To the Honorable Joseph A. Curtatone:

RE: Contract Extension
Metromedia Energy Contract

The Department of Public Works is seeking approval to extend the term of our existing contract for the supply of natural gas. By extending the contract through 2/28/2013, we will be able to obtain a rate that represents an approximate 16% decrease from our current contracted rate. Current Department of Energy projections reflect an increase of 9% for natural gas supply over the next fiscal year.

Attached is a proposed communication to the Board of Aldermen requesting approval to extend this contract.

Respectfully submitted,

Stan Koty
Commissioner of Public Works
