Re: Board Order # 188914
22-24 Durham Street

Alderman Heuston.

Please be advised that the Office of Strategic Planning and Community Development is in receipt of your Board Order # 188914, dated March 11, 2010, requesting that the Executive Director inspect the property of 22-24 Durham Street for any and all building code violations, including the need for permits.

In response, the Superintendent of Inspectional Services and a building inspector visited the site on different occasions. No code violations could be found. The only work being conducted on the property is painting and while the staging may be unsightly; it is legal.

Should you require any additional information, please do not hesitate to contact the Inspectional Services Division at 617-625-6600 x 5600.

Respectfully,

MONICA R. LAMBOY
Executive Director
