Pushbutton or Spin-Dial version hangs easily on doorknob, fence, railing or pipe. Just open the lid, lift the shackle and hang. No tools necessary. Portable KeySafe is constructed of sturdy metal with protective rubber shell and is guaranteed never to rust.

- Provides scheduled access for cleaning personnel, pool service and household maintenance
- Change combination as often as needed
- Access to vacation properties and rentals

OVERVIEW FEATURES VARIATIONS DOCUMENTS

Authorize several people to gain access to your property without duplicating and distributing keys. KeySafe™ Portable, from the AccessPoint™ product line, is opened by a combination code that you can update whenever needed. Just change the combination when a crew is no longer needed.

Routine Maintenance

Provide routine access for cleaning staff to enter gates.

Occasional Service

Schedule maintenance for swimming pools, lawns, and gardens.

Remote Locations

Arrange secure access to vacation properties and rentals.

Constructed of tough zinc-alloy and available with either a pushbutton or a spin-dial lid, Portable KeySafe secures your key with a code. The 10-digit combination is changeable. No tools are needed to install this KeySafe, and it is available in a variety of colors. KeySafe Portable is available in an "over the door" mounted version.

PushButton

Just change the combination when needed. Up to 10 digits are available

Dial Combinations

The letter-dial on the lid lets you choose, and change, alphabetic codes

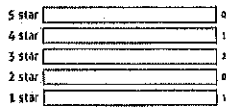

Over-The-Door Mount

When the padlock-style won't fit, place your KeySafe Portable over the top of your door
