Dear Chief Fallon,

Pursuant to the MOA between the City of Boston and the City of Somerville, the Mayor's Office of Emergency Management (OEM) is pleased to notify you that Urban Areas Security Initiative 2017 funding (CFDA# 97.067) under the *CBRNE* Goal Area can support Somerville Police Department in purchasing up to Sixty-Eight Thousand Dollars (\$68,000) for the Acquisition of a K9 Prime Mover.

The project must conform to the specifications laid out in the FFY2017 UASI Plan Project Justification *U17-5.4 CBRNE Decontamination & Detection Equipment*. Any equipment not already listed in PJ U17-5.4 requires prior approval from OEM. All equipment must comply with FEMA's Authorized Equipment List. Procurement must comply with Chapter 30B of the Massachusetts General Laws.

Once equipment has been received and invoices have been paid, please submit a reimbursement request which includes all of the following documentation; proof of 30B compliance, purchase orders, invoices, proof of payment, and a completed equipment inventory form (see enclosed) for all individual items costing five thousand dollars (\$5,000) or more. The final reimbursement request must be submitted to OEM by June 30, 2020. **Failure to fill out the attached OEM-approved forms completely and accurately along with required documentation could result in refusal to reimburse your agency for incurred costs.**

If you have any questions please feel free to contact Martin Mulkerrin, UASI Regional Planner at (617) 635-1400 or martin.mulkerrin@boston.gov.
