**SPECIAL ORDER PROVISIONS**

The Parties agree that (A) effective upon delivery of the DDoS Product hereunder, this Order Form and the Products herein change, supersede and replace the Product set forth under that Order Form SO # 2021-70559 effective as of March 14, 2021 by adding DDoS Defense to the existing Internet (S265082), with an incremental increase in MRC of \$1,100, without change to the existing Term expiration date of June 29, 2024; and (B) notwithstanding anything to the contrary in the Agreement, the parties agree that Customer may terminate the DDoS Defense Product exclusively without penalty only in the event Customer loses its government funding, provided customer provides Provider with thirty (30) days advance notice of such termination and Customer shall be responsible for all charges incurred through such date of termination. Any other termination of this Service Order shall be subject to and in accordance with the Agreement.

**ORDER ACCEPTANCE**

This Order Form is entered into between Provider (or "Company") and Customer (or "Licensee") and shall be effective as of the date of the last signature below. This Order Form is made expressly subject to the terms of that certain Commonwealth of Massachusetts Operational Services Division Contract known as the ITT72 Network Services Contract, dated June 30, 2021, which is made a part hereof and incorporated herein by reference.
