To Russell V Koty –

Thank you for applying to the 2016 Community Initiative. I'm pleased to inform you that we have selected Somerville as a participant this year. Congratulations!

The timeframe for the 2016 Community Initiative is January 15 through December 31, so feel free to begin your outreach immediately, if you haven't already. National Grid will make available customized community collateral that you may use for outreach, if you choose. Please reference the attached goals established for this year along with the payouts. I'm looking forward to working with you this year!

Thank you,

Dilena Diaz
