## Professional Experience

### **Moynihan Plumbing and Heating, Somerville MA**

**2009 – Present**

Owner (Master Plumber License #15410)

Core competencies include: estimating and project completion, hiring and mentoring apprentice plumbers, and strong knowledge of building codes, safety, and sanitary procedures. Generated loyal client base and reputation for safety and quality by providing reliable/competitive bidding and completing all work to the highest standard, ensuring customer satisfaction. Skilled in handling work in commercial and residential buildings. Core of business was built with word of mouth and referrals in the Somerville community.

### **Accomplishments:**

- Completed a start-to-finish design, planning, and building of all installations for plumbing and hot water systems for Maverick Suites. 17 Units 40 Temple St Boston and 32 Units 89 Marion St Brookline. Maintain and repair all plumbing, hot water, and heating systems for all other properties owned by Maverick Suites.
  - Reference available upon request: Frank Hoff/Bruce Miller, Owner
- Built all bathrooms/kitchens for new 6-unit, 9-unit, and 17-unit building developments in East Boston; ensured full compliance with all safety and permitting requirements.
  - Reference available upon request: Richard Graffo, owner, Avary LLC
- Completed turnkey projects for: Rosebud Diner, Painted Burro, River Bar, Ernesto's at Assembly, Foundry on Elm, Saloon, Brass Union, and renovations of Independent and Posto restaurants.
