Dear Sergeant Fusco,

Pursuant to the MOA between the City of Boston and the City of Somerville, the Mayor's Office of Emergency Management (OEM) is pleased to notify you that Urban Areas Security Initiative 2018 funding (CFDA# 97.067) under the *Safety and Security* Goal Area can support the Somerville Police Department in the expenditure of up to Fifty Thousand Four Hundred and Fifty Nine Dollars and Forty Six Cents (\$50,459.46) for the purchase of a Prime Mover.

The project must conform to the specifications laid out in the FFY2018 UASI Plan Project Justification *U18-1.1 Equipment Maintenance*. Any equipment not already listed in PJ U18-1.1 requires prior approval from OEM. All equipment must comply with FEMA's Authorized Equipment List. Procurement must comply with Chapter 30B of the Massachusetts General Laws.

Once the Prime Mover has been received and invoices have been paid, please submit a reimbursement request which includes all of the following documentation; proof of 30B compliance, purchase orders, invoices, proof of payment, and a completed equipment inventory form (see enclosed) for all individual items costing five hundred dollars (\$500) or more. The final reimbursement request must be submitted to OEM by March 31st 2021. **Failure to fill out the attached OEM-approved forms completely and accurately along with required documentation could result in refusal to reimburse your agency for incurred costs.**

If you have any questions please feel free to contact Martin Mulkerrin, UASI Regional Planner at (617) 635-1400 or martin.mulkerrin@boston.gov.

Sincerely,

Nancy Anderson
Deputy Director
