If that's accurate and Charnwood is shut down, I assume we'd need to shut down the full Hancock St block, from Highland Ave to Summer St, at least to thru-traffic. If so, then cars wouldn't be able to access Charnwood Rd or Windsor Rd from Hancock St.</p> <p>Sidewalks won't be formally blocked, but may be hard to walk directly down because two LN band members will perform on the sidewalk.
