9.2.6 Commercial Services Use Categories

h. Day Care Services

Uses that provide licensed non-residential care, protection, and supervision in a protective setting for children or adults, ~~with or without compensation, on a regular basis away from their primary residence and for less than sixteen (16) hours per day.~~ The specific use types within the day care service use category are:

- i. ~~Adult Day Care Center: A day care service use providing custodial care of adults over eighteen (18) years old, related or unrelated, who are in need of supervision and/or assistance with routine daily functions but who are not in need of regular medical attention. The following standards apply:~~
 - ~~a. licensed adult day health program as defined in 105 CMR 158.004.~~
 - ~~b. All persons must be eighteen (18) years of age or older.~~
- ii. ~~Child Day Care Center: A~~ licensed day child care service center or school-aged child care program as defined in MGL 15D Section 1A.

9.2.14 Accessory Use Categories

b. Home Occupations

The specific use types within the home occupation accessory use category are:

v. Home-Based Child Day Care

~~A licensed family child care home or large family child care home as defined in M.G.L. Chapter 15D Section 1A. A home occupation providing custodial care of children under seven (7) years of age or children under sixteen (16) years of age if such children have special needs. Home day care does not include the informal cooperative arrangement for child care among neighbors or relatives, or the occasional care of children with or without compensation. The following standards apply:~~

~~a). Care may be provided for up to six (6) children at a time, including any children living with the residence providing home day care services.~~
