Dear Garett,

Thank you for submitting your application to the Mass Save[®] Community First Partnership (CFP). We are pleased to inform you that your application has been preliminarily approved for a 2025, 2026, and 2027 annual award of \$40,893.75 to support CFP programming in Somerville.

Full and final award is dependent on a) Department of Public Utilities approval of the Massachusetts 2025 – 2027 Energy Efficiency and Decarbonization Plan, and b) a fully executed MOU and other partnership documents. You can expect to receive partnership documents for review and signature soon.

If your team would like to meet for further discussion or has any questions, please reach out to us. Additionally, we may follow up with your team during this interval to check in before the process moves forward.

We appreciate your partnership and look forward to working together.

Warm regards,
Kaira
