Hi Mary Jo

I spoke to you about the signage in east Somerville here's how I have to get home after 3pm I come of 93 turn left onto Cambridge st Mt Veron is a one way can't go up Pickney st is a one way can't go up Florence st is a one way can;t go up Mytle st only abutters from 3pm to7pm Washington ave is a dead end Franklin ave only brings me to Franklin St which is a one way can't go up Tufts St abutters only from 3p to 7pm turn right on Magrath High Way turn right on Cross St turn right on Brooks St turn right on Glen St and I am home. So if you can try and change the signage from abutters to residents it would be better for all residents we all pay taxes we should be able to use all the streets Thank you
