

CITATION

Be it hereby known to all that the Somerville City Council and the Mayor offer their sincerest commendations to the

Salvation Army

For their dedicated commitment and generosity in supporting the city, especially through critical feeding operations during extended warming center hours over the past two years, in addition to providing vital support services for displaced fire survivors, which have all made a meaningful and lasting impact on the well-being of the constituents we serve.

Offered this 14th day of May 2026, by
