilian to casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist eliminated. This was true for U.S. and coalition troops in Mosul (2016-2017) [29]. However, Israel's ratio is less than 1:1, meaning they have reduced civilian casualties more than four to sixtyfold by comparison [30]. While the loss of innocent life is tragic, according to International Humanitarian Law (Article 51) these deaths fall squarely on Hamas [31].

Statistical analysis proves what Israel has been saying along - that the Ministry of Health numbers are false [32].

## HAMAS ADMITS: NO GENOCIDE HERE

As in previous wars that Hamas has started, Hamas leaders have finally admitted that they lied about numbers of civilian casualties [33], and that 72% of casualty numbers are male terrorists [34].

Moreover, Palestinian civilians attest to the fact that Hamas steals food from aid trucks and

murders Palestinians trying to reach the aid [35-38].

HAMAS' GLOBAL SUBTERFUGE

Hamas covers its atrocities against the Palestinian people (e.g., blocking safe passage corridors, hiding and firing weapons among civilians) [39-41] by sponsoring and supporting city, state, and worldwide protests on the Palestinians' behalf with the sole intent of delegitimizing Israel [42-45].

Donning the cloak of victimhood and resistance, Hamas's behavior is barbaric – igniting hatred and discrimination against Israel, worldwide Jewry, and democracy itself.

SUMMARY

This document proves that the claims aimed at Israel of apartheid, genocide, colonialism, and occupation - are patently FALSE.

After the barbaric attack on October 7th, Hamas is still holding hostages and rebuilding its terror structure.

Allowing protesters like SJP, and groups like it (e.g., AMP, CAIR, JVP, WOL, etc.), to hijack governing bodies only rewards and emboldens Hamas, endangers Israel and worldwide democracies, and prevents the Gazans from taking responsibility to unlearn hate and choose healthy governance so that they become viable peace partners.

The world is at an uncomfortable brink: Barbarism vs. Democracy. Rewarding barbarity and those who support it is a losing proposition.

Bold leadership, not capitulation, is the only strategy to keep communities safe.
We ask you to vote NO on this anti-Israel ballot measure – which is a strategy designed by Hamas supporters to keep Hamas in power and continue to inflict carnage on the Palestinians and Israelis.

Please protect our community, democracy, and national security from misinformation and terrorist propaganda.

Sincerely,

Dodi Samuel

Honorable Elected Officials,

We are your constituents, Americans across this great nation, and worldwide citizens who ask you to vote NO on the proposed anti-Israel ballot measure which falsely accuses Israel of apartheid, genocide, and illegal occupation and then asks voters to prohibit future city business and city investments with Israeli companies.

UNCONSTITUTIONAL: VIOLATION OF U.S. COMMERCE CLAUSE

The power to regulate foreign commerce lies exclusively with Congress. By trying to pass this ballot question endorsing a foreign-directed commercial boycott of Israel, your city council oversteps its constitutional authority. This would directly conflict with federal law and obstruct lawful commercial relationships with a U.S. ally. This represents a violation of Article I, Section 8 of the Constitution.

VIOLATES FEDERAL LAW

In addition, under the Export Administration Act and related federal statutes, U.S. persons and entities are prohibited from participating in or supporting unsanctioned foreign boycotts, such as this campaign targeting Israel. City Council members are duty bound to federal legal frameworks.

STANDARDS FOR U.S. BALLOT QUESTIONS

As elected officials you know that “informed citizens are democracy’s best defense” [1] and “to abandon facts is to abandon freedom” [2].

Yet, your city council has abandoned the facts and placed several outright lies in a ballot question that not only misleads voters but also opens a door to those who want nothing but to destroy our democracy and our way of life.

Why would you actively allow this to happen?

THE TRUTH ABOUT "PRO-PALESTINIAN" PROTESTERS

We have watched in horror as protestors have overtaken city councils, state government, and American university campuses with misinformation, extremist ideology, and violent conduct that undermine our democratic way of life and our peaceful communities.

The protesters claim to be an anti-war movement to stop the "genocide, apartheid, and occupation" [3] of the Palestinian people, but nothing can be further from the truth.

Students for Justice in Palestine (SJP) and other groups (AMP, CAIR, JVP, WOL, etc.) are funded by the Hamas terrorist organization [4-9]. As a propaganda arm of Hamas, their sole purpose is to radicalize and misinform government officials and campuses and create a massive disinformation campaign to delegitimize Israel and promote the annihilation of the Jewish State.

Their chant, "From the River to the Sea," clearly states their intention [10]. If you listen carefully, however, their violent intentions do not stop with Israel. They promote antisemitism the world over with the ultimate goal of overturning democratic values as they chant "Death to America" [11-12]. In Israel, all citizens whether Jewish, Arab, Armenian, Baha'i, Christian, Druze, Muslim, etc. have equal rights. They can live, work, and travel wherever they want, and they are provided the same government services (e.g., health insurance, free public school, subsidized university education) equally. They attend the same universities and have the same voting power and opportunities. In fact, they hold positions in all industries (e.g., law, medicine, politics) – including positions as judges and members of the Knesset. Israel is a multi-racial society where the Arab citizens have full rights. Inciting racism or discrimination in Israel is a criminal offense [16].

FALSE CLAIMS OF COLONIALISM AND OCCUPATION

Predating Islam, the Jewish people arrived and established the independent Land of Israel in the second millennium B.C.E. and lived there for more than 1,600 years. In succession, the Babylonians, Persians, Greeks, and Romans conquered the land. Despite the efforts of Roman crusaders and some Muslims to make the country empty of Jews, thousands of Jews have lived for centuries in each of the holy cities of Jerusalem, Safad, Tiberius, and Hebron; and in Gaza, Rafah, Ashkelon, Caesarea, Jaffa, Acre, and Jericho. [17]. Moreover, archaeological evidence proves Jewish indigenousity, with cities populated by a Jewish majority prior to the establishment of the modern state of Israel [18].

It is absurd to claim that the Jews who returned to Israel starting in the last decades of the 19th century were colonialists and imperialists. For whom were these idealists working? They were not planting the flag of the antisemitic regimes of Russia, Poland, and Lithuania; and they were kicked out of Yemen, Iraq, Turkey, and North Africa. In fact, these Jewish refugees had to overcome Turkish, British, and Pan-Arab imperialism to achieve self-determination. They were fleeing pogroms and persecution and wanted nothing to do with the countries from which they fled. They did not come to the land with weapons to conquer, but with rakes and hoes to cultivate often swamp-infested land they legally purchased from absentee landlords. Years later, after the Holocaust, the state of Israel was defined and established by international law (1948). The Israelis were ecstatic to live peacefully among their neighbors within the meager boundaries they were allotted in 1948, when five Arab countries attacked Israel in the War of Independence. This war was one of many that Muslim extremists committed against the Jewish state to deny Israel's right to exist [19].

In 1967 Egypt, Syria, and Jordan started a war with Israel. Hafiz al-Assad ordered his Syrian soldiers to "strike the enemy's [civilian] settlements, turn them into dust, pave the Arab roads with the skulls of the Jews, and strike them

without mercy" [20]. Miraculously, Israel won the war and gained territory in the Sinai, Golan Heights, West Bank, Gaza, and East Jerusalem. In 1982, Israel gave the Sinai to Egypt, which has created peace between the countries [21].
With similar hope, Israel left Gaza in 2005 as one of many gestures of peace with its Arab neighbors that have been met with violence [22]. This is worth repeating. Since 2005, Israel has NOT occupied Gaza. In response, Hamas overtook Gaza, slaughtered Palestinian leaders, created 450 miles of terror tunnels, launched over 30,000 rockets at Israel, and on October 7 perpetrated the most heinous attacks on the Jewish people since the Holocaust including the kidnapping of Israelis, Americans, and Foreign Nationals still missing today [23-24].

## FALSE CLAIMS OF GENOCIDE: HAMAS IS RESPONSIBLE FOR DEATHS OF PALESTINIANS

Both Hamas and the protesters' accusations of the Israel Defense Forces (IDF) are blatantly false. Numerous military leaders, including John Spencer (Former Chair of Urban Warfare Studies, WestPoint), testify that "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" including its use of precision weapons and the sending of leaflets, texts, and calls to Gazans ahead of airstrikes to provide time for them to evacuate targeted areas [25-27]. Sadly, terrorists boast of hiding among their own civilians to increase casualties [28].

Armies that fight defensive wars against terrorists in urban warfare generally have a civilian to casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist eliminated. This was true for U.S. and coalition troops in Mosul (2016-2017) [29]. However, Israel's ratio is less than 1:1, meaning they have reduced civilian casualties more than four to sixtyfold by comparison [30]. While the loss of innocent life is tragic, according to International Humanitarian Law (Article 51) these deaths fall squarely on Hamas [31].

Statistical analysis proves what Israel has been saying along - that the Ministry of Health numbers are false [32].

## HAMAS ADMITS: NO GENOCIDE HERE

As in previous wars that Hamas has started, Hamas leaders have finally admitted that they lied about numbers of civilian casualties [33], and that 72% of casualty numbers are male terrorists [34].

Moreover, Palestinian civilians attest to the fact that Hamas steals food from aid trucks and murders Palestinians trying to reach the aid [35-38].

## HAMAS' GLOBAL SUBTERFUGE

Hamas covers its atrocities against the Palestinian people (e.g., blocking safe passage corridors, hiding and firing weapons among civilians) [39-41] by sponsoring and supporting city, state, and worldwide protests on the Palestinians' behalf with the sole intent of delegitimizing Israel [42-45].

Donning the cloak of victimhood and resistance, Hamas's behavior is barbaric – igniting hatred and discrimination against Israel, worldwide Jewry, and democracy itself.

## SUMMARY

This document proves that the claims aimed at Israel of apartheid, genocide, colonialism, and occupation - are patently FALSE.

After the barbaric attack on October 7th, Hamas is still holding hostages and rebuilding its terror structure.

Allowing protesters like SJP, and groups like it (e.g., AMP, CAIR, JVP, WOL, etc.), to hijack governing bodies only rewards and emboldens Hamas, endangers Israel and worldwide democracies, and prevents the Gazans from taking responsibility to unlearn hate and choose healthy governance so that they become viable peace partners.

The world is at an uncomfortable brink: Barbarism vs. Democracy. Rewarding barbarity and those who support it is a losing proposition.

Bold leadership, not capitulation, is the only strategy to keep communities safe.
We ask you to vote NO on this anti-Israel ballot measure – which is a strategy designed by Hamas supporters to keep Hamas in power and continue to inflict carnage on the Palestinians and Israelis.

Please protect our community, democracy, and national security from misinformation and terrorist propaganda.

Sincerely,

Neil Kochen

Honorable Elected Officials,

We are your constituents, Americans across this great nation, and worldwide citizens who ask you to vote NO on the proposed anti-Israel ballot measure which falsely accuses Israel of apartheid, genocide, and illegal occupation and then asks voters to prohibit future city business and city investments with Israeli companies.

UNCONSTITUTIONAL: VIOLATION OF U.S. COMMERCE CLAUSE

The power to regulate foreign commerce lies exclusively with Congress. By trying to pass this ballot question endorsing a foreign-directed commercial boycott of Israel, your city council oversteps its constitutional authority. This would directly conflict with federal law and obstruct lawful commercial relationships with a U.S. ally. This represents a violation of Article I, Section 8 of the Constitution.

VIOLATES FEDERAL LAW

In addition, under the Export Administration Act and related federal statutes, U.S. persons and entities are prohibited from participating in or supporting unsanctioned foreign boycotts, such as this campaign targeting Israel. City Council members are duty bound to federal legal frameworks.

STANDARDS FOR U.S. BALLOT QUESTIONS

As elected officials you know that “informed citizens are democracy’s best defense” [1] and “to abandon facts is to abandon freedom” [2].

Yet, your city council has abandoned the facts and placed several outright lies in a ballot question that not only misleads voters but also opens a door to those who want nothing but to destroy our democracy and our way of life.

Why would you actively allow this to happen?

THE TRUTH ABOUT "PRO-PALESTINIAN" PROTESTERS

We have watched in horror as protestors have overtaken city councils, state government, and American university campuses with misinformation, extremist ideology, and violent conduct that undermine our democratic way of life and our peaceful communities.

The protesters claim to be an anti-war movement to stop the "genocide, apartheid, and occupation" [3] of the Palestinian people, but nothing can be further from the truth.

Students for Justice in Palestine (SJP) and other groups (AMP, CAIR, JVP, WOL, etc.) are funded by the Hamas terrorist organization [4-9]. As a propaganda arm of Hamas, their sole purpose is to radicalize and misinform government officials and campuses and create a massive disinformation campaign to delegitimize Israel and promote the annihilation of the Jewish State.

Their chant, "From the River to the Sea," clearly states their intention [10]. If you listen carefully, however, their violent intentions do not stop with Israel. They promote antisemitism the world over with the ultimate goal of overturning democratic values as they chant "Death to America" [11-12]. Their philosophy is anchored in the Hamas Charter, which states in its introduction, "Israel will exist until Islam will obliterate it" and "Our struggle against the Jews is very great and very serious" [13]; and the radical Islamist Duaat entitled "How Islam will dominate the world" [14].

Pure logic and history upend the protesters' statements.

Only a day after the heinous October 7 attacks on Israel, these protesters started their false accusations of "genocide" [15]. Here is the truth:

FALSE CLAIMS OF APARTHEID

Hamas' accusations of apartheid are false. Apartheid is defined as a system of legalized racial discrimination and segregation that deprives a racial group of their political and civil rights. In South Africa, for example, the white minority segregated Black Africans in housing, transportation, education, and stripped them of citizenship, and positions in government.

In Israel, all citizens whether Jewish, Arab, Armenian, Baha'i, Christian, Druze, Muslim, etc. have equal rights. They can live, work, and travel wherever they want, and they are provided the same government services (e.g., health insurance, free public school, subsidized university education) equally. Despite the efforts of Roman crusaders and some Muslims to make the country empty of Jews, thousands of Jews have lived for centuries in each of the holy cities of Jerusalem, Safad, Tiberius, and Hebron; and in Gaza, Rafah, Ashkelon, Caesarea, Jaffa, Acre, and Jericho. [17]. Moreover, archaeological evidence proves Jewish indigenousity, with cities populated by a Jewish majority prior to the establishment of the modern state of Israel [18].

It is absurd to claim that the Jews who returned to Israel starting in the last decades of the 19th century were colonialists and imperialists. For whom were these idealists working? They were not planting the flag of the antisemitic regimes of Russia, Poland, and Lithuania; and they were kicked out of Yemen, Iraq, Turkey, and North Africa. In fact, these Jewish refugees had to overcome Turkish, British, and Pan-Arab imperialism to achieve self-determination. They were fleeing pogroms and persecution and wanted nothing to do with the countries from which they fled. They did not come to the land with weapons to conquer, but with rakes and hoes to cultivate often swamp-infested land they legally purchased from absentee landlords. Years later, after the Holocaust, the state of Israel was defined and established by international law (1948). The Israelis were ecstatic to live peacefully among their neighbors within the meager boundaries they were allotted in 1948, when five Arab countries attacked Israel in the War of Independence. This war was one of many that Muslim extremists committed against the Jewish state to deny Israel's right to exist [19].

In 1967 Egypt, Syria, and Jordan started a war with Israel. Hafiz al-Assad ordered his Syrian soldiers to "strike the enemy's [civilian] settlements, turn them into dust, pave the Arab roads with the skulls of the Jews, and strike them

without mercy" [20]. Miraculously, Israel won the war and gained territory in the Sinai, Golan Heights, West Bank, Gaza, and East Jerusalem. In 1982, Israel gave the Sinai to Egypt, which has created peace between the countries [21].
With similar hope, Israel left Gaza in 2005 as one of many gestures of peace with its Arab neighbors that have been met with violence [22]. This is worth repeating. Since 2005, Israel has NOT occupied Gaza. In response, Hamas overtook Gaza, slaughtered Palestinian leaders, created 450 miles of terror tunnels, launched over 30,000 rockets at Israel, and on October 7 perpetrated the most heinous attacks on the Jewish people since the Holocaust including the kidnapping of Israelis, Americans, and Foreign Nationals still missing today [23-24].

## FALSE CLAIMS OF GENOCIDE: HAMAS IS RESPONSIBLE FOR DEATHS OF PALESTINIANS

Both Hamas and the protesters' accusations of the Israel Defense Forces (IDF) are blatantly false. Numerous military leaders, including John Spencer (Former Chair of Urban Warfare Studies, WestPoint), testify that "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" including its use of precision weapons and the sending of leaflets, texts, and calls to Gazans ahead of airstrikes to provide time for them to evacuate targeted areas [25-27]. Sadly, terrorists boast of hiding among their own civilians to increase casualties [28].

Armies that fight defensive wars against terrorists in urban warfare generally have a civilian to casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist eliminated. This was true for U.S. and coalition troops in Mosul (2016-2017) [29]. However, Israel's ratio is less than 1:1, meaning they have reduced civilian casualties more than four to sixtyfold by comparison [30]. While the loss of innocent life is tragic, according to International Humanitarian Law (Article 51) these deaths fall squarely on Hamas [31].

Statistical analysis proves what Israel has been saying along - that the Ministry of Health numbers are false [32].

## HAMAS ADMITS: NO GENOCIDE HERE

As in previous wars that Hamas has started, Hamas leaders have finally admitted that they lied about numbers of civilian casualties [33], and that 72% of casualty numbers are male terrorists [34].

Moreover, Palestinian civilians attest to the fact that Hamas steals food from aid trucks and murders Palestinians trying to reach the aid [35-38].

## HAMAS' GLOBAL SUBTERFUGE

Hamas covers its atrocities against the Palestinian people (e.g., blocking safe passage corridors, hiding and firing weapons among civilians) [39-41] by sponsoring and supporting city, state, and worldwide protests on the Palestinians' behalf with the sole intent of delegitimizing Israel [42-45].

Donning the cloak of victimhood and resistance, Hamas's behavior is barbaric – igniting hatred and discrimination against Israel, worldwide Jewry, and democracy itself.

## SUMMARY

This document proves that the claims aimed at Israel of apartheid, genocide, colonialism, and occupation - are patently FALSE.

After the barbaric attack on October 7th, Hamas is still holding hostages and rebuilding its terror structure.

Allowing protesters like SJP, and groups like it (e.g., AMP, CAIR, JVP, WOL, etc.), to hijack governing bodies only rewards and emboldens Hamas, endangers Israel and worldwide democracies, and prevents the Gazans from taking responsibility to unlearn hate and choose healthy governance so that they become viable peace partners.

The world is at an uncomfortable brink: Barbarism vs. Democracy. Rewarding barbarity and those who support it is a losing proposition.

Bold leadership, not capitulation, is the only strategy to keep communities safe.
We ask you to vote NO on this anti-Israel ballot measure – which is a strategy designed by Hamas supporters to keep Hamas in power and continue to inflict carnage on the Palestinians and Israelis.

Please protect our community, democracy, and national security from misinformation and terrorist propaganda.

Sincerely,
Arlene Weissman

cc: Christians United for Israel DOJ Governor of Massachusetts Press State Assembly/House of Massachusetts State Senate/Legislator of Massachusetts U.S. Representative of District 7 U.S. Senator Honorable Elected Officials,

As a Massachusetts resident, I implore you- PLEASE LOOK AT OBJECTIVE FACTS!

For each accusation against Israel- please look at facts.
The ONLY GENOCIDE WAS BY HAMAS ON OCTOBER 7! Palestinians came to butcher, rape, torture, kidnap children, babies, 80 year old women because they wanted everyone dead. Most of those killed were from families of PEACE ACTIVISTS who had helped Palestinians and wanted to live in harmony with them.

What Hamas did is genocide! Israel was the VICTIM! It is now facing a defensive war against those who want to annihilate it!

Just because words are thrown out against Israel- doesn't make them true!!

Meanwhile, the Palestinian population has been increasing exponentially!!

While Hamas uses human shields and Sinwar wrote how dead Palestinians serve his purposes and therefore the more human shields the better- Israel takes extraordinary measures- like sending warnings to evacuate - to save Palestinian civilians. There is no genocide in Gaza.

The reason Israelis were so unprepared on October 7 is because they wanted peace and believed that Hamas was reaching the same conclusion. They were wrong. Israel wants peace- Israeli schoolchildren pray and sing for peace. Most of those murdered on October 7 were PEACE ACTIVISTS! Meanwhile Hamas wants to kill Jews and then all other infidels. .

BDS helps Hamas! Hamas pays attention to BDS votes and hardens its position as a result of support by people like those proposing this bill! If you want a ceasefire - vote against BDS. Otherwise Hamas will reject even more deals (Israel has accepted them but Hamas has said no) and the hostages will not be released.

Do not believe lies spread by Hamas loving, America hating people who are clandestinely funded by terrorist organizations.

Over 40% of Israel's medical students are Arab. There is an Arab in the government and one on the Supreme Court. Saying that Israel is an apartheid country is NOT FACTUAL!! Repeating it does not make it true!!

Vote NO on the proposed anti-Israel ballot measure which falsely accuses Israel of apartheid,

genocide, and illegal occupation and then asks voters to prohibit future city business and city investments with Israeli companies.

UNCONSTITUTIONAL: VIOLATION OF U.S. COMMERCE CLAUSE The power to regulate foreign commerce lies exclusively with Congress. By trying to pass this ballot question endorsing a foreign-directed commercial boycott of Israel, your city council oversteps its constitutional authority. This would directly conflict with federal law and obstruct lawful commercial relationships with a U.S. ally. This represents a violation of Article I, Section 8 of the Constitution.

VIOLATES FEDERAL LAW In addition, under the Export Administration Act and related federal statutes, U.S. persons and entities are prohibited from participating in or supporting unsanctioned foreign boycotts, such as this campaign targeting Israel. City Council members are duty bound to federal legal frameworks.

STANDARDS FOR U.S. BALLOT QUESTIONS

As elected officials you know that "informed citizens are democracy's best defense" [1] and "to abandon facts is to abandon freedom" [2]. Yet, your city council has abandoned the facts and placed several outright lies in a ballot question that not only misleads voters but also opens a door to those who want nothing but to destroy our democracy and our way of life. Why would you actively allow this to happen?

THE TRUTH ABOUT "PRO-PALESTINIAN" PROTESTERS We have watched in horror as protestors have overtaken city councils, state government, and American university campuses with misinformation, extremist ideology, and violent conduct that undermine our democratic way of life and our peaceful communities. The protesters claim to be an anti-war movement to stop the "genocide, apartheid, and occupation" [3] of the Palestinian people, but nothing can be further from the truth. Students for Justice in Palestine (SJP) and other groups (AMP, CAIR, JVP, WOL, etc.) are funded by the Hamas terrorist organization [4-9]. As a propaganda arm of Hamas, their sole purpose is to radicalize and misinform government officials and campuses and create a massive disinformation campaign to delegitimize Israel and promote the annihilation of the Jewish State. Their chant, "From the River to the Sea," clearly states their intention [10]. If you listen carefully, however, their violent intentions do not stop with Israel. They promote antisemitism the world over with the ultimate goal of overturning democratic values as they chant "Death to America" [11-12].

Their philosophy is anchored in the Hamas Charter, which states in its introduction, "Israel will exist until Islam will obliterate it" and "Our struggle against the Jews is very great and very serious" [13]; and the radical Islamist Duaat entitled "How Islam will dominate the world" [14]. Pure logic and history upend the protesters' statements. Only a day after the heinous October 7 attacks on Israel, these protesters started their false accusations of "genocide" [15]. Here is the truth:

FALSE CLAIMS OF APARTHEID Hamas' accusations of apartheid are false. Apartheid is defined as a system of legalized racial discrimination and segregation that deprives a racial group of their political and civil rights. In South Africa, for example, the white minority segregated Black Africans in housing, transportation, education, and stripped them of citizenship, and positions in government. In Israel, all citizens whether Jewish, Arab, Armenian, Baha'i, Christian, Druze, Muslim, etc. have equal rights. They can live, work, and

travel wherever they want, and they are provided the same government services (e.g., health insurance, free public school, subsidized university education) equally. They attend the same universities and have the same voting power and opportunities. In fact, they hold positions in all industries (e.g., law, medicine, politics) – including positions as judges and members of the Knesset. Israel is a multi-racial society where the Arab citizens have full rights. Inciting racism or discrimination in Israel is a criminal offense [16].

FALSE CLAIMS OF COLONIALISM AND OCCUPATION Predating Islam, the Jewish people arrived and established the independent Land of Israel in the second millennium B.C.E. and lived there for more than 1,600 years. In succession, the Babylonians, Persians, Greeks, and Romans conquered the land. Despite the efforts of Roman crusaders and some Muslims to make the country empty of Jews, thousands of Jews have lived for centuries in each of the holy cities of Jerusalem, Safad, Tiberius, and Hebron; and in Gaza, Rafah, Ashkelon, Caesarea, Jaffa, Acre, and Jericho. [17]. Moreover, archaeological evidence proves Jewish indigenousity, with cities populated by a Jewish majority prior to the establishment of the modern state of Israel [18]. They were fleeing pogroms and persecution and wanted nothing to do with the countries from which they fled. They did not come to the land with weapons to conquer, but with rakes and hoes to cultivate often swamp-infested land they legally purchased from absentee landlords. Years later, after the Holocaust, the state of Israel was defined and established by international law (1948).

Honorable Elected Officials,

We are your constituents, Americans across this great nation, and worldwide citizens who ask you to vote NO on the proposed anti-Israel ballot measure which falsely accuses Israel of apartheid, genocide, and illegal occupation and then asks voters to prohibit future city business and city investments with Israeli companies.

UNCONSTITUTIONAL: VIOLATION OF U.S. COMMERCE CLAUSE

The power to regulate foreign commerce lies exclusively with Congress. In Israel, all citizens whether Jewish, Arab, Armenian, Baha'i, Christian, Druze, Muslim, etc. have equal rights. They can live, work, and travel wherever they want, and they are provided the same government services (e.g., health insurance, free public school, subsidized university education) equally. They attend the same universities and have the same voting power and opportunities. In fact, they hold positions in all industries (e.g., law, medicine, politics) – including positions as judges and members of the Knesset. Israel is a multi-racial society where the Arab citizens have full rights. Inciting racism or discrimination in Israel is a criminal offense [16].

FALSE CLAIMS OF COLONIALISM AND OCCUPATION

Predating Islam, the Jewish people arrived and established the independent Land of Israel in the second millennium B.C.E. and lived there for more than 1,600 years. In succession, the Babylonians, Persians, Greeks, and Romans conquered the land. Despite the efforts of Roman crusaders and some Muslims to make the country empty of Jews, thousands of Jews have lived for centuries in each of the holy cities of Jerusalem, Safad, Tiberius, and Hebron; and in Gaza, Rafah, Ashkelon, Caesarea, Jaffa, Acre, and Jericho. [17]. Moreover, archaeological evidence proves Jewish indigenousity, with cities populated by a Jewish majority prior to the establishment of the modern state of Israel [18].

It is absurd to claim that the Jews who returned to Israel starting in the last decades of the 19th century were colonialists and imperialists. For whom were these idealists working? They were not planting the flag of the antisemitic regimes of Russia, Poland, and Lithuania; and they were kicked out of Yemen, Iraq, Turkey, and North Africa. In fact, these Jewish refugees had to overcome Turkish, British, and Pan-Arab imperialism to achieve self-determination. They were fleeing pogroms and persecution and wanted nothing to do with the countries from which they fled. They did not come to the land with weapons to conquer, but with rakes and hoes to cultivate often swamp-infested land they legally purchased from absentee landlords. Years later, after the Holocaust, the state of Israel was defined and established by international law (1948). The Israelis were ecstatic to live peacefully among their neighbors within the meager boundaries they were allotted in 1948, when five Arab countries attacked Israel in the War of Independence. This war was one of many that Muslim extremists committed against the Jewish state to deny Israel's right to exist [19].

In 1967 Egypt, Syria, and Jordan started a war with Israel. Hafiz al-Assad ordered his Syrian soldiers to "strike the enemy's [civilian] settlements, turn them into dust, pave the Arab roads with the skulls of the Jews, and strike them

without mercy" [20]. Miraculously, Israel won the war and gained territory in the Sinai, Golan Heights, West Bank, Gaza, and East Jerusalem. In 1982, Israel gave the Sinai to Egypt, which has created peace between the countries [21].
With similar hope, Israel left Gaza in 2005 as one of many gestures of peace with its Arab neighbors that have been met with violence [22]. This is worth repeating. Since 2005, Israel has NOT occupied Gaza. In response, Hamas overtook Gaza, slaughtered Palestinian leaders, created 450 miles of terror tunnels, launched over 30,000 rockets at Israel, and on October 7 perpetrated the most heinous attacks on the Jewish people since the Holocaust including the kidnapping of Israelis, Americans, and Foreign Nationals still missing today [23-24].

## FALSE CLAIMS OF GENOCIDE: HAMAS IS RESPONSIBLE FOR DEATHS OF PALESTINIANS

Both Hamas and the protesters' accusations of the Israel Defense Forces (IDF) are blatantly false. Numerous military leaders, including John Spencer (Former Chair of Urban Warfare Studies, WestPoint), testify that "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" including its use of precision weapons and the sending of leaflets, texts, and calls to Gazans ahead of airstrikes to provide time for them to evacuate targeted areas [25-27]. Sadly, terrorists boast of hiding among their own civilians to increase casualties [28].

Armies that fight defensive wars against terrorists in urban warfare generally have a civilian to casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist eliminated. This was true for U.S. and coalition troops in Mosul (2016-2017) [29]. However, Israel's ratio is less than 1:1, meaning they have reduced civilian casualties more than four to sixtyfold by comparison [30]. While the loss of innocent life is tragic, according to International Humanitarian Law (Article 51) these deaths fall squarely on Hamas [31].

Statistical analysis proves what Israel has been saying along - that the Ministry of Health numbers are false [32].

## HAMAS ADMITS: NO GENOCIDE HERE

As in previous wars that Hamas has started, Hamas leaders have finally admitted that they lied about numbers of civilian casualties [33], and that 72% of casualty numbers are male terrorists [34].

Moreover, Palestinian civilians attest to the fact that Hamas steals food from aid trucks and murders Palestinians trying to reach the aid [35-38].

## HAMAS' GLOBAL SUBTERFUGE

Hamas covers its atrocities against the Palestinian people (e.g., blocking safe passage corridors, hiding and firing weapons among civilians) [39-41] by sponsoring and supporting city, state, and worldwide protests on the Palestinians' behalf with the sole intent of delegitimizing Israel [42-45].

Donning the cloak of victimhood and resistance, Hamas's behavior is barbaric – igniting hatred and discrimination against Israel, worldwide Jewry, and democracy itself.

## SUMMARY

This document proves that the claims aimed at Israel of apartheid, genocide, colonialism, and occupation - are patently FALSE.

After the barbaric attack on October 7th, Hamas is still holding hostages and rebuilding its terror structure.

Allowing protesters like SJP, and groups like it (e.g., AMP, CAIR, JVP, WOL, etc.), to hijack governing bodies only rewards and emboldens Hamas, endangers Israel and worldwide democracies, and prevents the Gazans from taking responsibility to unlearn hate and choose healthy governance so that they become viable peace partners.

The world is at an uncomfortable brink: Barbarism vs. Democracy. Rewarding barbarity and those who support it is a losing proposition.

Bold leadership, not capitulation, is the only strategy to keep communities safe.
We ask you to vote NO on this anti-Israel ballot measure – which is a strategy designed by Hamas supporters to keep Hamas in power and continue to inflict carnage on the Palestinians and Israelis.

Please protect our community, democracy, and national security from misinformation and terrorist propaganda.

Sincerely,

Anne Shirley

Honorable Elected Officials,

We are your constituents, Americans across this great nation, and worldwide citizens who ask you to vote NO on the proposed anti-Israel ballot measure which falsely accuses Israel of apartheid, genocide, and illegal occupation and then asks voters to prohibit future city business and city investments with Israeli companies.

UNCONSTITUTIONAL: VIOLATION OF U.S. COMMERCE CLAUSE

The power to regulate foreign commerce lies exclusively with Congress. By trying to pass this ballot question endorsing a foreign-directed commercial boycott of Israel, your city council oversteps its constitutional authority. This would directly conflict with federal law and obstruct lawful commercial relationships with a U.S. ally. This represents a violation of Article I, Section 8 of the Constitution.

VIOLATES FEDERAL LAW

In addition, under the Export Administration Act and related federal statutes, U.S. persons and entities are prohibited from participating in or supporting unsanctioned foreign boycotts, such as this campaign targeting Israel. City Council members are duty bound to federal legal frameworks.

STANDARDS FOR U.S. BALLOT QUESTIONS

As elected officials you know that "informed citizens are democracy's best defense" [1] and "to abandon facts is to abandon freedom" [2].

Yet, your city council has abandoned the facts and placed several outright lies in a ballot question that not only misleads voters but also opens a door to those who want nothing but to destroy our democracy and our way of life.

Why would you actively allow this to happen?

THE TRUTH ABOUT "PRO-PALESTINIAN" PROTESTERS

We have watched in horror as protestors have overtaken city councils, state government, and American university campuses with misinformation, extremist ideology, and violent conduct that undermine our democratic way of life and our peaceful communities.

The protesters claim to be an anti-war movement to stop the "genocide, apartheid, and occupation" [3] of the

Palestinian people, but nothing can be further from the truth.

Students for Justice in Palestine (SJP) and other groups (AMP, CAIR, JVP, WOL, etc.) are funded by the Hamas terrorist organization [4-9]. As a propaganda arm of Hamas, their sole purpose is to radicalize and misinform government officials and campuses and create a massive disinformation campaign to delegitimize Israel and promote the annihilation of the Jewish State.

Their chant, "From the River to the Sea," clearly states their intention [10]. If you listen carefully, however, their violent intentions do not stop with Israel. They promote antisemitism the world over with the ultimate goal of overturning democratic values as they chant "Death to America" [11-12]. Their philosophy is anchored in the Hamas Charter, which states in its introduction, "Israel will exist until Islam will obliterate it" and "Our struggle against the Jews is very great and very serious" [13]; and the radical Islamist Duaat entitled "How Islam will dominate the world" [14].

Pure logic and history upend the protesters' statements.

Only a day after the heinous October 7 attacks on Israel, these protesters started their false accusations of "genocide" [15]. Here is the truth:

FALSE CLAIMS OF APARTHEID

Hamas' accusations of apartheid are false. Apartheid is defined as a system of legalized racial discrimination and segregation that deprives a racial group of their political and civil rights. In South Africa, for example, the white minority segregated Black Africans in housing, transportation, education, and stripped them of citizenship, and positions in government.

In Israel, all citizens whether Jewish, Arab, Armenian, Baha'i, Christian, Druze, Muslim, etc. have equal rights. They can live, work, and travel wherever they want, and they are provided the same government services (e.g., health insurance, free public school, subsidized university education) equally. Despite the efforts of Roman crusaders and some Muslims to make the country empty of Jews, thousands of Jews have lived for centuries in each of the holy cities of Jerusalem, Safad, Tiberius, and Hebron; and in Gaza, Rafah, Ashkelon, Caesarea, Jaffa, Acre, and Jericho. [17]. Moreover, archaeological evidence proves Jewish indigenousity, with cities populated by a Jewish majority prior to the establishment of the modern state of Israel [18].

It is absurd to claim that the Jews who returned to Israel starting in the last decades of the 19th century were colonialists and imperialists. For whom were these idealists working? They were not planting the flag of the antisemitic regimes of Russia, Poland, and Lithuania; and they were kicked out of Yemen, Iraq, Turkey, and North Africa. In fact, these Jewish refugees had to overcome Turkish, British, and Pan-Arab imperialism to achieve self-determination. They were fleeing pogroms and persecution and wanted nothing to do with the countries from which they fled. They did not come to the land with weapons to conquer, but with rakes and hoes to cultivate often swamp-infested land they legally purchased from absentee landlords. Years later, after the Holocaust, the state of Israel was defined and established by international law (1948). The Israelis were ecstatic to live peacefully among their neighbors within the meager boundaries they were allotted in 1948, when five Arab countries attacked Israel in the War of Independence. This war was one of many that Muslim extremists committed against the Jewish state to deny Israel's right to exist [19].

In 1967 Egypt, Syria, and Jordan started a war with Israel. Hafiz al-Assad ordered his Syrian soldiers to "strike the enemy's [civilian] settlements, turn them into dust, pave the Arab roads with the skulls of the Jews, and strike them

without mercy" [20]. Miraculously, Israel won the war and gained territory in the Sinai, Golan Heights, West Bank, Gaza, and East Jerusalem. In 1982, Israel gave the Sinai to Egypt, which has created peace between the countries [21].
With similar hope, Israel left Gaza in 2005 as one of many gestures of peace with its Arab neighbors that have been met with violence [22]. This is worth repeating. Since 2005, Israel has NOT occupied Gaza. In response, Hamas overtook Gaza, slaughtered Palestinian leaders, created 450 miles of terror tunnels, launched over 30,000 rockets at Israel, and on October 7 perpetrated the most heinous attacks on the Jewish people since the Holocaust including the kidnapping of Israelis, Americans, and Foreign Nationals still missing today [23-24].

## FALSE CLAIMS OF GENOCIDE: HAMAS IS RESPONSIBLE FOR DEATHS OF PALESTINIANS

Both Hamas and the protesters' accusations of the Israel Defense Forces (IDF) are blatantly false. Numerous military leaders, including John Spencer (Former Chair of Urban Warfare Studies, WestPoint), testify that "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" including its use of precision weapons and the sending of leaflets, texts, and calls to Gazans ahead of airstrikes to provide time for them to evacuate targeted areas [25-27]. Sadly, terrorists boast of hiding among their own civilians to increase casualties [28].

Armies that fight defensive wars against terrorists in urban warfare generally have a civilian to casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist eliminated. This was true for U.S. and coalition troops in Mosul (2016-2017) [29]. However, Israel's ratio is less than 1:1, meaning they have reduced civilian casualties more than four to sixtyfold by comparison [30]. While the loss of innocent life is tragic, according to International Humanitarian Law (Article 51) these deaths fall squarely on Hamas [31].

Statistical analysis proves what Israel has been saying along - that the Ministry of Health numbers are false [32].

## HAMAS ADMITS: NO GENOCIDE HERE

As in previous wars that Hamas has started, Hamas leaders have finally admitted that they lied about numbers of civilian casualties [33], and that 72% of casualty numbers are male terrorists [34].

Moreover, Palestinian civilians attest to the fact that Hamas steals food from aid trucks and murders Palestinians trying to reach the aid [35-38].

## HAMAS' GLOBAL SUBTERFUGE

Hamas covers its atrocities against the Palestinian people (e.g., blocking safe passage corridors, hiding and firing weapons among civilians) [39-41] by sponsoring and supporting city, state, and worldwide protests on the Palestinians' behalf with the sole intent of delegitimizing Israel [42-45].

Donning the cloak of victimhood and resistance, Hamas's behavior is barbaric – igniting hatred and discrimination against Israel, worldwide Jewry, and democracy itself.

## SUMMARY

This document proves that the claims aimed at Israel of apartheid, genocide, colonialism, and occupation - are patently FALSE.

After the barbaric attack on October 7th, Hamas is still holding hostages and rebuilding its terror structure.

Allowing protesters like SJP, and groups like it (e.g., AMP, CAIR, JVP, WOL, etc.), to hijack governing bodies only rewards and emboldens Hamas, endangers Israel and worldwide democracies, and prevents the Gazans from taking responsibility to unlearn hate and choose healthy governance so that they become viable peace partners.

The world is at an uncomfortable brink: Barbarism vs. Democracy. Rewarding barbarity and those who support it is a losing proposition.

Bold leadership, not capitulation, is the only strategy to keep communities safe.
We ask you to vote NO on this anti-Israel ballot measure – which is a strategy designed by Hamas supporters to keep Hamas in power and continue to inflict carnage on the Palestinians and Israelis.

Please protect our community, democracy, and national security from misinformation and terrorist propaganda.

Sincerely,

"This is your democracy. Make it. Protect it. Pass it on."

Honorable Elected Officials,

We are your constituents, Americans across this great nation, and worldwide citizens who ask you to vote NO on the proposed anti-Israel ballot measure which falsely accuses Israel of apartheid, genocide, and illegal occupation and then asks voters to prohibit future city business and city investments with Israeli companies.

UNCONSTITUTIONAL: VIOLATION OF U.S. COMMERCE CLAUSE

The power to regulate foreign commerce lies exclusively with Congress. By trying to pass this ballot question endorsing a foreign-directed commercial boycott of Israel, your city council oversteps its constitutional authority. This would directly conflict with federal law and obstruct lawful commercial relationships with a U.S. ally. This represents a violation of Article I, Section 8 of the Constitution.

VIOLATES FEDERAL LAW

In addition, under the Export Administration Act and related federal statutes, U.S. persons and entities are prohibited from participating in or supporting unsanctioned foreign boycotts, such as this campaign targeting Israel. City Council members are duty bound to federal legal frameworks.

STANDARDS FOR U.S. BALLOT QUESTIONS

As elected officials you know that “informed citizens are democracy’s best defense” [1] and “to abandon facts is to abandon freedom” [2].

Yet, your city council has abandoned the facts and placed several outright lies in a ballot question that not only misleads voters but also opens a door to those who want nothing but to destroy our democracy and our way of life.

Why would you actively allow this to happen?

THE TRUTH ABOUT “PRO-PALESTINIAN” PROTESTERS

We have watched in horror as protestors have overtaken city councils, state government, and American university campuses with misinformation, extremist ideology, and violent conduct that undermine our democratic way of life and our peaceful communities.

The protesters claim to be an anti-war movement to stop the “genocide, apartheid, and occupation” [3] of the

Palestinian people, but nothing can be further from the truth.

Students for Justice in Palestine (SJP) and other groups (AMP, CAIR, JVP, WOL, etc.) are funded by the Hamas terrorist organization [4-9]. As a propaganda arm of Hamas, their sole purpose is to radicalize and misinform government officials and campuses and create a massive disinformation campaign to delegitimize Israel and promote the annihilation of the Jewish State.

Their chant, "From the River to the Sea," clearly states their intention [10]. If you listen carefully, however, their violent intentions do not stop with Israel. They promote antisemitism the world over with the ultimate goal of overturning democratic values as they chant "Death to America" [11-12]. Their philosophy is anchored in the Hamas Charter, which states in its introduction, "Israel will exist until Islam will obliterate it" and "Our struggle against the Jews is very great and very serious" [13]; and the radical Islamist Duaat entitled "How Islam will dominate the world" [14].

Pure logic and history upend the protesters' statements.

Only a day after the heinous October 7 attacks on Israel, these protesters started their false accusations of "genocide" [15]. Here is the truth:

FALSE CLAIMS OF APARTHEID

Hamas' accusations of apartheid are false. Apartheid is defined as a system of legalized racial discrimination and segregation that deprives a racial group of their political and civil rights. In South Africa, for example, the white minority segregated Black Africans in housing, transportation, education, and stripped them of citizenship, and positions in government.

In Israel, all citizens whether Jewish, Arab, Armenian, Baha'i, Christian, Druze, Muslim, etc. have equal rights. They can live, work, and travel wherever they want, and they are provided the same government services (e.g., health insurance, free public school, subsidized university education) equally. They attend the same universities and have the same voting power and opportunities. In fact, they hold positions in all industries (e.g., law, medicine, politics) – including positions as judges and members of the Knesset. Israel is a multi-racial society where the Arab citizens have full rights. Inciting racism or discrimination in Israel is a criminal offense [16].

FALSE CLAIMS OF COLONIALISM AND OCCUPATION

Predating Islam, the Jewish people arrived and established the independent Land of Israel in the second millennium B.C.E. and lived there for more than 1,600 years. In succession, the Babylonians, Persians, Greeks, and Romans conquered the land. Despite the efforts of Roman crusaders and some Muslims to make the country empty of Jews, thousands of Jews have lived for centuries in each of the holy cities of Jerusalem, Safad, Tiberius, and Hebron; and in Gaza, Rafah, Ashkelon, Caesarea, Jaffa, Acre, and Jericho. Years later, after the Holocaust, the state of Israel was defined and established by international law (1948). The Israelis were ecstatic to live peacefully among their neighbors within the meager boundaries they were allotted in 1948, when five Arab countries attacked Israel in the War of Independence. This war was one of many that Muslim extremists committed against the Jewish state to deny Israel's right to exist [19].

In 1967 Egypt, Syria, and Jordan started a war with Israel. Hafiz al-Assad ordered his Syrian soldiers to "strike the enemy's [civilian] settlements, turn them into dust, pave the Arab roads with the skulls of the Jews, and strike them without mercy" [20]. Miraculously, Israel won the war and gained territory in the Sinai, Golan Heights, West Bank, Gaza, and East Jerusalem. In 1982, Israel gave the Sinai to Egypt, which has created peace between the countries [21]. With similar hope, Israel left Gaza in 2005 as one of many gestures of peace with its Arab neighbors that have been met with violence [22]. This is worth repeating. Since 2005, Israel has NOT occupied Gaza. In response, Hamas overtook Gaza, slaughtered Palestinian leaders, created 450 miles of terror tunnels, launched over 30,000 rockets at Israel, and on October 7 perpetrated the most heinous attacks on the Jewish people since the Holocaust including the kidnapping of Israelis, Americans, and Foreign Nationals still missing today [23-24].

## FALSE CLAIMS OF GENOCIDE: HAMAS IS RESPONSIBLE FOR DEATHS OF PALESTINIANS

Both Hamas and the protesters' accusations of the Israel Defense Forces (IDF) are blatantly false. Numerous military leaders, including John Spencer (Former Chair of Urban Warfare Studies, WestPoint), testify that "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" including its use of precision weapons and the sending of leaflets, texts, and calls to Gazans ahead of airstrikes to provide time for them to evacuate targeted areas [25-27]. Sadly, terrorists boast of hiding among their own civilians to increase casualties [28].

Armies that fight defensive wars against terrorists in urban warfare generally have a civilian to casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist eliminated. This was true for U.S. and coalition troops in Mosul (2016-2017) [29]. However, Israel's ratio is less than 1:1, meaning they have reduced civilian casualties more than four to sixtyfold by comparison [30]. While the loss of innocent life is tragic, according to International Humanitarian Law (Article 51) these deaths fall squarely on Hamas [31].

Statistical analysis proves what Israel has been saying along - that the Ministry of Health numbers are false [32].

HAMAS ADMITS: NO GENOCIDE HERE

As in previous wars that Hamas has started, Hamas leaders have finally admitted that they lied about numbers of civilian casualties [33], and that 72% of casualty numbers are male terrorists [34].

Moreover, Palestinian civilians attest to the fact that Hamas steals food from aid trucks and murders Palestinians trying to reach the aid [35-38].

HAMAS' GLOBAL SUBTERFUGE

Hamas covers its atrocities against the Palestinian people (e.g., blocking safe passage corridors, hiding and firing weapons among civilians) [39-41] by sponsoring and supporting city, state, and worldwide protests on the Palestinians' behalf with the sole intent of delegitimizing Israel [42-45].

Donning the cloak of victimhood and resistance, Hamas's behavior is barbaric – igniting hatred and discrimination against Israel, worldwide Jewry, and democracy itself.

SUMMARY

This document proves that the claims aimed at Israel of apartheid, genocide, colonialism, and occupation - are patently FALSE.

After the barbaric attack on October 7th, Hamas is still holding hostages and rebuilding its terror structure.

Allowing protesters like SJP, and groups like it (e.g., AMP, CAIR, JVP, WOL, etc.), to hijack governing bodies only rewards and emboldens Hamas, endangers Israel and worldwide democracies, and prevents the Gazans from taking responsibility to unlearn hate and choose healthy governance so that they become viable peace partners.

The world is at an uncomfortable brink: Barbarism vs. Democracy. Rewarding barbarity and those who support it is a losing proposition.

Bold leadership, not capitulation, is the only strategy to keep communities safe.
We ask you to vote NO on this anti-Israel ballot measure – which is a strategy designed by Hamas supporters to keep Hamas in power and continue to inflict carnage on the Palestinians and Israelis.

Please protect our community, democracy, and national security from misinformation and terrorist propaganda.

Sincerely,
Lisa Davis 01970

Honorable Elected Officials,

We are your constituents, Americans across this great nation, and worldwide citizens who ask you to vote NO on the proposed anti-Israel ballot measure which falsely accuses Israel of apartheid, genocide, and illegal occupation and then asks voters to prohibit future city business and city investments with Israeli companies.

UNCONSTITUTIONAL: VIOLATION OF U.S. COMMERCE CLAUSE

The power to regulate foreign commerce lies exclusively with Congress. By trying to pass this ballot question endorsing a foreign-directed commercial boycott of Israel, your city council oversteps its constitutional authority. This would directly conflict with federal law and obstruct lawful commercial relationships with a U.S. ally. This represents a violation of Article I, Section 8 of the Constitution.

VIOLATES FEDERAL LAW

In addition, under the Export Administration Act and related federal statutes, U.S. persons and entities are prohibited from participating in or supporting unsanctioned foreign boycotts, such as this campaign targeting Israel. City Council members are duty bound to federal legal frameworks.

STANDARDS FOR U.S. BALLOT QUESTIONS

As elected officials you know that “informed citizens are democracy’s best defense” [1] and “to abandon facts is to abandon freedom” [2].

Yet, your city council has abandoned the facts and placed several outright lies in a ballot question that not only misleads voters but also opens a door to those who want nothing but to destroy our democracy and our way of life.

Why would you actively allow this to happen?

THE TRUTH ABOUT “PRO-PALESTINIAN” PROTESTERS

We have watched in horror as protestors have overtaken city councils, state government, and American university campuses with misinformation, extremist ideology, and violent conduct that undermine our democratic way of life and our peaceful communities.

The protesters claim to be an anti-war movement to stop the “genocide, apartheid, and occupation” [3] of the

Palestinian people, but nothing can be further from the truth.

Students for Justice in Palestine (SJP) and other groups (AMP, CAIR, JVP, WOL, etc.) are funded by the Hamas terrorist organization [4-9]. As a propaganda arm of Hamas, their sole purpose is to radicalize and misinform government officials and campuses and create a massive disinformation campaign to delegitimize Israel and promote the annihilation of the Jewish State.

Their chant, "From the River to the Sea," clearly states their intention [10]. If you listen carefully, however, their violent intentions do not stop with Israel. They promote antisemitism the world over with the ultimate goal of overturning democratic values as they chant "Death to America" [11-12]. Their philosophy is anchored in the Hamas Charter, which states in its introduction, "Israel will exist until Islam will obliterate it" and "Our struggle against the Jews is very great and very serious" [13]; and the radical Islamist Duaat entitled "How Islam will dominate the world" [14].

Pure logic and history upend the protesters' statements.

Only a day after the heinous October 7 attacks on Israel, these protesters started their false accusations of "genocide" [15]. Here is the truth:

FALSE CLAIMS OF APARTHEID

Hamas' accusations of apartheid are false. Apartheid is defined as a system of legalized racial discrimination and segregation that deprives a racial group of their political and civil rights. In South Africa, for example, the white minority segregated Black Africans in housing, transportation, education, and stripped them of citizenship, and positions in government.

In Israel, all citizens whether Jewish, Arab, Armenian, Baha'i, Christian, Druze, Muslim, etc. have equal rights. They can live, work, and travel wherever they want, and they are provided the same government services (e.g., health insurance, free public school, subsidized university education) equally. They attend the same universities and have the same voting power and opportunities. In fact, they hold positions in all industries (e.g., law, medicine, politics) – including positions as judges and members of the Knesset. Israel is a multi-racial society where the Arab citizens have full rights. Inciting racism or discrimination in Israel is a criminal offense [16].

FALSE CLAIMS OF COLONIALISM AND OCCUPATION

Predating Islam, the Jewish people arrived and established the independent Land of Israel in the second millennium B.C.E. and lived there for more than 1,600 years. In succession, the Babylonians, Persians, Greeks, and Romans conquered the land. Despite the efforts of Roman crusaders and some Muslims to make the country empty of Jews, thousands of Jews have lived for centuries in each of the holy cities of Jerusalem, Safad, Tiberius, and Hebron; and in Gaza, Rafah, Ashkelon, Caesarea, Jaffa, Acre, and Jericho. [17]. Moreover, archaeological evidence proves Jewish indigenousity, with cities populated by a Jewish majority prior to the establishment of the modern state of Israel [18].

It is absurd to claim that the Jews who returned to Israel starting in the last decades of the 19th century were colonialists and imperialists. For whom were these idealists working? They were not planting the flag of the antisemitic regimes of Russia, Poland, and Lithuania; and they were kicked out of Yemen, Iraq, Turkey, and North Africa. In fact, these Jewish refugees had to overcome Turkish, British, and Pan-Arab imperialism to achieve self-determination. They were fleeing pogroms and persecution and wanted nothing to do with the countries from which they fled. They did not come to the land with weapons to conquer, but with rakes and hoes to cultivate often swamp-infested land they legally purchased from absentee landlords. Years later, after the Holocaust, the state of Israel was defined and established by international law (1948). The Israelis were ecstatic to live peacefully among their neighbors within the meager boundaries they were allotted in 1948, when five Arab countries attacked Israel in the War of Independence. With similar hope, Israel left Gaza in 2005 as one of many gestures of peace with its Arab neighbors that have been met with violence [22]. This is worth repeating. Since 2005, Israel has NOT occupied Gaza. In response, Hamas overtook Gaza, slaughtered Palestinian leaders, created 450 miles of terror tunnels, launched over 30,000 rockets at Israel, and on October 7 perpetrated the most heinous attacks on the Jewish people since the Holocaust including the kidnapping of Israelis, Americans, and Foreign Nationals still missing today [23-24].

## FALSE CLAIMS OF GENOCIDE: HAMAS IS RESPONSIBLE FOR DEATHS OF PALESTINIANS

Both Hamas and the protesters' accusations of the Israel Defense Forces (IDF) are blatantly false. Numerous military leaders, including John Spencer (Former Chair of Urban Warfare Studies, WestPoint), testify that "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" including its use of precision weapons and the sending of leaflets, texts, and calls to Gazans ahead of airstrikes to provide time for them to evacuate targeted areas [25-27]. Sadly, terrorists boast of hiding among their own civilians to increase casualties [28].

Armies that fight defensive wars against terrorists in urban warfare generally have a civilian to casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist eliminated. This was true for U.S. and coalition troops in Mosul (2016-2017) [29]. However, Israel's ratio is less than 1:1, meaning they have reduced civilian casualties more than four to sixtyfold by comparison [30]. While the loss of innocent life is tragic, according to International Humanitarian Law (Article 51) these deaths fall squarely on Hamas [31].

Statistical analysis proves what Israel has been saying along - that the Ministry of Health numbers are false [32].

## HAMAS ADMITS: NO GENOCIDE HERE

As in previous wars that Hamas has started, Hamas leaders have finally admitted that they lied about numbers of civilian casualties [33], and that 72% of casualty numbers are male terrorists [34].

Moreover, Palestinian civilians attest to the fact that Hamas steals food from aid trucks and murders Palestinians trying to reach the aid [35-38].

