Aldermen Trane and Gerwartz,

Please be advised that the Director of Strategic Planning and Community Development is in receipt of your Board Order # 189156 requesting that the Executive Director provide the Aldermen of Wards five and six with updates on the construction project at 20 Thorndike Street. And be it further, all permits be held until a complete review is completed.

In response, the Inspectional Service Division put a Stop Work Order on the property, regarding the demolition, the rebuilding and rehabilitation of the property.

Should you require any additional information, please do not hesitate to contact the Inspectional Services Division at 617-625-6600 x 5600.

Respectfully,

MONICA R. LAMBOY
