Dear John,

Please add my request to the upcoming Board of Alderman's Meeting to be held on Thursday, August 25th at 7:00 p.m. Alderman Walter Pero is aware of the issue I want revisited on the agenda. I would like to see:

- 1) revisitation of the "zoning" and "licensing" of the MAIN ST. Video Store on Mystic Ave.
- 2) Discussion on the removal of the Adult Entertainment Section by the above proprietor (JIM O'BRIEN) who I believe has the PHOENIX paper delivered and "accessible" to "children 18 yrs. of age and younger". Also, more to be discussed regarding "removal" of this section when placed in outdoor receptacle areas around the city of Somerville.

★ Any questions regarding above please call me at: (617) ~~617-623-4257~~

Take Care! ☺ Susan Walsh