## HAMAS' GLOBAL SUBTERFUGE

Hamas covers its atrocities against the Palestinian people (e.g., blocking safe passage corridors, hiding and firing weapons among civilians) [39-41] by sponsoring and supporting city, state, and worldwide protests on the Palestinians' behalf with the sole intent of delegitimizing Israel [42-45].

Donning the cloak of victimhood and resistance, Hamas's behavior is barbaric – igniting hatred and discrimination against Israel, worldwide Jewry, and democracy itself.

## SUMMARY

This document proves that the claims aimed at Israel of apartheid, genocide, colonialism, and occupation - are patently FALSE.

After the barbaric attack on October 7th, Hamas is still holding hostages and rebuilding its terror structure.

Allowing protesters like SJP, and groups like it (e.g., AMP, CAIR, JVP, WOL, etc.), to hijack governing bodies only rewards and emboldens Hamas, endangers Israel and worldwide democracies, and prevents the Gazans from taking responsibility to unlearn hate and choose healthy governance so that they become viable peace partners.

The world is at an uncomfortable brink: Barbarism vs. Democracy. Rewarding barbarity and those who support it is a losing proposition.

Bold leadership, not capitulation, is the only strategy to keep communities safe.
We ask you to vote NO on this anti-Israel ballot measure – which is a strategy designed by Hamas supporters to keep Hamas in power and continue to inflict carnage on the Palestinians and Israelis.

Please protect our community, democracy, and national security from misinformation and terrorist propaganda.

Sincerely,

"This is your democracy. Make it. Protect it. Pass it on."

VOTE NO ON HAMAS.

This measure is unconstitutional, anti Semitic, anti American and generally outrageous.

The power to regulate foreign commerce lies exclusively with Congress. By trying to pass this ballot question endorsing a foreign-directed commercial boycott of Israel, your city council oversteps its constitutional authority. This would directly conflict with federal law and obstruct lawful commercial relationships with a U.S. ally. This represents a violation of Article I, Section 8 of the Constitution.

VIOLATES FEDERAL LAW

In addition, under the Export Administration Act and related federal statutes, U.S. persons and entities are prohibited from participating in or supporting unsanctioned foreign boycotts, such as this campaign targeting Israel. City Council members are duty bound to federal legal frameworks.

STANDARDS FOR U.S. BALLOT QUESTIONS

As elected officials you know that “informed citizens are democracy’s best defense” [1] and “to abandon facts is to abandon freedom” [2].

Yet, your city council has abandoned the facts and placed several outright lies in a ballot question that not only misleads voters but also opens a door to those who want nothing but to destroy our democracy and our way of life.

Why would you actively allow this to happen?

THE TRUTH ABOUT “PRO-PALESTINIAN” PROTESTERS

We have watched in horror as protestors have overtaken city councils, state government, and American university campuses with misinformation, extremist ideology, and violent conduct that undermine our democratic way of life and our peaceful communities.

The protesters claim to be an anti-war movement to stop the “genocide, apartheid, and occupation” [3] of the Palestinian people, but nothing can be further from the truth.

Students for Justice in Palestine (SJP) and other groups (AMP, CAIR, JVP, WOL, etc.) are funded by the Hamas terrorist organization [4-9]. As a propaganda arm of Hamas, their sole purpose is to radicalize and misinform government officials and campuses and create a massive disinformation campaign to delegitimize Israel and promote the annihilation of the Jewish State.

Their chant, “From the River to the Sea,” clearly states their intention [10]. If you listen carefully, however, their violent intentions do not stop with Israel. They promote antisemitism the world over with the ultimate goal of overturning democratic values as they chant “Death to America” [11-12]. Their philosophy is anchored in the Hamas Charter, which states in its introduction, “Israel will exist until Islam will obliterate it” and “Our struggle against the Jews is very great and very serious” [13]; and the radical Islamist Duaat entitled “How Islam will dominate the world” [14].

Pure logic and history upend the protesters' statements.

Only a day after the heinous October 7 attacks on Israel, these protesters started their false accusations of "genocide" [15]. Here is the truth:

FALSE CLAIMS OF APARTHEID

Hamas' accusations of apartheid are false. Apartheid is defined as a system of legalized racial discrimination and segregation that deprives a racial group of their political and civil rights. In South Africa, for example, the white minority segregated Black Africans in housing, transportation, education, and stripped them of citizenship, and positions in government.

In Israel, all citizens whether Jewish, Arab, Armenian, Baha'i, Christian, Druze, Muslim, etc. have equal rights. They can live, work, and travel wherever they want, and they are provided the same government services (e.g., health insurance, free public school, subsidized university education) equally. They attend the same universities and have the same voting power and opportunities. In fact, they hold positions in all industries (e.g., law, medicine, politics) – including positions as judges and members of the Knesset. Israel is a multi-racial society where the Arab citizens have full rights. Inciting racism or discrimination in Israel is a criminal offense [16].

FALSE CLAIMS OF COLONIALISM AND OCCUPATION

Predating Islam, the Jewish people arrived and established the independent Land of Israel in the second millennium B.C.E. and lived there for more than 1,600 years. In succession, the Babylonians, Persians, Greeks, and Romans conquered the land. Despite the efforts of Roman crusaders and some Muslims to make the country empty of Jews, thousands of Jews have lived for centuries in each of the holy cities of Jerusalem, Safad, Tiberius, and Hebron; and in Gaza, Rafah, Ashkelon, Caesarea, Jaffa, Acre, and Jericho. [17]. Moreover, archaeological evidence proves Jewish indigenousity, with cities populated by a Jewish majority prior to the establishment of the modern state of Israel [18].

It is absurd to claim that the Jews who returned to Israel starting in the last decades of the 19th century were colonialists and imperialists. For whom were these idealists working? They were not planting the flag of the antisemitic regimes of Russia, Poland, and Lithuania; and they were kicked out of Yemen, Iraq, Turkey, and North Africa. In fact, these Jewish refugees had to overcome Turkish, British, and Pan-Arab imperialism to achieve self-determination. They were fleeing pogroms and persecution and wanted nothing to do with the countries from which they fled. They did not come to the land with weapons to conquer, but with rakes and hoes to cultivate often swamp-infested land they legally purchased from absentee landlords. Years later, after the Holocaust, the state of Israel was defined and established by international law (1948). The Israelis were ecstatic to live peacefully among their neighbors within the meager boundaries they were allotted in 1948, when five Arab countries attacked Israel in the War of Independence. This war was one of many that Muslim extremists committed against the Jewish state to deny Israel's right to exist [19].

In 1967 Egypt, Syria, and Jordan started a war with Israel. Hafiz al-Assad ordered his Syrian soldiers to "strike the enemy's [civilian] settlements, turn them into dust, pave the Arab roads with the skulls of the Jews, and strike them without mercy" [20]. Miraculously, Israel won the war and gained territory in the Sinai, Golan Heights, West Bank, Gaza, and East Jerusalem. In 1982, Israel gave the Sinai to Egypt, which has created peace between the countries [21].
With similar hope, Israel left Gaza in 2005 as one of many gestures of peace with its Arab neighbors that have been met with violence [22]. This is worth repeating. Since 2005, Israel has NOT occupied Gaza. In response, Hamas overtook Gaza, slaughtered Palestinian leaders, created 450 miles of terror tunnels, launched over 30,000 rockets at Israel, and on October 7 perpetrated the most heinous attacks on the Jewish people since the Holocaust including the kidnapping of Israelis, Americans, and Foreign Nationals still missing today [23-24].

Honorable Elected Officials,

We are your constituents, Americans across this great nation, and worldwide citizens who ask you to vote NO on the proposed anti-Israel ballot measure which falsely accuses Israel of apartheid, genocide, and illegal occupation and then asks voters to prohibit future city business and city investments with Israeli companies.

While the loss of innocent life is tragic, according to International Humanitarian Law (Article 51) these deaths fall squarely on Hamas [31].

Statistical analysis proves what Israel has been saying along - that the Ministry of Health numbers are false [32].

HAMAS ADMITS: NO GENOCIDE HERE

As in previous wars that Hamas has started, Hamas leaders have finally admitted that they lied about numbers of civilian casualties [33], and that 72% of casualty numbers are male terrorists [34].

Moreover, Palestinian civilians attest to the fact that Hamas steals food from aid trucks and murders Palestinians trying to reach the aid [35-38].

HAMAS' GLOBAL SUBTERFUGE

Hamas covers its atrocities against the Palestinian people (e.g., blocking safe passage corridors, hiding and firing weapons among civilians) [39-41] by sponsoring and supporting city, state, and worldwide protests on the Palestinians' behalf with the sole intent of delegitimizing Israel [42-45].

Donning the cloak of victimhood and resistance, Hamas's behavior is barbaric – igniting hatred and discrimination against Israel, worldwide Jewry, and democracy itself.

SUMMARY

This document proves that the claims aimed at Israel of apartheid, genocide, colonialism, and occupation - are patently FALSE.

After the barbaric attack on October 7th, Hamas is still holding hostages and rebuilding its terror structure.

Allowing protesters like SJP, and groups like it (e.g., AMP, CAIR, JVP, WOL, etc.), to hijack governing bodies only rewards and emboldens Hamas, endangers Israel and worldwide democracies, and prevents the Gazans from taking responsibility to unlearn hate and choose healthy governance so that they become viable peace partners.

The world is at an uncomfortable brink: Barbarism vs. Democracy. Rewarding barbarity and those who support it is a losing proposition.

Bold leadership, not capitulation, is the only strategy to keep communities safe.
We ask you to vote NO on this anti-Israel ballot measure – which is a strategy designed by Hamas supporters to keep Hamas in power and continue to inflict carnage on the Palestinians and Israelis.

Please protect our community, democracy, and national security from misinformation and terrorist propaganda.

Sincerely,

Mehrnaz Zerehi

Honorable Elected Officials,

I am your constituent in Massachusetts and my zip code is 02454. Americans across this great nation, and worldwide citizens who ask you to vote NO on the proposed anti-Israel ballot measure which falsely accuses Israel of apartheid, genocide, and illegal occupation and then asks voters to prohibit future city business and city investments with Israeli companies.

UNCONSTITUTIONAL: VIOLATION OF U.S. COMMERCE CLAUSE

The power to regulate foreign commerce lies exclusively with Congress. By trying to pass this ballot question endorsing a foreign-directed commercial boycott of Israel, your city council oversteps its constitutional authority. This would directly conflict with federal law and obstruct lawful commercial relationships with a U.S. ally. This represents a violation of Article I, Section 8 of the Constitution.

VIOLATES FEDERAL LAW

In addition, under the Export Administration Act and related federal statutes, U.S. persons and entities are prohibited from participating in or supporting unsanctioned foreign boycotts, such as this campaign targeting Israel. City Council members are duty bound to federal legal frameworks.

STANDARDS FOR U.S. BALLOT QUESTIONS

As elected officials you know that “informed citizens are democracy’s best defense” [1] and “to abandon facts is to abandon freedom” [2].

Yet, your city council has abandoned the facts and placed several outright lies in a ballot question that not only misleads voters but also opens a door to those who want nothing but to destroy our democracy and our way of life.

Why would you actively allow this to happen?

THE TRUTH ABOUT “PRO-PALESTINIAN” PROTESTERS

We have watched in horror as protestors have overtaken city councils, state government, and American university campuses with misinformation, extremist ideology, and violent conduct that undermine our democratic way of life and our peaceful communities.

The protesters claim to be an anti-war movement to stop the "genocide, apartheid, and occupation" [3] of the Palestinian people, but nothing can be further from the truth.

Students for Justice in Palestine (SJP) and other groups (AMP, CAIR, JVP, WOL, etc.) are funded by the Hamas terrorist organization [4-9]. As a propaganda arm of Hamas, their sole purpose is to radicalize and misinform government officials and campuses and create a massive disinformation campaign to delegitimize Israel and promote the annihilation of the Jewish State.

Their chant, "From the River to the Sea," clearly states their intention [10]. If you listen carefully, however, their violent intentions do not stop with Israel. They promote antisemitism the world over with the ultimate goal of overturning democratic values as they chant "Death to America" [11-12]. Their philosophy is anchored in the Hamas Charter, which states in its introduction, "Israel will exist until Islam will obliterate it" and "Our struggle against the Jews is very great and very serious" [13]; and the radical Islamist Duaat entitled "How Islam will dominate the world" [14].

Pure logic and history upend the protesters' statements.

Only a day after the heinous October 7 attacks on Israel, these protesters started their false accusations of "genocide" [15]. Here is the truth:

FALSE CLAIMS OF APARTHEID

Hamas' accusations of apartheid are false. Apartheid is defined as a system of legalized racial discrimination and segregation that deprives a racial group of their political and civil rights. In South Africa, for example, the white minority segregated Black Africans in housing, transportation, education, and stripped them of citizenship, and positions in government.

In Israel, all citizens whether Jewish, Arab, Armenian, Baha'i, Christian, Druze, Muslim, etc. have equal rights. They can live, work, and travel wherever they want, and they are provided the same government services (e.g., health insurance, free public school, subsidized university education) equally. They attend the same universities and have the same voting power and opportunities. In fact, they hold positions in all industries (e.g., law, medicine, politics) – including positions as judges and members of the Knesset. Israel is a multi-racial society where the Arab citizens have full rights. Inciting racism or discrimination in Israel is a criminal offense [16].

FALSE CLAIMS OF COLONIALISM AND OCCUPATION

Predating Islam, the Jewish people arrived and established the independent Land of Israel in the second millennium B.C.E. and lived there for more than 1,600 years. In succession, the Babylonians, Persians, Greeks, and Romans conquered the land. Despite the efforts of Roman crusaders and some Muslims to make the country empty of Jews, thousands of Jews have lived for centuries in each of the holy cities of Jerusalem, Safad, Tiberius, and Hebron; and in Gaza, Rafah, Ashkelon, Caesarea, Jaffa, Acre, and Jericho. [17]. Moreover, archaeological evidence proves Jewish indigenousity, with cities populated by a Jewish majority prior to the establishment of the modern state of Israel [18].

It is absurd to claim that the Jews who returned to Israel starting in the last decades of the 19th century were colonialists and imperialists. For whom were these idealists working? They were not planting the flag of the antisemitic regimes of Russia, Poland, and Lithuania; and they were kicked out of Yemen, Iraq, Turkey, and North Africa. In fact, these Jewish refugees had to overcome Turkish, British, and Pan-Arab imperialism to achieve self-determination. They were fleeing pogroms and persecution and wanted nothing to do with the countries from which they fled. They did not come to the land with weapons to conquer, but with rakes and hoes to cultivate often swamp-infested land they legally purchased from absentee landlords. Years later, after the Holocaust, the state of Israel was defined and established by international law (1948). The Israelis were ecstatic to live peacefully among their neighbors within the meager boundaries they were allotted in 1948, when five Arab countries attacked Israel in the War of Independence. This war was one of many that Muslim extremists committed against the Jewish state to deny Israel's right to exist [19].

In 1967 Egypt, Syria, and Jordan started a war with Israel. Hafiz al-Assad ordered his Syrian soldiers to "strike the enemy's [civilian] settlements, turn them into dust, pave the Arab roads with the skulls of the Jews, and strike them without mercy" [20]. Miraculously, Israel won the war and gained territory in the Sinai, Golan Heights, West Bank, Gaza, and East Jerusalem. In 1982, Israel gave the Sinai to Egypt, which has created peace between the countries [21].
With similar hope, Israel left Gaza in 2005 as one of many gestures of peace with its Arab neighbors that have been met with violence [22]. This is worth repeating. Since 2005, Israel has NOT occupied Gaza. In response, Hamas overtook Gaza, slaughtered Palestinian leaders, created 450 miles of terror tunnels, launched over 30,000 rockets at Israel, and on October 7 perpetrated the most heinous attacks on the Jewish people since the Holocaust including the kidnapping of Israelis, Americans, and Foreign Nationals still missing today [23-24].

FALSE CLAIMS OF GENOCIDE: HAMAS IS RESPONSIBLE FOR DEATHS OF PALESTINIANS

Both Hamas and the protesters' accusations of the Israel Defense Forces (IDF) are blatantly false. Numerous military leaders, including John Spencer (Former Chair of Urban Warfare Studies, WestPoint), testify that "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" including its use of precision weapons and the sending of leaflets, texts, and calls to Gazans ahead of airstrikes to provide time for them to evacuate targeted areas [25-27]. Sadly, terrorists boast of hiding among their own civilians to increase casualties [28].

Armies that fight defensive wars against terrorists in urban warfare generally have a civilian to casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist eliminated. This was true for U.S. and coalition troops in Mosul (2016-2017) [29]. However, Israel's ratio is less than 1:1, meaning they have reduced civilian casualties more than four to sixtyfold by comparison [30]. While the loss of innocent life is tragic, according to International Humanitarian Law (Article 51) these deaths fall squarely on Hamas [31].

Statistical analysis proves what Israel has been saying along - that the Ministry of Health numbers are false [32].

HAMAS ADMITS: NO GENOCIDE HERE

Donning the cloak of victimhood and resistance, Hamas's behavior is barbaric – igniting hatred and discrimination against Israel, worldwide Jewry, and democracy itself.

## SUMMARY

This document proves that the claims aimed at Israel of apartheid, genocide, colonialism, and occupation - are patently FALSE.

After the barbaric attack on October 7th, Hamas is still holding hostages and rebuilding its terror structure.

Allowing protesters like SJP, and groups like it (e.g., AMP, CAIR, JVP, WOL, etc.), to hijack governing bodies only rewards and emboldens Hamas, endangers Israel and worldwide democracies, and prevents the Gazans from taking responsibility to unlearn hate and choose healthy governance so that they become viable peace partners.

The world is at an uncomfortable brink: Barbarism vs. Democracy. Rewarding barbarity and those who support it is a losing proposition.

Bold leadership, not capitulation, is the only strategy to keep communities safe.
We ask you to vote NO on this anti-Israel ballot measure – which is a strategy designed by Hamas supporters to keep Hamas in power and continue to inflict carnage on the Palestinians and Israelis.

Please protect our community, democracy, and national security from misinformation and terrorist propaganda.

Sincerely,
Esther Langer

Honorable Elected Officials,

We are your constituents, Americans across this great nation, and worldwide citizens who ask you to vote NO on the proposed anti-Israel ballot measure which falsely accuses Israel of apartheid, genocide, and illegal occupation and then asks voters to prohibit future city business and city investments with Israeli companies.

UNCONSTITUTIONAL: VIOLATION OF U.S. COMMERCE CLAUSE

The power to regulate foreign commerce lies exclusively with Congress. By trying to pass this ballot question endorsing a foreign-directed commercial boycott of Israel, your city council oversteps its constitutional authority. This would directly conflict with federal law and obstruct lawful commercial relationships with a U.S. ally. This represents a violation of Article I, Section 8 of the Constitution.

VIOLATES FEDERAL LAW

In addition, under the Export Administration Act and related federal statutes, U.S. persons and entities are prohibited from participating in or supporting unsanctioned foreign boycotts, such as this campaign targeting Israel. City Council members are duty bound to federal legal frameworks.

STANDARDS FOR U.S. BALLOT QUESTIONS

As elected officials you know that “informed citizens are democracy’s best defense” [1] and “to abandon facts is to abandon freedom” [2].

Yet, your city council has abandoned the facts and placed several outright lies in a ballot question that not only misleads voters but also opens a door to those who want nothing but to destroy our democracy and our way of life.

Why would you actively allow this to happen?

THE TRUTH ABOUT “PRO-PALESTINIAN” PROTESTERS

We have watched in horror as protestors have overtaken city councils, state government, and American university campuses with misinformation, extremist ideology, and violent conduct that undermine our democratic way of life and our peaceful communities.

The protesters claim to be an anti-war movement to stop the “genocide, apartheid, and occupation” [3] of the

Palestinian people, but nothing can be further from the truth.

Students for Justice in Palestine (SJP) and other groups (AMP, CAIR, JVP, WOL, etc.) are funded by the Hamas terrorist organization [4-9]. As a propaganda arm of Hamas, their sole purpose is to radicalize and misinform government officials and campuses and create a massive disinformation campaign to delegitimize Israel and promote the annihilation of the Jewish State.

Their chant, "From the River to the Sea," clearly states their intention [10]. If you listen carefully, however, their violent intentions do not stop with Israel. They promote antisemitism the world over with the ultimate goal of overturning democratic values as they chant "Death to America" [11-12]. Their philosophy is anchored in the Hamas Charter, which states in its introduction, "Israel will exist until Islam will obliterate it" and "Our struggle against the Jews is very great and very serious" [13]; and the radical Islamist Duaat entitled "How Islam will dominate the world" [14].

Pure logic and history upend the protesters' statements.

Only a day after the heinous October 7 attacks on Israel, these protesters started their false accusations of "genocide" [15]. Here is the truth:

FALSE CLAIMS OF APARTHEID

Hamas' accusations of apartheid are false. Apartheid is defined as a system of legalized racial discrimination and segregation that deprives a racial group of their political and civil rights. In South Africa, for example, the white minority segregated Black Africans in housing, transportation, education, and stripped them of citizenship, and positions in government.

In Israel, all citizens whether Jewish, Arab, Armenian, Baha'i, Christian, Druze, Muslim, etc. have equal rights. They can live, work, and travel wherever they want, and they are provided the same government services (e.g., health insurance, free public school, subsidized university education) equally. They attend the same universities and have the same voting power and opportunities. In fact, they hold positions in all industries (e.g., law, medicine, politics) – including positions as judges and members of the Knesset. Israel is a multi-racial society where the Arab citizens have full rights. Inciting racism or discrimination in Israel is a criminal offense [16].

FALSE CLAIMS OF COLONIALISM AND OCCUPATION

Predating Islam, the Jewish people arrived and established the independent Land of Israel in the second millennium B.C.E. and lived there for more than 1,600 years. In succession, the Babylonians, Persians, Greeks, and Romans conquered the land. Despite the efforts of Roman crusaders and some Muslims to make the country empty of Jews, thousands of Jews have lived for centuries in each of the holy cities of Jerusalem, Safad, Tiberius, and Hebron; and in Gaza, Rafah, Ashkelon, Caesarea, Jaffa, Acre, and Jericho. [17]. Moreover, archaeological evidence proves Jewish indigenousity, with cities populated by a Jewish majority prior to the establishment of the modern state of Israel [18].

It is absurd to claim that the Jews who returned to Israel starting in the last decades of the 19th century were colonialists and imperialists. For whom were these idealists working? They were not planting the flag of the antisemitic regimes of Russia, Poland, and Lithuania; and they were kicked out of Yemen, Iraq, Turkey, and North Africa. In fact, these Jewish refugees had to overcome Turkish, British, and Pan-Arab imperialism to achieve self-determination. They were fleeing pogroms and persecution and wanted nothing to do with the countries from which they fled. They did not come to the land with weapons to conquer, but with rakes and hoes to cultivate often swamp-infested land they legally purchased from absentee landlords. Years later, after the Holocaust, the state of Israel was defined and established by international law (1948). The Israelis were ecstatic to live peacefully among their neighbors within the meager boundaries they were allotted in 1948, when five Arab countries attacked Israel in the War of Independence. This war was one of many that Muslim extremists committed against the Jewish state to deny Israel's right to exist [19].

In 1967 Egypt, Syria, and Jordan started a war with Israel. Hafiz al-Assad ordered his Syrian soldiers to "strike the enemy's [civilian] settlements, turn them into dust, pave the Arab roads with the skulls of the Jews, and strike them

without mercy" [20]. Miraculously, Israel won the war and gained territory in the Sinai, Golan Heights, West Bank, Gaza, and East Jerusalem. In 1982, Israel gave the Sinai to Egypt, which has created peace between the countries [21].
With similar hope, Israel left Gaza in 2005 as one of many gestures of peace with its Arab neighbors that have been met with violence [22]. This is worth repeating. Since 2005, Israel has NOT occupied Gaza. In response, Hamas overtook Gaza, slaughtered Palestinian leaders, created 450 miles of terror tunnels, launched over 30,000 rockets at Israel, and on October 7 perpetrated the most heinous attacks on the Jewish people since the Holocaust including the kidnapping of Israelis, Americans, and Foreign Nationals still missing today [23-24].

## FALSE CLAIMS OF GENOCIDE: HAMAS IS RESPONSIBLE FOR DEATHS OF PALESTINIANS

Both Hamas and the protesters' accusations of the Israel Defense Forces (IDF) are blatantly false. Numerous military leaders, including John Spencer (Former Chair of Urban Warfare Studies, WestPoint), testify that "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" including its use of precision weapons and the sending of leaflets, texts, and calls to Gazans ahead of airstrikes to provide time for them to evacuate targeted areas [25-27]. Sadly, terrorists boast of hiding among their own civilians to increase casualties [28].

Armies that fight defensive wars against terrorists in urban warfare generally have a civilian to casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist eliminated. This was true for U.S. and coalition troops in Mosul (2016-2017) [29]. However, Israel's ratio is less than 1:1, meaning they have reduced civilian casualties more than four to sixtyfold by comparison [30]. While the loss of innocent life is tragic, according to International Humanitarian Law (Article 51) these deaths fall squarely on Hamas [31].

Statistical analysis proves what Israel has been saying along - that the Ministry of Health numbers are false [32].

## HAMAS ADMITS: NO GENOCIDE HERE

As in previous wars that Hamas has started, Hamas leaders have finally admitted that they lied about numbers of civilian casualties [33], and that 72% of casualty numbers are male terrorists [34].

Moreover, Palestinian civilians attest to the fact that Hamas steals food from aid trucks and murders Palestinians trying to reach the aid [35-38].

## HAMAS' GLOBAL SUBTERFUGE

Hamas covers its atrocities against the Palestinian people (e.g., blocking safe passage corridors, hiding and firing weapons among civilians) [39-41] by sponsoring and supporting city, state, and worldwide protests on the Palestinians' behalf with the sole intent of delegitimizing Israel [42-45].

Donning the cloak of victimhood and resistance, Hamas's behavior is barbaric – igniting hatred and discrimination against Israel, worldwide Jewry, and democracy itself.

Honorable Elected Officials,

We are your constituents, Americans across this great nation, and worldwide citizens who ask you to vote NO on the proposed anti-Israel ballot measure which falsely accuses Israel of apartheid, genocide, and illegal occupation and then asks voters to prohibit future city business and city investments with Israeli companies.

UNCONSTITUTIONAL: VIOLATION OF U.S. COMMERCE CLAUSE

The power to regulate foreign commerce lies exclusively with Congress. By trying to pass this ballot question endorsing a foreign-directed commercial boycott of Israel, your city council oversteps its constitutional authority. This would directly conflict with federal law and obstruct lawful commercial relationships with a U.S. ally. This represents a violation of Article I, Section 8 of the Constitution.

VIOLATES FEDERAL LAW

In addition, under the Export Administration Act and related federal statutes, U.S. persons and entities are prohibited from participating in or supporting unsanctioned foreign boycotts, such as this campaign targeting Israel. City Council members are duty bound to federal legal frameworks.

STANDARDS FOR U.S. BALLOT QUESTIONS

As elected officials you know that “informed citizens are democracy’s best defense” [1] and “to abandon facts is to abandon freedom” [2].

Yet, your city council has abandoned the facts and placed several outright lies in a ballot question that not only misleads voters but also opens a door to those who want nothing but to destroy our democracy and our way of life.

Why would you actively allow this to happen?

THE TRUTH ABOUT “PRO-PALESTINIAN” PROTESTERS

We have watched in horror as protestors have overtaken city councils, state government, and American university campuses with misinformation, extremist ideology, and violent conduct that undermine our democratic way of life and our peaceful communities.

The protesters claim to be an anti-war movement to stop the “genocide, apartheid, and occupation” [3] of the

Palestinian people, but nothing can be further from the truth.

Students for Justice in Palestine (SJP) and other groups (AMP, CAIR, JVP, WOL, etc.) are funded by the Hamas terrorist organization [4-9]. As a propaganda arm of Hamas, their sole purpose is to radicalize and misinform government officials and campuses and create a massive disinformation campaign to delegitimize Israel and promote the annihilation of the Jewish State.

Their chant, "From the River to the Sea," clearly states their intention [10]. If you listen carefully, however, their violent intentions do not stop with Israel. They promote antisemitism the world over with the ultimate goal of overturning democratic values as they chant "Death to America" [11-12]. Their philosophy is anchored in the Hamas Charter, which states in its introduction, "Israel will exist until Islam will obliterate it" and "Our struggle against the Jews is very great and very serious" [13]; and the radical Islamist Duaat entitled "How Islam will dominate the world" [14].

Pure logic and history upend the protesters' statements.

Only a day after the heinous October 7 attacks on Israel, these protesters started their false accusations of "genocide" [15]. Here is the truth:

FALSE CLAIMS OF APARTHEID

Hamas' accusations of apartheid are false. Apartheid is defined as a system of legalized racial discrimination and segregation that deprives a racial group of their political and civil rights. In South Africa, for example, the white minority segregated Black Africans in housing, transportation, education, and stripped them of citizenship, and positions in government.

In Israel, all citizens whether Jewish, Arab, Armenian, Baha'i, Christian, Druze, Muslim, etc. have equal rights. They can live, work, and travel wherever they want, and they are provided the same government services (e.g., health insurance, free public school, subsidized university education) equally. They attend the same universities and have the same voting power and opportunities. In fact, they hold positions in all industries (e.g., law, medicine, politics) – including positions as judges and members of the Knesset. Israel is a multi-racial society where the Arab citizens have full rights. Inciting racism or discrimination in Israel is a criminal offense [16].

FALSE CLAIMS OF COLONIALISM AND OCCUPATION

Predating Islam, the Jewish people arrived and established the independent Land of Israel in the second millennium B.C.E. and lived there for more than 1,600 years. In succession, the Babylonians, Persians, Greeks, and Romans conquered the land. Despite the efforts of Roman crusaders and some Muslims to make the country empty of Jews, thousands of Jews have lived for centuries in each of the holy cities of Jerusalem, Safad, Tiberius, and Hebron; and in Gaza, Rafah, Ashkelon, Caesarea, Jaffa, Acre, and Jericho. [17]. Moreover, archaeological evidence proves Jewish indigenousity, with cities populated by a Jewish majority prior to the establishment of the modern state of Israel [18].

It is absurd to claim that the Jews who returned to Israel starting in the last decades of the 19th century were colonialists and imperialists. For whom were these idealists working? They were not planting the flag of the antisemitic regimes of Russia, Poland, and Lithuania; and they were kicked out of Yemen, Iraq, Turkey, and North Africa. In fact, these Jewish refugees had to overcome Turkish, British, and Pan-Arab imperialism to achieve self-determination. They were fleeing pogroms and persecution and wanted nothing to do with the countries from which they fled. They did not come to the land with weapons to conquer, but with rakes and hoes to cultivate often swamp-infested land they legally purchased from absentee landlords. Years later, after the Holocaust, the state of Israel was defined and established by international law (1948). The Israelis were ecstatic to live peacefully among their neighbors within the meager boundaries they were allotted in 1948, when five Arab countries attacked Israel in the War of Independence. This war was one of many that Muslim extremists committed against the Jewish state to deny Israel's right to exist [19].

In 1967 Egypt, Syria, and Jordan started a war with Israel. Hafiz al-Assad ordered his Syrian soldiers to "strike the enemy's [civilian] settlements, turn them into dust, pave the Arab roads with the skulls of the Jews, and strike them

without mercy" [20]. Miraculously, Israel won the war and gained territory in the Sinai, Golan Heights, West Bank, Gaza, and East Jerusalem. In 1982, Israel gave the Sinai to Egypt, which has created peace between the countries [21].
With similar hope, Israel left Gaza in 2005 as one of many gestures of peace with its Arab neighbors that have been met with violence [22]. This is worth repeating. Since 2005, Israel has NOT occupied Gaza. In response, Hamas overtook Gaza, slaughtered Palestinian leaders, created 450 miles of terror tunnels, launched over 30,000 rockets at Israel, and on October 7 perpetrated the most heinous attacks on the Jewish people since the Holocaust including the kidnapping of Israelis, Americans, and Foreign Nationals still missing today [23-24].

## FALSE CLAIMS OF GENOCIDE: HAMAS IS RESPONSIBLE FOR DEATHS OF PALESTINIANS

Both Hamas and the protesters' accusations of the Israel Defense Forces (IDF) are blatantly false. Numerous military leaders, including John Spencer (Former Chair of Urban Warfare Studies, WestPoint), testify that "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" including its use of precision weapons and the sending of leaflets, texts, and calls to Gazans ahead of airstrikes to provide time for them to evacuate targeted areas [25-27]. Sadly, terrorists boast of hiding among their own civilians to increase casualties [28].

Armies that fight defensive wars against terrorists in urban warfare generally have a civilian to casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist eliminated. This was true for U.S. and coalition troops in Mosul (2016-2017) [29]. However, Israel's ratio is less than 1:1, meaning they have reduced civilian casualties more than four to sixtyfold by comparison [30]. While the loss of innocent life is tragic, according to International Humanitarian Law (Article 51) these deaths fall squarely on Hamas [31].

Statistical analysis proves what Israel has been saying along - that the Ministry of Health numbers are false [32].

## HAMAS ADMITS: NO GENOCIDE HERE

As in previous wars that Hamas has started, Hamas leaders have finally admitted that they lied about numbers of civilian casualties [33], and that 72% of casualty numbers are male terrorists [34].

Moreover, Palestinian civilians attest to the fact that Hamas steals food from aid trucks and murders Palestinians trying to reach the aid [35-38].

## HAMAS' GLOBAL SUBTERFUGE

Hamas covers its atrocities against the Palestinian people (e.g., blocking safe passage corridors, hiding and firing weapons among civilians) [39-41] by sponsoring and supporting city, state, and worldwide protests on the Palestinians' behalf with the sole intent of delegitimizing Israel [42-45].

Donning the cloak of victimhood and resistance, Hamas's behavior is barbaric – igniting hatred and discrimination against Israel, worldwide Jewry, and democracy itself.

## SUMMARY

This document proves that the claims aimed at Israel of apartheid, genocide, colonialism, and occupation - are patently FALSE.

After the barbaric attack on October 7th, Hamas is still holding hostages and rebuilding its terror structure.

Allowing protesters like SJP, and groups like it (e.g., AMP, CAIR, JVP, WOL, etc.), to hijack governing bodies only rewards and emboldens Hamas, endangers Israel and worldwide democracies, and prevents the Gazans from taking responsibility to unlearn hate and choose healthy governance so that they become viable peace partners.

The world is at an uncomfortable brink: Barbarism vs. Democracy. Rewarding barbarity and those who support it is a losing proposition.

Bold leadership, not capitulation, is the only strategy to keep communities safe.
We ask you to vote NO on this anti-Israel ballot measure – which is a strategy designed by Hamas supporters to keep Hamas in power and continue to inflict carnage on the Palestinians and Israelis.

Please protect our community, democracy, and national security from misinformation and terrorist propaganda.

Sincerely,

Shawn

Honorable Elected Officials,

We are your constituents, Americans across this great nation, and worldwide citizens who ask you to vote NO on the proposed anti-Israel ballot measure which falsely accuses Israel of apartheid, genocide, and illegal occupation and then asks voters to prohibit future city business and city investments with Israeli companies.

UNCONSTITUTIONAL: VIOLATION OF U.S. COMMERCE CLAUSE

The power to regulate foreign commerce lies exclusively with Congress. By trying to pass this ballot question endorsing a foreign-directed commercial boycott of Israel, your city council oversteps its constitutional authority. This would directly conflict with federal law and obstruct lawful commercial relationships with a U.S. ally. This represents a violation of Article I, Section 8 of the Constitution.

VIOLATES FEDERAL LAW

In addition, under the Export Administration Act and related federal statutes, U.S. persons and entities are prohibited from participating in or supporting unsanctioned foreign boycotts, such as this campaign targeting Israel. City Council members are duty bound to federal legal frameworks.

STANDARDS FOR U.S. BALLOT QUESTIONS

As elected officials you know that “informed citizens are democracy’s best defense” [1] and “to abandon facts is to abandon freedom” [2].

Yet, your city council has abandoned the facts and placed several outright lies in a ballot question that not only misleads voters but also opens a door to those who want nothing but to destroy our democracy and our way of life.

Why would you actively allow this to happen?

THE TRUTH ABOUT “PRO-PALESTINIAN” PROTESTERS

We have watched in horror as protestors have overtaken city councils, state government, and American university campuses with misinformation, extremist ideology, and violent conduct that undermine our democratic way of life and our peaceful communities.

The protesters claim to be an anti-war movement to stop the “genocide, apartheid, and occupation” [3] of the

Palestinian people, but nothing can be further from the truth.

Students for Justice in Palestine (SJP) and other groups (AMP, CAIR, JVP, WOL, etc.) are funded by the Hamas terrorist organization [4-9]. As a propaganda arm of Hamas, their sole purpose is to radicalize and misinform government officials and campuses and create a massive disinformation campaign to delegitimize Israel and promote the annihilation of the Jewish State.

Their chant, "From the River to the Sea," clearly states their intention [10]. If you listen carefully, however, their violent intentions do not stop with Israel. They promote antisemitism the world over with the ultimate goal of overturning democratic values as they chant "Death to America" [11-12]. Their philosophy is anchored in the Hamas Charter, which states in its introduction, "Israel will exist until Islam will obliterate it" and "Our struggle against the Jews is very great and very serious" [13]; and the radical Islamist Duaat entitled "How Islam will dominate the world" [14].

Pure logic and history upend the protesters' statements.

Only a day after the heinous October 7 attacks on Israel, these protesters started their false accusations of "genocide" [15]. Here is the truth:

FALSE CLAIMS OF APARTHEID

Hamas' accusations of apartheid are false. Apartheid is defined as a system of legalized racial discrimination and segregation that deprives a racial group of their political and civil rights. In South Africa, for example, the white minority segregated Black Africans in housing, transportation, education, and stripped them of citizenship, and positions in government.

In Israel, all citizens whether Jewish, Arab, Armenian, Baha'i, Christian, Druze, Muslim, etc. have equal rights. They can live, work, and travel wherever they want, and they are provided the same government services (e.g., health insurance, free public school, subsidized university education) equally. They attend the same universities and have the same voting power and opportunities. In fact, they hold positions in all industries (e.g., law, medicine, politics) – including positions as judges and members of the Knesset. Israel is a multi-racial society where the Arab citizens have full rights. Inciting racism or discrimination in Israel is a criminal offense [16].

FALSE CLAIMS OF COLONIALISM AND OCCUPATION

Predating Islam, the Jewish people arrived and established the independent Land of Israel in the second millennium B.C.E. and lived there for more than 1,600 years. In succession, the Babylonians, Persians, Greeks, and Romans conquered the land. Despite the efforts of Roman crusaders and some Muslims to make the country empty of Jews, thousands of Jews have lived for centuries in each of the holy cities of Jerusalem, Safad, Tiberius, and Hebron; and in Gaza, Rafah, Ashkelon, Caesarea, Jaffa, Acre, and Jericho. [17]. Moreover, archaeological evidence proves Jewish indigenousity, with cities populated by a Jewish majority prior to the establishment of the modern state of Israel [18].

It is absurd to claim that the Jews who returned to Israel starting in the last decades of the 19th century were colonialists and imperialists. For whom were these idealists working? They were not planting the flag of the antisemitic regimes of Russia, Poland, and Lithuania; and they were kicked out of Yemen, Iraq, Turkey, and North Africa. In fact, these Jewish refugees had to overcome Turkish, British, and Pan-Arab imperialism to achieve self-determination. They were fleeing pogroms and persecution and wanted nothing to do with the countries from which they fled. They did not come to the land with weapons to conquer, but with rakes and hoes to cultivate often swamp-infested land they legally purchased from absentee landlords. Years later, after the Holocaust, the state of Israel was defined and established by international law (1948). The Israelis were ecstatic to live peacefully among their neighbors within the meager boundaries they were allotted in 1948, when five Arab countries attacked Israel in the War of Independence. This war was one of many that Muslim extremists committed against the Jewish state to deny Israel's right to exist [19].

In 1967 Egypt, Syria, and Jordan started a war with Israel. Hafiz al-Assad ordered his Syrian soldiers to "strike the enemy's [civilian] settlements, turn them into dust, pave the Arab roads with the skulls of the Jews, and strike them

without mercy" [20]. Miraculously, Israel won the war and gained territory in the Sinai, Golan Heights, West Bank, Gaza, and East Jerusalem. In 1982, Israel gave the Sinai to Egypt, which has created peace between the countries [21].
With similar hope, Israel left Gaza in 2005 as one of many gestures of peace with its Arab neighbors that have been met with violence [22]. This is worth repeating. Since 2005, Israel has NOT occupied Gaza. In response, Hamas overtook Gaza, slaughtered Palestinian leaders, created 450 miles of terror tunnels, launched over 30,000 rockets at Israel, and on October 7 perpetrated the most heinous attacks on the Jewish people since the Holocaust including the kidnapping of Israelis, Americans, and Foreign Nationals still missing today [23-24].

## FALSE CLAIMS OF GENOCIDE: HAMAS IS RESPONSIBLE FOR DEATHS OF PALESTINIANS

Both Hamas and the protesters' accusations of the Israel Defense Forces (IDF) are blatantly false. Numerous military leaders, including John Spencer (Former Chair of Urban Warfare Studies, WestPoint), testify that "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" including its use of precision weapons and the sending of leaflets, texts, and calls to Gazans ahead of airstrikes to provide time for them to evacuate targeted areas [25-27]. Sadly, terrorists boast of hiding among their own civilians to increase casualties [28].

Armies that fight defensive wars against terrorists in urban warfare generally have a civilian to casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist eliminated. This was true for U.S. and coalition troops in Mosul (2016-2017) [29]. However, Israel's ratio is less than 1:1, meaning they have reduced civilian casualties more than four to sixtyfold by comparison [30]. While the loss of innocent life is tragic, according to International Humanitarian Law (Article 51) these deaths fall squarely on Hamas [31].

Statistical analysis proves what Israel has been saying along - that the Ministry of Health numbers are false [32].

## HAMAS ADMITS: NO GENOCIDE HERE

As in previous wars that Hamas has started, Hamas leaders have finally admitted that they lied about numbers of civilian casualties [33], and that 72% of casualty numbers are male terrorists [34].

Moreover, Palestinian civilians attest to the fact that Hamas steals food from aid trucks and murders Palestinians trying to reach the aid [35-38].

## HAMAS' GLOBAL SUBTERFUGE

Hamas covers its atrocities against the Palestinian people (e.g., blocking safe passage corridors, hiding and firing weapons among civilians) [39-41] by sponsoring and supporting city, state, and worldwide protests on the Palestinians' behalf with the sole intent of delegitimizing Israel [42-45].

Donning the cloak of victimhood and resistance, Hamas's behavior is barbaric – igniting hatred and discrimination against Israel, worldwide Jewry, and democracy itself.

## SUMMARY

This document proves that the claims aimed at Israel of apartheid, genocide, colonialism, and occupation - are patently FALSE.

After the barbaric attack on October 7th, Hamas is still holding hostages and rebuilding its terror structure.

Allowing protesters like SJP, and groups like it (e.g., AMP, CAIR, JVP, WOL, etc.), to hijack governing bodies only rewards and emboldens Hamas, endangers Israel and worldwide democracies, and prevents the Gazans from taking responsibility to unlearn hate and choose healthy governance so that they become viable peace partners.

The world is at an uncomfortable brink: Barbarism vs. Democracy. Rewarding barbarity and those who support it is a losing proposition.

Bold leadership, not capitulation, is the only strategy to keep communities safe.
We ask you to vote NO on this anti-Israel ballot measure – which is a strategy designed by Hamas supporters to keep Hamas in power and continue to inflict carnage on the Palestinians and Israelis.

Please protect our community, democracy, and national security from misinformation and terrorist propaganda.

Sincerely,

"This is your democracy. Make it. Protect it. Pass it on."

Honorable Elected Officials,

We are your constituents, Americans across this great nation, and worldwide citizens who ask you to vote NO on the proposed anti-Israel ballot measure which falsely accuses Israel of apartheid, genocide, and illegal occupation and then asks voters to prohibit future city business and city investments with Israeli companies.

UNCONSTITUTIONAL: VIOLATION OF U.S. COMMERCE CLAUSE

The power to regulate foreign commerce lies exclusively with Congress. By trying to pass this ballot question endorsing a foreign-directed commercial boycott of Israel, your city council oversteps its constitutional authority. This would directly conflict with federal law and obstruct lawful commercial relationships with a U.S. ally. This represents a violation of Article I, Section 8 of the Constitution.

VIOLATES FEDERAL LAW

In addition, under the Export Administration Act and related federal statutes, U.S. persons and entities are prohibited from participating in or supporting unsanctioned foreign boycotts, such as this campaign targeting Israel. City Council members are duty bound to federal legal frameworks.

STANDARDS FOR U.S. BALLOT QUESTIONS

As elected officials you know that “informed citizens are democracy’s best defense” [1] and “to abandon facts is to abandon freedom” [2].

Yet, your city council has abandoned the facts and placed several outright lies in a ballot question that not only misleads voters but also opens a door to those who want nothing but to destroy our democracy and our way of life.

Why would you actively allow this to happen?

THE TRUTH ABOUT “PRO-PALESTINIAN” PROTESTERS

We have watched in horror as protestors have overtaken city councils, state government, and American university campuses with misinformation, extremist ideology, and violent conduct that undermine our democratic way of life and our peaceful communities.

The protesters claim to be an anti-war movement to stop the “genocide, apartheid, and occupation” [3] of the

Palestinian people, but nothing can be further from the truth.

Students for Justice in Palestine (SJP) and other groups (AMP, CAIR, JVP, WOL, etc.) are funded by the Hamas terrorist organization [4-9]. As a propaganda arm of Hamas, their sole purpose is to radicalize and misinform government officials and campuses and create a massive disinformation campaign to delegitimize Israel and promote the annihilation of the Jewish State.

Their chant, "From the River to the Sea," clearly states their intention [10]. If you listen carefully, however, their violent intentions do not stop with Israel. They promote antisemitism the world over with the ultimate goal of overturning democratic values as they chant "Death to America" [11-12]. Their philosophy is anchored in the Hamas Charter, which states in its introduction, "Israel will exist until Islam will obliterate it" and "Our struggle against the Jews is very great and very serious" [13]; and the radical Islamist Duaat entitled "How Islam will dominate the world" [14].

Pure logic and history upend the protesters' statements.

Only a day after the heinous October 7 attacks on Israel, these protesters started their false accusations of "genocide" [15]. Here is the truth:

FALSE CLAIMS OF APARTHEID

Hamas' accusations of apartheid are false. Apartheid is defined as a system of legalized racial discrimination and segregation that deprives a racial group of their political and civil rights. In South Africa, for example, the white minority segregated Black Africans in housing, transportation, education, and stripped them of citizenship, and positions in government.

In Israel, all citizens whether Jewish, Arab, Armenian, Baha'i, Christian, Druze, Muslim, etc. have equal rights. They can live, work, and travel wherever they want, and they are provided the same government services (e.g., health insurance, free public school, subsidized university education) equally. They attend the same universities and have the same voting power and opportunities. In fact, they hold positions in all industries (e.g., law, medicine, politics) – including positions as judges and members of the Knesset. Israel is a multi-racial society where the Arab citizens have full rights. Inciting racism or discrimination in Israel is a criminal offense [16].

FALSE CLAIMS OF COLONIALISM AND OCCUPATION

Predating Islam, the Jewish people arrived and established the independent Land of Israel in the second millennium B.C.E. and lived there for more than 1,600 years. In succession, the Babylonians, Persians, Greeks, and Romans conquered the land. Despite the efforts of Roman crusaders and some Muslims to make the country empty of Jews, thousands of Jews have lived for centuries in each of the holy cities of Jerusalem, Safad, Tiberius, and Hebron; and in Gaza, Rafah, Ashkelon, Caesarea, Jaffa, Acre, and Jericho. [17]. Moreover, archaeological evidence proves Jewish indigenousity, with cities populated by a Jewish majority prior to the establishment of the modern state of Israel [18].

It is absurd to claim that the Jews who returned to Israel starting in the last decades of the 19th century were colonialists and imperialists. For whom were these idealists working? They were not planting the flag of the antisemitic regimes of Russia, Poland, and Lithuania; and they were kicked out of Yemen, Iraq, Turkey, and North Africa. In fact, these Jewish refugees had to overcome Turkish, British, and Pan-Arab imperialism to achieve self-determination. They were fleeing pogroms and persecution and wanted nothing to do with the countries from which they fled. They did not come to the land with weapons to conquer, but with rakes and hoes to cultivate often swamp-infested land they legally purchased from absentee landlords. Years later, after the Holocaust, the state of Israel was defined and established by international law (1948). The Israelis were ecstatic to live peacefully among their neighbors within the meager boundaries they were allotted in 1948, when five Arab countries attacked Israel in the War of Independence. This war was one of many that Muslim extremists committed against the Jewish state to deny Israel's right to exist [19].

In 1967 Egypt, Syria, and Jordan started a war with Israel. Hafiz al-Assad ordered his Syrian soldiers to "strike the enemy's [civilian] settlements, turn them into dust, pave the Arab roads with the skulls of the Jews, and strike them

without mercy" [20]. Miraculously, Israel won the war and gained territory in the Sinai, Golan Heights, West Bank, Gaza, and East Jerusalem. In 1982, Israel gave the Sinai to Egypt, which has created peace between the countries [21].
With similar hope, Israel left Gaza in 2005 as one of many gestures of peace with its Arab neighbors that have been met with violence [22]. This is worth repeating. Since 2005, Israel has NOT occupied Gaza. In response, Hamas overtook Gaza, slaughtered Palestinian leaders, created 450 miles of terror tunnels, launched over 30,000 rockets at Israel, and on October 7 perpetrated the most heinous attacks on the Jewish people since the Holocaust including the kidnapping of Israelis, Americans, and Foreign Nationals still missing today [23-24].

## FALSE CLAIMS OF GENOCIDE: HAMAS IS RESPONSIBLE FOR DEATHS OF PALESTINIANS

Both Hamas and the protesters' accusations of the Israel Defense Forces (IDF) are blatantly false. Numerous military leaders, including John Spencer (Former Chair of Urban Warfare Studies, WestPoint), testify that "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" including its use of precision weapons and the sending of leaflets, texts, and calls to Gazans ahead of airstrikes to provide time for them to evacuate targeted areas [25-27]. Sadly, terrorists boast of hiding among their own civilians to increase casualties [28].

Armies that fight defensive wars against terrorists in urban warfare generally have a civilian to casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist eliminated. This was true for U.S. and coalition troops in Mosul (2016-2017) [29]. However, Israel's ratio is less than 1:1, meaning they have reduced civilian casualties more than four to sixtyfold by comparison [30]. While the loss of innocent life is tragic, according to International Humanitarian Law (Article 51) these deaths fall squarely on Hamas [31].

Statistical analysis proves what Israel has been saying along - that the Ministry of Health numbers are false [32].

## HAMAS ADMITS: NO GENOCIDE HERE

As in previous wars that Hamas has started, Hamas leaders have finally admitted that they lied about numbers of civilian casualties [33], and that 72% of casualty numbers are male terrorists [34].

Moreover, Palestinian civilians attest to the fact that Hamas steals food from aid trucks and murders Palestinians trying to reach the aid [35-38].

## HAMAS' GLOBAL SUBTERFUGE

Hamas covers its atrocities against the Palestinian people (e.g., blocking safe passage corridors, hiding and firing weapons among civilians) [39-41] by sponsoring and supporting city, state, and worldwide protests on the Palestinians' behalf with the sole intent of delegitimizing Israel [42-45].

Donning the cloak of victimhood and resistance, Hamas's behavior is barbaric – igniting hatred and discrimination against Israel, worldwide Jewry, and democracy itself.

## SUMMARY

This document proves that the claims aimed at Israel of apartheid, genocide, colonialism, and occupation - are patently FALSE.

After the barbaric attack on October 7th, Hamas is still holding hostages and rebuilding its terror structure.

Allowing protesters like SJP, and groups like it (e.g., AMP, CAIR, JVP, WOL, etc.), to hijack governing bodies only rewards and emboldens Hamas, endangers Israel and worldwide democracies, and prevents the Gazans from taking responsibility to unlearn hate and choose healthy governance so that they become viable peace partners.

The world is at an uncomfortable brink: Barbarism vs. Democracy. Rewarding barbarity and those who support it is a losing proposition.

Bold leadership, not capitulation, is the only strategy to keep communities safe.
We ask you to vote NO on this anti-Israel ballot measure – which is a strategy designed by Hamas supporters to keep Hamas in power and continue to inflict carnage on the Palestinians and Israelis.

Please protect our community, democracy, and national security from misinformation and terrorist propaganda.

Sincerely,
Judy Shulman

Honorable Elected Officials,

We are your constituents, Americans across this great nation, and worldwide citizens who ask you to vote NO on the proposed anti-Israel ballot measure which falsely accuses Israel of apartheid, genocide, and illegal occupation and then asks voters to prohibit future city business and city investments with Israeli companies.

UNCONSTITUTIONAL: VIOLATION OF U.S. COMMERCE CLAUSE

The power to regulate foreign commerce lies exclusively with Congress. By trying to pass this ballot question endorsing a foreign-directed commercial boycott of Israel, your city council oversteps its constitutional authority. This would directly conflict with federal law and obstruct lawful commercial relationships with a U.S. ally. This represents a violation of Article I, Section 8 of the Constitution.

VIOLATES FEDERAL LAW

In addition, under the Export Administration Act and related federal statutes, U.S. persons and entities are prohibited from participating in or supporting unsanctioned foreign boycotts, such as this campaign targeting Israel. City Council members are duty bound to federal legal frameworks.

STANDARDS FOR U.S. BALLOT QUESTIONS

As elected officials you know that “informed citizens are democracy’s best defense” [1] and “to abandon facts is to abandon freedom” [2].

Yet, your city council has abandoned the facts and placed several outright lies in a ballot question that not only misleads voters but also opens a door to those who want nothing but to destroy our democracy and our way of life.

Why would you actively allow this to happen?

THE TRUTH ABOUT “PRO-PALESTINIAN” PROTESTERS

We have watched in horror as protestors have overtaken city councils, state government, and American university campuses with misinformation, extremist ideology, and violent conduct that undermine our democratic way of life and our peaceful communities.

The protesters claim to be an anti-war movement to stop the “genocide, apartheid, and occupation” [3] of the

Palestinian people, but nothing can be further from the truth.

Students for Justice in Palestine (SJP) and other groups (AMP, CAIR, JVP, WOL, etc.) are funded by the Hamas terrorist organization [4-9]. As a propaganda arm of Hamas, their sole purpose is to radicalize and misinform government officials and campuses and create a massive disinformation campaign to delegitimize Israel and promote the annihilation of the Jewish State.

Their chant, "From the River to the Sea," clearly states their intention [10]. If you listen carefully, however, their violent intentions do not stop with Israel. They promote antisemitism the world over with the ultimate goal of overturning democratic values as they chant "Death to America" [11-12]. Their philosophy is anchored in the Hamas Charter, which states in its introduction, "Israel will exist until Islam will obliterate it" and "Our struggle against the Jews is very great and very serious" [13]; and the radical Islamist Duaat entitled "How Islam will dominate the world" [14].

