203234: Requesting the appointment of Robert J. McGovern to the Licensing Commission.

Mr. McGovern has been an attorney for over 5 years and moved into the city a couple of years ago. Mr. Govern was asked what he thought his role would be in this position and how he would serve the City of Somerville. Members raised concerns about conflict of interest and Mr. McGovern stated that he would recuse himself from a case if it involved a business that he deals with as part of his regular work responsibilities. Members also discussed that fact that the other two members on the commission are attorneys, as well, and what that might mean for a balanced commission. This position became available to fill a vacancy created by the departure of a long

time member of the commission. The position was advertised on social media and responses from 20 very qualified candidates were received.
