

Barry Hamilton

Objective

To obtain the rank of Fire Lieutenant within the Somerville Fire Department

Firefighter, Somerville Fire Department; Somerville MA November 2008-Present

As a firefighter my primary duties are to protect the community from disaster situations, including house and building fires, to render aide in times of medical emergencies and promote an environment of public safety all under the guidance of the company officer. As a member of a fire company I take part in fire suppression, prevention, inspection, rescue and emergency operations. It is also the responsibility of the fire fighter to maintain all apparatus, equipment and facilities.