Pure logic and history upend the protesters' statements.

Only a day after the heinous October 7 attacks on Israel, these protesters started their false accusations of "genocide" [15]. Here is the truth:

FALSE CLAIMS OF APARTHEID

Hamas' accusations of apartheid are false. Apartheid is defined as a system of legalized racial discrimination and segregation that deprives a racial group of their political and civil rights. In South Africa, for example, the white minority segregated Black Africans in housing, transportation, education, and stripped them of citizenship, and positions in government.

In Israel, all citizens whether Jewish, Arab, Armenian, Baha'i, Christian, Druze, Muslim, etc. have equal rights. They can live, work, and travel wherever they want, and they are provided the same government services (e.g., health insurance, free public school, subsidized university education) equally. They attend the same universities and have the same voting power and opportunities. In fact, they hold positions in all industries (e.g., law, medicine, politics) – including positions as judges and members of the Knesset. Israel is a multi-racial society where the Arab citizens have full rights. Inciting racism or discrimination in Israel is a criminal offense [16].

FALSE CLAIMS OF COLONIALISM AND OCCUPATION

Predating Islam, the Jewish people arrived and established the independent Land of Israel in the second millennium B.C.E. and lived there for more than 1,600 years. In succession, the Babylonians, Persians, Greeks, and Romans conquered the land. Despite the efforts of Roman crusaders and some Muslims to make the country empty of Jews, thousands of Jews have lived for centuries in each of the holy cities of Jerusalem, Safad, Tiberius, and Hebron; and in Gaza, Rafah, Ashkelon, Caesarea, Jaffa, Acre, and Jericho. [17]. Moreover, archaeological evidence proves Jewish indigenousity, with cities populated by a Jewish majority prior to the establishment of the modern state of Israel [18].

It is absurd to claim that the Jews who returned to Israel starting in the last decades of the 19th century were colonialists and imperialists. For whom were these idealists working? They were not planting the flag of the antisemitic regimes of Russia, Poland, and Lithuania; and they were kicked out of Yemen, Iraq, Turkey, and North Africa. In fact, these Jewish refugees had to overcome Turkish, British, and Pan-Arab imperialism to achieve self-determination. They were fleeing pogroms and persecution and wanted nothing to do with the countries from which they fled. They did not come to the land with weapons to conquer, but with rakes and hoes to cultivate often swamp-infested land they legally purchased from absentee landlords. Years later, after the Holocaust, the state of Israel was defined and established by international law (1948). The Israelis were ecstatic to live peacefully among their neighbors within the meager boundaries they were allotted in 1948, when five Arab countries attacked Israel in the War of Independence. This war was one of many that Muslim extremists committed against the Jewish state to deny Israel's right to exist [19].

In 1967 Egypt, Syria, and Jordan started a war with Israel. Hafiz al-Assad ordered his Syrian soldiers to "strike the enemy's [civilian] settlements, turn them into dust, pave the Arab roads with the skulls of the Jews, and strike them

without mercy" [20]. Miraculously, Israel won the war and gained territory in the Sinai, Golan Heights, West Bank, Gaza, and East Jerusalem. In 1982, Israel gave the Sinai to Egypt, which has created peace between the countries [21].
With similar hope, Israel left Gaza in 2005 as one of many gestures of peace with its Arab neighbors that have been met with violence [22]. This is worth repeating. Since 2005, Israel has NOT occupied Gaza. In response, Hamas overtook Gaza, slaughtered Palestinian leaders, created 450 miles of terror tunnels, launched over 30,000 rockets at Israel, and on October 7 perpetrated the most heinous attacks on the Jewish people since the Holocaust including the kidnapping of Israelis, Americans, and Foreign Nationals still missing today [23-24].

## FALSE CLAIMS OF GENOCIDE: HAMAS IS RESPONSIBLE FOR DEATHS OF PALESTINIANS

Both Hamas and the protesters' accusations of the Israel Defense Forces (IDF) are blatantly false. Numerous military leaders, including John Spencer (Former Chair of Urban Warfare Studies, WestPoint), testify that "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" including its use of precision weapons and the sending of leaflets, texts, and calls to Gazans ahead of airstrikes to provide time for them to evacuate targeted areas [25-27]. Sadly, terrorists boast of hiding among their own civilians to increase casualties [28].

Armies that fight defensive wars against terrorists in urban warfare generally have a civilian to casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist eliminated. This was true for U.S. and coalition troops in Mosul (2016-2017) [29]. However, Israel's ratio is less than 1:1, meaning they have reduced civilian casualties more than four to sixtyfold by comparison [30]. While the loss of innocent life is tragic, according to International Humanitarian Law (Article 51) these deaths fall squarely on Hamas [31].

Statistical analysis proves what Israel has been saying along - that the Ministry of Health numbers are false [32].

## HAMAS ADMITS: NO GENOCIDE HERE

As in previous wars that Hamas has started, Hamas leaders have finally admitted that they lied about numbers of civilian casualties [33], and that 72% of casualty numbers are male terrorists [34].

Moreover, Palestinian civilians attest to the fact that Hamas steals food from aid trucks and murders Palestinians trying to reach the aid [35-38].

## HAMAS' GLOBAL SUBTERFUGE

Hamas covers its atrocities against the Palestinian people (e.g., blocking safe passage corridors, hiding and firing weapons among civilians) [39-41] by sponsoring and supporting city, state, and worldwide protests on the Palestinians' behalf with the sole intent of delegitimizing Israel [42-45].

Donning the cloak of victimhood and resistance, Hamas's behavior is barbaric – igniting hatred and discrimination against Israel, worldwide Jewry, and democracy itself.

## SUMMARY

This document proves that the claims aimed at Israel of apartheid, genocide, colonialism, and occupation - are patently FALSE.

After the barbaric attack on October 7th, Hamas is still holding hostages and rebuilding its terror structure.

Allowing protesters like SJP, and groups like it (e.g., AMP, CAIR, JVP, WOL, etc.), to hijack governing bodies only rewards and emboldens Hamas, endangers Israel and worldwide democracies, and prevents the Gazans from taking responsibility to unlearn hate and choose healthy governance so that they become viable peace partners.

The world is at an uncomfortable brink: Barbarism vs. Democracy. Rewarding barbarity and those who support it is a losing proposition.

Bold leadership, not capitulation, is the only strategy to keep communities safe.
We ask you to vote NO on this anti-Israel ballot measure – which is a strategy designed by Hamas supporters to keep Hamas in power and continue to inflict carnage on the Palestinians and Israelis.

Please protect our community, democracy, and national security from misinformation and terrorist propaganda.

Sincerely,

L. Paskovaty

Honorable Elected Officials,

We are your constituents, Americans across this great nation, and worldwide citizens who ask you to vote NO on the proposed anti-Israel ballot measure which falsely accuses Israel of apartheid, genocide, and illegal occupation and then asks voters to prohibit future city business and city investments with Israeli companies.

UNCONSTITUTIONAL: VIOLATION OF U.S. COMMERCE CLAUSE

The power to regulate foreign commerce lies exclusively with Congress. By trying to pass this ballot question endorsing a foreign-directed commercial boycott of Israel, your city council oversteps its constitutional authority. This would directly conflict with federal law and obstruct lawful commercial relationships with a U.S. ally. This represents a violation of Article I, Section 8 of the Constitution.

VIOLATES FEDERAL LAW

In addition, under the Export Administration Act and related federal statutes, U.S. persons and entities are prohibited from participating in or supporting unsanctioned foreign boycotts, such as this campaign targeting Israel. City Council members are duty bound to federal legal frameworks.

STANDARDS FOR U.S. BALLOT QUESTIONS

As elected officials you know that “informed citizens are democracy’s best defense” [1] and “to abandon facts is to abandon freedom” [2].

Yet, your city council has abandoned the facts and placed several outright lies in a ballot question that not only misleads voters but also opens a door to those who want nothing but to destroy our democracy and our way of life.

Why would you actively allow this to happen?

THE TRUTH ABOUT "PRO-PALESTINIAN" PROTESTERS

We have watched in horror as protestors have overtaken city councils, state government, and American university campuses with misinformation, extremist ideology, and violent conduct that undermine our democratic way of life and our peaceful communities.

The protesters claim to be an anti-war movement to stop the "genocide, apartheid, and occupation" [3] of the Palestinian people, but nothing can be further from the truth.

Students for Justice in Palestine (SJP) and other groups (AMP, CAIR, JVP, WOL, etc.) are funded by the Hamas terrorist organization [4-9]. As a propaganda arm of Hamas, their sole purpose is to radicalize and misinform government officials and campuses and create a massive disinformation campaign to delegitimize Israel and promote the annihilation of the Jewish State.

Their chant, "From the River to the Sea," clearly states their intention [10]. If you listen carefully, however, their violent intentions do not stop with Israel. They promote antisemitism the world over with the ultimate goal of overturning democratic values as they chant "Death to America" [11-12]. Their philosophy is anchored in the Hamas Charter, which states in its introduction, "Israel will exist until Islam will obliterate it" and "Our struggle against the Jews is very great and very serious" [13]; and the radical Islamist Duaat entitled "How Islam will dominate the world" [14].

Pure logic and history upend the protesters' statements.

Only a day after the heinous October 7 attacks on Israel, these protesters started their false accusations of "genocide" [15]. Here is the truth:

FALSE CLAIMS OF APARTHEID

Hamas' accusations of apartheid are false. Apartheid is defined as a system of legalized racial discrimination and segregation that deprives a racial group of their political and civil rights. In South Africa, for example, the white minority segregated Black Africans in housing, transportation, education, and stripped them of citizenship, and positions in government.

In Israel, all citizens whether Jewish, Arab, Armenian, Baha'i, Christian, Druze, Muslim, etc. have equal rights. They can live, work, and travel wherever they want, and they are provided the same government services (e.g., health insurance, free public school, subsidized university education) equally. They attend the same universities and have the same voting power and opportunities. In fact, they hold positions in all industries (e.g., law, medicine, politics) – including positions as judges and members of the Knesset. Israel is a multi-racial society where the Arab citizens have full rights. Inciting racism or discrimination in Israel is a criminal offense [16].

FALSE CLAIMS OF COLONIALISM AND OCCUPATION

Predating Islam, the Jewish people arrived and established the independent Land of Israel in the second millennium B.C.E. and lived there for more than 1,600 years. In succession, the

Babylonians, Persians, Greeks, and Romans conquered the land. Despite the efforts of Roman crusaders and some Muslims to make the country empty of Jews, thousands of Jews have lived for centuries in each of the holy cities of Jerusalem, Safad, Tiberius, and Hebron; and in Gaza, Rafah, Ashkelon, Caesarea, Jaffa, Acre, and Jericho. [17]. Moreover, archaeological evidence proves Jewish indigenousity, with cities populated by a Jewish majority prior to the establishment of the modern state of Israel [18].

It is absurd to claim that the Jews who returned to Israel starting in the last decades of the 19th century were colonialists and imperialists. For whom were these idealists working? They were not planting the flag of the antisemitic regimes of Russia, Poland, and Lithuania; and they were kicked out of Yemen, Iraq, Turkey, and North Africa. In fact, these Jewish refugees had to overcome Turkish, British, and Pan-Arab imperialism to achieve self-determination. They were fleeing pogroms and persecution and wanted nothing to do with the countries from which they fled. They did not come to the land with weapons to conquer, but with rakes and hoes to cultivate often swamp-infested land they legally purchased from absentee landlords. Years later, after the Holocaust, the state of Israel was defined and established by international law (1948). The Israelis were ecstatic to live peacefully among their neighbors within the meager boundaries they were allotted in 1948, when five Arab countries attacked Israel in the War of Independence. This war was one of many that Muslim extremists committed against the Jewish state to deny Israel's right to exist [19].

In 1967 Egypt, Syria, and Jordan started a war with Israel. Hafiz al-Assad ordered his Syrian soldiers to "strike the enemy's [civilian] settlements, turn them into dust, pave the Arab roads with the skulls of the Jews, and strike them without mercy" [20]. Miraculously, Israel won the war and gained territory in the Sinai, Golan Heights, West Bank, Gaza, and East Jerusalem. In 1982, Israel gave the Sinai to Egypt, which has created peace between the countries [21]. With similar hope, Israel left Gaza in 2005 as one of many gestures of peace with its Arab neighbors that have been met with violence [22]. This is worth repeating. Since 2005, Israel has NOT occupied Gaza. In response, Hamas overtook Gaza, slaughtered Palestinian leaders, created 450 miles of terror tunnels, launched over 30,000 rockets at Israel, and on October 7 perpetrated the most heinous attacks on the Jewish people since the Holocaust including the kidnapping of Israelis, Americans, and Foreign Nationals still missing today [23-24].

## FALSE CLAIMS OF GENOCIDE: HAMAS IS RESPONSIBLE FOR DEATHS OF PALESTINIANS

Both Hamas and the protesters' accusations of the Israel Defense Forces (IDF) are blatantly false. Numerous military leaders, including John Spencer (Former Chair of Urban Warfare Studies, WestPoint), testify that "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" including its use of precision weapons and the sending of leaflets, texts, and calls to Gazans ahead of airstrikes to provide time for them to evacuate targeted areas [25-27]. Sadly, terrorists boast of hiding among their own civilians to increase casualties [28].

Armies that fight defensive wars against terrorists in urban warfare generally have a civilian to casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist eliminated. This was true for U.S. and coalition troops in Mosul (2016-2017) [29]. However, Israel's ratio is less than 1:1, meaning they have reduced civilian casualties more than four to sixtyfold by comparison [30]. While the loss of innocent life is tragic, according to International Humanitarian Law (Article 51) these deaths fall squarely on Hamas [31].

Statistical analysis proves what Israel has been saying along - that the Ministry of Health numbers are false [32].

HAMAS ADMITS: NO GENOCIDE HERE

As in previous wars that Hamas has started, Hamas leaders have finally admitted that they lied about numbers of civilian casualties [33], and that 72% of casualty numbers are male terrorists [34].

Moreover, Palestinian civilians attest to the fact that Hamas steals food from aid trucks and murders Palestinians trying to reach the aid [35-38].

HAMAS' GLOBAL SUBTERFUGE

Hamas covers its atrocities against the Palestinian people (e.g., blocking safe passage corridors, hiding and firing weapons among civilians) [39-41] by sponsoring and supporting city, state, and worldwide protests on the Palestinians' behalf with the sole intent of delegitimizing Israel [42-45].

Donning the cloak of victimhood and resistance, Hamas's behavior is barbaric – igniting hatred and discrimination against Israel, worldwide Jewry, and democracy itself.

SUMMARY

This document proves that the claims aimed at Israel of apartheid, genocide, colonialism, and occupation - are patently FALSE.

After the barbaric attack on October 7th, Hamas is still holding hostages and rebuilding its terror structure.

Allowing protesters like SJP, and groups like it (e.g., AMP, CAIR, JVP, WOL, etc.), to hijack governing bodies only rewards and emboldens Hamas, endangers Israel and worldwide democracies, and prevents the Gazans from taking responsibility to unlearn hate and choose healthy governance so that they become viable peace partners.

The world is at an uncomfortable brink: Barbarism vs. Democracy. Rewarding barbarity and those who support it is a losing proposition.

Bold leadership, not capitulation, is the only strategy to keep communities safe.
We ask you to vote NO on this anti-Israel ballot measure – which is a strategy designed by Hamas supporters to keep Hamas in power and continue to inflict carnage on the Palestinians and Israelis.

Please protect our community, democracy, and national security from misinformation and terrorist propaganda.

Sincerely,

Marina Gutwein

Honorable Elected Officials,

We are your constituents, Americans across this great nation, and worldwide citizens who ask you to vote NO on the proposed anti-Israel ballot measure which falsely accuses Israel of apartheid, genocide, and illegal occupation and then asks voters to prohibit future city business and city investments with Israeli companies.

UNCONSTITUTIONAL: VIOLATION OF U.S. COMMERCE CLAUSE

The power to regulate foreign commerce lies exclusively with Congress. By trying to pass this ballot question endorsing a foreign-directed commercial boycott of Israel, your city council oversteps its constitutional authority. This would directly conflict with federal law and obstruct lawful commercial relationships with a U.S. ally. This represents a violation of Article I, Section 8 of the Constitution.

VIOLATES FEDERAL LAW

In addition, under the Export Administration Act and related federal statutes, U.S. persons and entities are prohibited from participating in or supporting unsanctioned foreign boycotts, such as this campaign targeting Israel. City Council members are duty bound to federal legal frameworks.

STANDARDS FOR U.S. BALLOT QUESTIONS

As elected officials you know that “informed citizens are democracy’s best defense” [1] and “to abandon facts is to abandon freedom” [2].

Yet, your city council has abandoned the facts and placed several outright lies in a ballot question that not only misleads voters but also opens a door to those who want nothing but to destroy our democracy and our way of life.

Why would you actively allow this to happen?

THE TRUTH ABOUT “PRO-PALESTINIAN” PROTESTERS

We have watched in horror as protestors have overtaken city councils, state government, and American university campuses with misinformation, extremist ideology, and violent conduct that undermine our democratic way of life and our peaceful communities.

The protesters claim to be an anti-war movement to stop the “genocide, apartheid, and occupation” [3] of the

Palestinian people, but nothing can be further from the truth.

Students for Justice in Palestine (SJP) and other groups (AMP, CAIR, JVP, WOL, etc.) are funded by the Hamas terrorist organization [4-9]. As a propaganda arm of Hamas, their sole purpose is to radicalize and misinform government officials and campuses and create a massive disinformation campaign to delegitimize Israel and promote the annihilation of the Jewish State.

Their chant, "From the River to the Sea," clearly states their intention [10]. If you listen carefully, however, their violent intentions do not stop with Israel. They promote antisemitism the world over with the ultimate goal of overturning democratic values as they chant "Death to America" [11-12]. Their philosophy is anchored in the Hamas Charter, which states in its introduction, "Israel will exist until Islam will obliterate it" and "Our struggle against the Jews is very great and very serious" [13]; and the radical Islamist Duaat entitled "How Islam will dominate the world" [14].

Pure logic and history upend the protesters' statements.

Only a day after the heinous October 7 attacks on Israel, these protesters started their false accusations of "genocide" [15]. Here is the truth:

FALSE CLAIMS OF APARTHEID

Hamas' accusations of apartheid are false. Apartheid is defined as a system of legalized racial discrimination and segregation that deprives a racial group of their political and civil rights. In South Africa, for example, the white minority segregated Black Africans in housing, transportation, education, and stripped them of citizenship, and positions in government.

In Israel, all citizens whether Jewish, Arab, Armenian, Baha'i, Christian, Druze, Muslim, etc. have equal rights. They can live, work, and travel wherever they want, and they are provided the same government services (e.g., health insurance, free public school, subsidized university education) equally. They attend the same universities and have the same voting power and opportunities. In fact, they hold positions in all industries (e.g., law, medicine, politics) – including positions as judges and members of the Knesset. Israel is a multi-racial society where the Arab citizens have full rights. Inciting racism or discrimination in Israel is a criminal offense [16].

FALSE CLAIMS OF COLONIALISM AND OCCUPATION

Predating Islam, the Jewish people arrived and established the independent Land of Israel in the second millennium B.C.E. and lived there for more than 1,600 years. In succession, the Babylonians, Persians, Greeks, and Romans conquered the land. Despite the efforts of Roman crusaders and some Muslims to make the country empty of Jews, thousands of Jews have lived for centuries in each of the holy cities of Jerusalem, Safad, Tiberius, and Hebron; and in Gaza, Rafah, Ashkelon, Caesarea, Jaffa, Acre, and Jericho. [17]. Moreover, archaeological evidence proves Jewish indigenousity, with cities populated by a Jewish majority prior to the establishment of the modern state of Israel [18].

It is absurd to claim that the Jews who returned to Israel starting in the last decades of the 19th century were colonialists and imperialists. For whom were these idealists working? They were not planting the flag of the antisemitic regimes of Russia, Poland, and Lithuania; and they were kicked out of Yemen, Iraq, Turkey, and North Africa. In fact, these Jewish refugees had to overcome Turkish, British, and Pan-Arab imperialism to achieve self-determination. They were fleeing pogroms and persecution and wanted nothing to do with the countries from which they fled. They did not come to the land with weapons to conquer, but with rakes and hoes to cultivate often swamp-infested land they legally purchased from absentee landlords. Years later, after the Holocaust, the state of Israel was defined and established by international law (1948). The Israelis were ecstatic to live peacefully among their neighbors within the meager boundaries they were allotted in 1948, when five Arab countries attacked Israel in the War of Independence. This war was one of many that Muslim extremists committed against the Jewish state to deny Israel's right to exist [19].

In 1967 Egypt, Syria, and Jordan started a war with Israel. Hafiz al-Assad ordered his Syrian soldiers to "strike the enemy's [civilian] settlements, turn them into dust, pave the Arab roads with the skulls of the Jews, and strike them

without mercy" [20]. Miraculously, Israel won the war and gained territory in the Sinai, Golan Heights, West Bank, Gaza, and East Jerusalem. In 1982, Israel gave the Sinai to Egypt, which has created peace between the countries [21].
With similar hope, Israel left Gaza in 2005 as one of many gestures of peace with its Arab neighbors that have been met with violence [22]. This is worth repeating. Since 2005, Israel has NOT occupied Gaza. In response, Hamas overtook Gaza, slaughtered Palestinian leaders, created 450 miles of terror tunnels, launched over 30,000 rockets at Israel, and on October 7 perpetrated the most heinous attacks on the Jewish people since the Holocaust including the kidnapping of Israelis, Americans, and Foreign Nationals still missing today [23-24].

## FALSE CLAIMS OF GENOCIDE: HAMAS IS RESPONSIBLE FOR DEATHS OF PALESTINIANS

Both Hamas and the protesters' accusations of the Israel Defense Forces (IDF) are blatantly false. Numerous military leaders, including John Spencer (Former Chair of Urban Warfare Studies, WestPoint), testify that "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" including its use of precision weapons and the sending of leaflets, texts, and calls to Gazans ahead of airstrikes to provide time for them to evacuate targeted areas [25-27]. Sadly, terrorists boast of hiding among their own civilians to increase casualties [28].

Armies that fight defensive wars against terrorists in urban warfare generally have a civilian to casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist eliminated. This was true for U.S. and coalition troops in Mosul (2016-2017) [29]. However, Israel's ratio is less than 1:1, meaning they have reduced civilian casualties more than four to sixtyfold by comparison [30]. While the loss of innocent life is tragic, according to International Humanitarian Law (Article 51) these deaths fall squarely on Hamas [31].

Statistical analysis proves what Israel has been saying along - that the Ministry of Health numbers are false [32].

## HAMAS ADMITS: NO GENOCIDE HERE

As in previous wars that Hamas has started, Hamas leaders have finally admitted that they lied about numbers of civilian casualties [33], and that 72% of casualty numbers are male terrorists [34].

Moreover, Palestinian civilians attest to the fact that Hamas steals food from aid trucks and murders Palestinians trying to reach the aid [35-38].

## HAMAS' GLOBAL SUBTERFUGE

Hamas covers its atrocities against the Palestinian people (e.g., blocking safe passage corridors, hiding and firing weapons among civilians) [39-41] by sponsoring and supporting city, state, and worldwide protests on the Palestinians' behalf with the sole intent of delegitimizing Israel [42-45].

Donning the cloak of victimhood and resistance, Hamas's behavior is barbaric – igniting hatred and discrimination against Israel, worldwide Jewry, and democracy itself.

## SUMMARY

This document proves that the claims aimed at Israel of apartheid, genocide, colonialism, and occupation - are patently FALSE.

After the barbaric attack on October 7th, Hamas is still holding hostages and rebuilding its terror structure.

Allowing protesters like SJP, and groups like it (e.g., AMP, CAIR, JVP, WOL, etc.), to hijack governing bodies only rewards and emboldens Hamas, endangers Israel and worldwide democracies, and prevents the Gazans from taking responsibility to unlearn hate and choose healthy governance so that they become viable peace partners.

The world is at an uncomfortable brink: Barbarism vs. Democracy. Rewarding barbarity and those who support it is a losing proposition.

Bold leadership, not capitulation, is the only strategy to keep communities safe.
We ask you to vote NO on this anti-Israel ballot measure – which is a strategy designed by Hamas supporters to keep Hamas in power and continue to inflict carnage on the Palestinians and Israelis.

Please protect our community, democracy, and national security from misinformation and terrorist propaganda.

Sincerely,
Rena

State Senate/Legislator of Massachusetts
U.S. Representative of District 7
U.S. Senator

Honorable Elected Officials,

We are your constituents, Americans across this great nation, and worldwide citizens who ask you to vote NO on the proposed anti-Israel ballot measure which falsely accuses Israel of apartheid, genocide, and illegal occupation and then asks voters to prohibit future city business and city investments with Israeli companies.

UNCONSTITUTIONAL: VIOLATION OF U.S. COMMERCE CLAUSE

The power to regulate foreign commerce lies exclusively with Congress. By trying to pass this ballot question endorsing a foreign-directed commercial boycott of Israel, your city council oversteps its constitutional authority. This would directly conflict with federal law and obstruct lawful commercial relationships with a U.S. ally. This represents a violation of Article I, Section 8 of the Constitution.

VIOLATES FEDERAL LAW

In addition, under the Export Administration Act and related federal statutes, U.S. persons and entities are prohibited from participating in or supporting unsanctioned foreign boycotts, such as this campaign targeting Israel. City Council members are duty bound to federal legal frameworks.

STANDARDS FOR U.S. BALLOT QUESTIONS

As elected officials you know that “informed citizens are democracy’s best defense” [1] and “to abandon facts is to abandon freedom” [2].

Yet, your city council has abandoned the facts and placed several outright lies in a ballot question that not only misleads voters but also opens a door to those who want nothing but to destroy our democracy and our way of life.

Why would you actively allow this to happen?

THE TRUTH ABOUT “PRO-PALESTINIAN” PROTESTERS

We have watched in horror as protestors have overtaken city councils, state government, and American university campuses with misinformation, extremist ideology, and violent conduct that undermine our democratic way of life and our peaceful communities.

The protesters claim to be an anti-war movement to stop the “genocide, apartheid, and occupation” [3] of the

Palestinian people, but nothing can be further from the truth.

Students for Justice in Palestine (SJP) and other groups (AMP, CAIR, JVP, WOL, etc.) are funded by the Hamas terrorist organization [4-9]. As a propaganda arm of Hamas, their sole purpose is to radicalize and misinform government officials and campuses and create a massive disinformation campaign to delegitimize Israel and promote the annihilation of the Jewish State.

Their chant, "From the River to the Sea," clearly states their intention [10]. If you listen carefully, however, their violent intentions do not stop with Israel. They promote antisemitism the world over with the ultimate goal of overturning democratic values as they chant "Death to America" [11-12]. Their philosophy is anchored in the Hamas Charter, which states in its introduction, "Israel will exist until Islam will obliterate it" and "Our struggle against the Jews is very great and very serious" [13]; and the radical Islamist Duaat entitled "How Islam will dominate the world" [14].

Pure logic and history upend the protesters' statements.

Only a day after the heinous October 7 attacks on Israel, these protesters started their false accusations of "genocide" [15]. Here is the truth:

FALSE CLAIMS OF APARTHEID

Hamas' accusations of apartheid are false. Apartheid is defined as a system of legalized racial discrimination and segregation that deprives a racial group of their political and civil rights. In South Africa, for example, the white minority segregated Black Africans in housing, transportation, education, and stripped them of citizenship, and positions in government.

In Israel, all citizens whether Jewish, Arab, Armenian, Baha'i, Christian, Druze, Muslim, etc. have equal rights. They can live, work, and travel wherever they want, and they are provided the same government services (e.g., health insurance, free public school, subsidized university education) equally. They attend the same universities and have the same voting power and opportunities. In fact, they hold positions in all industries (e.g., law, medicine, politics) – including positions as judges and members of the Knesset. Israel is a multi-racial society where the Arab citizens have full rights. Inciting racism or discrimination in Israel is a criminal offense [16].

FALSE CLAIMS OF COLONIALISM AND OCCUPATION

Predating Islam, the Jewish people arrived and established the independent Land of Israel in the second millennium B.C.E. and lived there for more than 1,600 years. In succession, the Babylonians, Persians, Greeks, and Romans conquered the land. Despite the efforts of Roman crusaders and some Muslims to make the country empty of Jews, thousands of Jews have lived for centuries in each of the holy cities of Jerusalem, Safad, Tiberius, and Hebron; and in Gaza, Rafah, Ashkelon, Caesarea, Jaffa, Acre, and Jericho. [17]. Moreover, archaeological evidence proves Jewish indigenousity, with cities populated by a Jewish majority prior to the establishment of the modern state of Israel [18].

It is absurd to claim that the Jews who returned to Israel starting in the last decades of the 19th century were colonialists and imperialists. For whom were these idealists working? They were not planting the flag of the antisemitic regimes of Russia, Poland, and Lithuania; and they were kicked out of Yemen, Iraq, Turkey, and North Africa. In fact, these Jewish refugees had to overcome Turkish, British, and Pan-Arab imperialism to achieve self-determination. They were fleeing pogroms and persecution and wanted nothing to do with the countries from which they fled. They did not come to the land with weapons to conquer, but with rakes and hoes to cultivate often swamp-infested land they legally purchased from absentee landlords. Years later, after the Holocaust, the state of Israel was defined and established by international law (1948). The Israelis were ecstatic to live peacefully among their neighbors within the meager boundaries they were allotted in 1948, when five Arab countries attacked Israel in the War of Independence. This war was one of many that Muslim extremists committed against the Jewish state to deny Israel's right to exist [19].

In 1967 Egypt, Syria, and Jordan started a war with Israel. Hafiz al-Assad ordered his Syrian soldiers to "strike the enemy's [civilian] settlements, turn them into dust, pave the Arab roads with the skulls of the Jews, and strike them

without mercy" [20]. Miraculously, Israel won the war and gained territory in the Sinai, Golan Heights, West Bank, Gaza, and East Jerusalem. In 1982, Israel gave the Sinai to Egypt, which has created peace between the countries [21].
With similar hope, Israel left Gaza in 2005 as one of many gestures of peace with its Arab neighbors that have been met with violence [22]. This is worth repeating. Since 2005, Israel has NOT occupied Gaza. In response, Hamas overtook Gaza, slaughtered Palestinian leaders, created 450 miles of terror tunnels, launched over 30,000 rockets at Israel, and on October 7 perpetrated the most heinous attacks on the Jewish people since the Holocaust including the kidnapping of Israelis, Americans, and Foreign Nationals still missing today [23-24].

## FALSE CLAIMS OF GENOCIDE: HAMAS IS RESPONSIBLE FOR DEATHS OF PALESTINIANS

Both Hamas and the protesters' accusations of the Israel Defense Forces (IDF) are blatantly false. Numerous military leaders, including John Spencer (Former Chair of Urban Warfare Studies, WestPoint), testify that "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" including its use of precision weapons and the sending of leaflets, texts, and calls to Gazans ahead of airstrikes to provide time for them to evacuate targeted areas [25-27]. Sadly, terrorists boast of hiding among their own civilians to increase casualties [28].

Armies that fight defensive wars against terrorists in urban warfare generally have a civilian to casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist eliminated. This was true for U.S. and coalition troops in Mosul (2016-2017) [29]. However, Israel's ratio is less than 1:1, meaning they have reduced civilian casualties more than four to sixtyfold by comparison [30]. While the loss of innocent life is tragic, according to International Humanitarian Law (Article 51) these deaths fall squarely on Hamas [31].

Statistical analysis proves what Israel has been saying along - that the Ministry of Health numbers are false [32].

## HAMAS ADMITS: NO GENOCIDE HERE

As in previous wars that Hamas has started, Hamas leaders have finally admitted that they lied about numbers of civilian casualties [33], and that 72% of casualty numbers are male terrorists [34].

Moreover, Palestinian civilians attest to the fact that Hamas steals food from aid trucks and murders Palestinians trying to reach the aid [35-38].

## HAMAS' GLOBAL SUBTERFUGE

Hamas covers its atrocities against the Palestinian people (e.g., blocking safe passage corridors, hiding and firing weapons among civilians) [39-41] by sponsoring and supporting city, state, and worldwide protests on the Palestinians' behalf with the sole intent of delegitimizing Israel [42-45].

Donning the cloak of victimhood and resistance, Hamas's behavior is barbaric – igniting hatred and discrimination against Israel, worldwide Jewry, and democracy itself.

## SUMMARY

This document proves that the claims aimed at Israel of apartheid, genocide, colonialism, and occupation - are patently FALSE.

After the barbaric attack on October 7th, Hamas is still holding hostages and rebuilding its terror structure.

Allowing protesters like SJP, and groups like it (e.g., AMP, CAIR, JVP, WOL, etc.), to hijack governing bodies only rewards and emboldens Hamas, endangers Israel and worldwide democracies, and prevents the Gazans from taking responsibility to unlearn hate and choose healthy governance so that they become viable peace partners.

The world is at an uncomfortable brink: Barbarism vs. Democracy. Rewarding barbarity and those who support it is a losing proposition.

Bold leadership, not capitulation, is the only strategy to keep communities safe.
We ask you to vote NO on this anti-Israel ballot measure – which is a strategy designed by Hamas supporters to keep Hamas in power and continue to inflict carnage on the Palestinians and Israelis.

Please protect our community, democracy, and national security from misinformation and terrorist propaganda.

Sincerely,

B. Dahan

STANDARDS FOR U.S. BALLOT QUESTIONS

As elected officials you know that “informed citizens are democracy’s best defense” [1] and “to abandon facts is to abandon freedom” [2].

Yet, your city council has abandoned the facts and placed several outright lies in a ballot question that not only misleads voters but also opens a door to those who want nothing but to destroy our democracy and our way of life.

Why would you actively allow this to happen?

THE TRUTH ABOUT “PRO-PALESTINIAN” PROTESTERS

We have watched in horror as protestors have overtaken city councils, state government, and American university campuses with misinformation, extremist ideology, and violent conduct that undermine our democratic way of life and our peaceful communities.

The protesters claim to be an anti-war movement to stop the “genocide, apartheid, and occupation” [3] of the

Palestinian people, but nothing can be further from the truth.

Students for Justice in Palestine (SJP) and other groups (AMP, CAIR, JVP, WOL, etc.) are funded by the Hamas terrorist organization [4-9]. As a propaganda arm of Hamas, their sole purpose is to radicalize and misinform government officials and campuses and create a massive disinformation campaign to delegitimize Israel and promote the annihilation of the Jewish State.

Their chant, "From the River to the Sea," clearly states their intention [10]. If you listen carefully, however, their violent intentions do not stop with Israel. They promote antisemitism the world over with the ultimate goal of overturning democratic values as they chant "Death to America" [11-12]. Their philosophy is anchored in the Hamas Charter, which states in its introduction, "Israel will exist until Islam will obliterate it" and "Our struggle against the Jews is very great and very serious" [13]; and the radical Islamist Duaat entitled "How Islam will dominate the world" [14].

Pure logic and history upend the protesters' statements.

Only a day after the heinous October 7 attacks on Israel, these protesters started their false accusations of "genocide" [15]. Here is the truth:

FALSE CLAIMS OF APARTHEID

Hamas' accusations of apartheid are false. Apartheid is defined as a system of legalized racial discrimination and segregation that deprives a racial group of their political and civil rights. In South Africa, for example, the white minority segregated Black Africans in housing, transportation, education, and stripped them of citizenship, and positions in government.

In Israel, all citizens whether Jewish, Arab, Armenian, Baha'i, Christian, Druze, Muslim, etc. have equal rights. They can live, work, and travel wherever they want, and they are provided the same government services (e.g., health insurance, free public school, subsidized university education) equally. They attend the same universities and have the same voting power and opportunities. In fact, they hold positions in all industries (e.g., law, medicine, politics) – including positions as judges and members of the Knesset. Israel is a multi-racial society where the Arab citizens have full rights. Inciting racism or discrimination in Israel is a criminal offense [16].

FALSE CLAIMS OF COLONIALISM AND OCCUPATION

Predating Islam, the Jewish people arrived and established the independent Land of Israel in the second millennium B.C.E. and lived there for more than 1,600 years. In succession, the Babylonians, Persians, Greeks, and Romans conquered the land. Despite the efforts of Roman crusaders and some Muslims to make the country empty of Jews, thousands of Jews have lived for centuries in each of the holy cities of Jerusalem, Safad, Tiberius, and Hebron; and in Gaza, Rafah, Ashkelon, Caesarea, Jaffa, Acre, and Jericho. [17]. Moreover, archaeological evidence proves Jewish indigenousity, with cities populated by a Jewish majority prior to the establishment of the modern state of Israel [18].

It is absurd to claim that the Jews who returned to Israel starting in the last decades of the 19th century were colonialists and imperialists. For whom were these idealists working? They were not planting the flag of the antisemitic regimes of Russia, Poland, and Lithuania; and they were kicked out of Yemen, Iraq, Turkey, and North Africa. In fact, these Jewish refugees had to overcome Turkish, British, and Pan-Arab imperialism to achieve self-determination. They were fleeing pogroms and persecution and wanted nothing to do with the countries from which they fled. They did not come to the land with weapons to conquer, but with rakes and hoes to cultivate often swamp-infested land they legally purchased from absentee landlords. Years later, after the Holocaust, the state of Israel was defined and established by international law (1948). The Israelis were ecstatic to live peacefully among their neighbors within the meager boundaries they were allotted in 1948, when five Arab countries attacked Israel in the War of Independence. This war was one of many that Muslim extremists committed against the Jewish state to deny Israel's right to exist [19].

In 1967 Egypt, Syria, and Jordan started a war with Israel. Hafiz al-Assad ordered his Syrian soldiers to "strike the enemy's [civilian] settlements, turn them into dust, pave the Arab roads with the skulls of the Jews, and strike them

without mercy" [20]. Miraculously, Israel won the war and gained territory in the Sinai, Golan Heights, West Bank, Gaza, and East Jerusalem. In 1982, Israel gave the Sinai to Egypt, which has created peace between the countries [21].
With similar hope, Israel left Gaza in 2005 as one of many gestures of peace with its Arab neighbors that have been met with violence [22]. This is worth repeating. Since 2005, Israel has NOT occupied Gaza. In response, Hamas overtook Gaza, slaughtered Palestinian leaders, created 450 miles of terror tunnels, launched over 30,000 rockets at Israel, and on October 7 perpetrated the most heinous attacks on the Jewish people since the Holocaust including the kidnapping of Israelis, Americans, and Foreign Nationals still missing today [23-24].

## FALSE CLAIMS OF GENOCIDE: HAMAS IS RESPONSIBLE FOR DEATHS OF PALESTINIANS

Both Hamas and the protesters' accusations of the Israel Defense Forces (IDF) are blatantly false. Numerous military leaders, including John Spencer (Former Chair of Urban Warfare Studies, WestPoint), testify that "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" including its use of precision weapons and the sending of leaflets, texts, and calls to Gazans ahead of airstrikes to provide time for them to evacuate targeted areas [25-27]. Sadly, terrorists boast of hiding among their own civilians to increase casualties [28].

Armies that fight defensive wars against terrorists in urban warfare generally have a civilian to casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist eliminated. This was true for U.S. and coalition troops in Mosul (2016-2017) [29]. However, Israel's ratio is less than 1:1, meaning they have reduced civilian casualties more than four to sixtyfold by comparison [30]. While the loss of innocent life is tragic, according to International Humanitarian Law (Article 51) these deaths fall squarely on Hamas [31].

Statistical analysis proves what Israel has been saying along - that the Ministry of Health numbers are false [32].

## HAMAS ADMITS: NO GENOCIDE HERE

As in previous wars that Hamas has started, Hamas leaders have finally admitted that they lied about numbers of civilian casualties [33], and that 72% of casualty numbers are male terrorists [34].

Moreover, Palestinian civilians attest to the fact that Hamas steals food from aid trucks and murders Palestinians trying to reach the aid [35-38].

## HAMAS' GLOBAL SUBTERFUGE

Hamas covers its atrocities against the Palestinian people (e.g., blocking safe passage corridors, hiding and firing weapons among civilians) [39-41] by sponsoring and supporting city, state, and worldwide protests on the Palestinians' behalf with the sole intent of delegitimizing Israel [42-45].

Donning the cloak of victimhood and resistance, Hamas's behavior is barbaric – igniting hatred and discrimination against Israel, worldwide Jewry, and democracy itself.

## SUMMARY

This document proves that the claims aimed at Israel of apartheid, genocide, colonialism, and occupation - are patently FALSE.

After the barbaric attack on October 7th, Hamas is still holding hostages and rebuilding its terror structure.

Allowing protesters like SJP, and groups like it (e.g., AMP, CAIR, JVP, WOL, etc.), to hijack governing bodies only rewards and emboldens Hamas, endangers Israel and worldwide democracies, and prevents the Gazans from taking responsibility to unlearn hate and choose healthy governance so that they become viable peace partners.

The world is at an uncomfortable brink: Barbarism vs. Democracy. Rewarding barbarity and those who support it is a losing proposition.

Bold leadership, not capitulation, is the only strategy to keep communities safe.
We ask you to vote NO on this anti-Israel ballot measure – which is a strategy designed by Hamas supporters to keep Hamas in power and continue to inflict carnage on the Palestinians and Israelis.

Please protect our community, democracy, and national security from misinformation and terrorist propaganda.

Sincerely,
Edward H. Mazer

Honorable Elected Officials,

We are your constituents, Americans across this great nation, and worldwide citizens who ask you to vote NO on the proposed anti-Israel ballot measure which falsely accuses Israel of apartheid, genocide, and illegal occupation and then asks voters to prohibit future city business and city investments with Israeli companies.

UNCONSTITUTIONAL: VIOLATION OF U.S. COMMERCE CLAUSE

The power to regulate foreign commerce lies exclusively with Congress. By trying to pass this ballot question endorsing a foreign-directed commercial boycott of Israel, your city council oversteps its constitutional authority. This would directly conflict with federal law and obstruct lawful commercial relationships with a U.S. ally. This represents a violation of Article I, Section 8 of the Constitution.

VIOLATES FEDERAL LAW

In addition, under the Export Administration Act and related federal statutes, U.S. persons and entities are prohibited from participating in or supporting unsanctioned foreign boycotts, such as this campaign targeting Israel. City Council members are duty bound to federal legal frameworks.

STANDARDS FOR U.S. BALLOT QUESTIONS

As elected officials you know that “informed citizens are democracy’s best defense” [1] and “to abandon facts is to abandon freedom” [2].

Yet, your city council has abandoned the facts and placed several outright lies in a ballot question that not only misleads voters but also opens a door to those who want nothing but to destroy our democracy and our way of life.

Students for Justice in Palestine (SJP) and other groups (AMP, CAIR, JVP, WOL, etc.) are funded by the Hamas terrorist organization [4-9]. As a propaganda arm of Hamas, their sole purpose is to radicalize and misinform government officials and campuses and create a massive disinformation campaign to delegitimize Israel and promote the annihilation of the Jewish State.

Their chant, "From the River to the Sea," clearly states their intention [10]. If you listen carefully, however, their violent intentions do not stop with Israel. They promote antisemitism the world over with the ultimate goal of overturning democratic values as they chant "Death to America" [11-12]. Their philosophy is anchored in the Hamas Charter, which states in its introduction, "Israel will exist until Islam will obliterate it" and "Our struggle against the Jews is very great and very serious" [13]; and the radical Islamist Duaat entitled "How Islam will dominate the world" [14].

Pure logic and history upend the protesters' statements.

Only a day after the heinous October 7 attacks on Israel, these protesters started their false accusations of "genocide" [15]. Here is the truth:

FALSE CLAIMS OF APARTHEID

Hamas' accusations of apartheid are false. Apartheid is defined as a system of legalized racial discrimination and segregation that deprives a racial group of their political and civil rights. In South Africa, for example, the white minority segregated Black Africans in housing, transportation, education, and stripped them of citizenship, and positions in government.

In Israel, all citizens whether Jewish, Arab, Armenian, Baha'i, Christian, Druze, Muslim, etc. have equal rights. They can live, work, and travel wherever they want, and they are provided the same government services (e.g., health insurance, free public school, subsidized university education) equally. They attend the same universities and have the same voting power and opportunities. In fact, they hold positions in all industries (e.g., law, medicine, politics) – including positions as judges and members of the Knesset. Israel is a multi-racial society where the Arab citizens have full rights. Inciting racism or discrimination in Israel is a criminal offense [16].

FALSE CLAIMS OF COLONIALISM AND OCCUPATION

Predating Islam, the Jewish people arrived and established the independent Land of Israel in the second millennium B.C.E. and lived there for more than 1,600 years. In succession, the

Babylonians, Persians, Greeks, and Romans conquered the land. Despite the efforts of Roman crusaders and some Muslims to make the country empty of Jews, thousands of Jews have lived for centuries in each of the holy cities of Jerusalem, Safad, Tiberius, and Hebron; and in Gaza, Rafah, Ashkelon, Caesarea, Jaffa, Acre, and Jericho. [17]. Moreover, archaeological evidence proves Jewish indigenousity, with cities populated by a Jewish majority prior to the establishment of the modern state of Israel [18].

It is absurd to claim that the Jews who returned to Israel starting in the last decades of the 19th century were colonialists and imperialists. For whom were these idealists working? They were not planting the flag of the antisemitic regimes of Russia, Poland, and Lithuania; and they were kicked out of Yemen, Iraq, Turkey, and North Africa. In fact, these Jewish refugees had to overcome Turkish, British, and Pan-Arab imperialism to achieve self-determination. They were fleeing pogroms and persecution and wanted nothing to do with the countries from which they fled. They did not come to the land with weapons to conquer, but with rakes and hoes to cultivate often swamp-infested land they legally purchased from absentee landlords. Years later, after the Holocaust, the state of Israel was defined and established by international law (1948). The Israelis were ecstatic to live peacefully among their neighbors within the meager boundaries they were allotted in 1948, when five Arab countries attacked Israel in the War of Independence. This war was one of many that Muslim extremists committed against the Jewish state to deny Israel's right to exist [19].

In 1967 Egypt, Syria, and Jordan started a war with Israel. Hafiz al-Assad ordered his Syrian soldiers to "strike the enemy's [civilian] settlements, turn them into dust, pave the Arab roads with the skulls of the Jews, and strike them without mercy" [20]. Miraculously, Israel won the war and gained territory in the Sinai, Golan Heights, West Bank, Gaza, and East Jerusalem. In 1982, Israel gave the Sinai to Egypt, which has created peace between the countries [21]. With similar hope, Israel left Gaza in 2005 as one of many gestures of peace with its Arab neighbors that have been met with violence [22]. This is worth repeating. Since 2005, Israel has NOT occupied Gaza. In response, Hamas overtook Gaza, slaughtered Palestinian leaders, created 450 miles of terror tunnels, launched over 30,000 rockets at Israel, and on October 7 perpetrated the most heinous attacks on the Jewish people since the Holocaust including the kidnapping of Israelis, Americans, and Foreign Nationals still missing today [23-24].

## FALSE CLAIMS OF GENOCIDE: HAMAS IS RESPONSIBLE FOR DEATHS OF PALESTINIANS

Both Hamas and the protesters' accusations of the Israel Defense Forces (IDF) are blatantly false. Numerous military leaders, including John Spencer (Former Chair of Urban Warfare Studies, WestPoint), testify that "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" including its use of precision weapons and the sending of leaflets, texts, and calls to Gazans ahead of airstrikes to provide time for them to evacuate targeted areas [25-27]. Sadly, terrorists boast of hiding among their own civilians to increase casualties [28].

Armies that fight defensive wars against terrorists in urban warfare generally have a civilian to casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist eliminated. This was true for U.S. and coalition troops in Mosul (2016-2017) [29]. However, Israel's ratio is less than 1:1, meaning they have reduced civilian casualties more than four to sixtyfold by comparison [30]. While the loss of innocent life is tragic, according to International Humanitarian Law (Article 51) these deaths fall squarely on Hamas [31].

Statistical analysis proves what Israel has been saying along - that the Ministry of Health numbers are false [32].

HAMAS ADMITS: NO GENOCIDE HERE

As in previous wars that Hamas has started, Hamas leaders have finally admitted that they lied about numbers of civilian casualties [33], and that 72% of casualty numbers are male terrorists [34].

Moreover, Palestinian civilians attest to the fact that Hamas steals food from aid trucks and murders Palestinians trying to reach the aid [35-38].

HAMAS' GLOBAL SUBTERFUGE

Hamas covers its atrocities against the Palestinian people (e.g., blocking safe passage corridors, hiding and firing weapons among civilians) [39-41] by sponsoring and supporting city, state, and worldwide protests on the Palestinians' behalf with the sole intent of delegitimizing Israel [42-45].

Donning the cloak of victimhood and resistance, Hamas's behavior is barbaric – igniting hatred and discrimination against Israel, worldwide Jewry, and democracy itself.

SUMMARY

This document proves that the claims aimed at Israel of apartheid, genocide, colonialism, and occupation - are patently FALSE.

After the barbaric attack on October 7th, Hamas is still holding hostages and rebuilding its terror structure.

Allowing protesters like SJP, and groups like it (e.g., AMP, CAIR, JVP, WOL, etc.), to hijack governing bodies only rewards and emboldens Hamas, endangers Israel and worldwide democracies, and prevents the Gazans from taking responsibility to unlearn hate and choose healthy governance so that they become viable peace partners.

The world is at an uncomfortable brink: Barbarism vs. Democracy. Rewarding barbarity and those who support it is a losing proposition.

Bold leadership, not capitulation, is the only strategy to keep communities safe.
We ask you to vote NO on this anti-Israel ballot measure – which is a strategy designed by Hamas supporters to keep Hamas in power and continue to inflict carnage on the Palestinians and Israelis.

Please protect our community, democracy, and national security from misinformation and terrorist propaganda.

Sincerely,

Marvin Adler

Honorable Elected Officials,

We are your constituents, Americans across this great nation, and worldwide citizens who ask you to vote NO on the proposed anti-Israel ballot measure which falsely accuses Israel of apartheid, genocide, and illegal occupation and then asks voters to prohibit future city business and city investments with Israeli companies.

UNCONSTITUTIONAL: VIOLATION OF U.S. COMMERCE CLAUSE

The power to regulate foreign commerce lies exclusively with Congress. By trying to pass this ballot question endorsing a foreign-directed commercial boycott of Israel, your city council oversteps its constitutional authority. This would directly conflict with federal law and obstruct lawful commercial relationships with a U.S. ally. This represents a violation of Article I, Section 8 of the Constitution.

VIOLATES FEDERAL LAW

In addition, under the Export Administration Act and related federal statutes, U.S. persons and entities are prohibited from participating in or supporting unsanctioned foreign boycotts, such as this campaign targeting Israel. City Council members are duty bound to federal legal frameworks.

STANDARDS FOR U.S. BALLOT QUESTIONS

As elected officials you know that “informed citizens are democracy’s best defense” [1] and “to abandon facts is to abandon freedom” [2].

Yet, your city council has abandoned the facts and placed several outright lies in a ballot question that not only misleads voters but also opens a door to those who want nothing but to destroy our democracy and our way of life.

Why would you actively allow this to happen?

THE TRUTH ABOUT “PRO-PALESTINIAN” PROTESTERS

We have watched in horror as protestors have overtaken city councils, state government, and American university campuses with misinformation, extremist ideology, and violent conduct that undermine our democratic way of life and our peaceful communities.

The protesters claim to be an anti-war movement to stop the “genocide, apartheid, and occupation” [3] of the

Palestinian people, but nothing can be further from the truth.

Students for Justice in Palestine (SJP) and other groups (AMP, CAIR, JVP, WOL, etc.) are funded by the Hamas terrorist organization [4-9]. As a propaganda arm of Hamas, their sole purpose is to radicalize and misinform government officials and campuses and create a massive disinformation campaign to delegitimize Israel and promote the annihilation of the Jewish State.

FALSE CLAIMS OF APARTHEID

Hamas' accusations of apartheid are false. Apartheid is defined as a system of legalized racial discrimination and segregation that deprives a racial group of their political and civil rights. In South Africa, for example, the white minority segregated Black Africans in housing, transportation, education, and stripped them of citizenship, and positions in government.

In Israel, all citizens whether Jewish, Arab, Armenian, Baha'i, Christian, Druze, Muslim, etc. have equal rights. They can live, work, and travel wherever they want, and they are provided the same government services (e.g., health insurance, free public school, subsidized university education) equally. They attend the same universities and have the same voting power and opportunities. In fact, they hold positions in all industries (e.g., law, medicine, politics) – including positions as judges and members of the Knesset. Israel is a multi-racial society where the Arab citizens have full rights. Inciting racism or discrimination in Israel is a criminal offense [16].

FALSE CLAIMS OF COLONIALISM AND OCCUPATION

Predating Islam, the Jewish people arrived and established the independent Land of Israel in the second millennium B.C.E. and lived there for more than 1,600 years. In succession, the Babylonians, Persians, Greeks, and Romans conquered the land. Despite the efforts of Roman crusaders and some Muslims to make the country empty of Jews, thousands of Jews have lived for centuries in each of the holy cities of Jerusalem, Safad, Tiberius, and Hebron; and in Gaza, Rafah, Ashkelon, Caesarea, Jaffa, Acre, and Jericho. [17]. Moreover, archaeological evidence proves Jewish indigenousity, with cities populated by a Jewish majority prior to the establishment of the modern state of Israel [18].

It is absurd to claim that the Jews who returned to Israel starting in the last decades of the 19th century were colonialists and imperialists. For whom were these idealists working? They were not planting the flag of the antisemitic regimes of Russia, Poland, and Lithuania; and they were kicked out of Yemen, Iraq, Turkey, and North Africa. In fact, these Jewish refugees had to overcome Turkish, British, and Pan-Arab imperialism to achieve self-determination. They were fleeing pogroms and persecution and wanted nothing to do with the countries from which they fled. They did not come to the land with weapons to conquer, but with rakes and hoes to cultivate often swamp-infested land they legally purchased from absentee landlords. Years later, after the Holocaust, the state of Israel was defined and established by international law (1948). The Israelis were ecstatic to live peacefully among their neighbors within the meager boundaries they were allotted in 1948, when five Arab countries attacked Israel in the War of Independence. This war was one of many that Muslim extremists committed against the Jewish state to deny Israel's right to exist [19].

In 1967 Egypt, Syria, and Jordan started a war with Israel. Hafiz al-Assad ordered his Syrian soldiers to "strike the enemy's [civilian] settlements, turn them into dust, pave the Arab roads with the skulls of the Jews, and strike them

without mercy" [20]. Miraculously, Israel won the war and gained territory in the Sinai, Golan Heights, West Bank, Gaza, and East Jerusalem. In 1982, Israel gave the Sinai to Egypt, which has created peace between the countries [21].
With similar hope, Israel left Gaza in 2005 as one of many gestures of peace with its Arab neighbors that have been met with violence [22]. This is worth repeating. Since 2005, Israel has NOT occupied Gaza. In response, Hamas overtook Gaza, slaughtered Palestinian leaders, created 450 miles of terror tunnels, launched over 30,000 rockets at Israel, and on October 7 perpetrated the most heinous attacks on the Jewish people since the Holocaust including the kidnapping of Israelis, Americans, and Foreign Nationals still missing today [23-24].

