Dear Council Members,

I write in response to your pending resolution regarding the unsolved murders of Deanna Cremin and Charline Rosemond. As we approach the anniversaries of the murders of these young women, it is important to remember their lives and to remind their loved ones and their community, that we remain steadfast in exhausting every investigative tool to bring answers and accountability.

The Middlesex District Attorneys' Office has a proven record of solving complex cases not just years - but decades - after they occurred, I am very proud of the innovative and collaborative approach taken by the Cold Case Unit, which I created in 2019. I look forward to sharing information about our work with the members of the Council. I would appreciate the opportunity to speak to the Council at your April 10, 2025, meeting.

Thank you for your continued efforts on behalf of the residents of the city.

Cordially,

Marian T. Ryan  
District Attorney  
Middlesex County
