Conditions: (to change any conditions, submit a new application. Contact the City Clerk's Office for more information)

As you are aware, a drainlayer's license entitles an individual to make application for a permit to lay pipe and install appurtenances, with the proper approvals, in City Right-of-Ways, for the purpose of conveying sanitary waste water, surface and subsurface runoff, potable water, and to undertake other permitted and approved work within the limits of public ways and easements or which might have impact on systems that affect the public health & safety and the integrity of the City's Infrastructure.

The City of Somerville, through the DPW Engineering Department, is hereby issuing to each licensed drainlayer a new Permit Manual that explains and defines the City's standards for work in and around the City's Infrastructure. A digital copy of this manual can be found, and printed for your records, at

http://www.somervillema.gov/departments/dpw/engineering. Each licensed Drainlayer shall be required to adhere to the rules and regulations set forth in this manual or risk losing his license as a Drainlayer in the City. In addition, all utility work performed will require "as built" drawings (with ties) of the work, must be submitted to the Engineering Department within a week of its completion. No further permits will be issued until all "as-built" plans have been received and accepted by the Engineering Office.

By accepting these conditions, you acknowledge receipt of this manual and agree to adhere to the rules and
