198252: Assistant City Solicitor responding to legal questions raised about the appointment of Constables.

Deputy Chief Carabino stated that CORI checks are done for all constable applicants. Discussions were held on whether to appoint constables outside of the City of Somerville, since some cities and towns only appoint constables that are residents in their own city/town. The committee received a draft ordinance on appointing constables along with information about the number of active constables in the City of Somerville and relevant information from other cities and towns on this matter.

198484: Requesting the re-appointment of Robert Sweeney as Constable.

Mr. Sweeney appeared and agreed to an open session without counsel. Mr. Sweeney stated that he recalled the day that services were provided to Ms. Bedry and said that he found out a couple of weeks ago about the unhappiness of the service. The City Clerk provided a copy of a letter

from Ms. Bedry for the committee to review. A copy was also provided to Mr. Sweeney at the meeting. Committee members questioned Mr. Sweeney about his records, process and procedures as a constable and inquired if there have been any other complaints lodged against him in other communities (as a constable). The committee would like Ms. Bedry to appear before the committee to respond to questions about the case. Mr. Sweeney will have an opportunity to come back before the committee to discuss this case, as well. The committee directed that the City Clerk contact Ms. Bedry to request that she attend the July 9th meeting. The Clerk of Committees was directed to check with the City Clerk on whether there may be a public meeting at the BOA meeting on July 9th.
