Is there a new criteria for snow plowing/removal?

My name is George Vroom and I have lived at
[REDACTED] since 1955.

Many terrace/place/circles (8) off of Linden Av historically have been plowed and maintained after snow storms to allow access for emergency vehicles - NOT THIS STORM!

The snow is much easier to move before it freezes.
I am interested to know what the policy is now.

THANK YOU
George Vroom
