- Council on Aging Director Ashley Speliotis shared about the benefits of this program and noted that the income cap for participation is currently \$48,800. Approval of this item would increase that to \$92,650, allowing more seniors the ability to participate. She elaborated that the program allows a maximum of 133 hours to be worked, at a rate of \$15/hour, for a rebate of \$2,000, noting that these limits are set by the state. The program accepts 25 applicants, and there are currently available spots. Director Speliotis also noted that there is no reimbursement from the state for this program, it is offered at a loss to the city.

**RESULT:** **APPROVED**

- 7.3. Mayor's Request (ID # [25-1824](#)) Requesting approval to use available funds in the City Clerk Salaries account in the amount of \$3,590.41 to fund Assistant City Clerk-Vital Records & Licensing and Assistant City Clerk-Legislative Services positions.

Clerk Wells commented that this reflects a small reorganization, which will consolidate three positions into two, giving those two positions more responsibility. This reorganization will help eliminate redundancy and improve the department's ability to deliver services to both staff and residents. In response to a question from Councilor Clingan, Clerk Wells clarified that the savings to the city for this year will be about \$50,000 and about \$100,000 annually. In response to a question from Councilor Burnley, Clerk Wells elaborated that the Assistant City Clerk-Legislative Services position will help support the work of the City Clerk, expanding to include responsibilities such as serving as clerk for City Council meetings and staff management.

- 8.4. Officer's Communication (ID # [25-1717](#)) Director of Emergency Management conveying the 2024-2025 Cummings School Winter Warming Center After Action Report and Improvement Plan.

Emergency Management Director Bill Fisher reviewed the After Action Report and Improvement Plan, highlighting data driven results from residents, methods for feedback from clients, residents in surrounding areas, and staff. He reviewed the results of the surveys and the overall positive response from its users. Many results for improvement stem from the time spent waiting outside to see if a resident would get a bed at night. There were some issues around having security presence, multilingual staff members, and the knowledge that staff are there to assist in finding a place for residents where they are safe. Councilor Burnley spoke to the need to improve the communication around the Warming Center and its space in the coming winter.
