Subject: MV Accidents at Broadway/Bristol Rd/Willow Ave

Hi Alderman Rossetti,

Per your request regarding vehicle accidents at the intersection of Broadway, Willow Ave and Bristol Rd, I searched crashes between 1/1/15 and 7/31/18 both at the intersection and within 200 feet of the intersection.

Incidents with crash reports 1/1/15 – 7/31/18 (damage \$1,000+ or injury):

-Total of 14

-6 in 2015

-6 in 2016

-2 in 2017

-0 in 2018 (through 7/31 – I do see two reports in the month of Sept. However, Aug and Sept haven't been finalized in our database, which is why I've excluded the data)

Calls for service 1/1/15 – 7/31/18 (accidents that were minor and did not need crash reports)

-Total of 39

-16 in 2015

-12 in 2016

-8 in 2017

-3 in 2018 (through 7/31)

Please let me know if you need any more information.

Thank you,  
Meredith
