**Organization name:** Stand-Up for Bernie

**Description:** This public event is designed to correspond with our Stand-Up event held at the Somerville Theatre. We are looking to make a magnificent and lighthearted spectacle. For example, I am dressing up as my own interpretation of 'Lady Democracy.' We will also have local stand-up comedians mulling around the crowd entertaining passersby and engaging in policy discussions.

What will be happening in the area across the street from the Somerville Theatre is live musical performances from local musicians. We are hoping to have musicians entertaining the citizens of Somerville and other local cities from the early afternoon until the evening!

**Social or cultural benefits:**

This event is a volunteer run 'Pop-Up' festival planned to occur on October 12th, 2015 (the day before the first DNC primary debate).

This event will be hugely beneficial to the people of Boston. One of the aspects of our event is to promote Democracy, debate, and conversation. We will have volunteers mulling around the crowd engaging in policy discussion and telling jokes.

Another benefit, aside from education, is the cultural benefit of having a 'Pop-Up Festival.' We will have (mostly acoustic) musicians volunteering their talents to entertain the people of Somerville. A tradition in Davis Square that adds to its rich, diverse, and unique culture.
