Chief Engineer The City of Somerville Fire Department.

The City of Somerville Massachusetts

266 Broadway

Somerville Ma 02145

Charlie

I would like to donate to the City of Somerville Fire Department (1) Model 900 powered Evacuation chair.

The Donation is from the Estate of Thomas F Cahill of which I am the Executor of his will.

Tom was a single retired individual who lived on the second floor of a condo with no elevator.

His health was failing, and he was a large individual, that presented challenges to moving him in and out of the building. He purchased the chair as a solution to the challenges of the stairwell.

Unfortunately, Tom passed, and the device was never used.

It was his wish that it be presented to the Fire Department to assist others in his situation.

Of course, as the Chief Electrical inspector I have firsthand knowledge of the Challenges presented to your department in these situations.

Attached is a copy of the invoice establishing its age and value.

When accepted please have the City of Somerville provide some form of validation to track the donation for his Estate.

A handwritten signature in black ink, appearing to read "William T Cahill". The signature is fluid and cursive, with the first name "William" and last name "Cahill" clearly distinguishable.

William T Cahill

THE WORLD'S NO.1 STAIRWAY EVACUATION CHAIR SINCE 1982
