| 69. | Mayor's Request<br>199555<br>(ID:12086) | Requesting approval of an Order of Taking for various Beacon Street Reconstruction Easements.   |
|     |   | Alderman Heuston explained there is \$10,000,000 in State funding for this project which might be lost if it is not bid out by the Fall of 2015, and for this to happen, easements must be obtained. Special Counsel Eileen McGettigan pointed out that 65 owners donated easements, 22 others accepted offers, and others have not responded. The project cannot move forward until 115 temporary easements and 2 permanent sidewalk easements are obtained, therefore an Order of Taking for \$58,730 is requested. Finance Director Ed Bean said that the funding appears in the revised FY16 budget submitted to the Board this evening (see agenda #70).<br><b>RESULT:</b> <b>APPROVED. 84. Order 199570 (ID:12150) By Ald. Heuston, and the Entire Board That the Director of SPCD (Transportation and Infrastructure) immediately convene a meeting with MA DOT and residents, property owners and businesses on Medford Street from Washington Street to Somerville Avenue, to discuss the design, schedule, and impacts of streetscape and traffic changes there, and address issues which will adversely affect those stakeholders.

Alderman Heuston discussed the sudden loss of on-street parking for residents and business owners due to the planned construction. There was no advance notice, and people had to park blocks away. She announced that the construction is now delayed until September and the No Parking signs will be removed. Mayor's Administrative Assistant Omar Boukili said that the project to ground McGrath Highway requires that Medford Street be available for staging, but he promised that a neighborhood meeting would be scheduled with MA DOT, that parking signs would be restored within 48 hours, and that parking could commence immediately.
