Dear Board of Aldermen,

My name is Becky Halmo and I am a 6-year resident of Somerville. I wanted to reach out to gather some information and inquire about the process for requesting changes (or additions) to existing city ordinances. I'm curious about this in specific relation to the hours of operation for the newly constructed Lincoln Park skate park.

Some of you may be aware of the challenge that the noise has created for skate park abutters; a group of us has been engaged in communication with the Director of Parks and Open Space over the past year to resolve some of the issues. One of the avenues that seems appropriate to pursue is adjusting skate park hours and creating visible signs to publicize this such that the hours may be enforced.

I'm curious to know what the appropriate course of action might be to request this adjustment and who might be the appropriate representatives to work with moving forward.

Many thanks for your time and attention!

Best,  
Becky Halmo, LCSW
