Hello,

The purpose of this email is to officially notify you that the City of Somerville has received an award through the Federal Fiscal Year (FFY) 2025 Community Connections Program through the Boston Region MPO. Congratulations! The award is for the BlueBikes State of Good Repair, 13 Stations project in the amount of \$278,127, of which 20% (\$55,625.40) is the required local matching contribution. With this funding award, your community will be connected with staff at MassDOT and MAPC (CC'd) to work through the procurement and contract administration process, including working on the project scope and budget development. MPO staff will continue to support this project, and should you have any questions please do not hesitate to contact Adriana Jacobsen at [ajacobsen@ctps.org](mailto:ajacobsen@ctps.org).

Sincerely,

A handwritten signature in black ink, appearing to read "Tegin Teich", is positioned above the printed name.
