RE: Grant of Location
Crown Castle
Smith Avenue

Dear Board Members:

Preliminary approval is recommended for the petition and plan of Crown Castle to install approximately 350' (feet) of conduit from Pole (211/6) on Line Street, Smith Avenue then to point of pick up on the Southeasterly side of Beacon Street Somerville, MA.

This recommendation is made with reference to Crown Castles's letter of December 10, 2014 and plan of October 22, 2014 upon stipulation that the Grant of Location is subject to: a reservation of rescission by the Board of Aldermen; indemnification of the City for all liability arising from said Grant; all permit procedures, conditions and approvals of municipal utilities; protection of existing infrastructure; and complete surface repair, restoration and maintenance. A public hearing will be required.

This work is necessary for Crown Castle to improve wireless communications in the areas surrounding Beacon Street near Smith Avenue Somerville, MA.

Respectfully requested,
Department of Public Works

Re: Crown Castle NG East LLC ("Crown Castle"), *Petitions for Conduit and Fiber Location and to Attach Equipment to Existing Utility and Streetlight Poles under Mass.Gen. L. Chapter 166, Section 22.*

Dear Mr. Long:

At the request of the Somerville Department of Public Works, Crown Castle is modifying its petition filed with the Clerk's Office on October 30, 2014 as follows:

The original petition consisted of 5 items – Installation of equipment on three existing utility poles and the extension of two fiber optic pathways in new conduit.

This has been separated into five individual petitions. The plans, plan references, and lists of abutters remain unchanged.

With this change I am hopeful to obtain DPW endorsement of the work and that you will be able to schedule these on the Board of Alderman's agenda for January 8, 2015.

I have requested a check for the additional application fees and am confident that it will be delivered prior to the session and public hearing.

Sincerely,

Kosta M. Govanovic

Re: Crown Castle NG East LLC ("Crown Castle"), *Petition for Conduit and Fiber Location and to Attach Equipment to Existing Utility and Streetlight Poles under Mass.Gen. L. Chapter 166, Section 22.*

Dear Mr. Long:

Enclosed, please find a petition by Crown Castle to the Somerville Board of Aldermen for the right to install and maintain fiber optic cable and conduit with all associated connections, wires and cables and also to attach equipment to existing utility poles pursuant to Mass. Gen. L. Ch. 166, § § 22-25 ("Massachusetts Pole Attachment Statute").

Crown Castle is a regulated facilities-based telecommunications carrier that operates and maintains low-power access networks in communities across the United States. Crown Castle proposes to locate, place, attach, install, operate, and maintain its equipment on existing utility poles located in or on the public way for purposes of operating its telecommunications network. This work is necessary in order for us to service a new wireless service provider

Accordingly, Crown Castle respectfully requests that its petition be placed on the agenda for action at the next meeting of the Board. If you have any questions, please contact me at 508-320-2764 or kosta.jovanovic@crowncastle.com.

Sincerely,

Kosta M. Jovanovic
Manager, Government Relations
