RE: Healthy Summer Youth Jobs Grant Program

Dear Mayor Ballantyne,

Congratulations! I am pleased to notify you that the Attorney General's Office has chosen the City of Somerville as an award recipient for the Healthy Summer Youth Jobs Grant Program. Subject to the final execution of contract documents, the City of Somerville will receive a grant of up to \$4,000.00.

The Healthy Summer Youth Jobs Grant Program is designed to benefit youth workers by providing training and skills development in employment that is focused on health and wellness. The Attorney General's Office is honored to partner with the City of Somerville to help fulfill the grant's mission to provide additional healthy summer jobs to youth.

Our team will be sending you additional information and important documents in the near future. Please feel free to contact Nathan Gardner by email at Nathan.Gardner@mass.gov or by phone at (617) 963-2150 if you have any questions in the meantime.

Again, I thank you for your continued commitment to Massachusetts youth, and we look forward to working with you on this vital effort.

Very truly yours,