FALSE CLAIMS OF GENOCIDE: HAMAS IS RESPONSIBLE FOR DEATHS OF PALESTINIANS

Both Hamas and the protesters' accusations of the Israel Defense Forces (IDF) are blatantly false. Numerous military leaders, including John Spencer (Former Chair of Urban Warfare Studies, WestPoint), testify that "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" including its use of precision weapons and the sending of leaflets, texts, and calls to Gazans ahead of airstrikes to provide time for them to evacuate targeted areas [25-27]. Sadly, terrorists boast of hiding among their own civilians to increase casualties [28].

Armies that fight defensive wars against terrorists in urban warfare generally have a civilian to casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist eliminated. This was true for U.S. and coalition troops in Mosul (2016-2017) [29]. However, Israel's ratio is less than 1:1, meaning they have reduced civilian casualties more than four to sixtyfold by comparison [30]. While the loss of innocent life is tragic, according to International Humanitarian Law (Article 51) these deaths fall squarely on Hamas [31].

Statistical analysis proves what Israel has been saying along - that the Ministry of Health numbers are false [32].

HAMAS ADMITS: NO GENOCIDE HERE

As in previous wars that Hamas has started, Hamas leaders have finally admitted that they lied about numbers of civilian casualties [33], and that 72% of casualty numbers are male terrorists [34].

Moreover, Palestinian civilians attest to the fact that Hamas steals food from aid trucks and murders Palestinians trying to reach the aid [35-38].

HAMAS' GLOBAL SUBTERFUGE

Hamas covers its atrocities against the Palestinian people (e.g., blocking safe passage corridors, hiding and firing weapons among civilians) [39-41] by sponsoring and supporting city, state, and worldwide protests on the Palestinians' behalf with the sole intent of delegitimizing Israel [42-45].

Donning the cloak of victimhood and resistance, Hamas's behavior is barbaric – igniting hatred and discrimination against Israel, worldwide Jewry, and democracy itself.

SUMMARY

This document proves that the claims aimed at Israel of apartheid, genocide, colonialism, and occupation - are patently FALSE.

After the barbaric attack on October 7th, Hamas is still holding hostages and rebuilding its terror structure.

Allowing protesters like SJP, and groups like it (e.g., AMP, CAIR, JVP, WOL, etc.), to hijack governing bodies only rewards and emboldens Hamas, endangers Israel and worldwide democracies, and prevents the Gazans from taking responsibility to unlearn hate and choose healthy governance so that they become viable peace partners.

The world is at an uncomfortable brink: Barbarism vs. Democracy. Rewarding barbarity and those who support it is a losing proposition.

Bold leadership, not capitulation, is the only strategy to keep communities safe.
We ask you to vote NO on this anti-Israel ballot measure – which is a strategy designed by Hamas supporters to keep Hamas in power and continue to inflict carnage on the Palestinians and Israelis.

Please protect our community, democracy, and national security from misinformation and terrorist propaganda.

Sincerely,
Andrew Lambert

Honorable Elected Officials,

We are your constituents, Americans across this great nation, and worldwide citizens who ask you to vote NO on the proposed anti-Israel ballot measure which falsely accuses Israel of apartheid, genocide, and illegal occupation and then asks voters to prohibit future city business and city investments with Israeli companies.

UNCONSTITUTIONAL: VIOLATION OF U.S. COMMERCE CLAUSE

The power to regulate foreign commerce lies exclusively with Congress. By trying to pass this ballot question endorsing a foreign-directed commercial boycott of Israel, your city council oversteps its constitutional authority. This would directly conflict with federal law and obstruct lawful commercial relationships with a U.S. ally. This represents a violation of Article I, Section 8 of the Constitution.

VIOLATES FEDERAL LAW

In addition, under the Export Administration Act and related federal statutes, U.S. persons and entities are prohibited from participating in or supporting unsanctioned foreign boycotts, such as this campaign targeting Israel. City Council members are duty bound to federal legal frameworks.

STANDARDS FOR U.S. BALLOT QUESTIONS

As elected officials you know that “informed citizens are democracy’s best defense” [1] and “to abandon facts is to abandon freedom” [2].

Yet, your city council has abandoned the facts and placed several outright lies in a ballot question that not only misleads voters but also opens a door to those who want nothing but to destroy our democracy and our way of life.

Why would you actively allow this to happen?

THE TRUTH ABOUT “PRO-PALESTINIAN” PROTESTERS

We have watched in horror as protestors have overtaken city councils, state government, and American university campuses with misinformation, extremist ideology, and violent conduct that undermine our democratic way of life and our peaceful communities.

The protesters claim to be an anti-war movement to stop the “genocide, apartheid, and occupation” [3] of the

Palestinian people, but nothing can be further from the truth.

Students for Justice in Palestine (SJP) and other groups (AMP, CAIR, JVP, WOL, etc.) are funded by the Hamas terrorist organization [4-9]. As a propaganda arm of Hamas, their sole purpose is to radicalize and misinform government officials and campuses and create a massive disinformation campaign to delegitimize Israel and promote the annihilation of the Jewish State.

Their chant, "From the River to the Sea," clearly states their intention [10]. If you listen carefully, however, their violent intentions do not stop with Israel. They promote antisemitism the world over with the ultimate goal of overturning democratic values as they chant "Death to America" [11-12]. Their philosophy is anchored in the Hamas Charter, which states in its introduction, "Israel will exist until Islam will obliterate it" and "Our struggle against the Jews is very great and very serious" [13]; and the radical Islamist Duaat entitled "How Islam will dominate the world" [14].

Pure logic and history upend the protesters' statements.

Only a day after the heinous October 7 attacks on Israel, these protesters started their false accusations of "genocide" [15]. Here is the truth:

FALSE CLAIMS OF APARTHEID

Hamas' accusations of apartheid are false. Apartheid is defined as a system of legalized racial discrimination and segregation that deprives a racial group of their political and civil rights. Predating Islam, the Jewish people arrived and established the independent Land of Israel in the second millennium B.C.E. and lived there for more than 1,600 years. In succession, the Babylonians, Persians, Greeks, and Romans conquered the land. Despite the efforts of Roman crusaders and some Muslims to make the country empty of Jews, thousands of Jews have lived for centuries in each of the holy cities of Jerusalem, Safad, Tiberius, and Hebron; and in Gaza, Rafah, Ashkelon, Caesarea, Jaffa, Acre, and Jericho. [17]. Moreover, archaeological evidence proves Jewish indigenousity, with cities populated by a Jewish majority prior to the establishment of the modern state of Israel [18].

It is absurd to claim that the Jews who returned to Israel starting in the last decades of the 19th century were colonialists and imperialists. For whom were these idealists working? They were not planting the flag of the antisemitic regimes of Russia, Poland, and Lithuania; and they were kicked out of Yemen, Iraq, Turkey, and North Africa. In fact, these Jewish refugees had to overcome Turkish, British, and Pan-Arab imperialism to achieve self-determination. They were fleeing pogroms and persecution and wanted nothing to do with the countries from which they fled. They did not come to the land with weapons to conquer, but with rakes and hoes to cultivate often swamp-infested land they legally purchased from absentee landlords. Years later, after the Holocaust, the state of Israel was defined and established by international law (1948). The Israelis were ecstatic to live peacefully among their neighbors within the meager boundaries they were allotted in 1948, when five Arab countries attacked Israel in the War of Independence. This war was one of many that Muslim extremists committed against the Jewish state to deny Israel's right to exist [19].

In 1967 Egypt, Syria, and Jordan started a war with Israel. Hafiz al-Assad ordered his Syrian soldiers to "strike the enemy's [civilian] settlements, turn them into dust, pave the Arab roads with the skulls of the Jews, and strike them

without mercy" [20]. Miraculously, Israel won the war and gained territory in the Sinai, Golan Heights, West Bank, Gaza, and East Jerusalem. In 1982, Israel gave the Sinai to Egypt, which has created peace between the countries [21].
With similar hope, Israel left Gaza in 2005 as one of many gestures of peace with its Arab neighbors that have been met with violence [22]. This is worth repeating. Since 2005, Israel has NOT occupied Gaza. In response, Hamas overtook Gaza, slaughtered Palestinian leaders, created 450 miles of terror tunnels, launched over 30,000 rockets at Israel, and on October 7 perpetrated the most heinous attacks on the Jewish people since the Holocaust including the kidnapping of Israelis, Americans, and Foreign Nationals still missing today [23-24].

## FALSE CLAIMS OF GENOCIDE: HAMAS IS RESPONSIBLE FOR DEATHS OF PALESTINIANS

Both Hamas and the protesters' accusations of the Israel Defense Forces (IDF) are blatantly false. Numerous military leaders, including John Spencer (Former Chair of Urban Warfare Studies, WestPoint), testify that "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" including its use of precision weapons and the sending of leaflets, texts, and calls to Gazans ahead of airstrikes to provide time for them to evacuate targeted areas [25-27]. Sadly, terrorists boast of hiding among their own civilians to increase casualties [28].

Armies that fight defensive wars against terrorists in urban warfare generally have a civilian to casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist eliminated. This was true for U.S. and coalition troops in Mosul (2016-2017) [29]. However, Israel's ratio is less than 1:1, meaning they have reduced civilian casualties more than four to sixtyfold by comparison [30]. While the loss of innocent life is tragic, according to International Humanitarian Law (Article 51) these deaths fall squarely on Hamas [31].

Statistical analysis proves what Israel has been saying along - that the Ministry of Health numbers are false [32].

## HAMAS ADMITS: NO GENOCIDE HERE

As in previous wars that Hamas has started, Hamas leaders have finally admitted that they lied about numbers of civilian casualties [33], and that 72% of casualty numbers are male terrorists [34].

Moreover, Palestinian civilians attest to the fact that Hamas steals food from aid trucks and murders Palestinians trying to reach the aid [35-38].

## HAMAS' GLOBAL SUBTERFUGE

Hamas covers its atrocities against the Palestinian people (e.g., blocking safe passage corridors, hiding and firing weapons among civilians) [39-41] by sponsoring and supporting city, state, and worldwide protests on the Palestinians' behalf with the sole intent of delegitimizing Israel [42-45].

Donning the cloak of victimhood and resistance, Hamas's behavior is barbaric – igniting hatred and discrimination against Israel, worldwide Jewry, and democracy itself.

## SUMMARY

This document proves that the claims aimed at Israel of apartheid, genocide, colonialism, and occupation - are patently FALSE.

After the barbaric attack on October 7th, Hamas is still holding hostages and rebuilding its terror structure.

Allowing protesters like SJP, and groups like it (e.g., AMP, CAIR, JVP, WOL, etc.), to hijack governing bodies only rewards and emboldens Hamas, endangers Israel and worldwide democracies, and prevents the Gazans from taking responsibility to unlearn hate and choose healthy governance so that they become viable peace partners.

The world is at an uncomfortable brink: Barbarism vs. Democracy. Rewarding barbarity and those who support it is a losing proposition.

Bold leadership, not capitulation, is the only strategy to keep communities safe.
We ask you to vote NO on this anti-Israel ballot measure – which is a strategy designed by Hamas supporters to keep Hamas in power and continue to inflict carnage on the Palestinians and Israelis.

Please protect our community, democracy, and national security from misinformation and terrorist propaganda.

Sincerely,

"This is your democracy. Make it. Protect it. Pass it on."

Honorable Elected Officials,

We are your constituents, Americans across this great nation, and worldwide citizens who ask you to vote NO on the proposed anti-Israel ballot measure which falsely accuses Israel of apartheid, genocide, and illegal occupation and then asks voters to prohibit future city business and city investments with Israeli companies.

UNCONSTITUTIONAL: VIOLATION OF U.S. COMMERCE CLAUSE

The power to regulate foreign commerce lies exclusively with Congress. By trying to pass this ballot question endorsing a foreign-directed commercial boycott of Israel, your city council oversteps its constitutional authority. This would directly conflict with federal law and obstruct lawful commercial relationships with a U.S. ally. This represents a violation of Article I, Section 8 of the Constitution.

VIOLATES FEDERAL LAW

In addition, under the Export Administration Act and related federal statutes, U.S. persons and entities are prohibited from participating in or supporting unsanctioned foreign boycotts, such as this campaign targeting Israel. City Council members are duty bound to federal legal frameworks.

STANDARDS FOR U.S. BALLOT QUESTIONS

As elected officials you know that “informed citizens are democracy’s best defense” [1] and “to abandon facts is to abandon freedom” [2].

Yet, your city council has abandoned the facts and placed several outright lies in a ballot question that not only misleads voters but also opens a door to those who want nothing but to destroy our democracy and our way of life.

Why would you actively allow this to happen?

THE TRUTH ABOUT “PRO-PALESTINIAN” PROTESTERS

We have watched in horror as protestors have overtaken city councils, state government, and American university campuses with misinformation, extremist ideology, and violent conduct that undermine our democratic way of life and our peaceful communities.

The protesters claim to be an anti-war movement to stop the “genocide, apartheid, and occupation” [3] of the

Palestinian people, but nothing can be further from the truth.

Students for Justice in Palestine (SJP) and other groups (AMP, CAIR, JVP, WOL, etc.) are funded by the Hamas terrorist organization [4-9]. As a propaganda arm of Hamas, their sole purpose is to radicalize and misinform government officials and campuses and create a massive disinformation campaign to delegitimize Israel and promote the annihilation of the Jewish State.

Their chant, "From the River to the Sea," clearly states their intention [10]. If you listen carefully, however, their violent intentions do not stop with Israel. They promote antisemitism the world over with the ultimate goal of overturning democratic values as they chant "Death to America" [11-12]. Their philosophy is anchored in the Hamas Charter, which states in its introduction, "Israel will exist until Islam will obliterate it" and "Our struggle against the Jews is very great and very serious" [13]; and the radical Islamist Duaat entitled "How Islam will dominate the world" [14].

Pure logic and history upend the protesters' statements.

Only a day after the heinous October 7 attacks on Israel, these protesters started their false accusations of "genocide" [15]. Here is the truth:

FALSE CLAIMS OF APARTHEID

Hamas' accusations of apartheid are false. Apartheid is defined as a system of legalized racial discrimination and segregation that deprives a racial group of their political and civil rights. In South Africa, for example, the white minority segregated Black Africans in housing, transportation, education, and stripped them of citizenship, and positions in government.

In Israel, all citizens whether Jewish, Arab, Armenian, Baha'i, Christian, Druze, Muslim, etc. have equal rights. They can live, work, and travel wherever they want, and they are provided the same government services (e.g., health insurance, free public school, subsidized university education) equally. They attend the same universities and have the same voting power and opportunities. In fact, they hold positions in all industries (e.g., law, medicine, politics) – including positions as judges and members of the Knesset. Israel is a multi-racial society where the Arab citizens have full rights. Inciting racism or discrimination in Israel is a criminal offense [16].

FALSE CLAIMS OF COLONIALISM AND OCCUPATION

Predating Islam, the Jewish people arrived and established the independent Land of Israel in the second millennium B.C.E. and lived there for more than 1,600 years. In succession, the Babylonians, Persians, Greeks, and Romans conquered the land. In fact, these Jewish refugees had to overcome Turkish, British, and Pan-Arab imperialism to achieve self-determination. They were fleeing pogroms and persecution and wanted nothing to do with the countries from which they fled. They did not come to the land with weapons to conquer, but with rakes and hoes to cultivate often swamp-infested land they legally purchased from absentee landlords. Years later, after the Holocaust, the state of Israel was defined and established by international law (1948). The Israelis were ecstatic to live peacefully among their neighbors within the meager boundaries they were allotted in 1948, when five Arab countries attacked Israel in the War of Independence. This war was one of many that Muslim extremists committed against the Jewish state to deny Israel's right to exist [19].

In 1967 Egypt, Syria, and Jordan started a war with Israel. Hafiz al-Assad ordered his Syrian soldiers to "strike the enemy's [civilian] settlements, turn them into dust, pave the Arab roads with the skulls of the Jews, and strike them

without mercy" [20]. Miraculously, Israel won the war and gained territory in the Sinai, Golan Heights, West Bank, Gaza, and East Jerusalem. In 1982, Israel gave the Sinai to Egypt, which has created peace between the countries [21].
With similar hope, Israel left Gaza in 2005 as one of many gestures of peace with its Arab neighbors that have been met with violence [22]. This is worth repeating. Since 2005, Israel has NOT occupied Gaza. In response, Hamas overtook Gaza, slaughtered Palestinian leaders, created 450 miles of terror tunnels, launched over 30,000 rockets at Israel, and on October 7 perpetrated the most heinous attacks on the Jewish people since the Holocaust including the kidnapping of Israelis, Americans, and Foreign Nationals still missing today [23-24].

## FALSE CLAIMS OF GENOCIDE: HAMAS IS RESPONSIBLE FOR DEATHS OF PALESTINIANS

Both Hamas and the protesters' accusations of the Israel Defense Forces (IDF) are blatantly false. Numerous military leaders, including John Spencer (Former Chair of Urban Warfare Studies, WestPoint), testify that "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" including its use of precision weapons and the sending of leaflets, texts, and calls to Gazans ahead of airstrikes to provide time for them to evacuate targeted areas [25-27]. Sadly, terrorists boast of hiding among their own civilians to increase casualties [28].

Armies that fight defensive wars against terrorists in urban warfare generally have a civilian to casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist eliminated. This was true for U.S. and coalition troops in Mosul (2016-2017) [29]. However, Israel's ratio is less than 1:1, meaning they have reduced civilian casualties more than four to sixtyfold by comparison [30]. While the loss of innocent life is tragic, according to International Humanitarian Law (Article 51) these deaths fall squarely on Hamas [31].

Statistical analysis proves what Israel has been saying along - that the Ministry of Health numbers are false [32].

## HAMAS ADMITS: NO GENOCIDE HERE

As in previous wars that Hamas has started, Hamas leaders have finally admitted that they lied about numbers of civilian casualties [33], and that 72% of casualty numbers are male terrorists [34].

Moreover, Palestinian civilians attest to the fact that Hamas steals food from aid trucks and murders Palestinians trying to reach the aid [35-38].

## HAMAS' GLOBAL SUBTERFUGE

Hamas covers its atrocities against the Palestinian people (e.g., blocking safe passage corridors, hiding and firing weapons among civilians) [39-41] by sponsoring and supporting city, state, and worldwide protests on the Palestinians' behalf with the sole intent of delegitimizing Israel [42-45].

Donning the cloak of victimhood and resistance, Hamas's behavior is barbaric – igniting hatred and discrimination against Israel, worldwide Jewry, and democracy itself.

## SUMMARY

This document proves that the claims aimed at Israel of apartheid, genocide, colonialism, and occupation - are patently FALSE.

After the barbaric attack on October 7th, Hamas is still holding hostages and rebuilding its terror structure.

Allowing protesters like SJP, and groups like it (e.g., AMP, CAIR, JVP, WOL, etc.), to hijack governing bodies only rewards and emboldens Hamas, endangers Israel and worldwide democracies, and prevents the Gazans from taking responsibility to unlearn hate and choose healthy governance so that they become viable peace partners.

The world is at an uncomfortable brink: Barbarism vs. Democracy. Rewarding barbarity and those who support it is a losing proposition.

Bold leadership, not capitulation, is the only strategy to keep communities safe.
We ask you to vote NO on this anti-Israel ballot measure – which is a strategy designed by Hamas supporters to keep Hamas in power and continue to inflict carnage on the Palestinians and Israelis.

Please protect our community, democracy, and national security from misinformation and terrorist propaganda.

Sincerely,

"This is your democracy. Make it. Protect it. Pass it on."

Honorable Elected Officials,

We are your constituents, Americans across this great nation, and worldwide citizens who ask you to vote NO on the proposed anti-Israel ballot measure which falsely accuses Israel of apartheid, genocide, and illegal occupation and then asks voters to prohibit future city business and city investments with Israeli companies.

UNCONSTITUTIONAL: VIOLATION OF U.S. COMMERCE CLAUSE

The power to regulate foreign commerce lies exclusively with Congress. By trying to pass this ballot question endorsing a foreign-directed commercial boycott of Israel, your city council oversteps its constitutional authority. This would directly conflict with federal law and obstruct lawful commercial relationships with a U.S. ally. This represents a violation of Article I, Section 8 of the Constitution.

VIOLATES FEDERAL LAW

In addition, under the Export Administration Act and related federal statutes, U.S. persons and entities are prohibited from participating in or supporting unsanctioned foreign boycotts, such as this campaign targeting Israel. City Council members are duty bound to federal legal frameworks.

STANDARDS FOR U.S. BALLOT QUESTIONS

As elected officials you know that “informed citizens are democracy’s best defense” [1] and “to abandon facts is to abandon freedom” [2].

Yet, your city council has abandoned the facts and placed several outright lies in a ballot question that not only misleads voters but also opens a door to those who want nothing but to destroy our democracy and our way of life.

Why would you actively allow this to happen?

THE TRUTH ABOUT "PRO-PALESTINIAN" PROTESTERS

We have watched in horror as protestors have overtaken city councils, state government, and American university campuses with misinformation, extremist ideology, and violent conduct that undermine our democratic way of life and our peaceful communities.

The protesters claim to be an anti-war movement to stop the "genocide, apartheid, and occupation" [3] of the Palestinian people, but nothing can be further from the truth.

Students for Justice in Palestine (SJP) and other groups (AMP, CAIR, JVP, WOL, etc.) are funded by the Hamas terrorist organization [4-9]. As a propaganda arm of Hamas, their sole purpose is to radicalize and misinform government officials and campuses and create a massive disinformation campaign to delegitimize Israel and promote the annihilation of the Jewish State.

Their chant, "From the River to the Sea," clearly states their intention [10]. If you listen carefully, however, their violent intentions do not stop with Israel. They promote antisemitism the world over with the ultimate goal of overturning democratic values as they chant "Death to America" [11-12]. Their philosophy is anchored in the Hamas Charter, which states in its introduction, "Israel will exist until Islam will obliterate it" and "Our struggle against the Jews is very great and very serious" [13]; and the radical Islamist Duaat entitled "How Islam will dominate the world" [14].

Pure logic and history upend the protesters' statements.

Only a day after the heinous October 7 attacks on Israel, these protesters started their false accusations of "genocide" [15]. Here is the truth:

FALSE CLAIMS OF APARTHEID

Hamas' accusations of apartheid are false. Apartheid is defined as a system of legalized racial discrimination and segregation that deprives a racial group of their political and civil rights. In South Africa, for example, the white minority segregated Black Africans in housing, transportation, education, and stripped them of citizenship, and positions in government.

In Israel, all citizens whether Jewish, Arab, Armenian, Baha'i, Christian, Druze, Muslim, etc. have equal rights. They can live, work, and travel wherever they want, and they are provided the same government services (e.g., health insurance, free public school, subsidized university education) equally. They attend the same universities and have the same voting power and opportunities. In fact, they hold positions in all industries (e.g., law, medicine, politics) – including positions as judges and members of the Knesset. Israel is a multi-racial society where the Arab citizens have full rights. Inciting racism or discrimination in Israel is a criminal offense [16].

FALSE CLAIMS OF COLONIALISM AND OCCUPATION

Predating Islam, the Jewish people arrived and established the independent Land of Israel in the second millennium B.C.E. and lived there for more than 1,600 years. In succession, the

Babylonians, Persians, Greeks, and Romans conquered the land. Despite the efforts of Roman crusaders and some Muslims to make the country empty of Jews, thousands of Jews have lived for centuries in each of the holy cities of Jerusalem, Safad, Tiberius, and Hebron; and in Gaza, Rafah, Ashkelon, Caesarea, Jaffa, Acre, and Jericho. [17]. Moreover, archaeological evidence proves Jewish indigenousity, with cities populated by a Jewish majority prior to the establishment of the modern state of Israel [18].

It is absurd to claim that the Jews who returned to Israel starting in the last decades of the 19th century were colonialists and imperialists. For whom were these idealists working? They were not planting the flag of the antisemitic regimes of Russia, Poland, and Lithuania; and they were kicked out of Yemen, Iraq, Turkey, and North Africa. In fact, these Jewish refugees had to overcome Turkish, British, and Pan-Arab imperialism to achieve self-determination. They were fleeing pogroms and persecution and wanted nothing to do with the countries from which they fled. They did not come to the land with weapons to conquer, but with rakes and hoes to cultivate often swamp-infested land they legally purchased from absentee landlords. Miraculously, Israel won the war and gained territory in the Sinai, Golan Heights, West Bank, Gaza, and East Jerusalem. In 1982, Israel gave the Sinai to Egypt, which has created peace between the countries [21]. With similar hope, Israel left Gaza in 2005 as one of many gestures of peace with its Arab neighbors that have been met with violence [22]. This is worth repeating. Since 2005, Israel has NOT occupied Gaza. In response, Hamas overtook Gaza, slaughtered Palestinian leaders, created 450 miles of terror tunnels, launched over 30,000 rockets at Israel, and on October 7 perpetrated the most heinous attacks on the Jewish people since the Holocaust including the kidnapping of Israelis, Americans, and Foreign Nationals still missing today [23-24].

## FALSE CLAIMS OF GENOCIDE: HAMAS IS RESPONSIBLE FOR DEATHS OF PALESTINIANS

Both Hamas and the protesters' accusations of the Israel Defense Forces (IDF) are blatantly false. Numerous military leaders, including John Spencer (Former Chair of Urban Warfare Studies, WestPoint), testify that "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" including its use of precision weapons and the sending of leaflets, texts, and calls to Gazans ahead of airstrikes to provide time for them to evacuate targeted areas [25-27]. Sadly, terrorists boast of hiding among their own civilians to increase casualties [28].

Armies that fight defensive wars against terrorists in urban warfare generally have a civilian to casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist eliminated. This was true for U.S. and coalition troops in Mosul (2016-2017) [29]. However, Israel's ratio is less than 1:1, meaning they have reduced civilian casualties more than four to sixtyfold by comparison [30]. While the loss of innocent life is tragic, according to International Humanitarian Law (Article 51) these deaths fall squarely on Hamas [31].

Statistical analysis proves what Israel has been saying along - that the Ministry of Health numbers are false [32].

HAMAS ADMITS: NO GENOCIDE HERE

As in previous wars that Hamas has started, Hamas leaders have finally admitted that they lied about numbers of civilian casualties [33], and that 72% of casualty numbers are male terrorists [34].

Moreover, Palestinian civilians attest to the fact that Hamas steals food from aid trucks and murders Palestinians trying to reach the aid [35-38].

HAMAS' GLOBAL SUBTERFUGE

Hamas covers its atrocities against the Palestinian people (e.g., blocking safe passage corridors, hiding and firing weapons among civilians) [39-41] by sponsoring and supporting city, state, and worldwide protests on the Palestinians' behalf with the sole intent of delegitimizing Israel [42-45].

Donning the cloak of victimhood and resistance, Hamas's behavior is barbaric – igniting hatred and discrimination against Israel, worldwide Jewry, and democracy itself.

SUMMARY

This document proves that the claims aimed at Israel of apartheid, genocide, colonialism, and occupation - are patently FALSE.

After the barbaric attack on October 7th, Hamas is still holding hostages and rebuilding its terror structure.

Allowing protesters like SJP, and groups like it (e.g., AMP, CAIR, JVP, WOL, etc.), to hijack governing bodies only rewards and emboldens Hamas, endangers Israel and worldwide democracies, and prevents the Gazans from taking responsibility to unlearn hate and choose healthy governance so that they become viable peace partners.

The world is at an uncomfortable brink: Barbarism vs. Democracy. Rewarding barbarity and those who support it is a losing proposition.

Bold leadership, not capitulation, is the only strategy to keep communities safe.
We ask you to vote NO on this anti-Israel ballot measure – which is a strategy designed by Hamas supporters to keep Hamas in power and continue to inflict carnage on the Palestinians and Israelis.

Please protect our community, democracy, and national security from misinformation and terrorist propaganda.

Sincerely,

“This is your democracy. Make it. Protect it. Pass it on.”

Honorable Elected Officials,

We are your constituents, Americans across this great nation, and worldwide citizens who ask you to vote NO on the proposed anti-Israel ballot measure which falsely accuses Israel of apartheid, genocide, and illegal occupation and then asks voters to prohibit future city business and city investments with Israeli companies.

UNCONSTITUTIONAL: VIOLATION OF U.S. COMMERCE CLAUSE

The power to regulate foreign commerce lies exclusively with Congress. By trying to pass this ballot question endorsing a foreign-directed commercial boycott of Israel, your city council oversteps its constitutional authority. This would directly conflict with federal law and obstruct lawful commercial relationships with a U.S. ally. This represents a violation of Article I, Section 8 of the Constitution.

VIOLATES FEDERAL LAW

In addition, under the Export Administration Act and related federal statutes, U.S. persons and entities are prohibited from participating in or supporting unsanctioned foreign boycotts, such as this campaign targeting Israel. City Council members are duty bound to federal legal frameworks.

STANDARDS FOR U.S. BALLOT QUESTIONS

As elected officials you know that “informed citizens are democracy’s best defense” [1] and “to abandon facts is to abandon freedom” [2].

Yet, your city council has abandoned the facts and placed several outright lies in a ballot question that not only misleads voters but also opens a door to those who want nothing but to destroy our democracy and our way of life.

Why would you actively allow this to happen?

THE TRUTH ABOUT “PRO-PALESTINIAN” PROTESTERS

We have watched in horror as protestors have overtaken city councils, state government, and American university campuses with misinformation, extremist ideology, and violent conduct that undermine our democratic way of life and our peaceful communities.

The protesters claim to be an anti-war movement to stop the “genocide, apartheid, and occupation” [3] of the

Palestinian people, but nothing can be further from the truth.

Students for Justice in Palestine (SJP) and other groups (AMP, CAIR, JVP, WOL, etc.) are funded by the Hamas terrorist organization [4-9]. As a propaganda arm of Hamas, their sole purpose is to radicalize and misinform government officials and campuses and create a massive disinformation campaign to delegitimize Israel and promote the annihilation of the Jewish State.

Their chant, "From the River to the Sea," clearly states their intention [10]. If you listen carefully, however, their violent intentions do not stop with Israel. They promote antisemitism the world over with the ultimate goal of overturning democratic values as they chant "Death to America" [11-12]. Their philosophy is anchored in the Hamas Charter, which states in its introduction, "Israel will exist until Islam will obliterate it" and "Our struggle against the Jews is very great and very serious" [13]; and the radical Islamist Duaat entitled "How Islam will dominate the world" [14].

Pure logic and history upend the protesters' statements.

Only a day after the heinous October 7 attacks on Israel, these protesters started their false accusations of "genocide" [15]. Here is the truth:

FALSE CLAIMS OF APARTHEID

Hamas' accusations of apartheid are false. Apartheid is defined as a system of legalized racial discrimination and segregation that deprives a racial group of their political and civil rights. In South Africa, for example, the white minority segregated Black Africans in housing, transportation, education, and stripped them of citizenship, and positions in government.

In Israel, all citizens whether Jewish, Arab, Armenian, Baha'i, Christian, Druze, Muslim, etc. have equal rights. They can live, work, and travel wherever they want, and they are provided the same government services (e.g., health insurance, free public school, subsidized university education) equally. They attend the same universities and have the same voting power and opportunities. In fact, they hold positions in all industries (e.g., law, medicine, politics) – including positions as judges and members of the Knesset. Israel is a multi-racial society where the Arab citizens have full rights. Inciting racism or discrimination in Israel is a criminal offense [16].

FALSE CLAIMS OF COLONIALISM AND OCCUPATION

Predating Islam, the Jewish people arrived and established the independent Land of Israel in the second millennium B.C.E. and lived there for more than 1,600 years. In succession, the Babylonians, Persians, Greeks, and Romans conquered the land. Despite the efforts of Roman crusaders and some Muslims to make the country empty of Jews, thousands of Jews have lived for centuries in each of the holy cities of Jerusalem, Safad, Tiberius, and Hebron; and in Gaza, Rafah, Ashkelon, Caesarea, Jaffa, Acre, and Jericho. [17]. Moreover, archaeological evidence proves Jewish indigenousity, with cities populated by a Jewish majority prior to the establishment of the modern state of Israel [18].

It is absurd to claim that the Jews who returned to Israel starting in the last decades of the 19th century were colonialists and imperialists. For whom were these idealists working? They were not planting the flag of the antisemitic regimes of Russia, Poland, and Lithuania; and they were kicked out of Yemen, Iraq, Turkey, and North Africa. In fact, these Jewish refugees had to overcome Turkish, British, and Pan-Arab imperialism to achieve self-determination. They were fleeing pogroms and persecution and wanted nothing to do with the countries from which they fled. They did not come to the land with weapons to conquer, but with rakes and hoes to cultivate often swamp-infested land they legally purchased from absentee landlords. Years later, after the Holocaust, the state of Israel was defined and established by international law (1948). The Israelis were ecstatic to live peacefully among their neighbors within the meager boundaries they were allotted in 1948, when five Arab countries attacked Israel in the War of Independence. This war was one of many that Muslim extremists committed against the Jewish state to deny Israel's right to exist [19].

In 1967 Egypt, Syria, and Jordan started a war with Israel. Hafiz al-Assad ordered his Syrian soldiers to "strike the enemy's [civilian] settlements, turn them into dust, pave the Arab roads with the skulls of the Jews, and strike them

without mercy" [20]. Miraculously, Israel won the war and gained territory in the Sinai, Golan Heights, West Bank, Gaza, and East Jerusalem. In 1982, Israel gave the Sinai to Egypt, which has created peace between the countries [21].
With similar hope, Israel left Gaza in 2005 as one of many gestures of peace with its Arab neighbors that have been met with violence [22]. This is worth repeating. Both Hamas and the protesters' accusations of the Israel Defense Forces (IDF) are blatantly false. Numerous military leaders, including John Spencer (Former Chair of Urban Warfare Studies, WestPoint), testify that "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" including its use of precision weapons and the sending of leaflets, texts, and calls to Gazans ahead of airstrikes to provide time for them to evacuate targeted areas [25-27]. Sadly, terrorists boast of hiding among their own civilians to increase casualties [28].

Armies that fight defensive wars against terrorists in urban warfare generally have a civilian to casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist eliminated. This was true for U.S. and coalition troops in Mosul (2016-2017) [29]. However, Israel's ratio is less than 1:1, meaning they have reduced civilian casualties more than four to sixtyfold by comparison [30]. While the loss of innocent life is tragic, according to International Humanitarian Law (Article 51) these deaths fall squarely on Hamas [31].

Statistical analysis proves what Israel has been saying along - that the Ministry of Health numbers are false [32].

HAMAS ADMITS: NO GENOCIDE HERE

As in previous wars that Hamas has started, Hamas leaders have finally admitted that they lied about numbers of civilian casualties [33], and that 72% of casualty numbers are male terrorists [34].

Moreover, Palestinian civilians attest to the fact that Hamas steals food from aid trucks and murders Palestinians trying to reach the aid [35-38].

HAMAS' GLOBAL SUBTERFUGE

Hamas covers its atrocities against the Palestinian people (e.g., blocking safe passage corridors, hiding and firing weapons among civilians) [39-41] by sponsoring and supporting city, state, and worldwide protests on the Palestinians' behalf with the sole intent of delegitimizing Israel [42-45].

Donning the cloak of victimhood and resistance, Hamas's behavior is barbaric – igniting hatred and discrimination against Israel, worldwide Jewry, and democracy itself.

SUMMARY

This document proves that the claims aimed at Israel of apartheid, genocide, colonialism, and occupation - are patently FALSE.

After the barbaric attack on October 7th, Hamas is still holding hostages and rebuilding its terror structure.

Allowing protesters like SJP, and groups like it (e.g., AMP, CAIR, JVP, WOL, etc.), to hijack governing bodies only rewards and emboldens Hamas, endangers Israel and worldwide democracies, and prevents the Gazans from taking responsibility to unlearn hate and choose healthy governance so that they become viable peace partners.

The world is at an uncomfortable brink: Barbarism vs. Democracy. Rewarding barbarity and those who support it is a losing proposition.

Bold leadership, not capitulation, is the only strategy to keep communities safe.
We ask you to vote NO on this anti-Israel ballot measure – which is a strategy designed by Hamas supporters to keep Hamas in power and continue to inflict carnage on the Palestinians and Israelis.

Please protect our community, democracy, and national security from misinformation and terrorist propaganda.

Sincerely,

“This is your democracy. Make it. Protect it. Pass it on.”

Honorable Elected Officials,

We are your constituents, Americans across this great nation, and worldwide citizens who ask you to vote NO on the proposed anti-Israel ballot measure which falsely accuses Israel of apartheid, genocide, and illegal occupation and then asks voters to prohibit future city business and city investments with Israeli companies.

UNCONSTITUTIONAL: VIOLATION OF U.S. COMMERCE CLAUSE

The power to regulate foreign commerce lies exclusively with Congress. By trying to pass this ballot question endorsing a foreign-directed commercial boycott of Israel, your city council oversteps its constitutional authority. This would directly conflict with federal law and obstruct lawful commercial relationships with a U.S. ally. This represents a violation of Article I, Section 8 of the Constitution.

VIOLATES FEDERAL LAW

In addition, under the Export Administration Act and related federal statutes, U.S. persons and entities are prohibited from participating in or supporting unsanctioned foreign boycotts, such as this campaign targeting Israel. City Council members are duty bound to federal legal frameworks.

STANDARDS FOR U.S. BALLOT QUESTIONS

As elected officials you know that “informed citizens are democracy’s best defense” [1] and “to abandon facts is to abandon freedom” [2].

Yet, your city council has abandoned the facts and placed several outright lies in a ballot question that not only misleads voters but also opens a door to those who want nothing but to destroy our democracy and our way of life.

Why would you actively allow this to happen?

THE TRUTH ABOUT “PRO-PALESTINIAN” PROTESTERS

We have watched in horror as protestors have overtaken city councils, state government, and American university campuses with misinformation, extremist ideology, and violent conduct that undermine our democratic way of life and our peaceful communities.

The protesters claim to be an anti-war movement to stop the “genocide, apartheid, and occupation” [3] of the

Palestinian people, but nothing can be further from the truth.

Students for Justice in Palestine (SJP) and other groups (AMP, CAIR, JVP, WOL, etc.) are funded by the Hamas terrorist organization [4-9]. As a propaganda arm of Hamas, their sole purpose is to radicalize and misinform government officials and campuses and create a massive disinformation campaign to delegitimize Israel and promote the annihilation of the Jewish State.

Their chant, "From the River to the Sea," clearly states their intention [10]. If you listen carefully, however, their violent intentions do not stop with Israel. They promote antisemitism the world over with the ultimate goal of overturning democratic values as they chant "Death to America" [11-12]. Their philosophy is anchored in the Hamas Charter, which states in its introduction, "Israel will exist until Islam will obliterate it" and "Our struggle against the Jews is very great and very serious" [13]; and the radical Islamist Duaat entitled "How Islam will dominate the world" [14].

Pure logic and history upend the protesters' statements.

Only a day after the heinous October 7 attacks on Israel, these protesters started their false accusations of "genocide" [15]. Here is the truth:

FALSE CLAIMS OF APARTHEID

Hamas' accusations of apartheid are false. Apartheid is defined as a system of legalized racial discrimination and segregation that deprives a racial group of their political and civil rights. In South Africa, for example, the white minority segregated Black Africans in housing, transportation, education, and stripped them of citizenship, and positions in government.

In Israel, all citizens whether Jewish, Arab, Armenian, Baha'i, Christian, Druze, Muslim, etc. have equal rights. They can live, work, and travel wherever they want, and they are provided the same government services (e.g., health insurance, free public school, subsidized university education) equally. They attend the same universities and have the same voting power and opportunities. In fact, they hold positions in all industries (e.g., law, medicine, politics) – including positions as judges and members of the Knesset. Israel is a multi-racial society where the Arab citizens have full rights. Inciting racism or discrimination in Israel is a criminal offense [16].

FALSE CLAIMS OF COLONIALISM AND OCCUPATION

Predating Islam, the Jewish people arrived and established the independent Land of Israel in the second millennium B.C.E. and lived there for more than 1,600 years. In succession, the Babylonians, Persians, Greeks, and Romans conquered the land. Despite the efforts of Roman crusaders and some Muslims to make the country empty of Jews, thousands of Jews have lived for centuries in each of the holy cities of Jerusalem, Safad, Tiberius, and Hebron; and in Gaza, Rafah, Ashkelon, Caesarea, Jaffa, Acre, and Jericho. [17]. Moreover, archaeological evidence proves Jewish indigenousity, with cities populated by a Jewish majority prior to the establishment of the modern state of Israel [18].

It is absurd to claim that the Jews who returned to Israel starting in the last decades of the 19th century were colonialists and imperialists. For whom were these idealists working? They were not planting the flag of the antisemitic regimes of Russia, Poland, and Lithuania; and they were kicked out of Yemen, Iraq, Turkey, and North Africa. In fact, these Jewish refugees had to overcome Turkish, British, and Pan-Arab imperialism to achieve self-determination. They were fleeing pogroms and persecution and wanted nothing to do with the countries from which they fled. They did not come to the land with weapons to conquer, but with rakes and hoes to cultivate often swamp-infested land they legally purchased from absentee landlords. Years later, after the Holocaust, the state of Israel was defined and established by international law (1948). The Israelis were ecstatic to live peacefully among their neighbors within the meager boundaries they were allotted in 1948, when five Arab countries attacked Israel in the War of Independence. This war was one of many that Muslim extremists committed against the Jewish state to deny Israel's right to exist [19].

In 1967 Egypt, Syria, and Jordan started a war with Israel. Hafiz al-Assad ordered his Syrian soldiers to "strike the enemy's [civilian] settlements, turn them into dust, pave the Arab roads with the skulls of the Jews, and strike them

without mercy" [20]. Miraculously, Israel won the war and gained territory in the Sinai, Golan Heights, West Bank, Gaza, and East Jerusalem. In 1982, Israel gave the Sinai to Egypt, which has created peace between the countries [21].
With similar hope, Israel left Gaza in 2005 as one of many gestures of peace with its Arab neighbors that have been met with violence [22]. This is worth repeating. Since 2005, Israel has NOT occupied Gaza. In response, Hamas overtook Gaza, slaughtered Palestinian leaders, created 450 miles of terror tunnels, launched over 30,000 rockets at Israel, and on October 7 perpetrated the most heinous attacks on the Jewish people since the Holocaust including the kidnapping of Israelis, Americans, and Foreign Nationals still missing today [23-24].

## FALSE CLAIMS OF GENOCIDE: HAMAS IS RESPONSIBLE FOR DEATHS OF PALESTINIANS

Both Hamas and the protesters' accusations of the Israel Defense Forces (IDF) are blatantly false. Statistical analysis proves what Israel has been saying along - that the Ministry of Health numbers are false [32].

## HAMAS ADMITS: NO GENOCIDE HERE

As in previous wars that Hamas has started, Hamas leaders have finally admitted that they lied about numbers of civilian casualties [33], and that 72% of casualty numbers are male terrorists [34].

Moreover, Palestinian civilians attest to the fact that Hamas steals food from aid trucks and murders Palestinians trying to reach the aid [35-38].

## HAMAS' GLOBAL SUBTERFUGE

Hamas covers its atrocities against the Palestinian people (e.g., blocking safe passage corridors, hiding and firing weapons among civilians) [39-41] by sponsoring and supporting city, state, and worldwide protests on the Palestinians' behalf with the sole intent of delegitimizing Israel [42-45].

Donning the cloak of victimhood and resistance, Hamas's behavior is barbaric – igniting hatred and discrimination against Israel, worldwide Jewry, and democracy itself.

## SUMMARY

This document proves that the claims aimed at Israel of apartheid, genocide, colonialism, and occupation - are patently FALSE.

After the barbaric attack on October 7th, Hamas is still holding hostages and rebuilding its terror structure.

Allowing protesters like SJP, and groups like it (e.g., AMP, CAIR, JVP, WOL, etc.), to hijack governing bodies only rewards and emboldens Hamas, endangers Israel and worldwide democracies, and prevents the Gazans from taking responsibility to unlearn hate and choose healthy governance so that they become viable peace partners.

The world is at an uncomfortable brink: Barbarism vs. Democracy. Rewarding barbarity and those who support it is a losing proposition.

Bold leadership, not capitulation, is the only strategy to keep communities safe.
We ask you to vote NO on this anti-Israel ballot measure – which is a strategy designed by Hamas supporters to keep Hamas in power and continue to inflict carnage on the Palestinians and Israelis.

Please protect our community, democracy, and national security from misinformation and terrorist propaganda.

Sincerely,

"This is your democracy. Make it. Protect it. Pass it on."

Honorable Elected Officials,

We are your constituents, Americans across this great nation, and worldwide citizens who ask you to vote NO on the proposed anti-Israel ballot measure which falsely accuses Israel of apartheid, genocide, and illegal occupation and then asks voters to prohibit future city business and city investments with Israeli companies.

UNCONSTITUTIONAL: VIOLATION OF U.S. COMMERCE CLAUSE

The power to regulate foreign commerce lies exclusively with Congress. By trying to pass this ballot question endorsing a foreign-directed commercial boycott of Israel, your city council oversteps its constitutional authority. This would directly conflict with federal law and obstruct lawful commercial relationships with a U.S. ally. This represents a violation of Article I, Section 8 of the Constitution.

VIOLATES FEDERAL LAW

In addition, under the Export Administration Act and related federal statutes, U.S. persons and entities are prohibited from participating in or supporting unsanctioned foreign boycotts, such as this campaign targeting Israel. City Council members are duty bound to federal legal frameworks.

STANDARDS FOR U.S. BALLOT QUESTIONS

As elected officials you know that “informed citizens are democracy’s best defense” [1] and “to abandon facts is to abandon freedom” [2].

Yet, your city council has abandoned the facts and placed several outright lies in a ballot question that not only misleads voters but also opens a door to those who want nothing but to destroy our democracy and our way of life.

Why would you actively allow this to happen?

THE TRUTH ABOUT “PRO-PALESTINIAN” PROTESTERS

We have watched in horror as protestors have overtaken city councils, state government, and American university campuses with misinformation, extremist ideology, and violent conduct that undermine our democratic way of life and our peaceful communities.

The protesters claim to be an anti-war movement to stop the “genocide, apartheid, and occupation” [3] of the

Palestinian people, but nothing can be further from the truth.

Students for Justice in Palestine (SJP) and other groups (AMP, CAIR, JVP, WOL, etc.) are funded by the Hamas terrorist organization [4-9]. As a propaganda arm of Hamas, their sole purpose is to radicalize and misinform government officials and campuses and create a massive disinformation campaign to delegitimize Israel and promote the annihilation of the Jewish State.

Their chant, "From the River to the Sea," clearly states their intention [10]. If you listen carefully, however, their violent intentions do not stop with Israel. They promote antisemitism the world over with the ultimate goal of overturning democratic values as they chant "Death to America" [11-12]. Their philosophy is anchored in the Hamas Charter, which states in its introduction, "Israel will exist until Islam will obliterate it" and "Our struggle against the Jews is very great and very serious" [13]; and the radical Islamist Duaat entitled "How Islam will dominate the world" [14].

Pure logic and history upend the protesters' statements.

Only a day after the heinous October 7 attacks on Israel, these protesters started their false accusations of "genocide" [15]. Here is the truth:

FALSE CLAIMS OF APARTHEID

Hamas' accusations of apartheid are false. Apartheid is defined as a system of legalized racial discrimination and segregation that deprives a racial group of their political and civil rights. In South Africa, for example, the white minority segregated Black Africans in housing, transportation, education, and stripped them of citizenship, and positions in government.

In Israel, all citizens whether Jewish, Arab, Armenian, Baha'i, Christian, Druze, Muslim, etc. have equal rights. They can live, work, and travel wherever they want, and they are provided the same government services (e.g., health insurance, free public school, subsidized university education) equally. They attend the same universities and have the same voting power and opportunities. In fact, they hold positions in all industries (e.g., law, medicine, politics) – including positions as judges and members of the Knesset. Israel is a multi-racial society where the Arab citizens have full rights. Inciting racism or discrimination in Israel is a criminal offense [16].

FALSE CLAIMS OF COLONIALISM AND OCCUPATION

Predating Islam, the Jewish people arrived and established the independent Land of Israel in the second millennium B.C.E. and lived there for more than 1,600 years. In succession, the Babylonians, Persians, Greeks, and Romans conquered the land. Despite the efforts of Roman crusaders and some Muslims to make the country empty of Jews, thousands of Jews have lived for centuries in each of the holy cities of Jerusalem, Safad, Tiberius, and Hebron; and in Gaza, Rafah, Ashkelon, Caesarea, Jaffa, Acre, and Jericho. [17]. Moreover, archaeological evidence proves Jewish indigenousity, with cities populated by a Jewish majority prior to the establishment of the modern state of Israel [18].

It is absurd to claim that the Jews who returned to Israel starting in the last decades of the 19th century were colonialists and imperialists. For whom were these idealists working? They were not planting the flag of the antisemitic regimes of Russia, Poland, and Lithuania; and they were kicked out of Yemen, Iraq, Turkey, and North Africa. In fact, these Jewish refugees had to overcome Turkish, British, and Pan-Arab imperialism to achieve self-determination. They were fleeing pogroms and persecution and wanted nothing to do with the countries from which they fled. They did not come to the land with weapons to conquer, but with rakes and hoes to cultivate often swamp-infested land they legally purchased from absentee landlords. Years later, after the Holocaust, the state of Israel was defined and established by international law (1948). The Israelis were ecstatic to live peacefully among their neighbors within the meager boundaries they were allotted in 1948, when five Arab countries attacked Israel in the War of Independence. This war was one of many that Muslim extremists committed against the Jewish state to deny Israel's right to exist [19].

In 1967 Egypt, Syria, and Jordan started a war with Israel. Hafiz al-Assad ordered his Syrian soldiers to "strike the enemy's [civilian] settlements, turn them into dust, pave the Arab roads with the skulls of the Jews, and strike them

without mercy" [20]. Miraculously, Israel won the war and gained territory in the Sinai, Golan Heights, West Bank, Gaza, and East Jerusalem. In 1982, Israel gave the Sinai to Egypt, which has created peace between the countries [21].
With similar hope, Israel left Gaza in 2005 as one of many gestures of peace with its Arab neighbors that have been met with violence [22]. This is worth repeating. Since 2005, Israel has NOT occupied Gaza. In response, Hamas overtook Gaza, slaughtered Palestinian leaders, created 450 miles of terror tunnels, launched over 30,000 rockets at Israel, and on October 7 perpetrated the most heinous attacks on the Jewish people since the Holocaust including the kidnapping of Israelis, Americans, and Foreign Nationals still missing today [23-24].

## FALSE CLAIMS OF GENOCIDE: HAMAS IS RESPONSIBLE FOR DEATHS OF PALESTINIANS

Both Hamas and the protesters' accusations of the Israel Defense Forces (IDF) are blatantly false. Numerous military leaders, including John Spencer (Former Chair of Urban Warfare Studies, WestPoint), testify that "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" including its use of precision weapons and the sending of leaflets, texts, and calls to Gazans ahead of airstrikes to provide time for them to evacuate targeted areas [25-27]. Sadly, terrorists boast of hiding among their own civilians to increase casualties [28].

Armies that fight defensive wars against terrorists in urban warfare generally have a civilian to casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist eliminated. This was true for U.S. and coalition troops in Mosul (2016-2017) [29]. However, Israel's ratio is less than 1:1, meaning they have reduced civilian casualties more than four to sixtyfold by comparison [30]. While the loss of innocent life is tragic, according to International Humanitarian Law (Article 51) these deaths fall squarely on Hamas [31].

Statistical analysis proves what Israel has been saying along - that the Ministry of Health numbers are false [32].

## HAMAS ADMITS: NO GENOCIDE HERE

As in previous wars that Hamas has started, Hamas leaders have finally admitted that they lied about numbers of civilian casualties [33], and that 72% of casualty numbers are male terrorists [34].

Moreover, Palestinian civilians attest to the fact that Hamas steals food from aid trucks and murders Palestinians trying to reach the aid [35-38].

This document proves that the claims aimed at Israel of apartheid, genocide, colonialism, and occupation - are patently FALSE.

After the barbaric attack on October 7th, Hamas is still holding hostages and rebuilding its terror structure.

Allowing protesters like SJP, and groups like it (e.g., AMP, CAIR, JVP, WOL, etc.), to hijack governing bodies only rewards and emboldens Hamas, endangers Israel and worldwide democracies, and prevents the Gazans from taking responsibility to unlearn hate and choose healthy governance so that they become viable peace partners.

The world is at an uncomfortable brink: Barbarism vs. Democracy. Rewarding barbarity and those who support it is a losing proposition.

Bold leadership, not capitulation, is the only strategy to keep communities safe.
We ask you to vote NO on this anti-Israel ballot measure – which is a strategy designed by Hamas supporters to keep Hamas in power and continue to inflict carnage on the Palestinians and Israelis.

Please protect our community, democracy, and national security from misinformation and terrorist propaganda.

Sincerely,

"This is your democracy. Make it. Protect it. Pass it on."

Honorable Elected Officials,

We are your constituents, Americans across this great nation, and worldwide citizens who ask you to vote NO on the proposed anti-Israel ballot measure which falsely accuses Israel of apartheid, genocide, and illegal occupation and then asks voters to prohibit future city business and city investments with Israeli companies.

UNCONSTITUTIONAL: VIOLATION OF U.S. COMMERCE CLAUSE

The power to regulate foreign commerce lies exclusively with Congress. By trying to pass this ballot question endorsing a foreign-directed commercial boycott of Israel, your city council oversteps its constitutional authority. This would directly conflict with federal law and obstruct lawful commercial relationships with a U.S. ally. This represents a violation of Article I, Section 8 of the Constitution.

VIOLATES FEDERAL LAW

In addition, under the Export Administration Act and related federal statutes, U.S. persons and entities are prohibited from participating in or supporting unsanctioned foreign boycotts, such as this campaign targeting Israel. City Council members are duty bound to federal legal frameworks.

STANDARDS FOR U.S. BALLOT QUESTIONS

As elected officials you know that “informed citizens are democracy’s best defense” [1] and “to abandon facts is to abandon freedom” [2].

Yet, your city council has abandoned the facts and placed several outright lies in a ballot question that not only misleads voters but also opens a door to those who want nothing but to destroy our democracy and our way of life.

Why would you actively allow this to happen?

THE TRUTH ABOUT “PRO-PALESTINIAN” PROTESTERS

We have watched in horror as protestors have overtaken city councils, state government, and American university campuses with misinformation, extremist ideology, and violent conduct that undermine our democratic way of life and our peaceful communities.

The protesters claim to be an anti-war movement to stop the “genocide, apartheid, and occupation” [3] of the

Palestinian people, but nothing can be further from the truth.

Students for Justice in Palestine (SJP) and other groups (AMP, CAIR, JVP, WOL, etc.) are funded by the Hamas terrorist organization [4-9]. As a propaganda arm of Hamas, their sole purpose is to radicalize and misinform government officials and campuses and create a massive disinformation campaign to delegitimize Israel and promote the annihilation of the Jewish State.

