191563 - That the City adopt the attached Local Hiring Ordinance.:

Mr. Buckley spoke about viewing the proposed ordinance as a goal, adding that it would have to be written without penalties, otherwise it could be challenged as a violation of the Privilege and Immunities Clause, possibly opening the City to liability issues and costs. He believes that further research on the Employee Retirement Income Security Act (ERISA) is necessary. Chairman White suggested keeping the reporting requirements and submitting them as public documents. The committee discussed the possibility of creating a resolution in place of the proposed ordinance as well as the option to exclude out of state residents from the proposal.

Chairman White's motion **that the proposed Local Hiring Ordinance be presented to the full Board of Aldermen for instruction as to how the committee should proceed on the item as to whether out of state residents be excluded from the local hiring ordinance, whether the**

ordinance should be drafted so that local hiring ordinance requires reporting and is goal oriented, with no penalty for failure to meet the 30% requirement or replacing the ordinance with a resolution, was approved.

RESULT: KEPT IN COMMITTEE

192275 - 631 Somerville petitioners communicating their support for the proposed local hiring ordinance.:
