PETITION

to the city of Somerville..

CITY CLERK'S OFFICE
SOMERVILLE, MA

It has come to our attention that Alderman Mr. JT SCOTT has advised the city to purchase the land at 217 Somerville Ave. for the purpose of transforming it into a park.

We, the residents of neighboring properties, would much prefer to see a nice residential or commercial building on this plot of land which will enhance the new union sq area.

Please disregard this park alternative since it does not add any attraction or value to the neighborhood.