Their chant, "From the River to the Sea," clearly states their intention [10]. If you listen carefully, however, their violent intentions do not stop with Israel. They promote antisemitism the world over with the ultimate goal of overturning democratic values as they chant "Death to America" [11-12]. Their philosophy is anchored in the Hamas Charter, which states in its introduction, "Israel will exist until Islam will obliterate it" and "Our struggle against the Jews is very great and very serious" [13]; and the radical Islamist Duaat entitled "How Islam will dominate the world" [14].

Pure logic and history upend the protesters' statements.

Only a day after the heinous October 7 attacks on Israel, these protesters started their false accusations of "genocide" [15]. Here is the truth:

FALSE CLAIMS OF APARTHEID

Hamas' accusations of apartheid are false. Apartheid is defined as a system of legalized racial discrimination and segregation that deprives a racial group of their political and civil rights. In South Africa, for example, the white minority segregated Black Africans in housing, transportation, education, and stripped them of citizenship, and positions in government.

In Israel, all citizens whether Jewish, Arab, Armenian, Baha'i, Christian, Druze, Muslim, etc. have equal rights. They can live, work, and travel wherever they want, and they are provided the same government services (e.g., health insurance, free public school, subsidized university education) equally. They attend the same universities and have the same voting power and opportunities. In fact, they hold positions in all industries (e.g., law, medicine, politics) – including positions as judges and members of the Knesset. Israel is a multi-racial society where the Arab citizens have full rights. Inciting racism or discrimination in Israel is a criminal offense [16].

FALSE CLAIMS OF COLONIALISM AND OCCUPATION

Predating Islam, the Jewish people arrived and established the independent Land of Israel in the second millennium B.C.E. and lived there for more than 1,600 years. In succession, the Babylonians, Persians, Greeks, and Romans conquered the land. Despite the efforts of Roman crusaders and some Muslims to make the country empty of Jews, thousands of Jews have lived for centuries in each of the holy cities of Jerusalem, Safad, Tiberius, and Hebron; and in Gaza, Rafah, Ashkelon, Caesarea, Jaffa, Acre, and Jericho. [17]. Moreover, archaeological evidence proves Jewish indigenousity, with cities populated by a Jewish majority prior to the establishment of the modern state of Israel [18].

It is absurd to claim that the Jews who returned to Israel starting in the last decades of the 19th century were colonialists and imperialists. For whom were these idealists working? They were not planting the flag of the antisemitic regimes of Russia, Poland, and Lithuania; and they were kicked out of Yemen, Iraq, Turkey, and North Africa. In fact, these Jewish refugees had to overcome Turkish, British, and Pan-Arab imperialism to achieve self-determination. They were fleeing pogroms and persecution and wanted nothing to do with the countries from which they fled. They did not come to the land with weapons to conquer, but with rakes and hoes to cultivate often swamp-infested land they legally purchased from absentee landlords. Years later, after the Holocaust, the state of Israel was defined and established by international law (1948). The Israelis were ecstatic to live peacefully among their neighbors within the meager boundaries they were allotted in 1948, when five Arab countries attacked Israel in the War of Independence. This war was one of many that Muslim extremists committed against the Jewish state to deny Israel's right to exist [19].

In 1967 Egypt, Syria, and Jordan started a war with Israel. Hafiz al-Assad ordered his Syrian soldiers to "strike the enemy's [civilian] settlements, turn them into dust, pave the Arab roads with the skulls of the Jews, and strike them

without mercy" [20]. Miraculously, Israel won the war and gained territory in the Sinai, Golan Heights, West Bank, Gaza, and East Jerusalem. In 1982, Israel gave the Sinai to Egypt, which has created peace between the countries [21].
With similar hope, Israel left Gaza in 2005 as one of many gestures of peace with its Arab neighbors that have been met with violence [22]. This is worth repeating. Since 2005, Israel has NOT occupied Gaza. In response, Hamas overtook Gaza, slaughtered Palestinian leaders, created 450 miles of terror tunnels, launched over 30,000 rockets at Israel, and on October 7 perpetrated the most heinous attacks on the Jewish people since the Holocaust including the kidnapping of Israelis, Americans, and Foreign Nationals still missing today [23-24].

## FALSE CLAIMS OF GENOCIDE: HAMAS IS RESPONSIBLE FOR DEATHS OF PALESTINIANS

Both Hamas and the protesters' accusations of the Israel Defense Forces (IDF) are blatantly false. Numerous military leaders, including John Spencer (Former Chair of Urban Warfare Studies, WestPoint), testify that "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" including its use of precision weapons and the sending of leaflets, texts, and calls to Gazans ahead of airstrikes to provide time for them to evacuate targeted areas [25-27]. Sadly, terrorists boast of hiding among their own civilians to increase casualties [28].

Armies that fight defensive wars against terrorists in urban warfare generally have a civilian to casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist eliminated. This was true for U.S. and coalition troops in Mosul (2016-2017) [29]. However, Israel's ratio is less than 1:1, meaning they have reduced civilian casualties more than four to sixtyfold by comparison [30]. While the loss of innocent life is tragic, according to International Humanitarian Law (Article 51) these deaths fall squarely on Hamas [31].

Statistical analysis proves what Israel has been saying along - that the Ministry of Health numbers are false [32].

## HAMAS ADMITS: NO GENOCIDE HERE

As in previous wars that Hamas has started, Hamas leaders have finally admitted that they lied about numbers of civilian casualties [33], and that 72% of casualty numbers are male terrorists [34].

Moreover, Palestinian civilians attest to the fact that Hamas steals food from aid trucks and murders Palestinians trying to reach the aid [35-38].

## HAMAS' GLOBAL SUBTERFUGE

Hamas covers its atrocities against the Palestinian people (e.g., blocking safe passage corridors, hiding and firing weapons among civilians) [39-41] by sponsoring and supporting city, state, and worldwide protests on the Palestinians' behalf with the sole intent of delegitimizing Israel [42-45].

Donning the cloak of victimhood and resistance, Hamas's behavior is barbaric – igniting hatred and discrimination against Israel, worldwide Jewry, and democracy itself.

## SUMMARY

This document proves that the claims aimed at Israel of apartheid, genocide, colonialism, and occupation - are patently FALSE.

After the barbaric attack on October 7th, Hamas is still holding hostages and rebuilding its terror structure.

Honorable Elected Officials,

We are your constituents, Americans across this great nation, and worldwide citizens who ask you to vote NO on the proposed anti-Israel ballot measure which falsely accuses Israel of apartheid, genocide, and illegal occupation and then asks voters to prohibit future city business and city investments with Israeli companies.

UNCONSTITUTIONAL: VIOLATION OF U.S. COMMERCE CLAUSE

The power to regulate foreign commerce lies exclusively with Congress. By trying to pass this ballot question endorsing a foreign-directed commercial boycott of Israel, your city council oversteps its constitutional authority. This would directly conflict with federal law and obstruct lawful commercial relationships with a U.S. ally. This represents a violation of Article I, Section 8 of the Constitution.

VIOLATES FEDERAL LAW

In addition, under the Export Administration Act and related federal statutes, U.S. persons and entities are prohibited from participating in or supporting unsanctioned foreign boycotts, such as this campaign targeting Israel. City Council members are duty bound to federal legal frameworks.

STANDARDS FOR U.S. BALLOT QUESTIONS

As elected officials you know that “informed citizens are democracy’s best defense” [1] and “to abandon facts is to abandon freedom” [2].

Yet, your city council has abandoned the facts and placed several outright lies in a ballot question that not only misleads voters but also opens a door to those who want nothing but to destroy our democracy and our way of life.

Why would you actively allow this to happen?

THE TRUTH ABOUT "PRO-PALESTINIAN" PROTESTERS

We have watched in horror as protestors have overtaken city councils, state government, and American university campuses with misinformation, extremist ideology, and violent conduct that undermine our democratic way of life and our peaceful communities.

The protesters claim to be an anti-war movement to stop the "genocide, apartheid, and occupation" [3] of the Palestinian people, but nothing can be further from the truth.

Students for Justice in Palestine (SJP) and other groups (AMP, CAIR, JVP, WOL, etc.) are funded by the Hamas terrorist organization [4-9]. As a propaganda arm of Hamas, their sole purpose is to radicalize and misinform government officials and campuses and create a massive disinformation campaign to delegitimize Israel and promote the annihilation of the Jewish State.

Their chant, "From the River to the Sea," clearly states their intention [10]. If you listen carefully, however, their violent intentions do not stop with Israel. They promote antisemitism the world over with the ultimate goal of overturning democratic values as they chant "Death to America" [11-12]. Their philosophy is anchored in the Hamas Charter, which states in its introduction, "Israel will exist until Islam will obliterate it" and "Our struggle against the Jews is very great and very serious" [13]; and the radical Islamist Duaat entitled "How Islam will dominate the world" [14].

Pure logic and history upend the protesters' statements.

Only a day after the heinous October 7 attacks on Israel, these protesters started their false accusations of "genocide" [15]. Here is the truth:

FALSE CLAIMS OF APARTHEID

Hamas' accusations of apartheid are false. Apartheid is defined as a system of legalized racial discrimination and segregation that deprives a racial group of their political and civil rights. In South Africa, for example, the white minority segregated Black Africans in housing, transportation, education, and stripped them of citizenship, and positions in government.

In Israel, all citizens whether Jewish, Arab, Armenian, Baha'i, Christian, Druze, Muslim, etc. have equal rights. They can live, work, and travel wherever they want, and they are provided the same government services (e.g., health insurance, free public school, subsidized university education) equally. They attend the same universities and have the same voting power and opportunities. In fact, they hold positions in all industries (e.g., law, medicine, politics) – including positions as judges and members of the Knesset. Israel is a multi-racial society where the Arab citizens have full rights. Inciting racism or discrimination in Israel is a criminal offense [16].

FALSE CLAIMS OF COLONIALISM AND OCCUPATION

Predating Islam, the Jewish people arrived and established the independent Land of Israel in the second millennium B.C.E. and lived there for more than 1,600 years. In succession, the

Babylonians, Persians, Greeks, and Romans conquered the land. Despite the efforts of Roman crusaders and some Muslims to make the country empty of Jews, thousands of Jews have lived for centuries in each of the holy cities of Jerusalem, Safad, Tiberius, and Hebron; and in Gaza, Rafah, Ashkelon, Caesarea, Jaffa, Acre, and Jericho. [17]. Moreover, archaeological evidence proves Jewish indigenousity, with cities populated by a Jewish majority prior to the establishment of the modern state of Israel [18].

It is absurd to claim that the Jews who returned to Israel starting in the last decades of the 19th century were colonialists and imperialists. For whom were these idealists working? They were not planting the flag of the antisemitic regimes of Russia, Poland, and Lithuania; and they were kicked out of Yemen, Iraq, Turkey, and North Africa. In fact, these Jewish refugees had to overcome Turkish, British, and Pan-Arab imperialism to achieve self-determination. They were fleeing pogroms and persecution and wanted nothing to do with the countries from which they fled. They did not come to the land with weapons to conquer, but with rakes and hoes to cultivate often swamp-infested land they legally purchased from absentee landlords. Years later, after the Holocaust, the state of Israel was defined and established by international law (1948). The Israelis were ecstatic to live peacefully among their neighbors within the meager boundaries they were allotted in 1948, when five Arab countries attacked Israel in the War of Independence. This war was one of many that Muslim extremists committed against the Jewish state to deny Israel's right to exist [19].

In 1967 Egypt, Syria, and Jordan started a war with Israel. Hafiz al-Assad ordered his Syrian soldiers to "strike the enemy's [civilian] settlements, turn them into dust, pave the Arab roads with the skulls of the Jews, and strike them without mercy" [20]. Miraculously, Israel won the war and gained territory in the Sinai, Golan Heights, West Bank, Gaza, and East Jerusalem. In 1982, Israel gave the Sinai to Egypt, which has created peace between the countries [21]. With similar hope, Israel left Gaza in 2005 as one of many gestures of peace with its Arab neighbors that have been met with violence [22]. This is worth repeating. Since 2005, Israel has NOT occupied Gaza. In response, Hamas overtook Gaza, slaughtered Palestinian leaders, created 450 miles of terror tunnels, launched over 30,000 rockets at Israel, and on October 7 perpetrated the most heinous attacks on the Jewish people since the Holocaust including the kidnapping of Israelis, Americans, and Foreign Nationals still missing today [23-24].

## FALSE CLAIMS OF GENOCIDE: HAMAS IS RESPONSIBLE FOR DEATHS OF PALESTINIANS

Both Hamas and the protesters' accusations of the Israel Defense Forces (IDF) are blatantly false. Numerous military leaders, including John Spencer (Former Chair of Urban Warfare Studies, WestPoint), testify that "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" including its use of precision weapons and the sending of leaflets, texts, and calls to Gazans ahead of airstrikes to provide time for them to evacuate targeted areas [25-27]. Sadly, terrorists boast of hiding among their own civilians to increase casualties [28].

Armies that fight defensive wars against terrorists in urban warfare generally have a civilian to casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist eliminated. This was true for U.S. and coalition troops in Mosul (2016-2017) [29]. However, Israel's ratio is less than 1:1, meaning they have reduced civilian casualties more than four to sixtyfold by comparison [30]. While the loss of innocent life is tragic, according to International Humanitarian Law (Article 51) these deaths fall squarely on Hamas [31].

Statistical analysis proves what Israel has been saying along - that the Ministry of Health numbers are false [32].

HAMAS ADMITS: NO GENOCIDE HERE

As in previous wars that Hamas has started, Hamas leaders have finally admitted that they lied about numbers of civilian casualties [33], and that 72% of casualty numbers are male terrorists [34].

Moreover, Palestinian civilians attest to the fact that Hamas steals food from aid trucks and murders Palestinians trying to reach the aid [35-38].

HAMAS' GLOBAL SUBTERFUGE

Hamas covers its atrocities against the Palestinian people (e.g., blocking safe passage corridors, hiding and firing weapons among civilians) [39-41] by sponsoring and supporting city, state, and worldwide protests on the Palestinians' behalf with the sole intent of delegitimizing Israel [42-45].

Donning the cloak of victimhood and resistance, Hamas's behavior is barbaric – igniting hatred and discrimination against Israel, worldwide Jewry, and democracy itself.

SUMMARY

This document proves that the claims aimed at Israel of apartheid, genocide, colonialism, and occupation - are patently FALSE.

After the barbaric attack on October 7th, Hamas is still holding hostages and rebuilding its terror structure.

Allowing protesters like SJP, and groups like it (e.g., AMP, CAIR, JVP, WOL, etc.), to hijack governing bodies only rewards and emboldens Hamas, endangers Israel and worldwide democracies, and prevents the Gazans from taking responsibility to unlearn hate and choose healthy governance so that they become viable peace partners.

The world is at an uncomfortable brink: Barbarism vs. Democracy. Rewarding barbarity and those who support it is a losing proposition.

Bold leadership, not capitulation, is the only strategy to keep communities safe.
We ask you to vote NO on this anti-Israel ballot measure – which is a strategy designed by Hamas supporters to keep Hamas in power and continue to inflict carnage on the Palestinians and Israelis.

Please protect our community, democracy, and national security from misinformation and terrorist propaganda.

Sincerely,
Sara Evenhar

Honorable Elected Officials,

We are your constituents, Americans across this great nation, and worldwide citizens who ask you to vote NO on the proposed anti-Israel ballot measure which falsely accuses Israel of apartheid, genocide, and illegal occupation and then asks voters to prohibit future city business and city investments with Israeli companies.

UNCONSTITUTIONAL: VIOLATION OF U.S. COMMERCE CLAUSE

The power to regulate foreign commerce lies exclusively with Congress. By trying to pass this ballot question endorsing a foreign-directed commercial boycott of Israel, your city council oversteps its constitutional authority. This would directly conflict with federal law and obstruct lawful commercial relationships with a U.S. ally. This represents a violation of Article I, Section 8 of the Constitution.

VIOLATES FEDERAL LAW

In addition, under the Export Administration Act and related federal statutes, U.S. persons and entities are prohibited from participating in or supporting unsanctioned foreign boycotts, such as this campaign targeting Israel. City Council members are duty bound to federal legal frameworks.

STANDARDS FOR U.S. BALLOT QUESTIONS

As elected officials you know that “informed citizens are democracy’s best defense” [1] and “to abandon facts is to abandon freedom” [2].

Yet, your city council has abandoned the facts and placed several outright lies in a ballot question that not only misleads voters but also opens a door to those who want nothing but to destroy our democracy and our way of life.

Why would you actively allow this to happen?

THE TRUTH ABOUT “PRO-PALESTINIAN” PROTESTERS

We have watched in horror as protestors have overtaken city councils, state government, and American university campuses with misinformation, extremist ideology, and violent conduct that undermine our democratic way of life and our peaceful communities.

The protesters claim to be an anti-war movement to stop the “genocide, apartheid, and occupation” [3] of the

Palestinian people, but nothing can be further from the truth.

Students for Justice in Palestine (SJP) and other groups (AMP, CAIR, JVP, WOL, etc.) are funded by the Hamas terrorist organization [4-9]. As a propaganda arm of Hamas, their sole purpose is to radicalize and misinform government officials and campuses and create a massive disinformation campaign to delegitimize Israel and promote the annihilation of the Jewish State.

Their chant, "From the River to the Sea," clearly states their intention [10]. If you listen carefully, however, their violent intentions do not stop with Israel. They promote antisemitism the world over with the ultimate goal of overturning democratic values as they chant "Death to America" [11-12]. Their philosophy is anchored in the Hamas Charter, which states in its introduction, "Israel will exist until Islam will obliterate it" and "Our struggle against the Jews is very great and very serious" [13]; and the radical Islamist Duaat entitled "How Islam will dominate the world" [14].

Pure logic and history upend the protesters' statements.

Only a day after the heinous October 7 attacks on Israel, these protesters started their false accusations of "genocide" [15]. Here is the truth:

FALSE CLAIMS OF APARTHEID

Hamas' accusations of apartheid are false. Apartheid is defined as a system of legalized racial discrimination and segregation that deprives a racial group of their political and civil rights. In South Africa, for example, the white minority segregated Black Africans in housing, transportation, education, and stripped them of citizenship, and positions in government.

In Israel, all citizens whether Jewish, Arab, Armenian, Baha'i, Christian, Druze, Muslim, etc. have equal rights. They can live, work, and travel wherever they want, and they are provided the same government services (e.g., health insurance, free public school, subsidized university education) equally. They attend the same universities and have the same voting power and opportunities. In fact, they hold positions in all industries (e.g., law, medicine, politics) – including positions as judges and members of the Knesset. Israel is a multi-racial society where the Arab citizens have full rights. Inciting racism or discrimination in Israel is a criminal offense [16].

FALSE CLAIMS OF COLONIALISM AND OCCUPATION

Predating Islam, the Jewish people arrived and established the independent Land of Israel in the second millennium B.C.E. and lived there for more than 1,600 years. In succession, the Babylonians, Persians, Greeks, and Romans conquered the land. Despite the efforts of Roman crusaders and some Muslims to make the country empty of Jews, thousands of Jews have lived for centuries in each of the holy cities of Jerusalem, Safad, Tiberius, and Hebron; and in Gaza, Rafah, Ashkelon, Caesarea, Jaffa, Acre, and Jericho. [17]. Moreover, archaeological evidence proves Jewish indigenousity, with cities populated by a Jewish majority prior to the establishment of the modern state of Israel [18].

It is absurd to claim that the Jews who returned to Israel starting in the last decades of the 19th century were colonialists and imperialists. For whom were these idealists working? They were not planting the flag of the antisemitic regimes of Russia, Poland, and Lithuania; and they were kicked out of Yemen, Iraq, Turkey, and North Africa. In fact, these Jewish refugees had to overcome Turkish, British, and Pan-Arab imperialism to achieve self-determination. They were fleeing pogroms and persecution and wanted nothing to do with the countries from which they fled. They did not come to the land with weapons to conquer, but with rakes and hoes to cultivate often swamp-infested land they legally purchased from absentee landlords. Years later, after the Holocaust, the state of Israel was defined and established by international law (1948). The Israelis were ecstatic to live peacefully among their neighbors within the meager boundaries they were allotted in 1948, when five Arab countries attacked Israel in the War of Independence. This war was one of many that Muslim extremists committed against the Jewish state to deny Israel's right to exist [19].

In 1967 Egypt, Syria, and Jordan started a war with Israel. Hafiz al-Assad ordered his Syrian soldiers to "strike the enemy's [civilian] settlements, turn them into dust, pave the Arab roads with the skulls of the Jews, and strike them

without mercy" [20]. Miraculously, Israel won the war and gained territory in the Sinai, Golan Heights, West Bank, Gaza, and East Jerusalem. In 1982, Israel gave the Sinai to Egypt, which has created peace between the countries [21].
With similar hope, Israel left Gaza in 2005 as one of many gestures of peace with its Arab neighbors that have been met with violence [22]. This is worth repeating. Since 2005, Israel has NOT occupied Gaza. In response, Hamas overtook Gaza, slaughtered Palestinian leaders, created 450 miles of terror tunnels, launched over 30,000 rockets at Israel, and on October 7 perpetrated the most heinous attacks on the Jewish people since the Holocaust including the kidnapping of Israelis, Americans, and Foreign Nationals still missing today [23-24].

## FALSE CLAIMS OF GENOCIDE: HAMAS IS RESPONSIBLE FOR DEATHS OF PALESTINIANS

Both Hamas and the protesters' accusations of the Israel Defense Forces (IDF) are blatantly false. Numerous military leaders, including John Spencer (Former Chair of Urban Warfare Studies, WestPoint), testify that "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" including its use of precision weapons and the sending of leaflets, texts, and calls to Gazans ahead of airstrikes to provide time for them to evacuate targeted areas [25-27]. Sadly, terrorists boast of hiding among their own civilians to increase casualties [28].

Armies that fight defensive wars against terrorists in urban warfare generally have a civilian to casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist eliminated. This was true for U.S. and coalition troops in Mosul (2016-2017) [29]. However, Israel's ratio is less than 1:1, meaning they have reduced civilian casualties more than four to sixtyfold by comparison [30]. While the loss of innocent life is tragic, according to International Humanitarian Law (Article 51) these deaths fall squarely on Hamas [31].

Statistical analysis proves what Israel has been saying along - that the Ministry of Health numbers are false [32].

## HAMAS ADMITS: NO GENOCIDE HERE

As in previous wars that Hamas has started, Hamas leaders have finally admitted that they lied about numbers of civilian casualties [33], and that 72% of casualty numbers are male terrorists [34].

Moreover, Palestinian civilians attest to the fact that Hamas steals food from aid trucks and murders Palestinians trying to reach the aid [35-38].

## HAMAS' GLOBAL SUBTERFUGE

Hamas covers its atrocities against the Palestinian people (e.g., blocking safe passage corridors, hiding and firing weapons among civilians) [39-41] by sponsoring and supporting city, state, and worldwide protests on the Palestinians' behalf with the sole intent of delegitimizing Israel [42-45].

Donning the cloak of victimhood and resistance, Hamas's behavior is barbaric – igniting hatred and discrimination against Israel, worldwide Jewry, and democracy itself.

## SUMMARY

This document proves that the claims aimed at Israel of apartheid, genocide, colonialism, and occupation - are patently FALSE.

After the barbaric attack on October 7th, Hamas is still holding hostages and rebuilding its terror structure.

Allowing protesters like SJP, and groups like it (e.g., AMP, CAIR, JVP, WOL, etc.), to hijack governing bodies only rewards and emboldens Hamas, endangers Israel and worldwide democracies, and prevents the Gazans from taking responsibility to unlearn hate and choose healthy governance so that they become viable peace partners.

The world is at an uncomfortable brink: Barbarism vs. Democracy. Rewarding barbarity and those who support it is a losing proposition.

Bold leadership, not capitulation, is the only strategy to keep communities safe.
We ask you to vote NO on this anti-Israel ballot measure – which is a strategy designed by Hamas supporters to keep Hamas in power and continue to inflict carnage on the Palestinians and Israelis.

Please protect our community, democracy, and national security from misinformation and terrorist propaganda.

Sincerely,
Maureen Eisenberg

Honorable Elected Officials,

We are your constituents, Americans across this great nation, and worldwide citizens who ask you to vote NO on the proposed anti-Israel ballot measure which falsely accuses Israel of apartheid, genocide, and illegal occupation and then asks voters to prohibit future city business and city investments with Israeli companies.

UNCONSTITUTIONAL: VIOLATION OF U.S. COMMERCE CLAUSE

The power to regulate foreign commerce lies exclusively with Congress. By trying to pass this ballot question endorsing a foreign-directed commercial boycott of Israel, your city council oversteps its constitutional authority. This would directly conflict with federal law and obstruct lawful commercial relationships with a U.S. ally. This represents a violation of Article I, Section 8 of the Constitution.

VIOLATES FEDERAL LAW

In addition, under the Export Administration Act and related federal statutes, U.S. persons and entities are prohibited from participating in or supporting unsanctioned foreign boycotts, such as this campaign targeting Israel. City Council members are duty bound to federal legal frameworks.

STANDARDS FOR U.S. BALLOT QUESTIONS

As elected officials you know that “informed citizens are democracy’s best defense” [1] and “to abandon facts is to abandon freedom” [2].

Yet, your city council has abandoned the facts and placed several outright lies in a ballot question that not only misleads voters but also opens a door to those who want nothing but to destroy our democracy and our way of life.

Why would you actively allow this to happen?

THE TRUTH ABOUT “PRO-PALESTINIAN” PROTESTERS

We have watched in horror as protestors have overtaken city councils, state government, and American university campuses with misinformation, extremist ideology, and violent conduct that undermine our democratic way of life and our peaceful communities.

The protesters claim to be an anti-war movement to stop the “genocide, apartheid, and occupation” [3] of the

Palestinian people, but nothing can be further from the truth.

Students for Justice in Palestine (SJP) and other groups (AMP, CAIR, JVP, WOL, etc.) are funded by the Hamas terrorist organization [4-9]. As a propaganda arm of Hamas, their sole purpose is to radicalize and misinform government officials and campuses and create a massive disinformation campaign to delegitimize Israel and promote the annihilation of the Jewish State.

Their chant, "From the River to the Sea," clearly states their intention [10]. If you listen carefully, however, their violent intentions do not stop with Israel. They promote antisemitism the world over with the ultimate goal of overturning democratic values as they chant "Death to America" [11-12]. Their philosophy is anchored in the Hamas Charter, which states in its introduction, "Israel will exist until Islam will obliterate it" and "Our struggle against the Jews is very great and very serious" [13]; and the radical Islamist Duaat entitled "How Islam will dominate the world" [14].

Pure logic and history upend the protesters' statements.

Only a day after the heinous October 7 attacks on Israel, these protesters started their false accusations of "genocide" [15]. Here is the truth:

FALSE CLAIMS OF APARTHEID

Hamas' accusations of apartheid are false. Apartheid is defined as a system of legalized racial discrimination and segregation that deprives a racial group of their political and civil rights. In South Africa, for example, the white minority segregated Black Africans in housing, transportation, education, and stripped them of citizenship, and positions in government.

In Israel, all citizens whether Jewish, Arab, Armenian, Baha'i, Christian, Druze, Muslim, etc. have equal rights. They can live, work, and travel wherever they want, and they are provided the same government services (e.g., health insurance, free public school, subsidized university education) equally. They attend the same universities and have the same voting power and opportunities. In fact, they hold positions in all industries (e.g., law, medicine, politics) – including positions as judges and members of the Knesset. Israel is a multi-racial society where the Arab citizens have full rights. Inciting racism or discrimination in Israel is a criminal offense [16].

FALSE CLAIMS OF COLONIALISM AND OCCUPATION

Predating Islam, the Jewish people arrived and established the independent Land of Israel in the second millennium B.C.E. and lived there for more than 1,600 years. In succession, the Babylonians, Persians, Greeks, and Romans conquered the land. Despite the efforts of Roman crusaders and some Muslims to make the country empty of Jews, thousands of Jews have lived for centuries in each of the holy cities of Jerusalem, Safad, Tiberius, and Hebron; and in Gaza, Rafah, Ashkelon, Caesarea, Jaffa, Acre, and Jericho. [17]. Moreover, archaeological evidence proves Jewish indigenousity, with cities populated by a Jewish majority prior to the establishment of the modern state of Israel [18].

It is absurd to claim that the Jews who returned to Israel starting in the last decades of the 19th century were colonialists and imperialists. For whom were these idealists working? They were not planting the flag of the antisemitic regimes of Russia, Poland, and Lithuania; and they were kicked out of Yemen, Iraq, Turkey, and North Africa. In fact, these Jewish refugees had to overcome Turkish, British, and Pan-Arab imperialism to achieve self-determination. They were fleeing pogroms and persecution and wanted nothing to do with the countries from which they fled. They did not come to the land with weapons to conquer, but with rakes and hoes to cultivate often swamp-infested land they legally purchased from absentee landlords. Years later, after the Holocaust, the state of Israel was defined and established by international law (1948). The Israelis were ecstatic to live peacefully among their neighbors within the meager boundaries they were allotted in 1948, when five Arab countries attacked Israel in the War of Independence. This war was one of many that Muslim extremists committed against the Jewish state to deny Israel's right to exist [19].

In 1967 Egypt, Syria, and Jordan started a war with Israel. Hafiz al-Assad ordered his Syrian soldiers to "strike the enemy's [civilian] settlements, turn them into dust, pave the Arab roads with the skulls of the Jews, and strike them

without mercy" [20]. Miraculously, Israel won the war and gained territory in the Sinai, Golan Heights, West Bank, Gaza, and East Jerusalem. In 1982, Israel gave the Sinai to Egypt, which has created peace between the countries [21].
With similar hope, Israel left Gaza in 2005 as one of many gestures of peace with its Arab neighbors that have been met with violence [22]. This is worth repeating. Since 2005, Israel has NOT occupied Gaza. In response, Hamas overtook Gaza, slaughtered Palestinian leaders, created 450 miles of terror tunnels, launched over 30,000 rockets at Israel, and on October 7 perpetrated the most heinous attacks on the Jewish people since the Holocaust including the kidnapping of Israelis, Americans, and Foreign Nationals still missing today [23-24].

## FALSE CLAIMS OF GENOCIDE: HAMAS IS RESPONSIBLE FOR DEATHS OF PALESTINIANS

Both Hamas and the protesters' accusations of the Israel Defense Forces (IDF) are blatantly false. Numerous military leaders, including John Spencer (Former Chair of Urban Warfare Studies, WestPoint), testify that "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" including its use of precision weapons and the sending of leaflets, texts, and calls to Gazans ahead of airstrikes to provide time for them to evacuate targeted areas [25-27]. Sadly, terrorists boast of hiding among their own civilians to increase casualties [28].

Armies that fight defensive wars against terrorists in urban warfare generally have a civilian to casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist eliminated. This was true for U.S. and coalition troops in Mosul (2016-2017) [29]. However, Israel's ratio is less than 1:1, meaning they have reduced civilian casualties more than four to sixtyfold by comparison [30]. While the loss of innocent life is tragic, according to International Humanitarian Law (Article 51) these deaths fall squarely on Hamas [31].

Statistical analysis proves what Israel has been saying along - that the Ministry of Health numbers are false [32].

## HAMAS ADMITS: NO GENOCIDE HERE

As in previous wars that Hamas has started, Hamas leaders have finally admitted that they lied about numbers of civilian casualties [33], and that 72% of casualty numbers are male terrorists [34].

Moreover, Palestinian civilians attest to the fact that Hamas steals food from aid trucks and murders Palestinians trying to reach the aid [35-38].

## HAMAS' GLOBAL SUBTERFUGE

Hamas covers its atrocities against the Palestinian people (e.g., blocking safe passage corridors, hiding and firing weapons among civilians) [39-41] by sponsoring and supporting city, state, and worldwide protests on the Palestinians' behalf with the sole intent of delegitimizing Israel [42-45].

Donning the cloak of victimhood and resistance, Hamas's behavior is barbaric – igniting hatred and discrimination against Israel, worldwide Jewry, and democracy itself.

## SUMMARY

This document proves that the claims aimed at Israel of apartheid, genocide, colonialism, and occupation - are patently FALSE.

After the barbaric attack on October 7th, Hamas is still holding hostages and rebuilding its terror structure.

Allowing protesters like SJP, and groups like it (e.g., AMP, CAIR, JVP, WOL, etc.), to hijack governing bodies only rewards and emboldens Hamas, endangers Israel and worldwide democracies, and prevents the Gazans from taking responsibility to unlearn hate and choose healthy governance so that they become viable peace partners.

The world is at an uncomfortable brink: Barbarism vs. Democracy. Rewarding barbarity and those who support it is a losing proposition.

Bold leadership, not capitulation, is the only strategy to keep communities safe.
We ask you to vote NO on this anti-Israel ballot measure – which is a strategy designed by Hamas supporters to keep Hamas in power and continue to inflict carnage on the Palestinians and Israelis.

Please protect our community, democracy, and national security from misinformation and terrorist propaganda.

Sincerely,

Honorable Elected Officials,

We are your constituents, Americans across this great nation, and worldwide citizens who ask you to vote NO on the proposed anti-Israel ballot measure which falsely accuses Israel of apartheid, genocide, and illegal occupation and then asks voters to prohibit future city business and city investments with Israeli companies.

UNCONSTITUTIONAL: VIOLATION OF U.S. COMMERCE CLAUSE

The power to regulate foreign commerce lies exclusively with Congress. By trying to pass this ballot question endorsing a foreign-directed commercial boycott of Israel, your city council oversteps its constitutional authority. This would directly conflict with federal law and obstruct lawful commercial relationships with a U.S. ally. This represents a violation of Article I, Section 8 of the Constitution.

VIOLATES FEDERAL LAW

In addition, under the Export Administration Act and related federal statutes, U.S. persons and entities are prohibited from participating in or supporting unsanctioned foreign boycotts, such as this campaign targeting Israel. City Council members are duty bound to federal legal frameworks.

STANDARDS FOR U.S. BALLOT QUESTIONS

As elected officials you know that “informed citizens are democracy’s best defense” [1] and “to abandon facts is to abandon freedom” [2].

Yet, your city council has abandoned the facts and placed several outright lies in a ballot question that not only misleads voters but also opens a door to those who want nothing but to destroy our democracy and our way of life.

Why would you actively allow this to happen?

THE TRUTH ABOUT “PRO-PALESTINIAN” PROTESTERS

We have watched in horror as protestors have overtaken city councils, state government, and American university campuses with misinformation, extremist ideology, and violent conduct that undermine our democratic way of life and our peaceful communities.

The protesters claim to be an anti-war movement to stop the “genocide, apartheid, and occupation” [3] of the

Palestinian people, but nothing can be further from the truth.

Students for Justice in Palestine (SJP) and other groups (AMP, CAIR, JVP, WOL, etc.) are funded by the Hamas terrorist organization [4-9]. As a propaganda arm of Hamas, their sole purpose is to radicalize and misinform government officials and campuses and create a massive disinformation campaign to delegitimize Israel and promote the annihilation of the Jewish State.

Their chant, "From the River to the Sea," clearly states their intention [10]. If you listen carefully, however, their violent intentions do not stop with Israel. They promote antisemitism the world over with the ultimate goal of overturning democratic values as they chant "Death to America" [11-12]. Their philosophy is anchored in the Hamas Charter, which states in its introduction, "Israel will exist until Islam will obliterate it" and "Our struggle against the Jews is very great and very serious" [13]; and the radical Islamist Duaat entitled "How Islam will dominate the world" [14].

Pure logic and history upend the protesters' statements.

Only a day after the heinous October 7 attacks on Israel, these protesters started their false accusations of "genocide" [15]. Here is the truth:

FALSE CLAIMS OF APARTHEID

Hamas' accusations of apartheid are false. Apartheid is defined as a system of legalized racial discrimination and segregation that deprives a racial group of their political and civil rights. In South Africa, for example, the white minority segregated Black Africans in housing, transportation, education, and stripped them of citizenship, and positions in government.

In Israel, all citizens whether Jewish, Arab, Armenian, Baha'i, Christian, Druze, Muslim, etc. have equal rights. They can live, work, and travel wherever they want, and they are provided the same government services (e.g., health insurance, free public school, subsidized university education) equally. They attend the same universities and have the same voting power and opportunities. In fact, they hold positions in all industries (e.g., law, medicine, politics) – including positions as judges and members of the Knesset. Israel is a multi-racial society where the Arab citizens have full rights. Inciting racism or discrimination in Israel is a criminal offense [16].

FALSE CLAIMS OF COLONIALISM AND OCCUPATION

Predating Islam, the Jewish people arrived and established the independent Land of Israel in the second millennium B.C.E. and lived there for more than 1,600 years. In succession, the Babylonians, Persians, Greeks, and Romans conquered the land. Despite the efforts of Roman crusaders and some Muslims to make the country empty of Jews, thousands of Jews have lived for centuries in each of the holy cities of Jerusalem, Safad, Tiberius, and Hebron; and in Gaza, Rafah, Ashkelon, Caesarea, Jaffa, Acre, and Jericho. [17]. Moreover, archaeological evidence proves Jewish indigenousity, with cities populated by a Jewish majority prior to the establishment of the modern state of Israel [18].

It is absurd to claim that the Jews who returned to Israel starting in the last decades of the 19th century were colonialists and imperialists. For whom were these idealists working? They were not planting the flag of the antisemitic regimes of Russia, Poland, and Lithuania; and they were kicked out of Yemen, Iraq, Turkey, and North Africa. In fact, these Jewish refugees had to overcome Turkish, British, and Pan-Arab imperialism to achieve self-determination. They were fleeing pogroms and persecution and wanted nothing to do with the countries from which they fled. They did not come to the land with weapons to conquer, but with rakes and hoes to cultivate often swamp-infested land they legally purchased from absentee landlords. Years later, after the Holocaust, the state of Israel was defined and established by international law (1948). The Israelis were ecstatic to live peacefully among their neighbors within the meager boundaries they were allotted in 1948, when five Arab countries attacked Israel in the War of Independence. This war was one of many that Muslim extremists committed against the Jewish state to deny Israel's right to exist [19].

In 1967 Egypt, Syria, and Jordan started a war with Israel. Hafiz al-Assad ordered his Syrian soldiers to "strike the enemy's [civilian] settlements, turn them into dust, pave the Arab roads with the skulls of the Jews, and strike them

without mercy" [20]. Miraculously, Israel won the war and gained territory in the Sinai, Golan Heights, West Bank, Gaza, and East Jerusalem. In 1982, Israel gave the Sinai to Egypt, which has created peace between the countries [21].
With similar hope, Israel left Gaza in 2005 as one of many gestures of peace with its Arab neighbors that have been met with violence [22]. This is worth repeating. Since 2005, Israel has NOT occupied Gaza. In response, Hamas overtook Gaza, slaughtered Palestinian leaders, created 450 miles of terror tunnels, launched over 30,000 rockets at Israel, and on October 7 perpetrated the most heinous attacks on the Jewish people since the Holocaust including the kidnapping of Israelis, Americans, and Foreign Nationals still missing today [23-24].

## FALSE CLAIMS OF GENOCIDE: HAMAS IS RESPONSIBLE FOR DEATHS OF PALESTINIANS

Both Hamas and the protesters' accusations of the Israel Defense Forces (IDF) are blatantly false. Numerous military leaders, including John Spencer (Former Chair of Urban Warfare Studies, WestPoint), testify that "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" including its use of precision weapons and the sending of leaflets, texts, and calls to Gazans ahead of airstrikes to provide time for them to evacuate targeted areas [25-27]. Sadly, terrorists boast of hiding among their own civilians to increase casualties [28].

Armies that fight defensive wars against terrorists in urban warfare generally have a civilian to casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist eliminated. This was true for U.S. and coalition troops in Mosul (2016-2017) [29]. However, Israel's ratio is less than 1:1, meaning they have reduced civilian casualties more than four to sixtyfold by comparison [30]. While the loss of innocent life is tragic, according to International Humanitarian Law (Article 51) these deaths fall squarely on Hamas [31].

Statistical analysis proves what Israel has been saying along - that the Ministry of Health numbers are false [32].

## HAMAS ADMITS: NO GENOCIDE HERE

As in previous wars that Hamas has started, Hamas leaders have finally admitted that they lied about numbers of civilian casualties [33], and that 72% of casualty numbers are male terrorists [34].

Moreover, Palestinian civilians attest to the fact that Hamas steals food from aid trucks and murders Palestinians trying to reach the aid [35-38].

## HAMAS' GLOBAL SUBTERFUGE

Hamas covers its atrocities against the Palestinian people (e.g., blocking safe passage corridors, hiding and firing weapons among civilians) [39-41] by sponsoring and supporting city, state, and worldwide protests on the Palestinians' behalf with the sole intent of delegitimizing Israel [42-45].

Donning the cloak of victimhood and resistance, Hamas's behavior is barbaric – igniting hatred and discrimination against Israel, worldwide Jewry, and democracy itself.

## SUMMARY

This document proves that the claims aimed at Israel of apartheid, genocide, colonialism, and occupation - are patently FALSE.

After the barbaric attack on October 7th, Hamas is still holding hostages and rebuilding its terror structure.

Allowing protesters like SJP, and groups like it (e.g., AMP, CAIR, JVP, WOL, etc.), to hijack governing bodies only rewards and emboldens Hamas, endangers Israel and worldwide democracies, and prevents the Gazans from taking responsibility to unlearn hate and choose healthy governance so that they become viable peace partners.

The world is at an uncomfortable brink: Barbarism vs. Democracy. Rewarding barbarity and those who support it is a losing proposition.

Bold leadership, not capitulation, is the only strategy to keep communities safe.
We ask you to vote NO on this anti-Israel ballot measure – which is a strategy designed by Hamas supporters to keep Hamas in power and continue to inflict carnage on the Palestinians and Israelis.

Please protect our community, democracy, and national security from misinformation and terrorist propaganda.

Sincerely,

"This is your democracy. Make it. Protect it. Pass it on."

Honorable Elected Officials,

We are your constituents, Americans across this great nation, and worldwide citizens who ask you to vote NO on the proposed anti-Israel ballot measure which falsely accuses Israel of apartheid, genocide, and illegal occupation and then asks voters to prohibit future city business and city investments with Israeli companies.

UNCONSTITUTIONAL: VIOLATION OF U.S. COMMERCE CLAUSE

The power to regulate foreign commerce lies exclusively with Congress. By trying to pass this ballot question endorsing a foreign-directed commercial boycott of Israel, your city council oversteps its constitutional authority. This would directly conflict with federal law and obstruct lawful commercial relationships with a U.S. ally. This represents a violation of Article I, Section 8 of the Constitution.

VIOLATES FEDERAL LAW

In addition, under the Export Administration Act and related federal statutes, U.S. persons and entities are prohibited from participating in or supporting unsanctioned foreign boycotts, such as this campaign targeting Israel. City Council members are duty bound to federal legal frameworks.

STANDARDS FOR U.S. BALLOT QUESTIONS

As elected officials you know that “informed citizens are democracy’s best defense” [1] and “to abandon facts is to abandon freedom” [2].

Yet, your city council has abandoned the facts and placed several outright lies in a ballot question that not only misleads voters but also opens a door to those who want nothing but to destroy our democracy and our way of life.

Why would you actively allow this to happen?

THE TRUTH ABOUT “PRO-PALESTINIAN” PROTESTERS

We have watched in horror as protestors have overtaken city councils, state government, and American university campuses with misinformation, extremist ideology, and violent conduct that undermine our democratic way of life and our peaceful communities.

The protesters claim to be an anti-war movement to stop the “genocide, apartheid, and occupation” [3] of the

Palestinian people, but nothing can be further from the truth.

Students for Justice in Palestine (SJP) and other groups (AMP, CAIR, JVP, WOL, etc.) are funded by the Hamas terrorist organization [4-9]. As a propaganda arm of Hamas, their sole purpose is to radicalize and misinform government officials and campuses and create a massive disinformation campaign to delegitimize Israel and promote the annihilation of the Jewish State.

Their chant, "From the River to the Sea," clearly states their intention [10]. If you listen carefully, however, their violent intentions do not stop with Israel. They promote antisemitism the world over with the ultimate goal of overturning democratic values as they chant "Death to America" [11-12]. Their philosophy is anchored in the Hamas Charter, which states in its introduction, "Israel will exist until Islam will obliterate it" and "Our struggle against the Jews is very great and very serious" [13]; and the radical Islamist Duaat entitled "How Islam will dominate the world" [14].

Pure logic and history upend the protesters' statements.

Only a day after the heinous October 7 attacks on Israel, these protesters started their false accusations of "genocide" [15]. Here is the truth:

FALSE CLAIMS OF APARTHEID

Hamas' accusations of apartheid are false. Apartheid is defined as a system of legalized racial discrimination and segregation that deprives a racial group of their political and civil rights. In South Africa, for example, the white minority segregated Black Africans in housing, transportation, education, and stripped them of citizenship, and positions in government.

In Israel, all citizens whether Jewish, Arab, Armenian, Baha'i, Christian, Druze, Muslim, etc. have equal rights. They can live, work, and travel wherever they want, and they are provided the same government services (e.g., health insurance, free public school, subsidized university education) equally. They attend the same universities and have the same voting power and opportunities. In fact, they hold positions in all industries (e.g., law, medicine, politics) – including positions as judges and members of the Knesset. Israel is a multi-racial society where the Arab citizens have full rights. Inciting racism or discrimination in Israel is a criminal offense [16].

FALSE CLAIMS OF COLONIALISM AND OCCUPATION

Predating Islam, the Jewish people arrived and established the independent Land of Israel in the second millennium B.C.E. and lived there for more than 1,600 years. In succession, the Babylonians, Persians, Greeks, and Romans conquered the land. Despite the efforts of Roman crusaders and some Muslims to make the country empty of Jews, thousands of Jews have lived for centuries in each of the holy cities of Jerusalem, Safad, Tiberius, and Hebron; and in Gaza, Rafah, Ashkelon, Caesarea, Jaffa, Acre, and Jericho. [17]. Moreover, archaeological evidence proves Jewish indigenousity, with cities populated by a Jewish majority prior to the establishment of the modern state of Israel [18].

It is absurd to claim that the Jews who returned to Israel starting in the last decades of the 19th century were colonialists and imperialists. For whom were these idealists working? They were not planting the flag of the antisemitic regimes of Russia, Poland, and Lithuania; and they were kicked out of Yemen, Iraq, Turkey, and North Africa. In fact, these Jewish refugees had to overcome Turkish, British, and Pan-Arab imperialism to achieve self-determination. They were fleeing pogroms and persecution and wanted nothing to do with the countries from which they fled. They did not come to the land with weapons to conquer, but with rakes and hoes to cultivate often swamp-infested land they legally purchased from absentee landlords. Years later, after the Holocaust, the state of Israel was defined and established by international law (1948). The Israelis were ecstatic to live peacefully among their neighbors within the meager boundaries they were allotted in 1948, when five Arab countries attacked Israel in the War of Independence. This war was one of many that Muslim extremists committed against the Jewish state to deny Israel's right to exist [19].

In 1967 Egypt, Syria, and Jordan started a war with Israel. Hafiz al-Assad ordered his Syrian soldiers to "strike the enemy's [civilian] settlements, turn them into dust, pave the Arab roads with the skulls of the Jews, and strike them

without mercy" [20]. Miraculously, Israel won the war and gained territory in the Sinai, Golan Heights, West Bank, Gaza, and East Jerusalem. In 1982, Israel gave the Sinai to Egypt, which has created peace between the countries [21].
With similar hope, Israel left Gaza in 2005 as one of many gestures of peace with its Arab neighbors that have been met with violence [22]. This is worth repeating. Since 2005, Israel has NOT occupied Gaza. In response, Hamas overtook Gaza, slaughtered Palestinian leaders, created 450 miles of terror tunnels, launched over 30,000 rockets at Israel, and on October 7 perpetrated the most heinous attacks on the Jewish people since the Holocaust including the kidnapping of Israelis, Americans, and Foreign Nationals still missing today [23-24].

## FALSE CLAIMS OF GENOCIDE: HAMAS IS RESPONSIBLE FOR DEATHS OF PALESTINIANS

Both Hamas and the protesters' accusations of the Israel Defense Forces (IDF) are blatantly false. Numerous military leaders, including John Spencer (Former Chair of Urban Warfare Studies, WestPoint), testify that "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" including its use of precision weapons and the sending of leaflets, texts, and calls to Gazans ahead of airstrikes to provide time for them to evacuate targeted areas [25-27]. Sadly, terrorists boast of hiding among their own civilians to increase casualties [28].

Armies that fight defensive wars against terrorists in urban warfare generally have a civilian to casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist eliminated. This was true for U.S. and coalition troops in Mosul (2016-2017) [29]. However, Israel's ratio is less than 1:1, meaning they have reduced civilian casualties more than four to sixtyfold by comparison [30]. While the loss of innocent life is tragic, according to International Humanitarian Law (Article 51) these deaths fall squarely on Hamas [31].

Statistical analysis proves what Israel has been saying along - that the Ministry of Health numbers are false [32].

## HAMAS ADMITS: NO GENOCIDE HERE

As in previous wars that Hamas has started, Hamas leaders have finally admitted that they lied about numbers of civilian casualties [33], and that 72% of casualty numbers are male terrorists [34].

Moreover, Palestinian civilians attest to the fact that Hamas steals food from aid trucks and murders Palestinians trying to reach the aid [35-38].

## HAMAS' GLOBAL SUBTERFUGE

Hamas covers its atrocities against the Palestinian people (e.g., blocking safe passage corridors, hiding and firing weapons among civilians) [39-41] by sponsoring and supporting city, state, and worldwide protests on the Palestinians' behalf with the sole intent of delegitimizing Israel [42-45].

Donning the cloak of victimhood and resistance, Hamas's behavior is barbaric – igniting hatred and discrimination against Israel, worldwide Jewry, and democracy itself.

## SUMMARY

This document proves that the claims aimed at Israel of apartheid, genocide, colonialism, and occupation - are patently FALSE.

After the barbaric attack on October 7th, Hamas is still holding hostages and rebuilding its terror structure.

Allowing protesters like SJP, and groups like it (e.g., AMP, CAIR, JVP, WOL, etc.), to hijack governing bodies only rewards and emboldens Hamas, endangers Israel and worldwide democracies, and prevents the Gazans from taking responsibility to unlearn hate and choose healthy governance so that they become viable peace partners.

The world is at an uncomfortable brink: Barbarism vs. Democracy. Rewarding barbarity and those who support it is a losing proposition.

Bold leadership, not capitulation, is the only strategy to keep communities safe.
We ask you to vote NO on this anti-Israel ballot measure – which is a strategy designed by Hamas supporters to keep Hamas in power and continue to inflict carnage on the Palestinians and Israelis.

Please protect our community, democracy, and national security from misinformation and terrorist propaganda.

Sincerely,
Julie Belkin

Honorable Elected Officials,

We are your constituents, Americans across this great nation, and worldwide citizens who ask you to vote NO on the proposed anti-Israel ballot measure which falsely accuses Israel of apartheid, genocide, and illegal occupation and then asks voters to prohibit future city business and city investments with Israeli companies.

UNCONSTITUTIONAL: VIOLATION OF U.S. COMMERCE CLAUSE

The power to regulate foreign commerce lies exclusively with Congress. By trying to pass this ballot question endorsing a foreign-directed commercial boycott of Israel, your city council oversteps its constitutional authority. This would directly conflict with federal law and obstruct lawful commercial relationships with a U.S. ally. This represents a violation of Article I, Section 8 of the Constitution.

VIOLATES FEDERAL LAW

In addition, under the Export Administration Act and related federal statutes, U.S. persons and entities are prohibited from participating in or supporting unsanctioned foreign boycotts, such as this campaign targeting Israel. City Council members are duty bound to federal legal frameworks.

STANDARDS FOR U.S. BALLOT QUESTIONS

As elected officials you know that “informed citizens are democracy’s best defense” [1] and “to abandon facts is to abandon freedom” [2].

Yet, your city council has abandoned the facts and placed several outright lies in a ballot question that not only misleads voters but also opens a door to those who want nothing but to destroy our democracy and our way of life.

Why would you actively allow this to happen?

THE TRUTH ABOUT "PRO-PALESTINIAN" PROTESTERS

We have watched in horror as protestors have overtaken city councils, state government, and American university campuses with misinformation, extremist ideology, and violent conduct that undermine our democratic way of life and our peaceful communities.

The protesters claim to be an anti-war movement to stop the "genocide, apartheid, and occupation" [3] of the Palestinian people, but nothing can be further from the truth.

Students for Justice in Palestine (SJP) and other groups (AMP, CAIR, JVP, WOL, etc.) are funded by the Hamas terrorist organization [4-9]. As a propaganda arm of Hamas, their sole purpose is to radicalize and misinform government officials and campuses and create a massive disinformation campaign to delegitimize Israel and promote the annihilation of the Jewish State.

Their chant, "From the River to the Sea," clearly states their intention [10]. If you listen carefully, however, their violent intentions do not stop with Israel. They promote antisemitism the world over with the ultimate goal of overturning democratic values as they chant "Death to America" [11-12]. Their philosophy is anchored in the Hamas Charter, which states in its introduction, "Israel will exist until Islam will obliterate it" and "Our struggle against the Jews is very great and very serious" [13]; and the radical Islamist Duaat entitled "How Islam will dominate the world" [14].

Pure logic and history upend the protesters' statements.

Only a day after the heinous October 7 attacks on Israel, these protesters started their false accusations of "genocide" [15]. Here is the truth:

FALSE CLAIMS OF APARTHEID

Hamas' accusations of apartheid are false. Apartheid is defined as a system of legalized racial discrimination and segregation that deprives a racial group of their political and civil rights. In South Africa, for example, the white minority segregated Black Africans in housing, transportation, education, and stripped them of citizenship, and positions in government.

In Israel, all citizens whether Jewish, Arab, Armenian, Baha'i, Christian, Druze, Muslim, etc. have equal rights. They can live, work, and travel wherever they want, and they are provided the same government services (e.g., health insurance, free public school, subsidized university education) equally. They attend the same universities and have the same voting power and opportunities. In fact, they hold positions in all industries (e.g., law, medicine, politics) – including positions as judges and members of the Knesset. Israel is a multi-racial society where the Arab citizens have full rights. Inciting racism or discrimination in Israel is a criminal offense [16].

FALSE CLAIMS OF COLONIALISM AND OCCUPATION

Predating Islam, the Jewish people arrived and established the independent Land of Israel in the second millennium B.C.E. and lived there for more than 1,600 years. In succession, the

Babylonians, Persians, Greeks, and Romans conquered the land. Despite the efforts of Roman crusaders and some Muslims to make the country empty of Jews, thousands of Jews have lived for centuries in each of the holy cities of Jerusalem, Safad, Tiberius, and Hebron; and in Gaza, Rafah, Ashkelon, Caesarea, Jaffa, Acre, and Jericho. [17]. Moreover, archaeological evidence proves Jewish indigenousity, with cities populated by a Jewish majority prior to the establishment of the modern state of Israel [18].

