

*Letter of Interest*

*Received by Cathy Piantigini*

Dear Director Cathy Piantigini,

My name is Georgania Toussaint, and I would very much like to be considered to be appointed as a member of the Somerville Public Library's Board of Trustees. Let me begin by properly introducing myself, I am a current resident of Somerville Massachusetts and currently working at a child center which so happens to be in the city of Somerville. I am currently an undergrad student at Lesley University majoring in Education with a concentration in Art Therapy. I am a guardian to an amazing 14yr old girl, who was a former student of mine in my previous employment a few years ago. I am a self-taught artist who enjoys working with children of all ages, to help them explore their creative side, learning styles and who they are as a person. I enjoy volunteering and giving back to the community by doing art workshops, helping with the food pantries and fundraisers. I was elated when I received an email from Laura Saunders, advising me that a parent of a student at my place of employment, Dr. Jill Kasper nominated me for such an amazing opportunity. The thought of me being considered to become a member of the board of trustees of Somerville Public Library would be an honor. I welcome the opportunity to engage with an amazing group of individuals, to share my opinion and to help assist in the development of our community.

I have attached my resume below:

Sincerely,

Georgania Toussaint
