Dear Russel and Mary,

Congratulations! We are excited to work with Somerville under the 2016 Solarize Massachusetts Program!

A press release announcing the selected communities for this current round of Solarize Mass has just been released and has been posted to <http://www.masscec.com/news>. I will also forward this press release shortly after this email, if you have not already received it. You can also sign up for MassCEC Solarize Mass email updates by going to the above webpage and clicking on the 'Sign Up for Updates' link on the top of the page.

**1. MassCEC-Community Contract**

Attached to this email is a MassCEC-Community contract. Please have this contract signed and a scanned PDF copy forwarded to [Solarize@MassCEC.com](mailto:Solarize@MassCEC.com) as soon as possible. ***Receipt of a signed contract will allow MassCEC to provide marketing funds, template documents, and other resources. Thanks!***

**2. Next Steps**

In the next day MassCEC will send you a follow-up email outlining next steps for your community to get started under Solarize Mass. Please be sure to review this email and associated attachments carefully, as there are important tasks that will need to be completed in the near future.

If you have any questions about the contract or next steps, you can contact Lisa - [ldobbs@masscec.com](mailto:ldobbs@masscec.com).

Congratulations again – MassCEC and DOER look forward to working with you to make the Solarize Mass program a success in your community!

Best regards,

The Solarize Mass Team
