4.3. Resolution
(ID # [24-0147](#))

By Councilor Wilson and Councilor Clingan
Opposing private jet hangar expansion at Hanscom Civil Airport and region wide.

Councilor Wilson commented that he and Councilor Clingan were

approached by Mothers Out Front regarding this matter and he sponsored Lyndsey Lucke to address the Council. Ms. Lucke said that part of the challenge is to know if you're doing the right thing, but she believes that it's important to reduce carbon emissions. Councilor Clingan commented that the proliferation and use of private jets seems extravagant when other options are available. Councilor Scott said Hanscom is the only towered airport in the area, outside of Logan Airport and that the increase in flights at Hanscom is in part due to the high cost of flying into and out of Logan. He noted that there are other regional airports that could handle these flights, albeit at a higher cost. President Ewen-Campen noted that Hanscom is next to and encroaching on a bird habitat.

5. **UNFINISHED BUSINESS**

5.1. Order
(ID # [24-0090](#))

By Councilor Sait, Councilor Burnley Jr., Councilor Wilson and Councilor Scott

That the Director of Economic Development take the steps described within, relative to the Armory building.

Councilor Sait sponsored Stephanie Scherpf, Co-director of Arts at the Armory, to speak. Ms. Scherpf gave a brief overview of the non-profit Arts at the Armory and noted that about 750 events are held there each year. Ms. Scherpf commented that the Master Plan process is stalled and negatively impacting the organization and the community. The organization has begun monthly meetings with staff from OSPCD and the Arts Council. Four Master Plan community meetings have been scheduled between January and April, with the January meeting having been poorly attended. Ms. Scherpf has since communicated some recommendations to OSPCD and the Arts Council to increase public participation in the process and said that Arts at the Armory is advocating for: 1) the abandonment of the model being proposed, 2) adoption of a 3rd party operator model, 3) development/issuance of an RFP for perspective arts and culture tenants, and 4) working with a consultant to create a governance model.

Ms. Scherpf stated that the organization is in its 8th month without a lease and that prevents them from securing loans and grants and from booking events for future dates. The rent has been doubled and the organization has refused to pay that increase, asking instead that it be absolved.

Ms. Scherpf took the opportunity to also address the Council about the warming center that the city put into operation without the knowledge of Armory staff. She noted that the city has been asked several questions about this and that those questions were never answered. President Ewen-Campen said an update has been received from the Administration, who is prepared to discuss this topic at an upcoming committee meeting.

That the Director of Health and Human Services work with the Administration to allocate funding to secure COVID-19 rapid tests to be distributed at Public Libraries.

AMENDMENT: Insert "and masks" after "rapid tests".

Councilor Burnley spoke about the seriousness of COVID variants and about residents who feel abandoned since the city is not providing free tests. He sponsored Margaret Hughes to address the Council on this topic. Ms. Hughes told members that she has had COVID five times in the last year and that the pandemic is not over for her and won't be over for the elderly or for disabled/chronically ill individuals if the protections, i.e., COVID tests and masks, keep disappearing. She would like to have free N95 masks and free rapid test kits made available in the city.

Councilor Burnley moved to **amend the order by adding "and free masks" after 'rapid test'**. The motion was approved.
