Approval of the Jan 25, 2018 Executive Session Minutes This item was kept in committee.

Police Officer.

Chief Fallon introduced Steve Scrugli whose name is misspelled in some of the documents. He is currently serving as a police officer at UMass Lowell. Active duty for US Army for eight years. He has a BS in Criminal Justice and Homeland Security Concentration, Minor in Global Security Studies. Mr. Scrugli is fluent in Spanish and grew up in Somerville. No votes were taken during the executive session.

The law office talked about 151B and ADA as it related to civic service. The committee asked for a legal opinion of the role of the committee in regards to the confirmation of appointments committee. It was the opinion of the city solicitor that ADA and 151B may be in direct conflict. The conflict may be more regarding the city charter and ADA and 151B creating a sequence of events of the conditional offer letter and the medical exam due to the actions of the executive branch. The personnel director talked about the conditional offer letter which includes the date of physical testing and is issued after the medical and psych exams. There can be a time lapse of two to three months for the different exams and information after the conditional offer letter is sent to the candidate. The committee asked if they could review the candidates before the medical exams and if there could be an alternative review process. The law office will look into changing the sequence of when the aldermen interview the candidates. The city charter says that the Mayor appoints first then the committee confirms the candidates

Ald. Davis motioned and it was approved *that the solicitors office advises this Board whether the sequence of appointments can be adjusted so that the Committee on Conf of Appts can review relevant information regarding candidates, including without limitation non-medical background checks.*

Ald. Davis motioned and it was approved *that the Solicitor advises this Board as to whether the committee on confirmation of appointments can review, in executive session, the minutes of a prior executive session.*

The Chief of Police is holding spots for these candidates to attend the academy on April 3rd. It is very difficult to get spots in the academy which may be in September if there is a delay.

The committee agreed to hear from all the candidates and not vote until the committee has the opinion from the law office. The candidates cannot start the academy until they are sworn in. Some of the candidates have already given notice to their jobs after receiving their conditional offer letter which went out on February 15th. The chair stated he spoke to the President of the Board who would be willing to schedule a special meeting, as to not rush through this process.

On a motion from Alderman Davis, this item was kept in committee on a Roll Call vote of 4 in favor (Ald. Scott, Mbah, Ewen-Campen and Davis) to 1 against (Ald. Hirsch).
