Dear Police Chief Pasquarello,

Please accept this fresh copy of my permit application for our proposed spin-a-thon event to be held in Statue Park in Davis Square. Please also accept my apology for referring to Davis Square as a Cambridge location. This error was not due to ignorance but absent-mindedness and exhaustion at the time. I understand that your denial was due to a few questions that I would like to address so that we may hold this event:

1) Climate Ride is a legitimate 501 (c) 3 non-profit organization and their tax ID/EIN is 27-1777457. Their web address is www.climate ride.org. The funds going towards this ride directly benefit 9 different organizations that promote climate change awareness, renewable energy, and alternative transportation.

My personal fundraising can be found here:
<http://climate ride.donordrive.com/participant/scottlamer>

The director's name is Geraldine Carter and she can be reached at 406.322.3448

2) Three out of four members of our team are current residents of Somerville and the fourth lives in Medford. Our designated leader is Allison Smith and her contact info is as follows:

27 Catler Avenue
Somerville, MA 02144
816.679.3072
smith.allisonw@gmail.com

We believe Statue Park in Davis would be an ideal location for this event due to its foot traffic and demographic.

Although the cause is global, we feel that international issues can always be linked to local communities. I will be modeling a small, New England-made bicycle-powered electricity generator at this event (powering my laptop) as well as inspiring more people in the Somerville community to ride bicycles. All of us on the team spend a lot of time in Davis Square frequenting its establishments and would like to garner support of our event here.

Thank you for your consideration. Please do not hesitate to contact me with any questions at 207.317.6782 or scottlamer@gmail.com

Sincerely,

Scott Lamer
