198252: Assistant City Solicitor responding to legal questions raised about the appointment of Constables.

Deputy Chief Carrabino suggested that constable licenses should be limited to Somerville residents. Presently, there are 29 constables operating Somerville with only 7 being Somerville residents. Mr. Grossfield listed a number of municipalities that have either a residency or reciprocity requirement. The City of Cambridge has a distinction between the power to arrest or not in their ordinance for constables. Alderman Heuston likes the ordinances held by Boston and Cambridge and discussed how Somerville might be liable for those Somerville appointed constables who may go to other communities. Alderman Heuston would some language added to the draft ordinance giving the committee the ability to deny appointments. Additional changes were made to the draft ordinance.
