RE: Presentation to Board of Alderman relative to Reconstruction
Of the east Somerville Community School

Dear Mayor Curtatone,

The Capital Projects Management Department asks that you submit a meeting request to the Board of Alderman for a presentation and input meeting relative to the East Somerville Community School (ESCS) reconstruction project. The purpose of the meeting will be to provide the members with a status update and to seek their input on their vision for the project as we embark on the schematic design phase.

I recommend the meeting be held jointly with the Finance and Capital Projects committees

Sincerely,

Gerald R. Boyle
Director
