---

Dear valued public servants,

Please vote for green roofs at tomorrow's 7 pm meeting to give hope to our next generations, and young(er) residents, for the future we bequeath to them.

Please also help keep our city diverse and equitable and vote for the ability to set a means-tested, city rent control policy.

Thank you, always, for serving the public's interest in a better collective life.

Yours sincerely,

Heidi Meyer  
Property owner/occupant
