Dear Members of the Selection Committee,

I am writing to express my intent to join the Somerville Commission for Persons with Disabilities. I bring strong leadership experience from my work in airport operations, where I regularly supported and assisted people with a wide variety of needs, including individuals with disabilities, elderly travelers, and families requiring accommodations. My role required patience, empathy, problem-solving, and the ability to communicate with people from diverse backgrounds.

In addition to my professional experience, I also have personal experience living with disabilities and caring for children with disabilities. This has given me a deep understanding of the challenges that individuals and families face, as well as a strong commitment to improving accessibility, awareness, and support in our community.

I would be honored to contribute my lived experience, leadership, and advocacy skills to help strengthen Somerville's commitment to equity and inclusion.

Thank you for your consideration.

Sincerely,
Jessica Resendes