It is absurd to claim that the Jews who returned to Israel starting in the last decades of the 19th century were colonialists and imperialists. For whom were these idealists working? They were not planting the flag of the antisemitic regimes of Russia, Poland, and Lithuania; and they were kicked out of Yemen, Iraq, Turkey, and North Africa. In fact, these Jewish refugees had to overcome Turkish, British, and Pan-Arab imperialism to achieve self-determination. They were fleeing pogroms and persecution and wanted nothing to do with the countries from which they fled. They did not come to the land with weapons to conquer, but with rakes and hoes to cultivate often swamp-infested land they legally purchased from absentee landlords. Years later, after the Holocaust, the state of Israel was defined and established by international law (1948). The Israelis were ecstatic to live peacefully among their neighbors within the meager boundaries they were allotted in 1948, when five Arab countries attacked Israel in the War of Independence. This war was one of many that Muslim extremists committed against the Jewish state to deny Israel's right to exist [19].

In 1967 Egypt, Syria, and Jordan started a war with Israel. Hafiz al-Assad ordered his Syrian soldiers to "strike the enemy's [civilian] settlements, turn them into dust, pave the Arab roads with the skulls of the Jews, and strike them without mercy" [20]. Miraculously, Israel won the war and gained territory in the Sinai, Golan Heights, West Bank, Gaza, and East Jerusalem. In 1982, Israel gave the Sinai to Egypt, which has created peace between the countries [21]. With similar hope, Israel left Gaza in 2005 as one of many gestures of peace with its Arab neighbors that have been met with violence [22]. This is worth repeating. Since 2005, Israel has NOT occupied Gaza. In response, Hamas overtook Gaza, slaughtered Palestinian leaders, created 450 miles of terror tunnels, launched over 30,000 rockets at Israel, and on October 7 perpetrated the most heinous attacks on the Jewish people since the Holocaust including the kidnapping of Israelis, Americans, and Foreign Nationals still missing today [23-24].

## FALSE CLAIMS OF GENOCIDE: HAMAS IS RESPONSIBLE FOR DEATHS OF PALESTINIANS

Both Hamas and the protesters' accusations of the Israel Defense Forces (IDF) are blatantly false. Numerous military leaders, including John Spencer (Former Chair of Urban Warfare Studies, WestPoint), testify that "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" including its use of precision weapons and the sending of leaflets, texts, and calls to Gazans ahead of airstrikes to provide time for them to evacuate targeted areas [25-27]. Sadly, terrorists boast of hiding among their own civilians to increase casualties [28].

Armies that fight defensive wars against terrorists in urban warfare generally have a civilian to casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist eliminated. This was true for U.S. and coalition troops in Mosul (2016-2017) [29]. However, Israel's ratio is less than 1:1, meaning they have reduced civilian casualties more than four to sixtyfold by comparison [30]. While the loss of innocent life is tragic, according to International Humanitarian Law (Article 51) these deaths fall squarely on Hamas [31].

Statistical analysis proves what Israel has been saying along - that the Ministry of Health numbers are false [32].

HAMAS ADMITS: NO GENOCIDE HERE

As in previous wars that Hamas has started, Hamas leaders have finally admitted that they lied about numbers of civilian casualties [33], and that 72% of casualty numbers are male terrorists [34].

Moreover, Palestinian civilians attest to the fact that Hamas steals food from aid trucks and murders Palestinians trying to reach the aid [35-38].

HAMAS' GLOBAL SUBTERFUGE

Hamas covers its atrocities against the Palestinian people (e.g., blocking safe passage corridors, hiding and firing weapons among civilians) [39-41] by sponsoring and supporting city, state, and worldwide protests on the Palestinians' behalf with the sole intent of delegitimizing Israel [42-45].

Donning the cloak of victimhood and resistance, Hamas's behavior is barbaric – igniting hatred and discrimination against Israel, worldwide Jewry, and democracy itself.

SUMMARY

This document proves that the claims aimed at Israel of apartheid, genocide, colonialism, and occupation - are patently FALSE.

After the barbaric attack on October 7th, Hamas is still holding hostages and rebuilding its terror structure.

Allowing protesters like SJP, and groups like it (e.g., AMP, CAIR, JVP, WOL, etc.), to hijack governing bodies only rewards and emboldens Hamas, endangers Israel and worldwide democracies, and prevents the Gazans from taking responsibility to unlearn hate and choose healthy governance so that they become viable peace partners.

The world is at an uncomfortable brink: Barbarism vs. Democracy. Rewarding barbarity and those who support it is a losing proposition.

Bold leadership, not capitulation, is the only strategy to keep communities safe.
We ask you to vote NO on this anti-Israel ballot measure – which is a strategy designed by Hamas supporters to keep Hamas in power and continue to inflict carnage on the Palestinians and Israelis.

Please protect our community, democracy, and national security from misinformation and terrorist propaganda.

Sincerely,

Janis Klein

cc: Christians United for Israel DOJ Governor of Massachusetts Press State Assembly/House of Massachusetts State Senate/Legislator of Massachusetts U.S. Representative of District 7 U.S. Senator Honorable Elected Officials, We are your constituents, Americans across this great nation, and worldwide citizens who ask you to vote NO on the proposed anti-Israel ballot measure which falsely accuses Israel of apartheid, genocide, and illegal occupation and then asks voters to prohibit future city business and city investments with Israeli companies. UNCONSTITUTIONAL: VIOLATION OF U.S. COMMERCE CLAUSE The power to regulate foreign commerce lies exclusively with Congress. By trying to pass this ballot question endorsing a foreign-directed commercial boycott of Israel, your city council oversteps its constitutional authority. This would directly conflict with federal law and obstruct lawful commercial relationships with a U.S. ally. This represents a violation of Article I, Section 8 of the Constitution. VIOLATES FEDERAL LAW In addition, under the Export Administration Act and related federal statutes, U.S. persons and entities are prohibited from participating in or supporting unsanctioned foreign boycotts, such as this campaign targeting Israel. City Council members are duty bound to federal legal frameworks. STANDARDS FOR U.S. BALLOT QUESTIONS As elected officials you know that "informed citizens are democracy's best defense" [1] and "to abandon facts is to abandon freedom" [2]. Yet, your city council has abandoned the facts and placed several outright lies in a ballot question that not only misleads voters but also opens a door to those who want nothing but to destroy our democracy and our way of life. Why would you actively allow this to happen? THE TRUTH ABOUT "PRO-PALESTINIAN" PROTESTERS We have watched in horror as protestors have overtaken city councils, state government, and American university campuses with misinformation, extremist ideology, and violent conduct that undermine our democratic way of life and our peaceful communities. The protesters claim to be an anti-war movement to stop the "genocide, apartheid, and occupation" [3] of the Palestinian people, but nothing can be further from the truth. Students for Justice in Palestine (SJP) and other groups (AMP, CAIR, JVP, WOL, etc.) are funded by the Hamas terrorist organization [4-9]. As a propaganda arm of Hamas, their sole purpose is to radicalize and misinform government officials and campuses and create a massive disinformation campaign to delegitimize Israel and promote the annihilation of the Jewish State. Their chant, "From the River to the Sea," clearly states their intention [10]. If you listen carefully, however, their violent intentions do not stop with Israel. They promote antisemitism the world over with the ultimate goal of overturning democratic values as they chant "Death to America" [11-12]. Their philosophy is anchored in the Hamas Charter, which states in its introduction, "Israel will exist until Islam will obliterate it" and "Our struggle against the Jews is very great and very serious" [13]; and the radical Islamist Duaat entitled "How Islam will dominate the world" [14]. Pure logic and history upend the protesters' statements. Only a day after the heinous October 7 attacks on Israel, these protesters started their false accusations of "genocide" [15]. Here is the truth: FALSE CLAIMS OF APARTHEID Hamas' accusations of apartheid are false. Apartheid is defined as a system of legalized racial discrimination and segregation that deprives a racial group of their political and civil rights. In South Africa, for example, the white minority

segregated Black Africans in housing, transportation, education, and stripped them of citizenship, and positions in government. In Israel, all citizens whether Jewish, Arab, Armenian, Baha'i, Christian, Druze, Muslim, etc. have equal rights. They can live, work, and travel wherever they want, and they are provided the same government services (e.g., health insurance, free public school, subsidized university education) equally. They attend the same universities and have the same voting power and opportunities. In fact, they hold positions in all industries (e.g., law, medicine, politics) – including positions as judges and members of the Knesset. Israel is a multi-racial society where the Arab citizens have full rights. Inciting racism or discrimination in Israel is a criminal offense [16]. FALSE CLAIMS OF COLONIALISM AND OCCUPATION Predating Islam, the Jewish people arrived and established the independent Land of Israel in the second millennium B.C.E. and lived there for more than 1,600 years. In succession, the Babylonians, Persians, Greeks, and Romans conquered the land. Despite the efforts of Roman crusaders and some Muslims to make the country empty of Jews, thousands of Jews have lived for centuries in each of the holy cities of Jerusalem, Safad, Tiberius, and Hebron; and in Gaza, Rafah, Ashkelon, Caesarea, Jaffa, Acre, and Jericho. [17]. Moreover, archaeological evidence proves Jewish indigenousity, with cities populated by a Jewish majority prior to the establishment of the modern state of Israel [18]. It is absurd to claim that the Jews who returned to Israel starting in the last decades of the 19th century were colonialists and imperialists. For whom were these idealists working? They were not planting the flag of the antisemitic regimes of Russia, Poland, and Lithuania; and they were kicked out of Yemen, Iraq, Turkey, and North Africa. In fact, these Jewish refugees had to overcome Turkish, British, and Pan-Arab imperialism to achieve self-determination. They were fleeing pogroms and persecution and wanted nothing to do with the countries from which they fled. They did not come to the land with weapons to conquer, but with rakes and hoes to cultivate often swamp-infested land they legally purchased from absentee landlords. Years later, after the Holocaust, the state of Israel was defined and established by international law (1948). The Israelis were ecstatic to live peacefully among their neighbors within the meager boundaries they were allotted in 1948, when five Arab countries attacked Israel in the War of Independence. This war was one of many that Muslim extremists committed against the Jewish state to deny Israel's right to exist [19]. In 1967 Egypt, Syria, and Jordan started a war with Israel. Hafiz al-Assad ordered his Syrian soldiers to "strike the enemy's [civilian] settlements, turn them into dust, pave the Arab roads with the skulls of the Jews, and strike them without mercy" [20]. Miraculously, Israel won the war and gained territory in the Sinai, Golan Heights, West Bank, Gaza, and East Jerusalem. In 1982, Israel gave the Sinai to Egypt, which has created peace between the countries [21]. With similar hope, Israel left Gaza in 2005 as one of many gestures of peace with its Arab neighbors that have been met with violence [22]. This is worth repeating. Since 2005, Israel has NOT occupied Gaza. In response, Hamas overtook Gaza, slaughtered Palestinian leaders, created 450 miles of terror tunnels, launched over 30,000 rockets at Israel, and on October 7 perpetrated the most heinous attacks on the Jewish people since the Holocaust including the kidnapping of Israelis, Americans, and Foreign Nationals still missing today [23-24]. FALSE CLAIMS OF GENOCIDE: HAMAS IS RESPONSIBLE FOR DEATHS OF PALESTINIANS Both Hamas and the protesters' accusations of the Israel Defense Forces (IDF) are blatantly false. Numerous military leaders, including John Spencer (Former Chair of Urban Warfare Studies, WestPoint), testify that "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" including its use of precision weapons and the sending of leaflets, texts, and calls to Gazans ahead of airstrikes to provide time for them to evacuate targeted areas [25-27]. Sadly, terrorists boast of hiding among their own civilians to increase casualties [28]. Armies that fight defensive wars against terrorists in urban warfare generally have a civilian to casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are

accidentally killed for every terrorist eliminated. This was true for U.S. and coalition troops in Mosul (2016-2017) [29]. However, Israel's ratio is less than 1:1, meaning they have reduced civilian casualties more than four to sixtyfold by comparison [30]. While the loss of innocent life is tragic, according to International Humanitarian Law (Article 51) these deaths fall squarely on Hamas [31]. Statistical analysis proves what Israel has been saying along - that the Ministry of Health numbers are false [32]. HAMAS ADMITS: NO GENOCIDE HERE As in previous wars that Hamas has started, Hamas leaders have finally admitted that they lied about numbers of civilian casualties [33], and that 72% of casualty numbers are male terrorists [34]. Moreover, Palestinian civilians attest to the fact that Hamas steals food from aid trucks and murders Palestinians trying to reach the aid [35-38]. HAMAS' GLOBAL SUBTERFUGE Hamas covers its atrocities against the Palestinian people (e.g., blocking safe passage corridors, hiding and firing weapons among civilians) [39-41] by sponsoring and supporting city, state, and worldwide protests on the Palestinians' behalf with the sole intent of delegitimizing Israel [42-45]. Donning the cloak of victimhood and resistance, Hamas's behavior is barbaric – igniting hatred and discrimination against Israel, worldwide Jewry, and democracy itself. SUMMARY This document proves that the claims aimed at Israel of apartheid, genocide, colonialism, and occupation - are patently FALSE. After the barbaric attack on October 7th, Hamas is still holding hostages and rebuilding its terror structure. Allowing protesters like SJP, and groups like it (e.g., AMP, CAIR, JVP, WOL, etc.), to hijack governing bodies only rewards and emboldens Hamas, endangers Israel and worldwide democracies, and prevents the Gazans from taking responsibility to unlearn hate and choose healthy governance so that they become viable peace partners. The world is at an uncomfortable brink: Barbarism vs. Democracy. Rewarding barbarity and those who support it is a losing proposition. Bold leadership, not capitulation, is the only strategy to keep communities safe. We ask you to vote NO on this anti-Israel ballot measure – which is a strategy designed by Hamas supporters to keep Hamas in power and continue to inflict carnage on the Palestinians and Israelis. Please protect our community, democracy, and national security from misinformation and terrorist propaganda. Sincerely, Robert Wolk

Honorable Elected Officials,

We are your constituents, Americans across this great nation, and worldwide citizens who ask you to vote NO on the proposed anti-Israel ballot measure which falsely accuses Israel of apartheid, genocide, and illegal occupation and then asks voters to prohibit future city business and city investments with Israeli companies.

UNCONSTITUTIONAL: VIOLATION OF U.S. COMMERCE CLAUSE

The power to regulate foreign commerce lies exclusively with Congress. By trying to pass this ballot question endorsing a foreign-directed commercial boycott of Israel, your city council oversteps its constitutional authority. This would directly conflict with federal law and obstruct lawful commercial relationships with a U.S. ally. This represents a violation of Article I, Section 8 of the Constitution.

VIOLATES FEDERAL LAW

In addition, under the Export Administration Act and related federal statutes, U.S. persons and entities are prohibited from participating in or supporting unsanctioned foreign boycotts, such as this campaign targeting Israel. City Council members are duty bound to federal legal frameworks.

STANDARDS FOR U.S. BALLOT QUESTIONS

As elected officials you know that “informed citizens are democracy’s best defense” [1] and “to abandon facts is to abandon freedom” [2].

Yet, your city council has abandoned the facts and placed several outright lies in a ballot question that not only misleads voters but also opens a door to those who want nothing but to destroy our democracy and our way of life.

Why would you actively allow this to happen?

THE TRUTH ABOUT "PRO-PALESTINIAN" PROTESTERS

We have watched in horror as protestors have overtaken city councils, state government, and American university campuses with misinformation, extremist ideology, and violent conduct that undermine our democratic way of life and our peaceful communities.

The protesters claim to be an anti-war movement to stop the "genocide, apartheid, and occupation" [3] of the Palestinian people, but nothing can be further from the truth.

Students for Justice in Palestine (SJP) and other groups (AMP, CAIR, JVP, WOL, etc.) are funded by the Hamas terrorist organization [4-9]. As a propaganda arm of Hamas, their sole purpose is to radicalize and misinform government officials and campuses and create a massive disinformation campaign to delegitimize Israel and promote the annihilation of the Jewish State.

Their chant, "From the River to the Sea," clearly states their intention [10]. If you listen carefully, however, their violent intentions do not stop with Israel. They promote antisemitism the world over with the ultimate goal of overturning democratic values as they chant "Death to America" [11-12]. Their philosophy is anchored in the Hamas Charter, which states in its introduction, "Israel will exist until Islam will obliterate it" and "Our struggle against the Jews is very great and very serious" [13]; and the radical Islamist Duaat entitled "How Islam will dominate the world" [14].

Pure logic and history upend the protesters' statements.

Only a day after the heinous October 7 attacks on Israel, these protesters started their false accusations of "genocide" [15]. Here is the truth:

FALSE CLAIMS OF APARTHEID

Hamas' accusations of apartheid are false. Apartheid is defined as a system of legalized racial discrimination and segregation that deprives a racial group of their political and civil rights. In South Africa, for example, the white minority segregated Black Africans in housing, transportation, education, and stripped them of citizenship, and positions in government.

In Israel, all citizens whether Jewish, Arab, Armenian, Baha'i, Christian, Druze, Muslim, etc. have equal rights. They can live, work, and travel wherever they want, and they are provided the same government services (e.g., health insurance, free public school, subsidized university education) equally. Israel is a multi-racial society where the Arab citizens have full rights. Inciting racism or discrimination in Israel is a criminal offense [16].

FALSE CLAIMS OF COLONIALISM AND OCCUPATION

Predating Islam, the Jewish people arrived and established the independent Land of Israel in the second millennium B.C.E. and lived there for more than 1,600 years. In succession, the

Babylonians, Persians, Greeks, and Romans conquered the land. Despite the efforts of Roman crusaders and some Muslims to make the country empty of Jews, thousands of Jews have lived for centuries in each of the holy cities of Jerusalem, Safad, Tiberius, and Hebron; and in Gaza, Rafah, Ashkelon, Caesarea, Jaffa, Acre, and Jericho. ## FALSE CLAIMS OF GENOCIDE: HAMAS IS RESPONSIBLE FOR DEATHS OF PALESTINIANS

Both Hamas and the protesters' accusations of the Israel Defense Forces (IDF) are blatantly false. Numerous military leaders, including John Spencer (Former Chair of Urban Warfare Studies, WestPoint), testify that "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" including its use of precision weapons and the sending of leaflets, texts, and calls to Gazans ahead of airstrikes to provide time for them to evacuate targeted areas [25-27]. HAMAS' GLOBAL SUBTERFUGE

Hamas covers its atrocities against the Palestinian people (e.g., blocking safe passage corridors, hiding and firing weapons among civilians) [39-41] by sponsoring and supporting city, state, and worldwide protests on the Palestinians' behalf with the sole intent of delegitimizing Israel [42-45].

Donning the cloak of victimhood and resistance, Hamas's behavior is barbaric – igniting hatred and discrimination against Israel, worldwide Jewry, and democracy itself.

SUMMARY

This document proves that the claims aimed at Israel of apartheid, genocide, colonialism, and occupation - are patently FALSE.

After the barbaric attack on October 7th, Hamas is still holding hostages and rebuilding its terror structure.

Allowing protesters like SJP, and groups like it (e.g., AMP, CAIR, JVP, WOL, etc.), to hijack governing bodies only rewards and emboldens Hamas, endangers Israel and worldwide democracies, and prevents the Gazans from taking responsibility to unlearn hate and choose healthy governance so that they become viable peace partners.

The world is at an uncomfortable brink: Barbarism vs. Democracy. Rewarding barbarity and those who support it is a losing proposition.

Bold leadership, not capitulation, is the only strategy to keep communities safe.
We ask you to vote NO on this anti-Israel ballot measure – which is a strategy designed by Hamas supporters to keep Hamas in power and continue to inflict carnage on the Palestinians and Israelis.

THE TRUTH ABOUT “PRO-PALESTINIAN” PROTESTERS

We have watched in horror as protestors have overtaken city councils, state government, and American university campuses with misinformation, extremist ideology, and violent conduct that undermine our democratic way of life and our peaceful communities.

The protesters claim to be an anti-war movement to stop the “genocide, apartheid, and occupation” [3] of the

Palestinian people, but nothing can be further from the truth.

Students for Justice in Palestine (SJP) and other groups (AMP, CAIR, JVP, WOL, etc.) are funded by the Hamas terrorist organization [4-9]. As a propaganda arm of Hamas, their sole purpose is to radicalize and misinform government officials and campuses and create a massive disinformation campaign to delegitimize Israel and promote the annihilation of the Jewish State.

Their chant, "From the River to the Sea," clearly states their intention [10]. If you listen carefully, however, their violent intentions do not stop with Israel. They promote antisemitism the world over with the ultimate goal of overturning democratic values as they chant "Death to America" [11-12]. Their philosophy is anchored in the Hamas Charter, which states in its introduction, "Israel will exist until Islam will obliterate it" and "Our struggle against the Jews is very great and very serious" [13]; and the radical Islamist Duaat entitled "How Islam will dominate the world" [14].

Pure logic and history upend the protesters' statements.

Only a day after the heinous October 7 attacks on Israel, these protesters started their false accusations of "genocide" [15]. Here is the truth:

FALSE CLAIMS OF APARTHEID

Hamas' accusations of apartheid are false. Apartheid is defined as a system of legalized racial discrimination and segregation that deprives a racial group of their political and civil rights. In South Africa, for example, the white minority segregated Black Africans in housing, transportation, education, and stripped them of citizenship, and positions in government.

In Israel, all citizens whether Jewish, Arab, Armenian, Baha'i, Christian, Druze, Muslim, etc. have equal rights. They can live, work, and travel wherever they want, and they are provided the same government services (e.g., health insurance, free public school, subsidized university education) equally. They attend the same universities and have the same voting power and opportunities. In fact, they hold positions in all industries (e.g., law, medicine, politics) – including positions as judges and members of the Knesset. Israel is a multi-racial society where the Arab citizens have full rights. Inciting racism or discrimination in Israel is a criminal offense [16].

FALSE CLAIMS OF COLONIALISM AND OCCUPATION

Predating Islam, the Jewish people arrived and established the independent Land of Israel in the second millennium B.C.E. and lived there for more than 1,600 years. In succession, the Babylonians, Persians, Greeks, and Romans conquered the land. Despite the efforts of Roman crusaders and some Muslims to make the country empty of Jews, thousands of Jews have lived for centuries in each of the holy cities of Jerusalem, Safad, Tiberius, and Hebron; and in Gaza, Rafah, Ashkelon, Caesarea, Jaffa, Acre, and Jericho. [17]. Moreover, archaeological evidence proves Jewish indigenousity, with cities populated by a Jewish majority prior to the establishment of the modern state of Israel [18].

It is absurd to claim that the Jews who returned to Israel starting in the last decades of the 19th century were colonialists and imperialists. For whom were these idealists working? They were not planting the flag of the antisemitic regimes of Russia, Poland, and Lithuania; and they were kicked out of Yemen, Iraq, Turkey, and North Africa. In fact, these Jewish refugees had to overcome Turkish, British, and Pan-Arab imperialism to achieve self-determination. They were fleeing pogroms and persecution and wanted nothing to do with the countries from which they fled. They did not come to the land with weapons to conquer, but with rakes and hoes to cultivate often swamp-infested land they legally purchased from absentee landlords. Years later, after the Holocaust, the state of Israel was defined and established by international law (1948). The Israelis were ecstatic to live peacefully among their neighbors within the meager boundaries they were allotted in 1948, when five Arab countries attacked Israel in the War of Independence. This war was one of many that Muslim extremists committed against the Jewish state to deny Israel's right to exist [19].

In 1967 Egypt, Syria, and Jordan started a war with Israel. Hafiz al-Assad ordered his Syrian soldiers to "strike the enemy's [civilian] settlements, turn them into dust, pave the Arab roads with the skulls of the Jews, and strike them

without mercy" [20]. Miraculously, Israel won the war and gained territory in the Sinai, Golan Heights, West Bank, Gaza, and East Jerusalem. In 1982, Israel gave the Sinai to Egypt, which has created peace between the countries [21].
With similar hope, Israel left Gaza in 2005 as one of many gestures of peace with its Arab neighbors that have been met with violence [22]. This is worth repeating. Since 2005, Israel has NOT occupied Gaza. In response, Hamas overtook Gaza, slaughtered Palestinian leaders, created 450 miles of terror tunnels, launched over 30,000 rockets at Israel, and on October 7 perpetrated the most heinous attacks on the Jewish people since the Holocaust including the kidnapping of Israelis, Americans, and Foreign Nationals still missing today [23-24].

## FALSE CLAIMS OF GENOCIDE: HAMAS IS RESPONSIBLE FOR DEATHS OF PALESTINIANS

Both Hamas and the protesters' accusations of the Israel Defense Forces (IDF) are blatantly false. Numerous military leaders, including John Spencer (Former Chair of Urban Warfare Studies, WestPoint), testify that "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" including its use of precision weapons and the sending of leaflets, texts, and calls to Gazans ahead of airstrikes to provide time for them to evacuate targeted areas [25-27]. Sadly, terrorists boast of hiding among their own civilians to increase casualties [28].

Armies that fight defensive wars against terrorists in urban warfare generally have a civilian to casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist eliminated. This was true for U.S. and coalition troops in Mosul (2016-2017) [29]. However, Israel's ratio is less than 1:1, meaning they have reduced civilian casualties more than four to sixtyfold by comparison [30]. While the loss of innocent life is tragic, according to International Humanitarian Law (Article 51) these deaths fall squarely on Hamas [31].

Statistical analysis proves what Israel has been saying along - that the Ministry of Health numbers are false [32].

## HAMAS ADMITS: NO GENOCIDE HERE

As in previous wars that Hamas has started, Hamas leaders have finally admitted that they lied about numbers of civilian casualties [33], and that 72% of casualty numbers are male terrorists [34].

Moreover, Palestinian civilians attest to the fact that Hamas steals food from aid trucks and murders Palestinians trying to reach the aid [35-38].

## HAMAS' GLOBAL SUBTERFUGE

Hamas covers its atrocities against the Palestinian people (e.g., blocking safe passage corridors, hiding and firing weapons among civilians) [39-41] by sponsoring and supporting city, state, and worldwide protests on the Palestinians' behalf with the sole intent of delegitimizing Israel [42-45].

Donning the cloak of victimhood and resistance, Hamas's behavior is barbaric – igniting hatred and discrimination against Israel, worldwide Jewry, and democracy itself.

## SUMMARY

This document proves that the claims aimed at Israel of apartheid, genocide, colonialism, and occupation - are patently FALSE.

After the barbaric attack on October 7th, Hamas is still holding hostages and rebuilding its terror structure.

Allowing protesters like SJP, and groups like it (e.g., AMP, CAIR, JVP, WOL, etc.), to hijack governing bodies only rewards and emboldens Hamas, endangers Israel and worldwide democracies, and prevents the Gazans from taking responsibility to unlearn hate and choose healthy governance so that they become viable peace partners.

The world is at an uncomfortable brink: Barbarism vs. Democracy. Rewarding barbarity and those who support it is a losing proposition.

Bold leadership, not capitulation, is the only strategy to keep communities safe.
We ask you to vote NO on this anti-Israel ballot measure – which is a strategy designed by Hamas supporters to keep Hamas in power and continue to inflict carnage on the Palestinians and Israelis.

Please protect our community, democracy, and national security from misinformation and terrorist propaganda.

Sincerely,

Honorable Elected Officials,

We are your constituents, Americans across this great nation, and worldwide citizens who ask you to vote NO on the proposed anti-Israel ballot measure which falsely accuses Israel of apartheid, genocide, and illegal occupation and then asks voters to prohibit future city business and city investments with Israeli companies.

UNCONSTITUTIONAL: VIOLATION OF U.S. COMMERCE CLAUSE

The power to regulate foreign commerce lies exclusively with Congress. By trying to pass this ballot question endorsing a foreign-directed commercial boycott of Israel, your city council oversteps its constitutional authority. This would directly conflict with federal law and obstruct lawful commercial relationships with a U.S. ally. This represents a violation of Article I, Section 8 of the Constitution.

VIOLATES FEDERAL LAW

In addition, under the Export Administration Act and related federal statutes, U.S. persons and entities are prohibited from participating in or supporting unsanctioned foreign boycotts, such as this campaign targeting Israel. City Council members are duty bound to federal legal frameworks.

STANDARDS FOR U.S. BALLOT QUESTIONS

As elected officials you know that “informed citizens are democracy’s best defense” [1] and “to abandon facts is to abandon freedom” [2].

Yet, your city council has abandoned the facts and placed several outright lies in a ballot question that not only misleads voters but also opens a door to those who want nothing but to destroy our democracy and our way of life.

Why would you actively allow this to happen?

THE TRUTH ABOUT "PRO-PALESTINIAN" PROTESTERS

Their chant, "From the River to the Sea," clearly states their intention [10]. If you listen carefully, however, their violent intentions do not stop with Israel. They promote antisemitism the world over with the ultimate goal of overturning democratic values as they chant "Death to America" [11-12]. Their philosophy is anchored in the Hamas Charter, which states in its introduction, "Israel will exist until Islam will obliterate it" and "Our struggle against the Jews is very great and very serious" [13]; and the radical Islamist Duaat entitled "How Islam will dominate the world" [14].

Pure logic and history upend the protesters' statements.

Only a day after the heinous October 7 attacks on Israel, these protesters started their false accusations of "genocide" [15]. Here is the truth:

FALSE CLAIMS OF APARTHEID

Hamas' accusations of apartheid are false. Apartheid is defined as a system of legalized racial discrimination and segregation that deprives a racial group of their political and civil rights. In South Africa, for example, the white minority segregated Black Africans in housing, transportation, education, and stripped them of citizenship, and positions in government.

In Israel, all citizens whether Jewish, Arab, Armenian, Baha'i, Christian, Druze, Muslim, etc. have equal rights. They can live, work, and travel wherever they want, and they are provided the same government services (e.g., health insurance, free public school, subsidized university education) equally. They attend the same universities and have the same voting power and opportunities. In fact, they hold positions in all industries (e.g., law, medicine, politics) – including positions as judges and members of the Knesset. Israel is a multi-racial society where the Arab citizens have full rights. Inciting racism or discrimination in Israel is a criminal offense [16].

FALSE CLAIMS OF COLONIALISM AND OCCUPATION

Predating Islam, the Jewish people arrived and established the independent Land of Israel in the second millennium B.C.E. and lived there for more than 1,600 years. In succession, the Babylonians, Persians, Greeks, and Romans conquered the land. Despite the efforts of Roman crusaders and some Muslims to make the country empty of Jews, thousands of Jews have lived for centuries in each of the holy cities of Jerusalem, Safad, Tiberius, and Hebron; and in Gaza, Rafah, Ashkelon, Caesarea, Jaffa, Acre, and Jericho. [17]. Moreover, archaeological evidence proves Jewish indigenousity, with cities populated by a Jewish majority prior to the establishment of the modern state of Israel [18].

It is absurd to claim that the Jews who returned to Israel starting in the last decades of the 19th century were colonialists and imperialists. For whom were these idealists working? They were not planting the flag of the antisemitic regimes of Russia, Poland, and Lithuania; and they were kicked out of Yemen, Iraq, Turkey, and North Africa. In fact, these Jewish refugees had to overcome Turkish, British, and Pan-Arab imperialism to achieve self-determination. They were fleeing pogroms and persecution and wanted nothing to do with the countries from which they fled. They did not come to the land with weapons to conquer, but with rakes and hoes to cultivate often swamp-infested land they legally purchased from absentee landlords. Years later, after the Holocaust, the state of Israel was defined and established by international law (1948). The Israelis were ecstatic to live peacefully among their neighbors within the meager boundaries they were allotted in 1948, when five Arab countries attacked Israel in the War of Independence. This war was one of many that Muslim extremists committed against the Jewish state to deny Israel's right to exist [19].

In 1967 Egypt, Syria, and Jordan started a war with Israel. Hafiz al-Assad ordered his Syrian soldiers to "strike the enemy's [civilian] settlements, turn them into dust, pave the Arab roads with the skulls of the Jews, and strike them

without mercy" [20]. Miraculously, Israel won the war and gained territory in the Sinai, Golan Heights, West Bank, Gaza, and East Jerusalem. In 1982, Israel gave the Sinai to Egypt, which has created peace between the countries [21].
With similar hope, Israel left Gaza in 2005 as one of many gestures of peace with its Arab neighbors that have been met with violence [22]. This is worth repeating. Since 2005, Israel has NOT occupied Gaza. In response, Hamas overtook Gaza, slaughtered Palestinian leaders, created 450 miles of terror tunnels, launched over 30,000 rockets at Israel, and on October 7 perpetrated the most heinous attacks on the Jewish people since the Holocaust including the kidnapping of Israelis, Americans, and Foreign Nationals still missing today [23-24].

## FALSE CLAIMS OF GENOCIDE: HAMAS IS RESPONSIBLE FOR DEATHS OF PALESTINIANS

Both Hamas and the protesters' accusations of the Israel Defense Forces (IDF) are blatantly false. Numerous military leaders, including John Spencer (Former Chair of Urban Warfare Studies, WestPoint), testify that "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" including its use of precision weapons and the sending of leaflets, texts, and calls to Gazans ahead of airstrikes to provide time for them to evacuate targeted areas [25-27]. Sadly, terrorists boast of hiding among their own civilians to increase casualties [28].

Armies that fight defensive wars against terrorists in urban warfare generally have a civilian to casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist eliminated. This was true for U.S. and coalition troops in Mosul (2016-2017) [29]. However, Israel's ratio is less than 1:1, meaning they have reduced civilian casualties more than four to sixtyfold by comparison [30]. While the loss of innocent life is tragic, according to International Humanitarian Law (Article 51) these deaths fall squarely on Hamas [31].

Statistical analysis proves what Israel has been saying along - that the Ministry of Health numbers are false [32].

## HAMAS ADMITS: NO GENOCIDE HERE

As in previous wars that Hamas has started, Hamas leaders have finally admitted that they lied about numbers of civilian casualties [33], and that 72% of casualty numbers are male terrorists [34].

Moreover, Palestinian civilians attest to the fact that Hamas steals food from aid trucks and murders Palestinians trying to reach the aid [35-38].

## HAMAS' GLOBAL SUBTERFUGE

Hamas covers its atrocities against the Palestinian people (e.g., blocking safe passage corridors, hiding and firing weapons among civilians) [39-41] by sponsoring and supporting city, state, and worldwide protests on the Palestinians' behalf with the sole intent of delegitimizing Israel [42-45].

Donning the cloak of victimhood and resistance, Hamas's behavior is barbaric – igniting hatred and discrimination against Israel, worldwide Jewry, and democracy itself.

## SUMMARY

This document proves that the claims aimed at Israel of apartheid, genocide, colonialism, and occupation - are patently FALSE.

After the barbaric attack on October 7th, Hamas is still holding hostages and rebuilding its terror structure.

Allowing protesters like SJP, and groups like it (e.g., AMP, CAIR, JVP, WOL, etc.), to hijack governing bodies only rewards and emboldens Hamas, endangers Israel and worldwide democracies, and prevents the Gazans from taking responsibility to unlearn hate and choose healthy governance so that they become viable peace partners.

The world is at an uncomfortable brink: Barbarism vs. Democracy. Rewarding barbarity and those who support it is a losing proposition.

Bold leadership, not capitulation, is the only strategy to keep communities safe.
We ask you to vote NO on this anti-Israel ballot measure – which is a strategy designed by Hamas supporters to keep Hamas in power and continue to inflict carnage on the Palestinians and Israelis.

Please protect our community, democracy, and national security from misinformation and terrorist propaganda.

Sincerely,
G Fryd

Honorable Elected Officials,

We are your constituents, Americans across this great nation, and worldwide citizens who ask you to vote NO on the proposed anti-Israel ballot measure which falsely accuses Israel of apartheid, genocide, and illegal occupation and then asks voters to prohibit future city business and city investments with Israeli companies.

UNCONSTITUTIONAL: VIOLATION OF U.S. COMMERCE CLAUSE

The power to regulate foreign commerce lies exclusively with Congress. By trying to pass this ballot question endorsing a foreign-directed commercial boycott of Israel, your city council oversteps its constitutional authority. This would directly conflict with federal law and obstruct lawful commercial relationships with a U.S. ally. This represents a violation of Article I, Section 8 of the Constitution.

VIOLATES FEDERAL LAW

In addition, under the Export Administration Act and related federal statutes, U.S. persons and entities are prohibited from participating in or supporting unsanctioned foreign boycotts, such as this campaign targeting Israel. City Council members are duty bound to federal legal frameworks.

STANDARDS FOR U.S. BALLOT QUESTIONS

As elected officials you know that “informed citizens are democracy’s best defense” [1] and “to abandon facts is to abandon freedom” [2].

Yet, your city council has abandoned the facts and placed several outright lies in a ballot question that not only misleads voters but also opens a door to those who want nothing but to destroy our democracy and our way of life.

Why would you actively allow this to happen?

THE TRUTH ABOUT “PRO-PALESTINIAN” PROTESTERS

We have watched in horror as protestors have overtaken city councils, state government, and American university campuses with misinformation, extremist ideology, and violent conduct that undermine our democratic way of life and our peaceful communities.

The protesters claim to be an anti-war movement to stop the “genocide, apartheid, and occupation” [3] of the

Palestinian people, but nothing can be further from the truth.

Students for Justice in Palestine (SJP) and other groups (AMP, CAIR, JVP, WOL, etc.) are funded by the Hamas terrorist organization [4-9]. As a propaganda arm of Hamas, their sole purpose is to radicalize and misinform government officials and campuses and create a massive disinformation campaign to delegitimize Israel and promote the annihilation of the Jewish State.

Their chant, "From the River to the Sea," clearly states their intention [10]. If you listen carefully, however, their violent intentions do not stop with Israel. They promote antisemitism the world over with the ultimate goal of overturning democratic values as they chant "Death to America" [11-12]. In South Africa, for example, the white minority segregated Black Africans in housing, transportation, education, and stripped them of citizenship, and positions in government.

In Israel, all citizens whether Jewish, Arab, Armenian, Baha'i, Christian, Druze, Muslim, etc. have equal rights. They can live, work, and travel wherever they want, and they are provided the same government services (e.g., health insurance, free public school, subsidized university education) equally. They attend the same universities and have the same voting power and opportunities. In fact, they hold positions in all industries (e.g., law, medicine, politics) – including positions as judges and members of the Knesset. Israel is a multi-racial society where the Arab citizens have full rights. Inciting racism or discrimination in Israel is a criminal offense [16].

FALSE CLAIMS OF COLONIALISM AND OCCUPATION

Predating Islam, the Jewish people arrived and established the independent Land of Israel in the second millennium B.C.E. and lived there for more than 1,600 years. In succession, the

Babylonians, Persians, Greeks, and Romans conquered the land. Despite the efforts of Roman crusaders and some Muslims to make the country empty of Jews, thousands of Jews have lived for centuries in each of the holy cities of Jerusalem, Safad, Tiberius, and Hebron; and in Gaza, Rafah, Ashkelon, Caesarea, Jaffa, Acre, and Jericho. [17]. Moreover, archaeological evidence proves Jewish indigenousity, with cities populated by a Jewish majority prior to the establishment of the modern state of Israel [18].

It is absurd to claim that the Jews who returned to Israel starting in the last decades of the 19th century were colonialists and imperialists. For whom were these idealists working? They were not planting the flag of the antisemitic regimes of Russia, Poland, and Lithuania; and they were kicked out of Yemen, Iraq, Turkey, and North Africa. In fact, these Jewish refugees had to overcome Turkish, British, and Pan-Arab imperialism to achieve self-determination. They were fleeing pogroms and persecution and wanted nothing to do with the countries from which they fled. They did not come to the land with weapons to conquer, but with rakes and hoes to cultivate often swamp-infested land they legally purchased from absentee landlords. Years later, after the Holocaust, the state of Israel was defined and established by international law (1948). The Israelis were ecstatic to live peacefully among their neighbors within the meager boundaries they were allotted in 1948, when five Arab countries attacked Israel in the War of Independence. This war was one of many that Muslim extremists committed against the Jewish state to deny Israel's right to exist [19].

In 1967 Egypt, Syria, and Jordan started a war with Israel. Hafiz al-Assad ordered his Syrian soldiers to "strike the enemy's [civilian] settlements, turn them into dust, pave the Arab roads with the skulls of the Jews, and strike them without mercy" [20]. Miraculously, Israel won the war and gained territory in the Sinai, Golan Heights, West Bank, Gaza, and East Jerusalem. In 1982, Israel gave the Sinai to Egypt, which has created peace between the countries [21]. With similar hope, Israel left Gaza in 2005 as one of many gestures of peace with its Arab neighbors that have been met with violence [22]. This is worth repeating. Since 2005, Israel has NOT occupied Gaza. In response, Hamas overtook Gaza, slaughtered Palestinian leaders, created 450 miles of terror tunnels, launched over 30,000 rockets at Israel, and on October 7 perpetrated the most heinous attacks on the Jewish people since the Holocaust including the kidnapping of Israelis, Americans, and Foreign Nationals still missing today [23-24].

## FALSE CLAIMS OF GENOCIDE: HAMAS IS RESPONSIBLE FOR DEATHS OF PALESTINIANS

Both Hamas and the protesters' accusations of the Israel Defense Forces (IDF) are blatantly false. Numerous military leaders, including John Spencer (Former Chair of Urban Warfare Studies, WestPoint), testify that "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" including its use of precision weapons and the sending of leaflets, texts, and calls to Gazans ahead of airstrikes to provide time for them to evacuate targeted areas [25-27]. Sadly, terrorists boast of hiding among their own civilians to increase casualties [28].

Armies that fight defensive wars against terrorists in urban warfare generally have a civilian to casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist eliminated. This was true for U.S. and coalition troops in Mosul (2016-2017) [29]. However, Israel's ratio is less than 1:1, meaning they have reduced civilian casualties more than four to sixtyfold by comparison [30]. While the loss of innocent life is tragic, according to International Humanitarian Law (Article 51) these deaths fall squarely on Hamas [31].

Statistical analysis proves what Israel has been saying along - that the Ministry of Health numbers are false [32].

HAMAS ADMITS: NO GENOCIDE HERE

As in previous wars that Hamas has started, Hamas leaders have finally admitted that they lied about numbers of civilian casualties [33], and that 72% of casualty numbers are male terrorists [34].

Moreover, Palestinian civilians attest to the fact that Hamas steals food from aid trucks and murders Palestinians trying to reach the aid [35-38].

HAMAS' GLOBAL SUBTERFUGE

Hamas covers its atrocities against the Palestinian people (e.g., blocking safe passage corridors, hiding and firing weapons among civilians) [39-41] by sponsoring and supporting city, state, and worldwide protests on the Palestinians' behalf with the sole intent of delegitimizing Israel [42-45].

Donning the cloak of victimhood and resistance, Hamas's behavior is barbaric – igniting hatred and discrimination against Israel, worldwide Jewry, and democracy itself.

SUMMARY

This document proves that the claims aimed at Israel of apartheid, genocide, colonialism, and occupation - are patently FALSE.

After the barbaric attack on October 7th, Hamas is still holding hostages and rebuilding its terror structure.

Allowing protesters like SJP, and groups like it (e.g., AMP, CAIR, JVP, WOL, etc.), to hijack governing bodies only rewards and emboldens Hamas, endangers Israel and worldwide democracies, and prevents the Gazans from taking responsibility to unlearn hate and choose healthy governance so that they become viable peace partners.

The world is at an uncomfortable brink: Barbarism vs. Democracy. Rewarding barbarity and those who support it is a losing proposition.

Bold leadership, not capitulation, is the only strategy to keep communities safe.
We ask you to vote NO on this anti-Israel ballot measure – which is a strategy designed by Hamas supporters to keep Hamas in power and continue to inflict carnage on the Palestinians and Israelis.

Please protect our community, democracy, and national security from misinformation and terrorist propaganda.

Sincerely,

“This is your democracy. Make it. Protect it. Pass it on.”

Honorable Elected Officials,

We are your constituents, Americans across this great nation, and worldwide citizens who ask you to vote NO on the proposed anti-Israel ballot measure which falsely accuses Israel of apartheid, genocide, and illegal occupation and then asks voters to prohibit future city business and city investments with Israeli companies.

UNCONSTITUTIONAL: VIOLATION OF U.S. COMMERCE CLAUSE

The power to regulate foreign commerce lies exclusively with Congress. By trying to pass this ballot question endorsing a foreign-directed commercial boycott of Israel, your city council oversteps its constitutional authority. This would directly conflict with federal law and obstruct lawful commercial relationships with a U.S. ally. This represents a violation of Article I, Section 8 of the Constitution.

VIOLATES FEDERAL LAW

In addition, under the Export Administration Act and related federal statutes, U.S. persons and entities are prohibited from participating in or supporting unsanctioned foreign boycotts, such as this campaign targeting Israel. City Council members are duty bound to federal legal frameworks.

STANDARDS FOR U.S. BALLOT QUESTIONS

As elected officials you know that “informed citizens are democracy’s best defense” [1] and “to abandon facts is to abandon freedom” [2].

Yet, your city council has abandoned the facts and placed several outright lies in a ballot question that not only misleads voters but also opens a door to those who want nothing but to destroy our democracy and our way of life.

Why would you actively allow this to happen?

THE TRUTH ABOUT “PRO-PALESTINIAN” PROTESTERS

We have watched in horror as protestors have overtaken city councils, state government, and American university campuses with misinformation, extremist ideology, and violent conduct that undermine our democratic way of life and our peaceful communities.

The protesters claim to be an anti-war movement to stop the “genocide, apartheid, and occupation” [3] of the

Palestinian people, but nothing can be further from the truth.

Students for Justice in Palestine (SJP) and other groups (AMP, CAIR, JVP, WOL, etc.) are funded by the Hamas terrorist organization [4-9]. As a propaganda arm of Hamas, their sole purpose is to radicalize and misinform government officials and campuses and create a massive disinformation campaign to delegitimize Israel and promote the annihilation of the Jewish State.

Their chant, "From the River to the Sea," clearly states their intention [10]. If you listen carefully, however, their violent intentions do not stop with Israel. They promote antisemitism the world over with the ultimate goal of overturning democratic values as they chant "Death to America" [11-12]. Their philosophy is anchored in the Hamas Charter, which states in its introduction, "Israel will exist until Islam will obliterate it" and "Our struggle against the Jews is very great and very serious" [13]; and the radical Islamist Duaat entitled "How Islam will dominate the world" [14].

Pure logic and history upend the protesters' statements.

Only a day after the heinous October 7 attacks on Israel, these protesters started their false accusations of "genocide" [15]. Here is the truth:

FALSE CLAIMS OF APARTHEID

Hamas' accusations of apartheid are false. Apartheid is defined as a system of legalized racial discrimination and segregation that deprives a racial group of their political and civil rights. In South Africa, for example, the white minority segregated Black Africans in housing, transportation, education, and stripped them of citizenship, and positions in government.

In Israel, all citizens whether Jewish, Arab, Armenian, Baha'i, Christian, Druze, Muslim, etc. have equal rights. Predating Islam, the Jewish people arrived and established the independent Land of Israel in the second millennium B.C.E. and lived there for more than 1,600 years. In succession, the Babylonians, Persians, Greeks, and Romans conquered the land. Despite the efforts of Roman crusaders and some Muslims to make the country empty of Jews, thousands of Jews have lived for centuries in each of the holy cities of Jerusalem, Safad, Tiberius, and Hebron; and in Gaza, Rafah, Ashkelon, Caesarea, Jaffa, Acre, and Jericho. [17]. Moreover, archaeological evidence proves Jewish indigenousity, with cities populated by a Jewish majority prior to the establishment of the modern state of Israel [18].

It is absurd to claim that the Jews who returned to Israel starting in the last decades of the 19th century were colonialists and imperialists. For whom were these idealists working? They were not planting the flag of the antisemitic regimes of Russia, Poland, and Lithuania; and they were kicked out of Yemen, Iraq, Turkey, and North Africa. In fact, these Jewish refugees had to overcome Turkish, British, and Pan-Arab imperialism to achieve self-determination. They were fleeing pogroms and persecution and wanted nothing to do with the countries from which they fled. They did not come to the land with weapons to conquer, but with rakes and hoes to cultivate often swamp-infested land they legally purchased from absentee landlords. Years later, after the Holocaust, the state of Israel was defined and established by international law (1948). The Israelis were ecstatic to live peacefully among their neighbors within the meager boundaries they were allotted in 1948, when five Arab countries attacked Israel in the War of Independence. This war was one of many that Muslim extremists committed against the Jewish state to deny Israel's right to exist [19].

In 1967 Egypt, Syria, and Jordan started a war with Israel. Hafiz al-Assad ordered his Syrian soldiers to "strike the enemy's [civilian] settlements, turn them into dust, pave the Arab roads with the skulls of the Jews, and strike them

without mercy" [20]. Miraculously, Israel won the war and gained territory in the Sinai, Golan Heights, West Bank, Gaza, and East Jerusalem. In 1982, Israel gave the Sinai to Egypt, which has created peace between the countries [21].
With similar hope, Israel left Gaza in 2005 as one of many gestures of peace with its Arab neighbors that have been met with violence [22]. This is worth repeating. Since 2005, Israel has NOT occupied Gaza. In response, Hamas overtook Gaza, slaughtered Palestinian leaders, created 450 miles of terror tunnels, launched over 30,000 rockets at Israel, and on October 7 perpetrated the most heinous attacks on the Jewish people since the Holocaust including the kidnapping of Israelis, Americans, and Foreign Nationals still missing today [23-24].

## FALSE CLAIMS OF GENOCIDE: HAMAS IS RESPONSIBLE FOR DEATHS OF PALESTINIANS

Both Hamas and the protesters' accusations of the Israel Defense Forces (IDF) are blatantly false. Numerous military leaders, including John Spencer (Former Chair of Urban Warfare Studies, WestPoint), testify that "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" including its use of precision weapons and the sending of leaflets, texts, and calls to Gazans ahead of airstrikes to provide time for them to evacuate targeted areas [25-27]. Sadly, terrorists boast of hiding among their own civilians to increase casualties [28].

Armies that fight defensive wars against terrorists in urban warfare generally have a civilian to casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist eliminated. This was true for U.S. and coalition troops in Mosul (2016-2017) [29]. However, Israel's ratio is less than 1:1, meaning they have reduced civilian casualties more than four to sixtyfold by comparison [30]. While the loss of innocent life is tragic, according to International Humanitarian Law (Article 51) these deaths fall squarely on Hamas [31].

Statistical analysis proves what Israel has been saying along - that the Ministry of Health numbers are false [32].

## HAMAS ADMITS: NO GENOCIDE HERE

As in previous wars that Hamas has started, Hamas leaders have finally admitted that they lied about numbers of civilian casualties [33], and that 72% of casualty numbers are male terrorists [34].

Moreover, Palestinian civilians attest to the fact that Hamas steals food from aid trucks and murders Palestinians trying to reach the aid [35-38].

## HAMAS' GLOBAL SUBTERFUGE

Hamas covers its atrocities against the Palestinian people (e.g., blocking safe passage corridors, hiding and firing weapons among civilians) [39-41] by sponsoring and supporting city, state, and worldwide protests on the Palestinians' behalf with the sole intent of delegitimizing Israel [42-45].

Donning the cloak of victimhood and resistance, Hamas's behavior is barbaric – igniting hatred and discrimination against Israel, worldwide Jewry, and democracy itself.

## SUMMARY

This document proves that the claims aimed at Israel of apartheid, genocide, colonialism, and occupation - are patently FALSE.

After the barbaric attack on October 7th, Hamas is still holding hostages and rebuilding its terror structure.

Allowing protesters like SJP, and groups like it (e.g., AMP, CAIR, JVP, WOL, etc.), to hijack governing bodies only rewards and emboldens Hamas, endangers Israel and worldwide democracies, and prevents the Gazans from taking responsibility to unlearn hate and choose healthy governance so that they become viable peace partners.

The world is at an uncomfortable brink: Barbarism vs. Democracy. Rewarding barbarity and those who support it is a losing proposition.

Bold leadership, not capitulation, is the only strategy to keep communities safe.
We ask you to vote NO on this anti-Israel ballot measure – which is a strategy designed by Hamas supporters to keep Hamas in power and continue to inflict carnage on the Palestinians and Israelis.

Please protect our community, democracy, and national security from misinformation and terrorist propaganda.

Sincerely,

"This is your democracy. Make it. Protect it. Pass it on."

Honorable Elected Officials,

We are your constituents, Americans across this great nation, and worldwide citizens who ask you to vote NO on the proposed anti-Israel ballot measure which falsely accuses Israel of apartheid, genocide, and illegal occupation and then asks voters to prohibit future city business and city investments with Israeli companies.

UNCONSTITUTIONAL: VIOLATION OF U.S. COMMERCE CLAUSE

The power to regulate foreign commerce lies exclusively with Congress. By trying to pass this ballot question endorsing a foreign-directed commercial boycott of Israel, your city council oversteps its constitutional authority. This would directly conflict with federal law and obstruct lawful commercial relationships with a U.S. ally. This represents a violation of Article I, Section 8 of the Constitution.

VIOLATES FEDERAL LAW

In addition, under the Export Administration Act and related federal statutes, U.S. persons and entities are prohibited from participating in or supporting unsanctioned foreign boycotts, such as this campaign targeting Israel. City Council members are duty bound to federal legal frameworks.

STANDARDS FOR U.S. BALLOT QUESTIONS

As elected officials you know that “informed citizens are democracy’s best defense” [1] and “to abandon facts is to abandon freedom” [2].

Yet, your city council has abandoned the facts and placed several outright lies in a ballot question that not only misleads voters but also opens a door to those who want nothing but to destroy our democracy and our way of life.

Why would you actively allow this to happen?

THE TRUTH ABOUT “PRO-PALESTINIAN” PROTESTERS

We have watched in horror as protestors have overtaken city councils, state government, and American university campuses with misinformation, extremist ideology, and violent conduct that undermine our democratic way of life and our peaceful communities.

The protesters claim to be an anti-war movement to stop the “genocide, apartheid, and occupation” [3] of the

Palestinian people, but nothing can be further from the truth.

Students for Justice in Palestine (SJP) and other groups (AMP, CAIR, JVP, WOL, etc.) are funded by the Hamas terrorist organization [4-9]. As a propaganda arm of Hamas, their sole purpose is to radicalize and misinform government officials and campuses and create a massive disinformation campaign to delegitimize Israel and promote the annihilation of the Jewish State.

Their chant, "From the River to the Sea," clearly states their intention [10]. If you listen carefully, however, their violent intentions do not stop with Israel. They promote antisemitism the world over with the ultimate goal of overturning democratic values as they chant "Death to America" [11-12]. Their philosophy is anchored in the Hamas Charter, which states in its introduction, "Israel will exist until Islam will obliterate it" and "Our struggle against the Jews is very great and very serious" [13]; and the radical Islamist Duaat entitled "How Islam will dominate the world" [14].

Pure logic and history upend the protesters' statements.

Only a day after the heinous October 7 attacks on Israel, these protesters started their false accusations of "genocide" [15]. Here is the truth:

FALSE CLAIMS OF APARTHEID

Hamas' accusations of apartheid are false. Apartheid is defined as a system of legalized racial discrimination and segregation that deprives a racial group of their political and civil rights. In South Africa, for example, the white minority segregated Black Africans in housing, transportation, education, and stripped them of citizenship, and positions in government.

