W.O. #2292570

Dear Board Members:

Preliminary approval is recommended for the petition and plan of NSTAR Electric Company d/b/a Eversource to install approximately 7 feet of (1) 4-inch PVC conduit from utility pole #204/6 on Dane Street to the house at 34 Dane Street. Conduit will be laid in the sidewalk in front of 34 Dane Street. Dane Street is a public way in Somerville, MA.

This recommendation is made with reference to NSTAR Electric's Order for Location for Conduits and Manholes dated October 24, 2018 and plan of October 20, 2018 upon stipulation that the Grant of Location is subject to: a reservation of rescission by the Board of Aldermen; indemnification of the City for all liability arising from said Grant; all permit procedures, conditions and approvals of municipal utilities; protection of existing infrastructure; and complete surface repair, restoration and maintenance. A public hearing will be required.

This work is necessary to supply electrical service to 34 Dane Street.

This work cannot be performed during the winter moratorium effective November 16, 2018. The moratorium is to be lifted in April 2019, weather permitting.

Respectfully requested,
