Walk to Prevent Homelessness!

Somerville is fortunate to have a wide range of high quality homelessness prevention and affordable housing services. One significant gap, however, remains access to quickly accessible cash grants for emergency situations. That is why AHOC is holding our **14th Annual Save Our Homes Walk**.

Proceeds from the walk help those at risk of homelessness to secure housing by providing assistance with security deposits, rent arrearages, or moving costs. Unfortunately, we continue to see an increase in the numbers of people facing homelessness each year.

Last year the Walk raised almost \$50,000. All funds were used to provide cash grants to families and individuals living in Somerville to help them avoid the devastation of homelessness. While we were able to help 83 households (with 236 people, including 95 children), many more applied. Help us raise \$50,000 this year!

The **Save Our Homes Walk** will cover 5 kilometers (3.1 miles) and will begin and end at Somerville High School. Our route will pass several landmarks that relate to affordable housing in Somerville. Back-up transportation will be available for walkers who are unable to complete the route.

The **Somerville Affordable Housing Organizing Committee (AHOC)** was organized by the Somerville Community Corporation in 2001. AHOC is an advocacy coalition made up of Somerville residents and organizations including the **Somerville Community Corporation, Somerville Homeless Coalition, Cambridge and Somerville Legal Services** and the **Community Action Agency of Somerville**.

AHOC pursues the vital mission of preserving affordable housing, increasing affordable housing opportunities, and stabilizing Somerville's existing communities.