In Israel, all citizens whether Jewish, Arab, Armenian, Baha'i, Christian, Druze, Muslim, etc. have equal rights. They can live, work, and travel wherever they want, and they are provided the same government services (e.g., health insurance, free public school, subsidized university education) equally. They attend the same universities and have the same voting power and opportunities. In fact, they hold positions in all industries (e.g., law, medicine, politics) – including positions as judges and members of the Knesset. Israel is a multi-racial society where the Arab citizens have full rights. Inciting racism or discrimination in Israel is a criminal offense [16].

FALSE CLAIMS OF COLONIALISM AND OCCUPATION

Predating Islam, the Jewish people arrived and established the independent Land of Israel in the second millennium B.C.E. and lived there for more than 1,600 years. In fact, these Jewish refugees had to overcome Turkish, British, and Pan-Arab imperialism to achieve self-determination. They were fleeing pogroms and persecution and wanted nothing to do with the countries from which they fled. They did not come to the land with weapons to conquer, but with rakes and hoes to cultivate often swamp-infested land they legally purchased from absentee landlords. Years later, after the Holocaust, the state of Israel was defined and established by international law (1948). The Israelis were ecstatic to live peacefully among their neighbors within the meager boundaries they were allotted in 1948, when five Arab countries attacked Israel in the War of Independence. This war was one of many that Muslim extremists committed against the Jewish state to deny Israel's right to exist [19].

In 1967 Egypt, Syria, and Jordan started a war with Israel. Hafiz al-Assad ordered his Syrian soldiers to "strike the enemy's [civilian] settlements, turn them into dust, pave the Arab roads with the skulls of the Jews, and strike them without mercy" [20]. Miraculously, Israel won the war and gained territory in the Sinai, Golan Heights, West Bank, Gaza, and East Jerusalem. In 1982, Israel gave the Sinai to Egypt, which has created peace between the countries [21]. With similar hope, Israel left Gaza in 2005 as one of many gestures of peace with its Arab neighbors that have been met with violence [22]. This is worth repeating. Since 2005, Israel has NOT occupied Gaza. In response, Hamas overtook Gaza, slaughtered Palestinian leaders, created 450 miles of terror tunnels, launched over 30,000 rockets at Israel, and on October 7 perpetrated the most heinous attacks on the Jewish people since the Holocaust including the kidnapping of Israelis, Americans, and Foreign Nationals still missing today [23-24].

## FALSE CLAIMS OF GENOCIDE: HAMAS IS RESPONSIBLE FOR DEATHS OF PALESTINIANS

Both Hamas and the protesters' accusations of the Israel Defense Forces (IDF) are blatantly false. Numerous military leaders, including John Spencer (Former Chair of Urban Warfare Studies, WestPoint), testify that "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" including its use of precision weapons and the sending of leaflets, texts, and calls to Gazans ahead of airstrikes to provide time for them to evacuate targeted areas [25-27]. Sadly, terrorists boast of hiding among their own civilians to increase casualties [28].

Armies that fight defensive wars against terrorists in urban warfare generally have a civilian to casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist eliminated. This was true for U.S. and coalition troops in Mosul (2016-2017) [29]. However, Israel's ratio is less than 1:1, meaning they have reduced civilian casualties more than four to sixtyfold by comparison [30]. While the loss of innocent life is tragic, according to International Humanitarian Law (Article 51) these deaths fall squarely on Hamas [31].

Statistical analysis proves what Israel has been saying along - that the Ministry of Health numbers are false [32].

HAMAS ADMITS: NO GENOCIDE HERE

As in previous wars that Hamas has started, Hamas leaders have finally admitted that they lied about numbers of civilian casualties [33], and that 72% of casualty numbers are male terrorists [34].

Moreover, Palestinian civilians attest to the fact that Hamas steals food from aid trucks and murders Palestinians trying to reach the aid [35-38].

HAMAS' GLOBAL SUBTERFUGE

Hamas covers its atrocities against the Palestinian people (e.g., blocking safe passage corridors, hiding and firing weapons among civilians) [39-41] by sponsoring and supporting city, state, and worldwide protests on the Palestinians' behalf with the sole intent of delegitimizing Israel [42-45].

Donning the cloak of victimhood and resistance, Hamas's behavior is barbaric – igniting hatred and discrimination against Israel, worldwide Jewry, and democracy itself.

SUMMARY

This document proves that the claims aimed at Israel of apartheid, genocide, colonialism, and occupation - are patently FALSE.

After the barbaric attack on October 7th, Hamas is still holding hostages and rebuilding its terror structure.

Allowing protesters like SJP, and groups like it (e.g., AMP, CAIR, JVP, WOL, etc.), to hijack governing bodies only rewards and emboldens Hamas, endangers Israel and worldwide democracies, and prevents the Gazans from taking responsibility to unlearn hate and choose healthy governance so that they become viable peace partners.

The world is at an uncomfortable brink: Barbarism vs. Democracy. Rewarding barbarity and those who support it is a losing proposition.

Bold leadership, not capitulation, is the only strategy to keep communities safe.
We ask you to vote NO on this anti-Israel ballot measure – which is a strategy designed by Hamas supporters to keep Hamas in power and continue to inflict carnage on the Palestinians and Israelis.

Please protect our community, democracy, and national security from misinformation and terrorist propaganda.

Sincerely,

Norman Klein

Honorable Elected Officials,

We are your constituents, Americans across this great nation, and worldwide citizens who ask you to vote NO on the proposed anti-Israel ballot measure which falsely accuses Israel of apartheid, genocide, and illegal occupation and then asks voters to prohibit future city business and city investments with Israeli companies.

UNCONSTITUTIONAL: VIOLATION OF U.S. COMMERCE CLAUSE

The power to regulate foreign commerce lies exclusively with Congress. By trying to pass this ballot question endorsing a foreign-directed commercial boycott of Israel, your city council oversteps its constitutional authority. This would directly conflict with federal law and obstruct lawful commercial relationships with a U.S. ally. This represents a violation of Article I, Section 8 of the Constitution.

VIOLATES FEDERAL LAW

In addition, under the Export Administration Act and related federal statutes, U.S. persons and entities are prohibited from participating in or supporting unsanctioned foreign boycotts, such as this campaign targeting Israel. City Council members are duty bound to federal legal frameworks.

STANDARDS FOR U.S. BALLOT QUESTIONS

As elected officials you know that “informed citizens are democracy’s best defense” [1] and “to abandon facts is to abandon freedom” [2].

Yet, your city council has abandoned the facts and placed several outright lies in a ballot question that not only misleads voters but also opens a door to those who want nothing but to destroy our democracy and our way of life.

Why would you actively allow this to happen?

THE TRUTH ABOUT "PRO-PALESTINIAN" PROTESTERS

We have watched in horror as protestors have overtaken city councils, state government, and American university campuses with misinformation, extremist ideology, and violent conduct that undermine our democratic way of life and our peaceful communities.

The protesters claim to be an anti-war movement to stop the "genocide, apartheid, and occupation" [3] of the Palestinian people, but nothing can be further from the truth.

Students for Justice in Palestine (SJP) and other groups (AMP, CAIR, JVP, WOL, etc.) are funded by the Hamas terrorist organization [4-9]. As a propaganda arm of Hamas, their sole purpose is to radicalize and misinform government officials and campuses and create a massive disinformation campaign to delegitimize Israel and promote the annihilation of the Jewish State.

Their chant, "From the River to the Sea," clearly states their intention [10]. If you listen carefully, however, their violent intentions do not stop with Israel. They promote antisemitism the world over with the ultimate goal of overturning democratic values as they chant "Death to America" [11-12]. Their philosophy is anchored in the Hamas Charter, which states in its introduction, "Israel will exist until Islam will obliterate it" and "Our struggle against the Jews is very great and very serious" [13]; and the radical Islamist Duaat entitled "How Islam will dominate the world" [14].

Pure logic and history upend the protesters' statements.

Only a day after the heinous October 7 attacks on Israel, these protesters started their false accusations of "genocide" [15]. Here is the truth:

FALSE CLAIMS OF APARTHEID

Hamas' accusations of apartheid are false. Apartheid is defined as a system of legalized racial discrimination and segregation that deprives a racial group of their political and civil rights. In South Africa, for example, the white minority segregated Black Africans in housing, transportation, education, and stripped them of citizenship, and positions in government.

In Israel, all citizens whether Jewish, Arab, Armenian, Baha'i, Christian, Druze, Muslim, etc. have equal rights. They can live, work, and travel wherever they want, and they are provided the same government services (e.g., health insurance, free public school, subsidized university education) equally. They attend the same universities and have the same voting power and opportunities. In fact, they hold positions in all industries (e.g., law, medicine, politics) – including positions as judges and members of the Knesset. Israel is a multi-racial society where the Arab citizens have full rights. Inciting racism or discrimination in Israel is a criminal offense [16].

FALSE CLAIMS OF COLONIALISM AND OCCUPATION

Predating Islam, the Jewish people arrived and established the independent Land of Israel in the second millennium B.C.E. and lived there for more than 1,600 years. In succession, the

Babylonians, Persians, Greeks, and Romans conquered the land. Despite the efforts of Roman crusaders and some Muslims to make the country empty of Jews, thousands of Jews have lived for centuries in each of the holy cities of Jerusalem, Safad, Tiberius, and Hebron; and in Gaza, Rafah, Ashkelon, Caesarea, Jaffa, Acre, and Jericho. [17]. Moreover, archaeological evidence proves Jewish indigenousity, with cities populated by a Jewish majority prior to the establishment of the modern state of Israel [18].

It is absurd to claim that the Jews who returned to Israel starting in the last decades of the 19th century were colonialists and imperialists. For whom were these idealists working? They were not planting the flag of the antisemitic regimes of Russia, Poland, and Lithuania; and they were kicked out of Yemen, Iraq, Turkey, and North Africa. In fact, these Jewish refugees had to overcome Turkish, British, and Pan-Arab imperialism to achieve self-determination. They were fleeing pogroms and persecution and wanted nothing to do with the countries from which they fled. They did not come to the land with weapons to conquer, but with rakes and hoes to cultivate often swamp-infested land they legally purchased from absentee landlords. Years later, after the Holocaust, the state of Israel was defined and established by international law (1948). In 1967 Egypt, Syria, and Jordan started a war with Israel. Hafiz al-Assad ordered his Syrian soldiers to "strike the enemy's [civilian] settlements, turn them into dust, pave the Arab roads with the skulls of the Jews, and strike them

without mercy" [20]. Miraculously, Israel won the war and gained territory in the Sinai, Golan Heights, West Bank, Gaza, and East Jerusalem. In 1982, Israel gave the Sinai to Egypt, which has created peace between the countries [21].
With similar hope, Israel left Gaza in 2005 as one of many gestures of peace with its Arab neighbors that have been met with violence [22]. This is worth repeating. Since 2005, Israel has NOT occupied Gaza. In response, Hamas overtook Gaza, slaughtered Palestinian leaders, created 450 miles of terror tunnels, launched over 30,000 rockets at Israel, and on October 7 perpetrated the most heinous attacks on the Jewish people since the Holocaust including the kidnapping of Israelis, Americans, and Foreign Nationals still missing today [23-24].

## FALSE CLAIMS OF GENOCIDE: HAMAS IS RESPONSIBLE FOR DEATHS OF PALESTINIANS

Both Hamas and the protesters' accusations of the Israel Defense Forces (IDF) are blatantly false. Numerous military leaders, including John Spencer (Former Chair of Urban Warfare Studies, WestPoint), testify that "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" including its use of precision weapons and the sending of leaflets, texts, and calls to Gazans ahead of airstrikes to provide time for them to evacuate targeted areas [25-27]. Sadly, terrorists boast of hiding among their own civilians to increase casualties [28].

Armies that fight defensive wars against terrorists in urban warfare generally have a civilian to casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist eliminated. This was true for U.S. and coalition troops in Mosul (2016-2017) [29]. However, Israel's ratio is less than 1:1, meaning they have reduced civilian casualties more than four to sixtyfold by comparison [30]. While the loss of innocent life is tragic, according to International Humanitarian Law (Article 51) these deaths fall squarely on Hamas [31].

Statistical analysis proves what Israel has been saying along - that the Ministry of Health numbers are false [32].

## HAMAS ADMITS: NO GENOCIDE HERE

As in previous wars that Hamas has started, Hamas leaders have finally admitted that they lied about numbers of civilian casualties [33], and that 72% of casualty numbers are male terrorists [34].

Moreover, Palestinian civilians attest to the fact that Hamas steals food from aid trucks and murders Palestinians trying to reach the aid [35-38].

## HAMAS' GLOBAL SUBTERFUGE

Hamas covers its atrocities against the Palestinian people (e.g., blocking safe passage corridors, hiding and firing weapons among civilians) [39-41] by sponsoring and supporting city, state, and worldwide protests on the Palestinians' behalf with the sole intent of delegitimizing Israel [42-45].

Donning the cloak of victimhood and resistance, Hamas's behavior is barbaric – igniting hatred and discrimination against Israel, worldwide Jewry, and democracy itself.

## SUMMARY

This document proves that the claims aimed at Israel of apartheid, genocide, colonialism, and occupation - are patently FALSE.

After the barbaric attack on October 7th, Hamas is still holding hostages and rebuilding its terror structure.

Allowing protesters like SJP, and groups like it (e.g., AMP, CAIR, JVP, WOL, etc.), to hijack governing bodies only rewards and emboldens Hamas, endangers Israel and worldwide democracies, and prevents the Gazans from taking responsibility to unlearn hate and choose healthy governance so that they become viable peace partners.

The world is at an uncomfortable brink: Barbarism vs. Democracy. Rewarding barbarity and those who support it is a losing proposition.

Bold leadership, not capitulation, is the only strategy to keep communities safe.
We ask you to vote NO on this anti-Israel ballot measure – which is a strategy designed by Hamas supporters to keep Hamas in power and continue to inflict carnage on the Palestinians and Israelis.

Please protect our community, democracy, and national security from misinformation and terrorist propaganda.

Sincerely,

"This is your democracy. Make it. Protect it. Pass it on."

Honorable Elected Officials,

We are your constituents, Americans across this great nation, and worldwide citizens who ask you to vote NO on the proposed anti-Israel ballot measure which falsely accuses Israel of apartheid, genocide, and illegal occupation and then asks voters to prohibit future city business and city investments with Israeli companies.

UNCONSTITUTIONAL: VIOLATION OF U.S. COMMERCE CLAUSE

The power to regulate foreign commerce lies exclusively with Congress. By trying to pass this ballot question endorsing a foreign-directed commercial boycott of Israel, your city council oversteps its constitutional authority. This would directly conflict with federal law and obstruct lawful commercial relationships with a U.S. ally. This represents a violation of Article I, Section 8 of the Constitution.

VIOLATES FEDERAL LAW

In addition, under the Export Administration Act and related federal statutes, U.S. persons and entities are prohibited from participating in or supporting unsanctioned foreign boycotts, such as this campaign targeting Israel. City Council members are duty bound to federal legal frameworks.

STANDARDS FOR U.S. BALLOT QUESTIONS

As elected officials you know that “informed citizens are democracy’s best defense” [1] and “to abandon facts is to abandon freedom” [2].

Yet, your city council has abandoned the facts and placed several outright lies in a ballot question that not only misleads voters but also opens a door to those who want nothing but to destroy our democracy and our way of life.

Why would you actively allow this to happen?

THE TRUTH ABOUT “PRO-PALESTINIAN” PROTESTERS

We have watched in horror as protestors have overtaken city councils, state government, and American university campuses with misinformation, extremist ideology, and violent conduct that undermine our democratic way of life and our peaceful communities.

The protesters claim to be an anti-war movement to stop the “genocide, apartheid, and occupation” [3] of the

Palestinian people, but nothing can be further from the truth.

Students for Justice in Palestine (SJP) and other groups (AMP, CAIR, JVP, WOL, etc.) are funded by the Hamas terrorist organization [4-9]. As a propaganda arm of Hamas, their sole purpose is to radicalize and misinform government officials and campuses and create a massive disinformation campaign to delegitimize Israel and promote the annihilation of the Jewish State.

Their chant, "From the River to the Sea," clearly states their intention [10]. If you listen carefully, however, their violent intentions do not stop with Israel. They promote antisemitism the world over with the ultimate goal of overturning democratic values as they chant "Death to America" [11-12]. Their philosophy is anchored in the Hamas Charter, which states in its introduction, "Israel will exist until Islam will obliterate it" and "Our struggle against the Jews is very great and very serious" [13]; and the radical Islamist Duaat entitled "How Islam will dominate the world" [14].

Pure logic and history upend the protesters' statements.

Only a day after the heinous October 7 attacks on Israel, these protesters started their false accusations of "genocide" [15]. Here is the truth:

FALSE CLAIMS OF APARTHEID

Hamas' accusations of apartheid are false. Apartheid is defined as a system of legalized racial discrimination and segregation that deprives a racial group of their political and civil rights. In South Africa, for example, the white minority segregated Black Africans in housing, transportation, education, and stripped them of citizenship, and positions in government.

In Israel, all citizens whether Jewish, Arab, Armenian, Baha'i, Christian, Druze, Muslim, etc. have equal rights. They can live, work, and travel wherever they want, and they are provided the same government services (e.g., health insurance, free public school, subsidized university education) equally. They attend the same universities and have the same voting power and opportunities. In fact, they hold positions in all industries (e.g., law, medicine, politics) – including positions as judges and members of the Knesset. Israel is a multi-racial society where the Arab citizens have full rights. Inciting racism or discrimination in Israel is a criminal offense [16].

FALSE CLAIMS OF COLONIALISM AND OCCUPATION

Predating Islam, the Jewish people arrived and established the independent Land of Israel in the second millennium B.C.E. and lived there for more than 1,600 years. In succession, the Babylonians, Persians, Greeks, and Romans conquered the land. Despite the efforts of Roman crusaders and some Muslims to make the country empty of Jews, thousands of Jews have lived for centuries in each of the holy cities of Jerusalem, Safad, Tiberius, and Hebron; and in Gaza, Rafah, Ashkelon, Caesarea, Jaffa, Acre, and Jericho. [17]. Moreover, archaeological evidence proves Jewish indigenousity, with cities populated by a Jewish majority prior to the establishment of the modern state of Israel [18].

It is absurd to claim that the Jews who returned to Israel starting in the last decades of the 19th century were colonialists and imperialists. For whom were these idealists working? They were not planting the flag of the antisemitic regimes of Russia, Poland, and Lithuania; and they were kicked out of Yemen, Iraq, Turkey, and North Africa. In fact, these Jewish refugees had to overcome Turkish, British, and Pan-Arab imperialism to achieve self-determination. They were fleeing pogroms and persecution and wanted nothing to do with the countries from which they fled. They did not come to the land with weapons to conquer, but with rakes and hoes to cultivate often swamp-infested land they legally purchased from absentee landlords. Years later, after the Holocaust, the state of Israel was defined and established by international law (1948). The Israelis were ecstatic to live peacefully among their neighbors within the meager boundaries they were allotted in 1948, when five Arab countries attacked Israel in the War of Independence. This war was one of many that Muslim extremists committed against the Jewish state to deny Israel's right to exist [19].

In 1967 Egypt, Syria, and Jordan started a war with Israel. Hafiz al-Assad ordered his Syrian soldiers to "strike the enemy's [civilian] settlements, turn them into dust, pave the Arab roads with the skulls of the Jews, and strike them

without mercy" [20]. Miraculously, Israel won the war and gained territory in the Sinai, Golan Heights, West Bank, Gaza, and East Jerusalem. In 1982, Israel gave the Sinai to Egypt, which has created peace between the countries [21].

## FALSE CLAIMS OF GENOCIDE: HAMAS IS RESPONSIBLE FOR DEATHS OF PALESTINIANS

Both Hamas and the protesters' accusations of the Israel Defense Forces (IDF) are blatantly false. Numerous military leaders, including John Spencer (Former Chair of Urban Warfare Studies, WestPoint), testify that "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" including its use of precision weapons and the sending of leaflets, texts, and calls to Gazans ahead of airstrikes to provide time for them to evacuate targeted areas [25-27]. Sadly, terrorists boast of hiding among their own civilians to increase casualties [28].

Armies that fight defensive wars against terrorists in urban warfare generally have a civilian to casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist eliminated. This was true for U.S. and coalition troops in Mosul (2016-2017) [29]. However, Israel's ratio is less than 1:1, meaning they have reduced civilian casualties more than four to sixtyfold by comparison [30]. While the loss of innocent life is tragic, according to International Humanitarian Law (Article 51) these deaths fall squarely on Hamas [31].

Statistical analysis proves what Israel has been saying along - that the Ministry of Health numbers are false [32].

HAMAS ADMITS: NO GENOCIDE HERE

As in previous wars that Hamas has started, Hamas leaders have finally admitted that they lied about numbers of civilian casualties [33], and that 72% of casualty numbers are male terrorists [34].

Moreover, Palestinian civilians attest to the fact that Hamas steals food from aid trucks and murders Palestinians trying to reach the aid [35-38].

HAMAS' GLOBAL SUBTERFUGE

Hamas covers its atrocities against the Palestinian people (e.g., blocking safe passage corridors, hiding and firing weapons among civilians) [39-41] by sponsoring and supporting city, state, and worldwide protests on the Palestinians' behalf with the sole intent of delegitimizing Israel [42-45].

Donning the cloak of victimhood and resistance, Hamas's behavior is barbaric – igniting hatred and discrimination against Israel, worldwide Jewry, and democracy itself.

SUMMARY

This document proves that the claims aimed at Israel of apartheid, genocide, colonialism, and occupation - are patently FALSE.

After the barbaric attack on October 7th, Hamas is still holding hostages and rebuilding its terror structure.

Allowing protesters like SJP, and groups like it (e.g., AMP, CAIR, JVP, WOL, etc.), to hijack governing bodies only rewards and emboldens Hamas, endangers Israel and worldwide democracies, and prevents the Gazans from taking responsibility to unlearn hate and choose healthy governance so that they become viable peace partners.

The world is at an uncomfortable brink: Barbarism vs. Democracy. Rewarding barbarity and those who support it is a losing proposition.

Bold leadership, not capitulation, is the only strategy to keep communities safe.
We ask you to vote NO on this anti-Israel ballot measure – which is a strategy designed by Hamas supporters to keep Hamas in power and continue to inflict carnage on the Palestinians and Israelis.

Please protect our community, democracy, and national security from misinformation and terrorist propaganda.

Sincerely,
R Kirtner

Honorable Elected Officials,

We are your constituents, Americans across this great nation, and worldwide citizens who ask you to vote NO on the proposed anti-Israel ballot measure which falsely accuses Israel of apartheid, genocide, and illegal occupation and then asks voters to prohibit future city business and city investments with Israeli companies.

UNCONSTITUTIONAL: VIOLATION OF U.S. COMMERCE CLAUSE

The power to regulate foreign commerce lies exclusively with Congress. By trying to pass this ballot question endorsing a foreign-directed commercial boycott of Israel, your city council oversteps its constitutional authority. This would directly conflict with federal law and obstruct lawful commercial relationships with a U.S. ally. This represents a violation of Article I, Section 8 of the Constitution.

VIOLATES FEDERAL LAW

In addition, under the Export Administration Act and related federal statutes, U.S. persons and entities are prohibited from participating in or supporting unsanctioned foreign boycotts, such as this campaign targeting Israel. City Council members are duty bound to federal legal frameworks.

STANDARDS FOR U.S. BALLOT QUESTIONS

As elected officials you know that “informed citizens are democracy’s best defense” [1] and “to abandon facts is to abandon freedom” [2].

Yet, your city council has abandoned the facts and placed several outright lies in a ballot question that not only misleads voters but also opens a door to those who want nothing but to destroy our democracy and our way of life.

Why would you actively allow this to happen?

THE TRUTH ABOUT “PRO-PALESTINIAN” PROTESTERS

We have watched in horror as protestors have overtaken city councils, state government, and American university campuses with misinformation, extremist ideology, and violent conduct that undermine our democratic way of life and our peaceful communities.

The protesters claim to be an anti-war movement to stop the “genocide, apartheid, and occupation” [3] of the

Palestinian people, but nothing can be further from the truth.

Students for Justice in Palestine (SJP) and other groups (AMP, CAIR, JVP, WOL, etc.) are funded by the Hamas terrorist organization [4-9]. As a propaganda arm of Hamas, their sole purpose is to radicalize and misinform government officials and campuses and create a massive disinformation campaign to delegitimize Israel and promote the annihilation of the Jewish State.

Their chant, "From the River to the Sea," clearly states their intention [10]. If you listen carefully, however, their violent intentions do not stop with Israel. They promote antisemitism the world over with the ultimate goal of overturning democratic values as they chant "Death to America" [11-12]. Their philosophy is anchored in the Hamas Charter, which states in its introduction, "Israel will exist until Islam will obliterate it" and "Our struggle against the Jews is very great and very serious" [13]; and the radical Islamist Duaat entitled "How Islam will dominate the world" [14].

Pure logic and history upend the protesters' statements.

Only a day after the heinous October 7 attacks on Israel, these protesters started their false accusations of "genocide" [15]. Here is the truth:

FALSE CLAIMS OF APARTHEID

Hamas' accusations of apartheid are false. Apartheid is defined as a system of legalized racial discrimination and segregation that deprives a racial group of their political and civil rights. In South Africa, for example, the white minority segregated Black Africans in housing, transportation, education, and stripped them of citizenship, and positions in government.

In Israel, all citizens whether Jewish, Arab, Armenian, Baha'i, Christian, Druze, Muslim, etc. have equal rights. They can live, work, and travel wherever they want, and they are provided the same government services (e.g., health insurance, free public school, subsidized university education) equally. They attend the same universities and have the same voting power and opportunities. In fact, they hold positions in all industries (e.g., law, medicine, politics) – including positions as judges and members of the Knesset. Israel is a multi-racial society where the Arab citizens have full rights. Inciting racism or discrimination in Israel is a criminal offense [16].

FALSE CLAIMS OF COLONIALISM AND OCCUPATION

Predating Islam, the Jewish people arrived and established the independent Land of Israel in the second millennium B.C.E. and lived there for more than 1,600 years. In succession, the Babylonians, Persians, Greeks, and Romans conquered the land. Despite the efforts of Roman crusaders and some Muslims to make the country empty of Jews, thousands of Jews have lived for centuries in each of the holy cities of Jerusalem, Safad, Tiberius, and Hebron; and in Gaza, Rafah, Ashkelon, Caesarea, Jaffa, Acre, and Jericho. [17]. Moreover, archaeological evidence proves Jewish indigenousity, with cities populated by a Jewish majority prior to the establishment of the modern state of Israel [18].

It is absurd to claim that the Jews who returned to Israel starting in the last decades of the 19th century were colonialists and imperialists. For whom were these idealists working? They were not planting the flag of the antisemitic regimes of Russia, Poland, and Lithuania; and they were kicked out of Yemen, Iraq, Turkey, and North Africa. In fact, these Jewish refugees had to overcome Turkish, British, and Pan-Arab imperialism to achieve self-determination. They were fleeing pogroms and persecution and wanted nothing to do with the countries from which they fled. They did not come to the land with weapons to conquer, but with rakes and hoes to cultivate often swamp-infested land they legally purchased from absentee landlords. Years later, after the Holocaust, the state of Israel was defined and established by international law (1948). The Israelis were ecstatic to live peacefully among their neighbors within the meager boundaries they were allotted in 1948, when five Arab countries attacked Israel in the War of Independence. This war was one of many that Muslim extremists committed against the Jewish state to deny Israel's right to exist [19].

In 1967 Egypt, Syria, and Jordan started a war with Israel. Hafiz al-Assad ordered his Syrian soldiers to "strike the enemy's [civilian] settlements, turn them into dust, pave the Arab roads with the skulls of the Jews, and strike them

without mercy" [20]. Miraculously, Israel won the war and gained territory in the Sinai, Golan Heights, West Bank, Gaza, and East Jerusalem. In 1982, Israel gave the Sinai to Egypt, which has created peace between the countries [21].
With similar hope, Israel left Gaza in 2005 as one of many gestures of peace with its Arab neighbors that have been met with violence [22]. This is worth repeating. Since 2005, Israel has NOT occupied Gaza. In response, Hamas overtook Gaza, slaughtered Palestinian leaders, created 450 miles of terror tunnels, launched over 30,000 rockets at Israel, and on October 7 perpetrated the most heinous attacks on the Jewish people since the Holocaust including the kidnapping of Israelis, Americans, and Foreign Nationals still missing today [23-24].

## FALSE CLAIMS OF GENOCIDE: HAMAS IS RESPONSIBLE FOR DEATHS OF PALESTINIANS

Statistical analysis proves what Israel has been saying along - that the Ministry of Health numbers are false [32].

## HAMAS ADMITS: NO GENOCIDE HERE

As in previous wars that Hamas has started, Hamas leaders have finally admitted that they lied about numbers of civilian casualties [33], and that 72% of casualty numbers are male terrorists [34].

Moreover, Palestinian civilians attest to the fact that Hamas steals food from aid trucks and murders Palestinians trying to reach the aid [35-38].

## HAMAS' GLOBAL SUBTERFUGE

Hamas covers its atrocities against the Palestinian people (e.g., blocking safe passage corridors, hiding and firing weapons among civilians) [39-41] by sponsoring and supporting city, state, and worldwide protests on the Palestinians' behalf with the sole intent of delegitimizing Israel [42-45].

Donning the cloak of victimhood and resistance, Hamas's behavior is barbaric – igniting hatred and discrimination against Israel, worldwide Jewry, and democracy itself.

## SUMMARY

This document proves that the claims aimed at Israel of apartheid, genocide, colonialism, and occupation - are patently FALSE.

After the barbaric attack on October 7th, Hamas is still holding hostages and rebuilding its terror structure.

Allowing protesters like SJP, and groups like it (e.g., AMP, CAIR, JVP, WOL, etc.), to hijack governing bodies only rewards and emboldens Hamas, endangers Israel and worldwide democracies, and prevents the Gazans from taking responsibility to unlearn hate and choose healthy governance so that they become viable peace partners.

The world is at an uncomfortable brink: Barbarism vs. Democracy. Rewarding barbarity and those who support it is a losing proposition.

Bold leadership, not capitulation, is the only strategy to keep communities safe.
We ask you to vote NO on this anti-Israel ballot measure – which is a strategy designed by Hamas supporters to keep Hamas in power and continue to inflict carnage on the Palestinians and Israelis.

Please protect our community, democracy, and national security from misinformation and terrorist propaganda.

Sincerely,

Renee Smith

Honorable Elected Officials,

We are your constituents, Americans across this great nation, and worldwide citizens who ask you to vote NO on the proposed anti-Israel ballot measure which falsely accuses Israel of apartheid, genocide, and illegal occupation and then asks voters to prohibit future city business and city investments with Israeli companies.

UNCONSTITUTIONAL: VIOLATION OF U.S. COMMERCE CLAUSE

The power to regulate foreign commerce lies exclusively with Congress. By trying to pass this ballot question endorsing a foreign-directed commercial boycott of Israel, your city council oversteps its constitutional authority. This would directly conflict with federal law and obstruct lawful commercial relationships with a U.S. ally. This represents a violation of Article I, Section 8 of the Constitution.

VIOLATES FEDERAL LAW

In addition, under the Export Administration Act and related federal statutes, U.S. persons and entities are prohibited from participating in or supporting unsanctioned foreign boycotts, such as this campaign targeting Israel. City Council members are duty bound to federal legal frameworks.

STANDARDS FOR U.S. BALLOT QUESTIONS

As elected officials you know that “informed citizens are democracy’s best defense” [1] and “to abandon facts is to abandon freedom” [2].

Yet, your city council has abandoned the facts and placed several outright lies in a ballot question that not only misleads voters but also opens a door to those who want nothing but to destroy our democracy and our way of life.

Why would you actively allow this to happen?

THE TRUTH ABOUT “PRO-PALESTINIAN” PROTESTERS

We have watched in horror as protestors have overtaken city councils, state government, and American university campuses with misinformation, extremist ideology, and violent conduct that undermine our democratic way of life and our peaceful communities.

The protesters claim to be an anti-war movement to stop the “genocide, apartheid, and occupation” [3] of the

Palestinian people, but nothing can be further from the truth.

Students for Justice in Palestine (SJP) and other groups (AMP, CAIR, JVP, WOL, etc.) are funded by the Hamas terrorist organization [4-9]. As a propaganda arm of Hamas, their sole purpose is to radicalize and misinform government officials and campuses and create a massive disinformation campaign to delegitimize Israel and promote the annihilation of the Jewish State.

Their chant, "From the River to the Sea," clearly states their intention [10]. If you listen carefully, however, their violent intentions do not stop with Israel. They promote antisemitism the world over with the ultimate goal of overturning democratic values as they chant "Death to America" [11-12]. Their philosophy is anchored in the Hamas Charter, which states in its introduction, "Israel will exist until Islam will obliterate it" and "Our struggle against the Jews is very great and very serious" [13]; and the radical Islamist Duaat entitled "How Islam will dominate the world" [14].

Pure logic and history upend the protesters' statements.

Only a day after the heinous October 7 attacks on Israel, these protesters started their false accusations of "genocide" [15]. Here is the truth:

FALSE CLAIMS OF APARTHEID

Hamas' accusations of apartheid are false. Apartheid is defined as a system of legalized racial discrimination and segregation that deprives a racial group of their political and civil rights. In South Africa, for example, the white minority segregated Black Africans in housing, transportation, education, and stripped them of citizenship, and positions in government.

In Israel, all citizens whether Jewish, Arab, Armenian, Baha'i, Christian, Druze, Muslim, etc. have equal rights. They can live, work, and travel wherever they want, and they are provided the same government services (e.g., health insurance, free public school, subsidized university education) equally. They attend the same universities and have the same voting power and opportunities. In fact, they hold positions in all industries (e.g., law, medicine, politics) – including positions as judges and members of the Knesset. Israel is a multi-racial society where the Arab citizens have full rights. Inciting racism or discrimination in Israel is a criminal offense [16].

FALSE CLAIMS OF COLONIALISM AND OCCUPATION

Predating Islam, the Jewish people arrived and established the independent Land of Israel in the second millennium B.C.E. and lived there for more than 1,600 years. In succession, the Babylonians, Persians, Greeks, and Romans conquered the land. Despite the efforts of Roman crusaders and some Muslims to make the country empty of Jews, thousands of Jews have lived for centuries in each of the holy cities of Jerusalem, Safad, Tiberius, and Hebron; and in Gaza, Rafah, Ashkelon, Caesarea, Jaffa, Acre, and Jericho. [17]. Moreover, archaeological evidence proves Jewish indigenousity, with cities populated by a Jewish majority prior to the establishment of the modern state of Israel [18].

It is absurd to claim that the Jews who returned to Israel starting in the last decades of the 19th century were colonialists and imperialists. For whom were these idealists working? They were not planting the flag of the antisemitic regimes of Russia, Poland, and Lithuania; and they were kicked out of Yemen, Iraq, Turkey, and North Africa. In fact, these Jewish refugees had to overcome Turkish, British, and Pan-Arab imperialism to achieve self-determination. They were fleeing pogroms and persecution and wanted nothing to do with the countries from which they fled. They did not come to the land with weapons to conquer, but with rakes and hoes to cultivate often swamp-infested land they legally purchased from absentee landlords. Years later, after the Holocaust, the state of Israel was defined and established by international law (1948). The Israelis were ecstatic to live peacefully among their neighbors within the meager boundaries they were allotted in 1948, when five Arab countries attacked Israel in the War of Independence. This war was one of many that Muslim extremists committed against the Jewish state to deny Israel's right to exist [19].

In 1967 Egypt, Syria, and Jordan started a war with Israel. Hafiz al-Assad ordered his Syrian soldiers to "strike the enemy's [civilian] settlements, turn them into dust, pave the Arab roads with the skulls of the Jews, and strike them

without mercy" [20]. Miraculously, Israel won the war and gained territory in the Sinai, Golan Heights, West Bank, Gaza, and East Jerusalem. In 1982, Israel gave the Sinai to Egypt, which has created peace between the countries [21].
With similar hope, Israel left Gaza in 2005 as one of many gestures of peace with its Arab neighbors that have been met with violence [22]. This is worth repeating. Since 2005, Israel has NOT occupied Gaza. In response, Hamas overtook Gaza, slaughtered Palestinian leaders, created 450 miles of terror tunnels, launched over 30,000 rockets at Israel, and on October 7 perpetrated the most heinous attacks on the Jewish people since the Holocaust including the kidnapping of Israelis, Americans, and Foreign Nationals still missing today [23-24].

## FALSE CLAIMS OF GENOCIDE: HAMAS IS RESPONSIBLE FOR DEATHS OF PALESTINIANS

Both Hamas and the protesters' accusations of the Israel Defense Forces (IDF) are blatantly false. Numerous military leaders, including John Spencer (Former Chair of Urban Warfare Studies, WestPoint), testify that "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" including its use of precision weapons and the sending of leaflets, texts, and calls to Gazans ahead of airstrikes to provide time for them to evacuate targeted areas [25-27]. Sadly, terrorists boast of hiding among their own civilians to increase casualties [28].

Armies that fight defensive wars against terrorists in urban warfare generally have a civilian to casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist eliminated. This was true for U.S. and coalition troops in Mosul (2016-2017) [29]. However, Israel's ratio is less than 1:1, meaning they have reduced civilian casualties more than four to sixtyfold by comparison [30]. While the loss of innocent life is tragic, according to International Humanitarian Law (Article 51) these deaths fall squarely on Hamas [31].

Statistical analysis proves what Israel has been saying along - that the Ministry of Health numbers are false [32].

## HAMAS ADMITS: NO GENOCIDE HERE

As in previous wars that Hamas has started, Hamas leaders have finally admitted that they lied about numbers of civilian casualties [33], and that 72% of casualty numbers are male terrorists [34].

Moreover, Palestinian civilians attest to the fact that Hamas steals food from aid trucks and murders Palestinians trying to reach the aid [35-38].

This document proves that the claims aimed at Israel of apartheid, genocide, colonialism, and occupation - are patently FALSE.

After the barbaric attack on October 7th, Hamas is still holding hostages and rebuilding its terror structure.

Allowing protesters like SJP, and groups like it (e.g., AMP, CAIR, JVP, WOL, etc.), to hijack governing bodies only rewards and emboldens Hamas, endangers Israel and worldwide democracies, and prevents the Gazans from taking responsibility to unlearn hate and choose healthy governance so that they become viable peace partners.

The world is at an uncomfortable brink: Barbarism vs. Democracy. Rewarding barbarity and those who support it is a losing proposition.

Bold leadership, not capitulation, is the only strategy to keep communities safe.
We ask you to vote NO on this anti-Israel ballot measure – which is a strategy designed by Hamas supporters to keep Hamas in power and continue to inflict carnage on the Palestinians and Israelis.

Please protect our community, democracy, and national security from misinformation and terrorist propaganda.

Sincerely,
Hilarie Lawlor

Honorable Elected Officials,

We are your constituents, Americans across this great nation, and worldwide citizens who ask you to vote NO on the proposed anti-Israel ballot measure which falsely accuses Israel of apartheid, genocide, and illegal occupation and then asks voters to prohibit future city business and city investments with Israeli companies.

UNCONSTITUTIONAL: VIOLATION OF U.S. COMMERCE CLAUSE

The power to regulate foreign commerce lies exclusively with Congress. By trying to pass this ballot question endorsing a foreign-directed commercial boycott of Israel, your city council oversteps its constitutional authority. This would directly conflict with federal law and obstruct lawful commercial relationships with a U.S. ally. This represents a violation of Article I, Section 8 of the Constitution.

VIOLATES FEDERAL LAW

In addition, under the Export Administration Act and related federal statutes, U.S. persons and entities are prohibited from participating in or supporting unsanctioned foreign boycotts, such as this campaign targeting Israel. City Council members are duty bound to federal legal frameworks.

STANDARDS FOR U.S. BALLOT QUESTIONS

As elected officials you know that “informed citizens are democracy’s best defense” [1] and “to abandon facts is to abandon freedom” [2].

Yet, your city council has abandoned the facts and placed several outright lies in a ballot question that not only misleads voters but also opens a door to those who want nothing but to destroy our democracy and our way of life.

Why would you actively allow this to happen?

THE TRUTH ABOUT “PRO-PALESTINIAN” PROTESTERS

We have watched in horror as protestors have overtaken city councils, state government, and American university campuses with misinformation, extremist ideology, and violent conduct that undermine our democratic way of life and our peaceful communities.

The protesters claim to be an anti-war movement to stop the “genocide, apartheid, and occupation” [3] of the

Palestinian people, but nothing can be further from the truth.

Students for Justice in Palestine (SJP) and other groups (AMP, CAIR, JVP, WOL, etc.) are funded by the Hamas terrorist organization [4-9]. As a propaganda arm of Hamas, their sole purpose is to radicalize and misinform government officials and campuses and create a massive disinformation campaign to delegitimize Israel and promote the annihilation of the Jewish State.

Their chant, "From the River to the Sea," clearly states their intention [10]. If you listen carefully, however, their violent intentions do not stop with Israel. They promote antisemitism the world over with the ultimate goal of overturning democratic values as they chant "Death to America" [11-12]. Their philosophy is anchored in the Hamas Charter, which states in its introduction, "Israel will exist until Islam will obliterate it" and "Our struggle against the Jews is very great and very serious" [13]; and the radical Islamist Duaat entitled "How Islam will dominate the world" [14].

Pure logic and history upend the protesters' statements.

Only a day after the heinous October 7 attacks on Israel, these protesters started their false accusations of "genocide" [15]. Here is the truth:

FALSE CLAIMS OF APARTHEID

Hamas' accusations of apartheid are false. Apartheid is defined as a system of legalized racial discrimination and segregation that deprives a racial group of their political and civil rights. In South Africa, for example, the white minority segregated Black Africans in housing, transportation, education, and stripped them of citizenship, and positions in government.

In Israel, all citizens whether Jewish, Arab, Armenian, Baha'i, Christian, Druze, Muslim, etc. have equal rights. They can live, work, and travel wherever they want, and they are provided the same government services (e.g., health insurance, free public school, subsidized university education) equally. They attend the same universities and have the same voting power and opportunities. In fact, they hold positions in all industries (e.g., law, medicine, politics) – including positions as judges and members of the Knesset. Israel is a multi-racial society where the Arab citizens have full rights. Inciting racism or discrimination in Israel is a criminal offense [16].

FALSE CLAIMS OF COLONIALISM AND OCCUPATION

Predating Islam, the Jewish people arrived and established the independent Land of Israel in the second millennium B.C.E. and lived there for more than 1,600 years. In succession, the Babylonians, Persians, Greeks, and Romans conquered the land. Despite the efforts of Roman crusaders and some Muslims to make the country empty of Jews, thousands of Jews have lived for centuries in each of the holy cities of Jerusalem, Safad, Tiberius, and Hebron; and in Gaza, Rafah, Ashkelon, Caesarea, Jaffa, Acre, and Jericho. [17]. Moreover, archaeological evidence proves Jewish indigenousity, with cities populated by a Jewish majority prior to the establishment of the modern state of Israel [18].

It is absurd to claim that the Jews who returned to Israel starting in the last decades of the 19th century were colonialists and imperialists. For whom were these idealists working? They were not planting the flag of the antisemitic regimes of Russia, Poland, and Lithuania; and they were kicked out of Yemen, Iraq, Turkey, and North Africa. In fact, these Jewish refugees had to overcome Turkish, British, and Pan-Arab imperialism to achieve self-determination. They were fleeing pogroms and persecution and wanted nothing to do with the countries from which they fled. They did not come to the land with weapons to conquer, but with rakes and hoes to cultivate often swamp-infested land they legally purchased from absentee landlords. Years later, after the Holocaust, the state of Israel was defined and established by international law (1948). The Israelis were ecstatic to live peacefully among their neighbors within the meager boundaries they were allotted in 1948, when five Arab countries attacked Israel in the War of Independence. This war was one of many that Muslim extremists committed against the Jewish state to deny Israel's right to exist [19].

In 1967 Egypt, Syria, and Jordan started a war with Israel. Hafiz al-Assad ordered his Syrian soldiers to "strike the enemy's [civilian] settlements, turn them into dust, pave the Arab roads with the skulls of the Jews, and strike them

without mercy" [20]. Miraculously, Israel won the war and gained territory in the Sinai, Golan Heights, West Bank, Gaza, and East Jerusalem. In 1982, Israel gave the Sinai to Egypt, which has created peace between the countries [21].
With similar hope, Israel left Gaza in 2005 as one of many gestures of peace with its Arab neighbors that have been met with violence [22]. This is worth repeating. Since 2005, Israel has NOT occupied Gaza. In response, Hamas overtook Gaza, slaughtered Palestinian leaders, created 450 miles of terror tunnels, launched over 30,000 rockets at Israel, and on October 7 perpetrated the most heinous attacks on the Jewish people since the Holocaust including the kidnapping of Israelis, Americans, and Foreign Nationals still missing today [23-24].

## FALSE CLAIMS OF GENOCIDE: HAMAS IS RESPONSIBLE FOR DEATHS OF PALESTINIANS

Both Hamas and the protesters' accusations of the Israel Defense Forces (IDF) are blatantly false. Numerous military leaders, including John Spencer (Former Chair of Urban Warfare Studies, WestPoint), testify that "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" including its use of precision weapons and the sending of leaflets, texts, and calls to Gazans ahead of airstrikes to provide time for them to evacuate targeted areas [25-27]. Sadly, terrorists boast of hiding among their own civilians to increase casualties [28].

Armies that fight defensive wars against terrorists in urban warfare generally have a civilian to casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist eliminated. This was true for U.S. and coalition troops in Mosul (2016-2017) [29]. However, Israel's ratio is less than 1:1, meaning they have reduced civilian casualties more than four to sixtyfold by comparison [30]. While the loss of innocent life is tragic, according to International Humanitarian Law (Article 51) these deaths fall squarely on Hamas [31].

Statistical analysis proves what Israel has been saying along - that the Ministry of Health numbers are false [32].

## HAMAS ADMITS: NO GENOCIDE HERE

As in previous wars that Hamas has started, Hamas leaders have finally admitted that they lied about numbers of civilian casualties [33], and that 72% of casualty numbers are male terrorists [34].

Moreover, Palestinian civilians attest to the fact that Hamas steals food from aid trucks and murders Palestinians trying to reach the aid [35-38].

## HAMAS' GLOBAL SUBTERFUGE

Hamas covers its atrocities against the Palestinian people (e.g., blocking safe passage corridors, hiding and firing weapons among civilians) [39-41] by sponsoring and supporting city, state, and worldwide protests on the Palestinians' behalf with the sole intent of delegitimizing Israel [42-45].

Donning the cloak of victimhood and resistance, Hamas's behavior is barbaric – igniting hatred and discrimination against Israel, worldwide Jewry, and democracy itself.

## SUMMARY

This document proves that the claims aimed at Israel of apartheid, genocide, colonialism, and occupation - are patently FALSE.

After the barbaric attack on October 7th, Hamas is still holding hostages and rebuilding its terror structure.

Honorable Elected Officials,

We are your constituents, Americans across this great nation, and worldwide citizens who ask you to vote NO on the proposed anti-Israel ballot measure which falsely accuses Israel of apartheid, genocide, and illegal occupation and then asks voters to prohibit future city business and city investments with Israeli companies.

UNCONSTITUTIONAL: VIOLATION OF U.S. COMMERCE CLAUSE

The power to regulate foreign commerce lies exclusively with Congress. By trying to pass this ballot question endorsing a foreign-directed commercial boycott of Israel, your city council oversteps its constitutional authority. This would directly conflict with federal law and obstruct lawful commercial relationships with a U.S. ally. This represents a violation of Article I, Section 8 of the Constitution.

VIOLATES FEDERAL LAW

In addition, under the Export Administration Act and related federal statutes, U.S. persons and entities are prohibited from participating in or supporting unsanctioned foreign boycotts, such as this campaign targeting Israel. City Council members are duty bound to federal legal frameworks.

STANDARDS FOR U.S. BALLOT QUESTIONS

As elected officials you know that “informed citizens are democracy’s best defense” [1] and “to abandon facts is to abandon freedom” [2].

Yet, your city council has abandoned the facts and placed several outright lies in a ballot question that not only misleads voters but also opens a door to those who want nothing but to destroy our democracy and our way of life.

Why would you actively allow this to happen?

THE TRUTH ABOUT “PRO-PALESTINIAN” PROTESTERS

We have watched in horror as protestors have overtaken city councils, state government, and American university campuses with misinformation, extremist ideology, and violent conduct that undermine our democratic way of life and our peaceful communities.

The protesters claim to be an anti-war movement to stop the “genocide, apartheid, and occupation” [3] of the

Palestinian people, but nothing can be further from the truth.

Students for Justice in Palestine (SJP) and other groups (AMP, CAIR, JVP, WOL, etc.) are funded by the Hamas terrorist organization [4-9]. As a propaganda arm of Hamas, their sole purpose is to radicalize and misinform government officials and campuses and create a massive disinformation campaign to delegitimize Israel and promote the annihilation of the Jewish State.

Their chant, "From the River to the Sea," clearly states their intention [10]. If you listen carefully, however, their violent intentions do not stop with Israel. They promote antisemitism the world over with the ultimate goal of overturning democratic values as they chant "Death to America" [11-12]. Their philosophy is anchored in the Hamas Charter, which states in its introduction, "Israel will exist until Islam will obliterate it" and "Our struggle against the Jews is very great and very serious" [13]; and the radical Islamist Duaat entitled "How Islam will dominate the world" [14].

Pure logic and history upend the protesters' statements.

Only a day after the heinous October 7 attacks on Israel, these protesters started their false accusations of "genocide" [15]. Here is the truth:

FALSE CLAIMS OF APARTHEID

Hamas' accusations of apartheid are false. Apartheid is defined as a system of legalized racial discrimination and segregation that deprives a racial group of their political and civil rights. In South Africa, for example, the white minority segregated Black Africans in housing, transportation, education, and stripped them of citizenship, and positions in government.

In Israel, all citizens whether Jewish, Arab, Armenian, Baha'i, Christian, Druze, Muslim, etc. have equal rights. They can live, work, and travel wherever they want, and they are provided the same government services (e.g., health insurance, free public school, subsidized university education) equally. They attend the same universities and have the same voting power and opportunities. In fact, they hold positions in all industries (e.g., law, medicine, politics) – including positions as judges and members of the Knesset. Israel is a multi-racial society where the Arab citizens have full rights. Inciting racism or discrimination in Israel is a criminal offense [16].

FALSE CLAIMS OF COLONIALISM AND OCCUPATION

Predating Islam, the Jewish people arrived and established the independent Land of Israel in the second millennium B.C.E. and lived there for more than 1,600 years. In succession, the Babylonians, Persians, Greeks, and Romans conquered the land. Despite the efforts of Roman crusaders and some Muslims to make the country empty of Jews, thousands of Jews have lived for centuries in each of the holy cities of Jerusalem, Safad, Tiberius, and Hebron; and in Gaza, Rafah, Ashkelon, Caesarea, Jaffa, Acre, and Jericho. [17]. Moreover, archaeological evidence proves Jewish indigenousity, with cities populated by a Jewish majority prior to the establishment of the modern state of Israel [18].

It is absurd to claim that the Jews who returned to Israel starting in the last decades of the 19th century were colonialists and imperialists. For whom were these idealists working? They were not planting the flag of the antisemitic regimes of Russia, Poland, and Lithuania; and they were kicked out of Yemen, Iraq, Turkey, and North Africa. In fact, these Jewish refugees had to overcome Turkish, British, and Pan-Arab imperialism to achieve self-determination. They were fleeing pogroms and persecution and wanted nothing to do with the countries from which they fled. They did not come to the land with weapons to conquer, but with rakes and hoes to cultivate often swamp-infested land they legally purchased from absentee landlords. Years later, after the Holocaust, the state of Israel was defined and established by international law (1948). The Israelis were ecstatic to live peacefully among their neighbors within the meager boundaries they were allotted in 1948, when five Arab countries attacked Israel in the War of Independence. This war was one of many that Muslim extremists committed against the Jewish state to deny Israel's right to exist [19].

In 1967 Egypt, Syria, and Jordan started a war with Israel. Hafiz al-Assad ordered his Syrian soldiers to "strike the enemy's [civilian] settlements, turn them into dust, pave the Arab roads with the skulls of the Jews, and strike them

without mercy" [20]. Miraculously, Israel won the war and gained territory in the Sinai, Golan Heights, West Bank, Gaza, and East Jerusalem. In 1982, Israel gave the Sinai to Egypt, which has created peace between the countries [21].
With similar hope, Israel left Gaza in 2005 as one of many gestures of peace with its Arab neighbors that have been met with violence [22]. This is worth repeating. Since 2005, Israel has NOT occupied Gaza. In response, Hamas overtook Gaza, slaughtered Palestinian leaders, created 450 miles of terror tunnels, launched over 30,000 rockets at Israel, and on October 7 perpetrated the most heinous attacks on the Jewish people since the Holocaust including the kidnapping of Israelis, Americans, and Foreign Nationals still missing today [23-24].

## FALSE CLAIMS OF GENOCIDE: HAMAS IS RESPONSIBLE FOR DEATHS OF PALESTINIANS

Both Hamas and the protesters' accusations of the Israel Defense Forces (IDF) are blatantly false. Numerous military leaders, including John Spencer (Former Chair of Urban Warfare Studies, WestPoint), testify that "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" including its use of precision weapons and the sending of leaflets, texts, and calls to Gazans ahead of airstrikes to provide time for them to evacuate targeted areas [25-27]. Sadly, terrorists boast of hiding among their own civilians to increase casualties [28].

Armies that fight defensive wars against terrorists in urban warfare generally have a civilian to casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist eliminated. This was true for U.S. and coalition troops in Mosul (2016-2017) [29]. However, Israel's ratio is less than 1:1, meaning they have reduced civilian casualties more than four to sixtyfold by comparison [30]. While the loss of innocent life is tragic, according to International Humanitarian Law (Article 51) these deaths fall squarely on Hamas [31].

Statistical analysis proves what Israel has been saying along - that the Ministry of Health numbers are false [32].

## HAMAS ADMITS: NO GENOCIDE HERE

As in previous wars that Hamas has started, Hamas leaders have finally admitted that they lied about numbers of civilian casualties [33], and that 72% of casualty numbers are male terrorists [34].

Moreover, Palestinian civilians attest to the fact that Hamas steals food from aid trucks and murders Palestinians trying to reach the aid [35-38].

## HAMAS' GLOBAL SUBTERFUGE

Hamas covers its atrocities against the Palestinian people (e.g., blocking safe passage corridors, hiding and firing weapons among civilians) [39-41] by sponsoring and supporting city, state, and worldwide protests on the Palestinians' behalf with the sole intent of delegitimizing Israel [42-45].

Donning the cloak of victimhood and resistance, Hamas's behavior is barbaric – igniting hatred and discrimination against Israel, worldwide Jewry, and democracy itself.

