Mayor Wilson,

Congratulations! Among hundreds of applicants, Somerville has been selected for the next cohort of **the Youth Climate Action Fund**, supported by Bloomberg Philanthropies.

Somerville is joining a global network of 300 cities committed to strengthening how local governments partner with young people to develop climate solutions. In the coming year, your city will back youth-led ideas through small grants and work with young residents to implement solutions that address your climate priorities. We are excited to see what you will achieve together.

Please note that final grant awards are contingent on the timely submission and approval of required financial and administrative documentation by Rockefeller Philanthropy Advisors, the program's fiscal sponsor. The total award for this grant is \$50,000.

We are thrilled to welcome Somerville to the Youth Climate Action Fund and look forward to working with you and your team.

If you have any questions, please contact info@youthclimateactionfund.org. This email has also been shared with the primary and secondary contacts listed in your application materials.

Sincerely,

The Youth Climate Action Fund Program Team
