Message: Hello,

I own a business at 260 Beacon street and I am very concerned and increasingly so that snow has not been removed from the front street. I am on a main road and not a side street. Whereas we had 7-10 parking spots out front, now there are none. What gives?

Why is the city not prioritizing removal? This is effecting my clients, my business (and other businesses here) as well as residents of this building. I am speaking up for my clients as well as these residents and other business owners. I don't understand why a main road has not been cleared for a storm that ended almost two weeks ago.

I would appreciate a reply to this matter.

Thanks,
Elizabeth Schaul