## SUMMARY

This document proves that the claims aimed at Israel of apartheid, genocide, colonialism, and occupation - are patently FALSE.

After the barbaric attack on October 7th, Hamas is still holding hostages and rebuilding its terror structure.

Allowing protesters like SJP, and groups like it (e.g., AMP, CAIR, JVP, WOL, etc.), to hijack governing bodies only rewards and emboldens Hamas, endangers Israel and worldwide democracies, and prevents the Gazans from taking responsibility to unlearn hate and choose healthy governance so that they become viable peace partners.

The world is at an uncomfortable brink: Barbarism vs. Democracy. Rewarding barbarity and those who support it is a losing proposition.

Bold leadership, not capitulation, is the only strategy to keep communities safe.
We ask you to vote NO on this anti-Israel ballot measure – which is a strategy designed by Hamas supporters to keep Hamas in power and continue to inflict carnage on the Palestinians and Israelis.

Please protect our community, democracy, and national security from misinformation and terrorist propaganda.

Sincerely,
Fraydi Menashy

Honorable Elected Officials,

We are your constituents, Americans across this great nation, and worldwide citizens who ask you to vote NO on the proposed anti-Israel ballot measure which falsely accuses Israel of apartheid, genocide, and illegal occupation and then asks voters to prohibit future city business and city investments with Israeli companies.

UNCONSTITUTIONAL: VIOLATION OF U.S. COMMERCE CLAUSE

The power to regulate foreign commerce lies exclusively with Congress. By trying to pass this ballot question endorsing a foreign-directed commercial boycott of Israel, your city council oversteps its constitutional authority. This would directly conflict with federal law and obstruct lawful commercial relationships with a U.S. ally. This represents a violation of Article I, Section 8 of the Constitution.

VIOLATES FEDERAL LAW

In addition, under the Export Administration Act and related federal statutes, U.S. persons and entities are prohibited from participating in or supporting unsanctioned foreign boycotts, such as this campaign targeting Israel. City Council members are duty bound to federal legal frameworks.

STANDARDS FOR U.S. BALLOT QUESTIONS

As elected officials you know that “informed citizens are democracy’s best defense” [1] and “to abandon facts is to abandon freedom” [2].

Yet, your city council has abandoned the facts and placed several outright lies in a ballot question that not only misleads voters but also opens a door to those who want nothing but to destroy our democracy and our way of life.

Why would you actively allow this to happen?

THE TRUTH ABOUT “PRO-PALESTINIAN” PROTESTERS

We have watched in horror as protestors have overtaken city councils, state government, and American university campuses with misinformation, extremist ideology, and violent conduct that undermine our democratic way of life and our peaceful communities.

The protesters claim to be an anti-war movement to stop the “genocide, apartheid, and occupation” [3] of the

Palestinian people, but nothing can be further from the truth.

Students for Justice in Palestine (SJP) and other groups (AMP, CAIR, JVP, WOL, etc.) are funded by the Hamas terrorist organization [4-9]. As a propaganda arm of Hamas, their sole purpose is to radicalize and misinform government officials and campuses and create a massive disinformation campaign to delegitimize Israel and promote the annihilation of the Jewish State.

Their chant, "From the River to the Sea," clearly states their intention [10]. If you listen carefully, however, their violent intentions do not stop with Israel. They promote antisemitism the world over with the ultimate goal of overturning democratic values as they chant "Death to America" [11-12]. Their philosophy is anchored in the Hamas Charter, which states in its introduction, "Israel will exist until Islam will obliterate it" and "Our struggle against the Jews is very great and very serious" [13]; and the radical Islamist Duaat entitled "How Islam will dominate the world" [14].

Pure logic and history upend the protesters' statements.

Only a day after the heinous October 7 attacks on Israel, these protesters started their false accusations of "genocide" [15]. Here is the truth:

FALSE CLAIMS OF APARTHEID

Hamas' accusations of apartheid are false. Apartheid is defined as a system of legalized racial discrimination and segregation that deprives a racial group of their political and civil rights. In South Africa, for example, the white minority segregated Black Africans in housing, transportation, education, and stripped them of citizenship, and positions in government.

In Israel, all citizens whether Jewish, Arab, Armenian, Baha'i, Christian, Druze, Muslim, etc. have equal rights. They can live, work, and travel wherever they want, and they are provided the same government services (e.g., health insurance, free public school, subsidized university education) equally. They attend the same universities and have the same voting power and opportunities. In fact, they hold positions in all industries (e.g., law, medicine, politics) – including positions as judges and members of the Knesset. Israel is a multi-racial society where the Arab citizens have full rights. Inciting racism or discrimination in Israel is a criminal offense [16].

FALSE CLAIMS OF COLONIALISM AND OCCUPATION

Predating Islam, the Jewish people arrived and established the independent Land of Israel in the second millennium B.C.E. and lived there for more than 1,600 years. In succession, the Babylonians, Persians, Greeks, and Romans conquered the land. Despite the efforts of Roman crusaders and some Muslims to make the country empty of Jews, thousands of Jews have lived for centuries in each of the holy cities of Jerusalem, Safad, Tiberius, and Hebron; and in Gaza, Rafah, Ashkelon, Caesarea, Jaffa, Acre, and Jericho. [17]. Moreover, archaeological evidence proves Jewish indigenousity, with cities populated by a Jewish majority prior to the establishment of the modern state of Israel [18].

It is absurd to claim that the Jews who returned to Israel starting in the last decades of the 19th century were colonialists and imperialists. For whom were these idealists working? They were not planting the flag of the antisemitic regimes of Russia, Poland, and Lithuania; and they were kicked out of Yemen, Iraq, Turkey, and North Africa. In fact, these Jewish refugees had to overcome Turkish, British, and Pan-Arab imperialism to achieve self-determination. They were fleeing pogroms and persecution and wanted nothing to do with the countries from which they fled. They did not come to the land with weapons to conquer, but with rakes and hoes to cultivate often swamp-infested land they legally purchased from absentee landlords. Years later, after the Holocaust, the state of Israel was defined and established by international law (1948). The Israelis were ecstatic to live peacefully among their neighbors within the meager boundaries they were allotted in 1948, when five Arab countries attacked Israel in the War of Independence. This war was one of many that Muslim extremists committed against the Jewish state to deny Israel's right to exist [19].

In 1967 Egypt, Syria, and Jordan started a war with Israel. Hafiz al-Assad ordered his Syrian soldiers to "strike the enemy's [civilian] settlements, turn them into dust, pave the Arab roads with the skulls of the Jews, and strike them

without mercy" [20]. Miraculously, Israel won the war and gained territory in the Sinai, Golan Heights, West Bank, Gaza, and East Jerusalem. In 1982, Israel gave the Sinai to Egypt, which has created peace between the countries [21].
With similar hope, Israel left Gaza in 2005 as one of many gestures of peace with its Arab neighbors that have been met with violence [22]. This is worth repeating. Since 2005, Israel has NOT occupied Gaza. In response, Hamas overtook Gaza, slaughtered Palestinian leaders, created 450 miles of terror tunnels, launched over 30,000 rockets at Israel, and on October 7 perpetrated the most heinous attacks on the Jewish people since the Holocaust including the kidnapping of Israelis, Americans, and Foreign Nationals still missing today [23-24].

## FALSE CLAIMS OF GENOCIDE: HAMAS IS RESPONSIBLE FOR DEATHS OF PALESTINIANS

Both Hamas and the protesters' accusations of the Israel Defense Forces (IDF) are blatantly false. Numerous military leaders, including John Spencer (Former Chair of Urban Warfare Studies, WestPoint), testify that "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" including its use of precision weapons and the sending of leaflets, texts, and calls to Gazans ahead of airstrikes to provide time for them to evacuate targeted areas [25-27]. Sadly, terrorists boast of hiding among their own civilians to increase casualties [28].

Armies that fight defensive wars against terrorists in urban warfare generally have a civilian to casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist eliminated. This was true for U.S. and coalition troops in Mosul (2016-2017) [29]. However, Israel's ratio is less than 1:1, meaning they have reduced civilian casualties more than four to sixtyfold by comparison [30]. While the loss of innocent life is tragic, according to International Humanitarian Law (Article 51) these deaths fall squarely on Hamas [31].

Statistical analysis proves what Israel has been saying along - that the Ministry of Health numbers are false [32].

## HAMAS ADMITS: NO GENOCIDE HERE

As in previous wars that Hamas has started, Hamas leaders have finally admitted that they lied about numbers of civilian casualties [33], and that 72% of casualty numbers are male terrorists [34].

Moreover, Palestinian civilians attest to the fact that Hamas steals food from aid trucks and murders Palestinians trying to reach the aid [35-38].

## HAMAS' GLOBAL SUBTERFUGE

Hamas covers its atrocities against the Palestinian people (e.g., blocking safe passage corridors, hiding and firing weapons among civilians) [39-41] by sponsoring and supporting city, state, and worldwide protests on the Palestinians' behalf with the sole intent of delegitimizing Israel [42-45].

Donning the cloak of victimhood and resistance, Hamas's behavior is barbaric – igniting hatred and discrimination against Israel, worldwide Jewry, and democracy itself.

## SUMMARY

This document proves that the claims aimed at Israel of apartheid, genocide, colonialism, and occupation - are patently FALSE.

After the barbaric attack on October 7th, Hamas is still holding hostages and rebuilding its terror structure.

Allowing protesters like SJP, and groups like it (e.g., AMP, CAIR, JVP, WOL, etc.), to hijack governing bodies only rewards and emboldens Hamas, endangers Israel and worldwide democracies, and prevents the Gazans from taking responsibility to unlearn hate and choose healthy governance so that they become viable peace partners.

The world is at an uncomfortable brink: Barbarism vs. Democracy. Rewarding barbarity and those who support it is a losing proposition.

Bold leadership, not capitulation, is the only strategy to keep communities safe.
We ask you to vote NO on this anti-Israel ballot measure – which is a strategy designed by Hamas supporters to keep Hamas in power and continue to inflict carnage on the Palestinians and Israelis.

Please protect our community, democracy, and national security from misinformation and terrorist propaganda.

Sincerely,
Robin Miller

Honorable Elected Officials,

STOP DEMONIZING ISRAEL AS IT SQUASHES THE TERRORIST ENTITIES IN THE MIDDLE EAST AND WILL BE AT OUR DOORSTEP IF WE ALLOW THIS
ABSURD BDS CAMPAIGN TO CONTINUE

We are your constituents, Americans across this great nation, and worldwide citizens who ask you to vote NO on the proposed anti-Israel ballot measure which falsely accuses Israel of apartheid, genocide, and illegal occupation and then asks voters to prohibit future city business and city investments with Israeli companies.

UNCONSTITUTIONAL: VIOLATION OF U.S. COMMERCE CLAUSE

The power to regulate foreign commerce lies exclusively with Congress. By trying to pass this ballot question endorsing a foreign-directed commercial boycott of Israel, your city council oversteps its constitutional authority. This would directly conflict with federal law and obstruct lawful commercial relationships with a U.S. ally. This represents a violation of Article I, Section 8 of the Constitution.

VIOLATES FEDERAL LAW

In addition, under the Export Administration Act and related federal statutes, U.S. persons and entities are prohibited from participating in or supporting unsanctioned foreign boycotts, such as this campaign targeting Israel. City Council members are duty bound to federal legal frameworks.

STANDARDS FOR U.S. BALLOT QUESTIONS

As elected officials you know that “informed citizens are democracy’s best defense” [1] and “to abandon facts is to abandon freedom” [2].

Yet, your city council has abandoned the facts and placed several outright lies in a ballot question that not only misleads voters but also opens a door to those who want nothing but to destroy our democracy and our way of life.

Why would you actively allow this to happen?

THE TRUTH ABOUT “PRO-PALESTINIAN” PROTESTERS

We have watched in horror as protestors have overtaken city councils, state government, and American university

campuses with misinformation, extremist ideology, and violent conduct that undermine our democratic way of life and our peaceful communities.

The protesters claim to be an anti-war movement to stop the "genocide, apartheid, and occupation" [3] of the Palestinian people, but nothing can be further from the truth.

Students for Justice in Palestine (SJP) and other groups (AMP, CAIR, JVP, WOL, etc.) are funded by the Hamas terrorist organization [4-9]. As a propaganda arm of Hamas, their sole purpose is to radicalize and misinform government officials and campuses and create a massive disinformation campaign to delegitimize Israel and promote the annihilation of the Jewish State.

Their chant, "From the River to the Sea," clearly states their intention [10]. If you listen carefully, however, their violent intentions do not stop with Israel. They promote antisemitism the world over with the ultimate goal of overturning democratic values as they chant "Death to America" [11-12]. Their philosophy is anchored in the Hamas Charter, which states in its introduction, "Israel will exist until Islam will obliterate it" and "Our struggle against the Jews is very great and very serious" [13]; and the radical Islamist Duaat entitled "How Islam will dominate the world" [14].

Pure logic and history upend the protesters' statements.

Only a day after the heinous October 7 attacks on Israel, these protesters started their false accusations of "genocide" [15]. Here is the truth:

FALSE CLAIMS OF APARTHEID

Hamas' accusations of apartheid are false. Apartheid is defined as a system of legalized racial discrimination and segregation that deprives a racial group of their political and civil rights. In South Africa, for example, the white minority segregated Black Africans in housing, transportation, education, and stripped them of citizenship, and positions in government.

In Israel, all citizens whether Jewish, Arab, Armenian, Baha'i, Christian, Druze, Muslim, etc. have equal rights. They can live, work, and travel wherever they want, and they are provided the same government services (e.g., health insurance, free public school, subsidized university education) equally. They attend the same universities and have the same voting power and opportunities. In fact, they hold positions in all industries (e.g., law, medicine, politics) – including positions as judges and members of the Knesset. Israel is a multi-racial society where the Arab citizens have full rights. Inciting racism or discrimination in Israel is a criminal offense [16].

FALSE CLAIMS OF COLONIALISM AND OCCUPATION

Predating Islam, the Jewish people arrived and established the independent Land of Israel in the second millennium B.C.E. and lived there for more than 1,600 years. In succession, the Babylonians, Persians, Greeks, and Romans conquered the land. Despite the efforts of Roman crusaders and some Muslims to make the country empty of Jews, thousands of Jews have lived for centuries in each of the holy cities of Jerusalem, Safad, Tiberius, and Hebron; and in Gaza, Rafah, Ashkelon, Caesarea, Jaffa, Acre, and Jericho. [17]. Moreover, archaeological evidence proves Jewish indigenousity, with cities populated by a Jewish majority prior to the establishment of the modern state of Israel [18].

It is absurd to claim that the Jews who returned to Israel starting in the last decades of the 19th century were colonialists and imperialists. For whom were these idealists working? They were not planting the flag of the antisemitic regimes of Russia, Poland, and Lithuania; and they were kicked out of Yemen, Iraq, Turkey, and North Africa. In fact, these Jewish refugees had to overcome Turkish, British, and Pan-Arab imperialism to achieve self-determination. They were fleeing pogroms and persecution and wanted nothing to do with the countries from which they fled. They did not come to the land with weapons to conquer, but with rakes and hoes to cultivate often swamp-infested land they legally purchased from absentee landlords. Years later, after the Holocaust, the state of Israel was defined and established by international law (1948). The Israelis were ecstatic to live peacefully among their neighbors within the meager boundaries they were allotted in 1948, when five Arab countries attacked Israel in the War of Independence. This war was one of many that Muslim extremists committed against the Jewish state to deny

Israel's right to exist [19].

In 1967 Egypt, Syria, and Jordan started a war with Israel. Hafiz al-Assad ordered his Syrian soldiers to "strike the enemy's [civilian] settlements, turn them into dust, pave the Arab roads with the skulls of the Jews, and strike them without mercy" [20]. Miraculously, Israel won the war and gained territory in the Sinai, Golan Heights, West Bank, Gaza, and East Jerusalem. In 1982, Israel gave the Sinai to Egypt, which has created peace between the countries [21].
With similar hope, Israel left Gaza in 2005 as one of many gestures of peace with its Arab neighbors that have been met with violence [22]. This is worth repeating. Since 2005, Israel has NOT occupied Gaza. In response, Hamas overtook Gaza, slaughtered Palestinian leaders, created 450 miles of terror tunnels, launched over 30,000 rockets at Israel, and on October 7 perpetrated the most heinous attacks on the Jewish people since the Holocaust including the kidnapping of Israelis, Americans, and Foreign Nationals still missing today [23-24].

FALSE CLAIMS OF GENOCIDE: HAMAS IS RESPONSIBLE FOR DEATHS OF PALESTINIANS

Both Hamas and the protesters' accusations of the Israel Defense Forces (IDF) are blatantly false. Numerous military leaders, including John Spencer (Former Chair of Urban Warfare Studies, WestPoint), testify that "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" including its use of precision weapons and the sending of leaflets, texts, and calls to Gazans ahead of airstrikes to provide time for them to evacuate targeted areas [25-27]. Sadly, terrorists boast of hiding among their own civilians to increase casualties [28].

Armies that fight defensive wars against terrorists in urban warfare generally have a civilian to casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist eliminated. This was true for U.S. and coalition troops in Mosul (2016-2017) [29]. However, Israel's ratio is less than 1:1, meaning they have reduced civilian casualties more than four to sixtyfold by comparison [30]. While the loss of innocent life is tragic, according to International Humanitarian Law (Article 51) these deaths fall squarely on Hamas [31].

Statistical analysis proves what Israel has been saying along - that the Ministry of Health numbers are false [32].

HAMAS ADMITS: NO GENOCIDE HERE

As in previous wars that Hamas has started, Hamas leaders have finally admitted that they lied about numbers of civilian casualties [33], and that 72% of casualty numbers are male terrorists [34].

Moreover, Palestinian civilians attest to the fact that Hamas steals food from aid trucks and murders Palestinians trying to reach the aid [35-38].

HAMAS' GLOBAL SUBTERFUGE

Hamas covers its atrocities against the Palestinian people (e.g., blocking safe passage corridors, hiding and firing weapons among civilians) [39-41] by sponsoring and supporting city, state, and worldwide protests on the Palestinians' behalf with the sole intent of delegitimizing Israel [42-45].

Donning the cloak of victimhood and resistance, Hamas's behavior is barbaric – igniting hatred and discrimination against Israel, worldwide Jewry, and democracy itself.

SUMMARY

This document proves that the claims aimed at Israel of apartheid, genocide, colonialism, and occupation - are patently FALSE.

After the barbaric attack on October 7th, Hamas is still holding hostages and rebuilding its terror structure.

Allowing protesters like SJP, and groups like it (e.g., AMP, CAIR, JVP, WOL, etc.), to hijack governing bodies only rewards and emboldens Hamas, endangers Israel and worldwide democracies, and prevents the Gazans from

taking responsibility to unlearn hate and choose healthy governance so that they become viable peace partners.

The world is at an uncomfortable brink: Barbarism vs. Democracy. Rewarding barbarity and those who support it is a losing proposition.

Bold leadership, not capitulation, is the only strategy to keep communities safe.
We ask you to vote NO on this anti-Israel ballot measure – which is a strategy designed by Hamas supporters to keep Hamas in power and continue to inflict carnage on the Palestinians and Israelis.

Please protect our community, democracy, and national security from misinformation and terrorist propaganda.

Sincerely,

Mark P Feinberg DMD

Honorable Elected Officials,

We are your constituents, Americans across this great nation, and worldwide citizens who ask you to vote NO on the proposed anti-Israel ballot measure which falsely accuses Israel of apartheid, genocide, and illegal occupation and then asks voters to prohibit future city business and city investments with Israeli companies.

UNCONSTITUTIONAL: VIOLATION OF U.S. COMMERCE CLAUSE

The power to regulate foreign commerce lies exclusively with Congress. By trying to pass this ballot question endorsing a foreign-directed commercial boycott of Israel, your city council oversteps its constitutional authority. This would directly conflict with federal law and obstruct lawful commercial relationships with a U.S. ally. This represents a violation of Article I, Section 8 of the Constitution.

VIOLATES FEDERAL LAW

In addition, under the Export Administration Act and related federal statutes, U.S. persons and entities are prohibited from participating in or supporting unsanctioned foreign boycotts, such as this campaign targeting Israel. City Council members are duty bound to federal legal frameworks.

STANDARDS FOR U.S. BALLOT QUESTIONS

As elected officials you know that “informed citizens are democracy’s best defense” [1] and “to abandon facts is to abandon freedom” [2].

Yet, your city council has abandoned the facts and placed several outright lies in a ballot question that not only misleads voters but also opens a door to those who want nothing but to destroy our democracy and our way of life.

Why would you actively allow this to happen?

THE TRUTH ABOUT "PRO-PALESTINIAN" PROTESTERS

We have watched in horror as protestors have overtaken city councils, state government, and American university campuses with misinformation, extremist ideology, and violent conduct that undermine our democratic way of life and our peaceful communities.

The protesters claim to be an anti-war movement to stop the "genocide, apartheid, and occupation" [3] of the Palestinian people, but nothing can be further from the truth.

Students for Justice in Palestine (SJP) and other groups (AMP, CAIR, JVP, WOL, etc.) are funded by the Hamas terrorist organization [4-9]. As a propaganda arm of Hamas, their sole purpose is to radicalize and misinform government officials and campuses and create a massive disinformation campaign to delegitimize Israel and promote the annihilation of the Jewish State.

Their chant, "From the River to the Sea," clearly states their intention [10]. If you listen carefully, however, their violent intentions do not stop with Israel. They promote antisemitism the world over with the ultimate goal of overturning democratic values as they chant "Death to America" [11-12]. Their philosophy is anchored in the Hamas Charter, which states in its introduction, "Israel will exist until Islam will obliterate it" and "Our struggle against the Jews is very great and very serious" [13]; and the radical Islamist Duaat entitled "How Islam will dominate the world" [14].

Pure logic and history upend the protesters' statements.

Only a day after the heinous October 7 attacks on Israel, these protesters started their false accusations of "genocide" [15]. Here is the truth:

FALSE CLAIMS OF APARTHEID

Hamas' accusations of apartheid are false. Apartheid is defined as a system of legalized racial discrimination and segregation that deprives a racial group of their political and civil rights. In South Africa, for example, the white minority segregated Black Africans in housing, transportation, education, and stripped them of citizenship, and positions in government.

In Israel, all citizens whether Jewish, Arab, Armenian, Baha'i, Christian, Druze, Muslim, etc. have equal rights. They can live, work, and travel wherever they want, and they are provided the same government services (e.g., health insurance, free public school, subsidized university education) equally. They attend the same universities and have the same voting power and opportunities. In fact, they hold positions in all industries (e.g., law, medicine, politics) – including positions as judges and members of the Knesset. Israel is a multi-racial society where the Arab citizens have full rights. Inciting racism or discrimination in Israel is a criminal offense [16].

FALSE CLAIMS OF COLONIALISM AND OCCUPATION

Predating Islam, the Jewish people arrived and established the independent Land of Israel in the second millennium B.C.E. and lived there for more than 1,600 years. In succession, the

Babylonians, Persians, Greeks, and Romans conquered the land. Despite the efforts of Roman crusaders and some Muslims to make the country empty of Jews, thousands of Jews have lived for centuries in each of the holy cities of Jerusalem, Safad, Tiberius, and Hebron; and in Gaza, Rafah, Ashkelon, Caesarea, Jaffa, Acre, and Jericho. [17]. Moreover, archaeological evidence proves Jewish indigenousity, with cities populated by a Jewish majority prior to the establishment of the modern state of Israel [18].

It is absurd to claim that the Jews who returned to Israel starting in the last decades of the 19th century were colonialists and imperialists. For whom were these idealists working? They were not planting the flag of the antisemitic regimes of Russia, Poland, and Lithuania; and they were kicked out of Yemen, Iraq, Turkey, and North Africa. In fact, these Jewish refugees had to overcome Turkish, British, and Pan-Arab imperialism to achieve self-determination. They were fleeing pogroms and persecution and wanted nothing to do with the countries from which they fled. They did not come to the land with weapons to conquer, but with rakes and hoes to cultivate often swamp-infested land they legally purchased from absentee landlords. Years later, after the Holocaust, the state of Israel was defined and established by international law (1948). The Israelis were ecstatic to live peacefully among their neighbors within the meager boundaries they were allotted in 1948, when five Arab countries attacked Israel in the War of Independence. This war was one of many that Muslim extremists committed against the Jewish state to deny Israel's right to exist [19].

In 1967 Egypt, Syria, and Jordan started a war with Israel. Hafiz al-Assad ordered his Syrian soldiers to "strike the enemy's [civilian] settlements, turn them into dust, pave the Arab roads with the skulls of the Jews, and strike them without mercy" [20]. Miraculously, Israel won the war and gained territory in the Sinai, Golan Heights, West Bank, Gaza, and East Jerusalem. In 1982, Israel gave the Sinai to Egypt, which has created peace between the countries [21]. With similar hope, Israel left Gaza in 2005 as one of many gestures of peace with its Arab neighbors that have been met with violence [22]. This is worth repeating. Since 2005, Israel has NOT occupied Gaza. In response, Hamas overtook Gaza, slaughtered Palestinian leaders, created 450 miles of terror tunnels, launched over 30,000 rockets at Israel, and on October 7 perpetrated the most heinous attacks on the Jewish people since the Holocaust including the kidnapping of Israelis, Americans, and Foreign Nationals still missing today [23-24].

## FALSE CLAIMS OF GENOCIDE: HAMAS IS RESPONSIBLE FOR DEATHS OF PALESTINIANS

Both Hamas and the protesters' accusations of the Israel Defense Forces (IDF) are blatantly false. Numerous military leaders, including John Spencer (Former Chair of Urban Warfare Studies, WestPoint), testify that "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" including its use of precision weapons and the sending of leaflets, texts, and calls to Gazans ahead of airstrikes to provide time for them to evacuate targeted areas [25-27]. Sadly, terrorists boast of hiding among their own civilians to increase casualties [28].

Armies that fight defensive wars against terrorists in urban warfare generally have a civilian to casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist eliminated. This was true for U.S. and coalition troops in Mosul (2016-2017) [29]. However, Israel's ratio is less than 1:1, meaning they have reduced civilian casualties more than four to sixtyfold by comparison [30]. While the loss of innocent life is tragic, according to International Humanitarian Law (Article 51) these deaths fall squarely on Hamas [31].

Statistical analysis proves what Israel has been saying along - that the Ministry of Health numbers are false [32].

HAMAS ADMITS: NO GENOCIDE HERE

As in previous wars that Hamas has started, Hamas leaders have finally admitted that they lied about numbers of civilian casualties [33], and that 72% of casualty numbers are male terrorists [34].

Moreover, Palestinian civilians attest to the fact that Hamas steals food from aid trucks and murders Palestinians trying to reach the aid [35-38].

HAMAS' GLOBAL SUBTERFUGE

Hamas covers its atrocities against the Palestinian people (e.g., blocking safe passage corridors, hiding and firing weapons among civilians) [39-41] by sponsoring and supporting city, state, and worldwide protests on the Palestinians' behalf with the sole intent of delegitimizing Israel [42-45].

Donning the cloak of victimhood and resistance, Hamas's behavior is barbaric – igniting hatred and discrimination against Israel, worldwide Jewry, and democracy itself.

SUMMARY

This document proves that the claims aimed at Israel of apartheid, genocide, colonialism, and occupation - are patently FALSE.

After the barbaric attack on October 7th, Hamas is still holding hostages and rebuilding its terror structure.

Allowing protesters like SJP, and groups like it (e.g., AMP, CAIR, JVP, WOL, etc.), to hijack governing bodies only rewards and emboldens Hamas, endangers Israel and worldwide democracies, and prevents the Gazans from taking responsibility to unlearn hate and choose healthy governance so that they become viable peace partners.

The world is at an uncomfortable brink: Barbarism vs. Democracy. Rewarding barbarity and those who support it is a losing proposition.

Bold leadership, not capitulation, is the only strategy to keep communities safe.
We ask you to vote NO on this anti-Israel ballot measure – which is a strategy designed by Hamas supporters to keep Hamas in power and continue to inflict carnage on the Palestinians and Israelis.

Please protect our community, democracy, and national security from misinformation and terrorist propaganda.

Sincerely,
Esther H Altmann

Honorable Elected Officials,

We are your constituents, Americans across this great nation, and worldwide citizens who ask you to vote NO on the proposed anti-Israel ballot measure which falsely accuses Israel of apartheid, genocide, and illegal occupation and then asks voters to prohibit future city business and city investments with Israeli companies.

UNCONSTITUTIONAL: VIOLATION OF U.S. COMMERCE CLAUSE

The power to regulate foreign commerce lies exclusively with Congress. By trying to pass this ballot question endorsing a foreign-directed commercial boycott of Israel, your city council oversteps its constitutional authority. This would directly conflict with federal law and obstruct lawful commercial relationships with a U.S. ally. This represents a violation of Article I, Section 8 of the Constitution.

VIOLATES FEDERAL LAW

In addition, under the Export Administration Act and related federal statutes, U.S. persons and entities are prohibited from participating in or supporting unsanctioned foreign boycotts, such as this campaign targeting Israel. City Council members are duty bound to federal legal frameworks.

STANDARDS FOR U.S. BALLOT QUESTIONS

As elected officials you know that “informed citizens are democracy’s best defense” [1] and “to abandon facts is to abandon freedom” [2].

Yet, your city council has abandoned the facts and placed several outright lies in a ballot question that not only misleads voters but also opens a door to those who want nothing but to destroy our democracy and our way of life.

Why would you actively allow this to happen?

THE TRUTH ABOUT “PRO-PALESTINIAN” PROTESTERS

We have watched in horror as protestors have overtaken city councils, state government, and American university campuses with misinformation, extremist ideology, and violent conduct that undermine our democratic way of life and our peaceful communities.

The protesters claim to be an anti-war movement to stop the “genocide, apartheid, and occupation” [3] of the

Palestinian people, but nothing can be further from the truth.

Students for Justice in Palestine (SJP) and other groups (AMP, CAIR, JVP, WOL, etc.) are funded by the Hamas terrorist organization [4-9]. As a propaganda arm of Hamas, their sole purpose is to radicalize and misinform government officials and campuses and create a massive disinformation campaign to delegitimize Israel and promote the annihilation of the Jewish State.

Their chant, "From the River to the Sea," clearly states their intention [10]. If you listen carefully, however, their violent intentions do not stop with Israel. They promote antisemitism the world over with the ultimate goal of overturning democratic values as they chant "Death to America" [11-12]. Their philosophy is anchored in the Hamas Charter, which states in its introduction, "Israel will exist until Islam will obliterate it" and "Our struggle against the Jews is very great and very serious" [13]; and the radical Islamist Duaat entitled "How Islam will dominate the world" [14].

Pure logic and history upend the protesters' statements.

Only a day after the heinous October 7 attacks on Israel, these protesters started their false accusations of "genocide" [15]. Here is the truth:

FALSE CLAIMS OF APARTHEID

Hamas' accusations of apartheid are false. Apartheid is defined as a system of legalized racial discrimination and segregation that deprives a racial group of their political and civil rights. In South Africa, for example, the white minority segregated Black Africans in housing, transportation, education, and stripped them of citizenship, and positions in government.

In Israel, all citizens whether Jewish, Arab, Armenian, Baha'i, Christian, Druze, Muslim, etc. have equal rights. They can live, work, and travel wherever they want, and they are provided the same government services (e.g., health insurance, free public school, subsidized university education) equally. They attend the same universities and have the same voting power and opportunities. In fact, they hold positions in all industries (e.g., law, medicine, politics) – including positions as judges and members of the Knesset. Israel is a multi-racial society where the Arab citizens have full rights. Inciting racism or discrimination in Israel is a criminal offense [16].

FALSE CLAIMS OF COLONIALISM AND OCCUPATION

Predating Islam, the Jewish people arrived and established the independent Land of Israel in the second millennium B.C.E. and lived there for more than 1,600 years. In succession, the Babylonians, Persians, Greeks, and Romans conquered the land. Despite the efforts of Roman crusaders and some Muslims to make the country empty of Jews, thousands of Jews have lived for centuries in each of the holy cities of Jerusalem, Safad, Tiberius, and Hebron; and in Gaza, Rafah, Ashkelon, Caesarea, Jaffa, Acre, and Jericho. [17]. Moreover, archaeological evidence proves Jewish indigenousity, with cities populated by a Jewish majority prior to the establishment of the modern state of Israel [18].

It is absurd to claim that the Jews who returned to Israel starting in the last decades of the 19th century were colonialists and imperialists. For whom were these idealists working? They were not planting the flag of the antisemitic regimes of Russia, Poland, and Lithuania; and they were kicked out of Yemen, Iraq, Turkey, and North Africa. In fact, these Jewish refugees had to overcome Turkish, British, and Pan-Arab imperialism to achieve self-determination. They were fleeing pogroms and persecution and wanted nothing to do with the countries from which they fled. They did not come to the land with weapons to conquer, but with rakes and hoes to cultivate often swamp-infested land they legally purchased from absentee landlords. Years later, after the Holocaust, the state of Israel was defined and established by international law (1948). The Israelis were ecstatic to live peacefully among their neighbors within the meager boundaries they were allotted in 1948, when five Arab countries attacked Israel in the War of Independence. This war was one of many that Muslim extremists committed against the Jewish state to deny Israel's right to exist [19].

In 1967 Egypt, Syria, and Jordan started a war with Israel. Hafiz al-Assad ordered his Syrian soldiers to "strike the enemy's [civilian] settlements, turn them into dust, pave the Arab roads with the skulls of the Jews, and strike them

without mercy" [20]. Miraculously, Israel won the war and gained territory in the Sinai, Golan Heights, West Bank, Gaza, and East Jerusalem. In 1982, Israel gave the Sinai to Egypt, which has created peace between the countries [21].
With similar hope, Israel left Gaza in 2005 as one of many gestures of peace with its Arab neighbors that have been met with violence [22]. This is worth repeating. Since 2005, Israel has NOT occupied Gaza. In response, Hamas overtook Gaza, slaughtered Palestinian leaders, created 450 miles of terror tunnels, launched over 30,000 rockets at Israel, and on October 7 perpetrated the most heinous attacks on the Jewish people since the Holocaust including the kidnapping of Israelis, Americans, and Foreign Nationals still missing today [23-24].

## FALSE CLAIMS OF GENOCIDE: HAMAS IS RESPONSIBLE FOR DEATHS OF PALESTINIANS

Both Hamas and the protesters' accusations of the Israel Defense Forces (IDF) are blatantly false. Numerous military leaders, including John Spencer (Former Chair of Urban Warfare Studies, WestPoint), testify that "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" including its use of precision weapons and the sending of leaflets, texts, and calls to Gazans ahead of airstrikes to provide time for them to evacuate targeted areas [25-27]. Sadly, terrorists boast of hiding among their own civilians to increase casualties [28].

Armies that fight defensive wars against terrorists in urban warfare generally have a civilian to casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist eliminated. This was true for U.S. and coalition troops in Mosul (2016-2017) [29]. However, Israel's ratio is less than 1:1, meaning they have reduced civilian casualties more than four to sixtyfold by comparison [30]. While the loss of innocent life is tragic, according to International Humanitarian Law (Article 51) these deaths fall squarely on Hamas [31].

Statistical analysis proves what Israel has been saying along - that the Ministry of Health numbers are false [32].

## HAMAS ADMITS: NO GENOCIDE HERE

As in previous wars that Hamas has started, Hamas leaders have finally admitted that they lied about numbers of civilian casualties [33], and that 72% of casualty numbers are male terrorists [34].

Moreover, Palestinian civilians attest to the fact that Hamas steals food from aid trucks and murders Palestinians trying to reach the aid [35-38].

## HAMAS' GLOBAL SUBTERFUGE

Hamas covers its atrocities against the Palestinian people (e.g., blocking safe passage corridors, hiding and firing weapons among civilians) [39-41] by sponsoring and supporting city, state, and worldwide protests on the Palestinians' behalf with the sole intent of delegitimizing Israel [42-45].

Donning the cloak of victimhood and resistance, Hamas's behavior is barbaric – igniting hatred and discrimination against Israel, worldwide Jewry, and democracy itself.

## SUMMARY

This document proves that the claims aimed at Israel of apartheid, genocide, colonialism, and occupation - are patently FALSE.

After the barbaric attack on October 7th, Hamas is still holding hostages and rebuilding its terror structure.

Allowing protesters like SJP, and groups like it (e.g., AMP, CAIR, JVP, WOL, etc.), to hijack governing bodies only rewards and emboldens Hamas, endangers Israel and worldwide democracies, and prevents the Gazans from taking responsibility to unlearn hate and choose healthy governance so that they become viable peace partners.

The world is at an uncomfortable brink: Barbarism vs. Democracy. Rewarding barbarity and those who support it is a losing proposition.

Bold leadership, not capitulation, is the only strategy to keep communities safe.
We ask you to vote NO on this anti-Israel ballot measure – which is a strategy designed by Hamas supporters to keep Hamas in power and continue to inflict carnage on the Palestinians and Israelis.

Please protect our community, democracy, and national security from misinformation and terrorist propaganda.

Sincerely,

"This is your democracy. Make it. Protect it. Pass it on."

Honorable Elected Officials,

We are your constituents, Americans across this great nation, and worldwide citizens who ask you to vote NO on the proposed anti-Israel ballot measure which falsely accuses Israel of apartheid, genocide, and illegal occupation and then asks voters to prohibit future city business and city investments with Israeli companies.

UNCONSTITUTIONAL: VIOLATION OF U.S. COMMERCE CLAUSE

The power to regulate foreign commerce lies exclusively with Congress. By trying to pass this ballot question endorsing a foreign-directed commercial boycott of Israel, your city council oversteps its constitutional authority. This would directly conflict with federal law and obstruct lawful commercial relationships with a U.S. ally. This represents a violation of Article I, Section 8 of the Constitution.

VIOLATES FEDERAL LAW

In addition, under the Export Administration Act and related federal statutes, U.S. persons and entities are prohibited from participating in or supporting unsanctioned foreign boycotts, such as this campaign targeting Israel. City Council members are duty bound to federal legal frameworks.

STANDARDS FOR U.S. BALLOT QUESTIONS

As elected officials you know that “informed citizens are democracy’s best defense” [1] and “to abandon facts is to abandon freedom” [2].

Yet, your city council has abandoned the facts and placed several outright lies in a ballot question that not only misleads voters but also opens a door to those who want nothing but to destroy our democracy and our way of life.

Why would you actively allow this to happen?

THE TRUTH ABOUT “PRO-PALESTINIAN” PROTESTERS

We have watched in horror as protestors have overtaken city councils, state government, and American university campuses with misinformation, extremist ideology, and violent conduct that undermine our democratic way of life and our peaceful communities.

The protesters claim to be an anti-war movement to stop the “genocide, apartheid, and occupation” [3] of the

Palestinian people, but nothing can be further from the truth.

Students for Justice in Palestine (SJP) and other groups (AMP, CAIR, JVP, WOL, etc.) are funded by the Hamas terrorist organization [4-9]. As a propaganda arm of Hamas, their sole purpose is to radicalize and misinform government officials and campuses and create a massive disinformation campaign to delegitimize Israel and promote the annihilation of the Jewish State.

Their chant, "From the River to the Sea," clearly states their intention [10]. If you listen carefully, however, their violent intentions do not stop with Israel. They promote antisemitism the world over with the ultimate goal of overturning democratic values as they chant "Death to America" [11-12]. Their philosophy is anchored in the Hamas Charter, which states in its introduction, "Israel will exist until Islam will obliterate it" and "Our struggle against the Jews is very great and very serious" [13]; and the radical Islamist Duaat entitled "How Islam will dominate the world" [14].

Pure logic and history upend the protesters' statements.

Only a day after the heinous October 7 attacks on Israel, these protesters started their false accusations of "genocide" [15]. Here is the truth:

FALSE CLAIMS OF APARTHEID

Hamas' accusations of apartheid are false. Apartheid is defined as a system of legalized racial discrimination and segregation that deprives a racial group of their political and civil rights. In South Africa, for example, the white minority segregated Black Africans in housing, transportation, education, and stripped them of citizenship, and positions in government.

In Israel, all citizens whether Jewish, Arab, Armenian, Baha'i, Christian, Druze, Muslim, etc. have equal rights. They can live, work, and travel wherever they want, and they are provided the same government services (e.g., health insurance, free public school, subsidized university education) equally. They attend the same universities and have the same voting power and opportunities. In fact, they hold positions in all industries (e.g., law, medicine, politics) – including positions as judges and members of the Knesset. Israel is a multi-racial society where the Arab citizens have full rights. Inciting racism or discrimination in Israel is a criminal offense [16].

FALSE CLAIMS OF COLONIALISM AND OCCUPATION

Predating Islam, the Jewish people arrived and established the independent Land of Israel in the second millennium B.C.E. and lived there for more than 1,600 years. In succession, the Babylonians, Persians, Greeks, and Romans conquered the land. Despite the efforts of Roman crusaders and some Muslims to make the country empty of Jews, thousands of Jews have lived for centuries in each of the holy cities of Jerusalem, Safad, Tiberius, and Hebron; and in Gaza, Rafah, Ashkelon, Caesarea, Jaffa, Acre, and Jericho. [17]. Moreover, archaeological evidence proves Jewish indigenousity, with cities populated by a Jewish majority prior to the establishment of the modern state of Israel [18].

It is absurd to claim that the Jews who returned to Israel starting in the last decades of the 19th century were colonialists and imperialists. For whom were these idealists working? They were not planting the flag of the antisemitic regimes of Russia, Poland, and Lithuania; and they were kicked out of Yemen, Iraq, Turkey, and North Africa. In fact, these Jewish refugees had to overcome Turkish, British, and Pan-Arab imperialism to achieve self-determination. They were fleeing pogroms and persecution and wanted nothing to do with the countries from which they fled. They did not come to the land with weapons to conquer, but with rakes and hoes to cultivate often swamp-infested land they legally purchased from absentee landlords. Years later, after the Holocaust, the state of Israel was defined and established by international law (1948). The Israelis were ecstatic to live peacefully among their neighbors within the meager boundaries they were allotted in 1948, when five Arab countries attacked Israel in the War of Independence. This war was one of many that Muslim extremists committed against the Jewish state to deny Israel's right to exist [19].

In 1967 Egypt, Syria, and Jordan started a war with Israel. Hafiz al-Assad ordered his Syrian soldiers to "strike the enemy's [civilian] settlements, turn them into dust, pave the Arab roads with the skulls of the Jews, and strike them

without mercy" [20]. Miraculously, Israel won the war and gained territory in the Sinai, Golan Heights, West Bank, Gaza, and East Jerusalem. In 1982, Israel gave the Sinai to Egypt, which has created peace between the countries [21].
With similar hope, Israel left Gaza in 2005 as one of many gestures of peace with its Arab neighbors that have been met with violence [22]. This is worth repeating. Since 2005, Israel has NOT occupied Gaza. In response, Hamas overtook Gaza, slaughtered Palestinian leaders, created 450 miles of terror tunnels, launched over 30,000 rockets at Israel, and on October 7 perpetrated the most heinous attacks on the Jewish people since the Holocaust including the kidnapping of Israelis, Americans, and Foreign Nationals still missing today [23-24].

## FALSE CLAIMS OF GENOCIDE: HAMAS IS RESPONSIBLE FOR DEATHS OF PALESTINIANS

Both Hamas and the protesters' accusations of the Israel Defense Forces (IDF) are blatantly false. Numerous military leaders, including John Spencer (Former Chair of Urban Warfare Studies, WestPoint), testify that "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" including its use of precision weapons and the sending of leaflets, texts, and calls to Gazans ahead of airstrikes to provide time for them to evacuate targeted areas [25-27]. Sadly, terrorists boast of hiding among their own civilians to increase casualties [28].

Armies that fight defensive wars against terrorists in urban warfare generally have a civilian to casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist eliminated. This was true for U.S. and coalition troops in Mosul (2016-2017) [29]. However, Israel's ratio is less than 1:1, meaning they have reduced civilian casualties more than four to sixtyfold by comparison [30]. While the loss of innocent life is tragic, according to International Humanitarian Law (Article 51) these deaths fall squarely on Hamas [31].

Statistical analysis proves what Israel has been saying along - that the Ministry of Health numbers are false [32].

## HAMAS ADMITS: NO GENOCIDE HERE

As in previous wars that Hamas has started, Hamas leaders have finally admitted that they lied about numbers of civilian casualties [33], and that 72% of casualty numbers are male terrorists [34].

Moreover, Palestinian civilians attest to the fact that Hamas steals food from aid trucks and murders Palestinians trying to reach the aid [35-38].

## HAMAS' GLOBAL SUBTERFUGE

Hamas covers its atrocities against the Palestinian people (e.g., blocking safe passage corridors, hiding and firing weapons among civilians) [39-41] by sponsoring and supporting city, state, and worldwide protests on the Palestinians' behalf with the sole intent of delegitimizing Israel [42-45].

Donning the cloak of victimhood and resistance, Hamas's behavior is barbaric – igniting hatred and discrimination against Israel, worldwide Jewry, and democracy itself.

## SUMMARY

This document proves that the claims aimed at Israel of apartheid, genocide, colonialism, and occupation - are patently FALSE.

After the barbaric attack on October 7th, Hamas is still holding hostages and rebuilding its terror structure.

Allowing protesters like SJP, and groups like it (e.g., AMP, CAIR, JVP, WOL, etc.), to hijack governing bodies only rewards and emboldens Hamas, endangers Israel and worldwide democracies, and prevents the Gazans from taking responsibility to unlearn hate and choose healthy governance so that they become viable peace partners.

The world is at an uncomfortable brink: Barbarism vs. Democracy. Rewarding barbarity and those who support it is a losing proposition.

Bold leadership, not capitulation, is the only strategy to keep communities safe.
We ask you to vote NO on this anti-Israel ballot measure – which is a strategy designed by Hamas supporters to keep Hamas in power and continue to inflict carnage on the Palestinians and Israelis.

Please protect our community, democracy, and national security from misinformation and terrorist propaganda.

Sincerely,
Ilana Goldenstein

Honorable Elected Officials,

We are your constituents, Americans across this great nation, and worldwide citizens who ask you to vote NO on the proposed anti-Israel ballot measure which falsely accuses Israel of apartheid, genocide, and illegal occupation and then asks voters to prohibit future city business and city investments with Israeli companies.

UNCONSTITUTIONAL: VIOLATION OF U.S. COMMERCE CLAUSE

The power to regulate foreign commerce lies exclusively with Congress. By trying to pass this ballot question endorsing a foreign-directed commercial boycott of Israel, your city council oversteps its constitutional authority. This would directly conflict with federal law and obstruct lawful commercial relationships with a U.S. ally. This represents a violation of Article I, Section 8 of the Constitution.

VIOLATES FEDERAL LAW

In addition, under the Export Administration Act and related federal statutes, U.S. persons and entities are prohibited from participating in or supporting unsanctioned foreign boycotts, such as this campaign targeting Israel. City Council members are duty bound to federal legal frameworks.

STANDARDS FOR U.S. BALLOT QUESTIONS

As elected officials you know that “informed citizens are democracy’s best defense” [1] and “to abandon facts is to abandon freedom” [2].

Yet, your city council has abandoned the facts and placed several outright lies in a ballot question that not only misleads voters but also opens a door to those who want nothing but to destroy our democracy and our way of life.

Why would you actively allow this to happen?

THE TRUTH ABOUT “PRO-PALESTINIAN” PROTESTERS

We have watched in horror as protestors have overtaken city councils, state government, and American university campuses with misinformation, extremist ideology, and violent conduct that undermine our democratic way of life and our peaceful communities.

The protesters claim to be an anti-war movement to stop the “genocide, apartheid, and occupation” [3] of the

Palestinian people, but nothing can be further from the truth.

Students for Justice in Palestine (SJP) and other groups (AMP, CAIR, JVP, WOL, etc.) are funded by the Hamas terrorist organization [4-9]. As a propaganda arm of Hamas, their sole purpose is to radicalize and misinform government officials and campuses and create a massive disinformation campaign to delegitimize Israel and promote the annihilation of the Jewish State.

Their chant, "From the River to the Sea," clearly states their intention [10]. If you listen carefully, however, their violent intentions do not stop with Israel. They promote antisemitism the world over with the ultimate goal of overturning democratic values as they chant "Death to America" [11-12]. Their philosophy is anchored in the Hamas Charter, which states in its introduction, "Israel will exist until Islam will obliterate it" and "Our struggle against the Jews is very great and very serious" [13]; and the radical Islamist Duaat entitled "How Islam will dominate the world" [14].

Pure logic and history upend the protesters' statements.

Only a day after the heinous October 7 attacks on Israel, these protesters started their false accusations of "genocide" [15]. Here is the truth:

FALSE CLAIMS OF APARTHEID

Hamas' accusations of apartheid are false. Apartheid is defined as a system of legalized racial discrimination and segregation that deprives a racial group of their political and civil rights. In South Africa, for example, the white minority segregated Black Africans in housing, transportation, education, and stripped them of citizenship, and positions in government.

In Israel, all citizens whether Jewish, Arab, Armenian, Baha'i, Christian, Druze, Muslim, etc. have equal rights. They can live, work, and travel wherever they want, and they are provided the same government services (e.g., health insurance, free public school, subsidized university education) equally. They attend the same universities and have the same voting power and opportunities. In fact, they hold positions in all industries (e.g., law, medicine, politics) – including positions as judges and members of the Knesset. Israel is a multi-racial society where the Arab citizens have full rights. Inciting racism or discrimination in Israel is a criminal offense [16].

FALSE CLAIMS OF COLONIALISM AND OCCUPATION

Predating Islam, the Jewish people arrived and established the independent Land of Israel in the second millennium B.C.E. and lived there for more than 1,600 years. In succession, the Babylonians, Persians, Greeks, and Romans conquered the land. Despite the efforts of Roman crusaders and some Muslims to make the country empty of Jews, thousands of Jews have lived for centuries in each of the holy cities of Jerusalem, Safad, Tiberius, and Hebron; and in Gaza, Rafah, Ashkelon, Caesarea, Jaffa, Acre, and Jericho. [17]. Moreover, archaeological evidence proves Jewish indigenousity, with cities populated by a Jewish majority prior to the establishment of the modern state of Israel [18].

It is absurd to claim that the Jews who returned to Israel starting in the last decades of the 19th century were colonialists and imperialists. For whom were these idealists working? They were not planting the flag of the antisemitic regimes of Russia, Poland, and Lithuania; and they were kicked out of Yemen, Iraq, Turkey, and North Africa. In fact, these Jewish refugees had to overcome Turkish, British, and Pan-Arab imperialism to achieve self-determination. They were fleeing pogroms and persecution and wanted nothing to do with the countries from which they fled. They did not come to the land with weapons to conquer, but with rakes and hoes to cultivate often swamp-infested land they legally purchased from absentee landlords. Years later, after the Holocaust, the state of Israel was defined and established by international law (1948). The Israelis were ecstatic to live peacefully among their neighbors within the meager boundaries they were allotted in 1948, when five Arab countries attacked Israel in the War of Independence. This war was one of many that Muslim extremists committed against the Jewish state to deny Israel's right to exist [19].

In 1967 Egypt, Syria, and Jordan started a war with Israel. Hafiz al-Assad ordered his Syrian soldiers to "strike the enemy's [civilian] settlements, turn them into dust, pave the Arab roads with the skulls of the Jews, and strike them

without mercy" [20]. Miraculously, Israel won the war and gained territory in the Sinai, Golan Heights, West Bank, Gaza, and East Jerusalem. In 1982, Israel gave the Sinai to Egypt, which has created peace between the countries [21].
With similar hope, Israel left Gaza in 2005 as one of many gestures of peace with its Arab neighbors that have been met with violence [22]. This is worth repeating. Since 2005, Israel has NOT occupied Gaza. In response, Hamas overtook Gaza, slaughtered Palestinian leaders, created 450 miles of terror tunnels, launched over 30,000 rockets at Israel, and on October 7 perpetrated the most heinous attacks on the Jewish people since the Holocaust including the kidnapping of Israelis, Americans, and Foreign Nationals still missing today [23-24].

## FALSE CLAIMS OF GENOCIDE: HAMAS IS RESPONSIBLE FOR DEATHS OF PALESTINIANS

Both Hamas and the protesters' accusations of the Israel Defense Forces (IDF) are blatantly false. Numerous military leaders, including John Spencer (Former Chair of Urban Warfare Studies, WestPoint), testify that "Israel has implemented more measures to avoid civilian casualties than any other military in the history of war" including its use of precision weapons and the sending of leaflets, texts, and calls to Gazans ahead of airstrikes to provide time for them to evacuate targeted areas [25-27]. Sadly, terrorists boast of hiding among their own civilians to increase casualties [28].

Armies that fight defensive wars against terrorists in urban warfare generally have a civilian to casualty ratio of 4 to 60:1; meaning 4 to 60 civilians are accidentally killed for every terrorist eliminated. This was true for U.S. and coalition troops in Mosul (2016-2017) [29]. However, Israel's ratio is less than 1:1, meaning they have reduced civilian casualties more than four to sixtyfold by comparison [30]. While the loss of innocent life is tragic, according to International Humanitarian Law (Article 51) these deaths fall squarely on Hamas [31].

Statistical analysis proves what Israel has been saying along - that the Ministry of Health numbers are false [32].

## HAMAS ADMITS: NO GENOCIDE HERE

As in previous wars that Hamas has started, Hamas leaders have finally admitted that they lied about numbers of civilian casualties [33], and that 72% of casualty numbers are male terrorists [34].

Moreover, Palestinian civilians attest to the fact that Hamas steals food from aid trucks and murders Palestinians trying to reach the aid [35-38].

## HAMAS' GLOBAL SUBTERFUGE

Hamas covers its atrocities against the Palestinian people (e.g., blocking safe passage corridors, hiding and firing weapons among civilians) [39-41] by sponsoring and supporting city, state, and worldwide protests on the Palestinians' behalf with the sole intent of delegitimizing Israel [42-45].

Donning the cloak of victimhood and resistance, Hamas's behavior is barbaric – igniting hatred and discrimination against Israel, worldwide Jewry, and democracy itself.

## SUMMARY

This document proves that the claims aimed at Israel of apartheid, genocide, colonialism, and occupation - are patently FALSE.

After the barbaric attack on October 7th, Hamas is still holding hostages and rebuilding its terror structure.

Allowing protesters like SJP, and groups like it (e.g., AMP, CAIR, JVP, WOL, etc.), to hijack governing bodies only rewards and emboldens Hamas, endangers Israel and worldwide democracies, and prevents the Gazans from taking responsibility to unlearn hate and choose healthy governance so that they become viable peace partners.

The world is at an uncomfortable brink: Barbarism vs. Democracy. Rewarding barbarity and those who support it is a losing proposition.

Bold leadership, not capitulation, is the only strategy to keep communities safe.
We ask you to vote NO on this anti-Israel ballot measure – which is a strategy designed by Hamas supporters to keep Hamas in power and continue to inflict carnage on the Palestinians and Israelis.

Please protect our community, democracy, and national security from misinformation and terrorist propaganda.

Sincerely,
Marla Traub
