We're not your typical pizza joint: in fact, we're a true Somerville legend! Over nine hundred positive Foodler ratings and plenty of returning customers can attest to that status. We serve pizza like no other pizza, with the best dough, sauce, and ingredients to top it all off. And if pizza's not your craving, never fear: our large menu will instantly satisfy you with its endless array of options.

Keep it simple with our Foodler [top-rated Fresh Margherita Pizza](#), which combines fresh mozzarella cheese, garlic, tomato, and basil on top of one of our signature pies. For something truly decadent, go for our [BBQ Chicken Pizza](#), a tasty white pizza topped with BBQ chicken, sliced onions and mozzarella.
