CITY CENSUS vs. U.S. CENSUS

You need to complete both!

City Census	U.S. Census
Happens every year	Happens every 10 years
Verifies residency	Determines \$900 billion per year in federal funding nationwide
Determines active voter list	Determines political representation
Required by state law	Required by U.S. Constitution
Counts people and dogs	Only counts people

The U.S. Census determines **MILLIONS OF DOLLARS** that Somerville receives for:

Affordable Housing

Healthcare

Education
