

Anthony Pasquale
Owner of 34 Allen St. Somerville, Ma.

Amendment to the Zoning Ordinance

Zoning Ordinance Map to change the zoning of

34 Allen Street Somerville from Neighborhood Residential (NR) to Small Business (SB)

My name is Anthony Pasquale.

When I decided to list my property for sale at 34 Allen Street Somerville,

I received many interested business owners looking to relocate their businesses at my property location.

I received many good offers for my property.

One of the offers I received was from Dr. Chris Ulrich, a Veterinary Surgeon.

As a dog owner and have experienced how important it is to have an emergency health care service near me and for everyone who has a pet,

I made the decision to accept Dr. Chris Ulrich's offer to purchase my building and help him continue his practice.

I love my dog. He provides my family with so much peace, love and friendship.

My property at 34 Allen St. will be very beneficial as a Veterinary Clinic providing an essential service to the community of Union Square and throughout all of Somerville.

Thank You
Anthony Pasquale
